BURLINGTON COUNTY PUBLIC HOUSING AGENCY  
YEAR 2001 ANNUAL PLAN

EXECUTIVE SUMMARY

The Burlington County Board of Chosen Freeholders, acting in their capacity as a Public Housing Agency, administers a tenant-based Rental Assistance Program, commonly known as the Section 8 Program, to serve low income renters throughout Burlington County. The Rental Assistance Program is supported by funding from the U.S. Dept. of Housing and Urban Development and must be operated in accordance with federal laws and regulations. Tenant-based Rental Assistance Programs provide rent subsidies for income eligible households to make the cost of renting units in the open market affordable.

As a condition of receiving funding from the Federal government, Public Housing Agencies must develop and implement a Five Year Plan for effect at the beginning of the Year 2000 and Annual Plan each year beginning with the Year 2000. The purpose of these Plans is to provide an easily identifiable source by which participants in the Rental Assistance Program and other members of the public may locate basic Housing Agency policies, rules and requirements concerning its operation, programs and services.

The Five Year Plan sets forth the Public Housing Agency's mission for serving the needs of low income families in Burlington County. It also describes the Agency's five year strategy, including objectives and goals by which achievements in meeting the objectives will be measured.

The Year 2001 Annual Plan, which is the second Annual Plan for the Five Year period, includes the following components:

## **STATEMENT OF HOUSING NEEDS**

Information about housing needs in Burlington County is covered in detail in the Burlington County Consolidated Housing and Community Development Plan (commonly called the C-Plan) and additional information on needs is found in the County's Fair Housing Plan. The C-Plan derives much of its information from the 1990 Census reports and covers conditions affecting rental occupancy as well as owner occupancy. The Statement of Housing Needs Sections on the Annual Plan summarizes information from the C-Plan and the Fair Housing Plan pertaining to the needs of renters, especially those with very low and extremely low incomes, and the Rental Assistance Waiting List.

*Addressing the Needs* – The Statement of Housing Needs also discussed how the Housing Agency plans to address the identified housing needs in the upcoming year. Activities are planned in accordance with the Strategy, Goals and Objectives stated in the Five Year Plan. Planned activities include: increasing enrollment in the Rental Assistance Program; educating rental property owners to reduce discriminatory resistance to participation in the Program; assuring that all units in the Program meet Housing Quality Standards and are decent, safe and sanitary; identifying handicap accessible units to use in the Program; implementing the Mainstream Program to assist disabled renters.

## **STATEMENT OF FINANCIAL RESOURCES**

The Statement of Financial Resources shows the Federal funds that are available to the Housing Agency to support the tenant-based Rental Assistance Program during the upcoming year. \$3,871,068 is expected to be available to use for rent, utility payments and program administration.

## **POLICIES GOVERNING ELIGIBILITY, SELECTION AND ADMISSIONS**

This component describes the Housing Agency's policies regarding the following:

- The effect of criminal activity on eligibility
- How the Waiting List is organized

- Search time for applicants
- Preferences for selection which include preferences for Burlington County residents over non-residents, the homeless, those paying more than 50% of income toward rent, those living in substandard units and those who are involuntarily displaced.
- Where to find information about special purpose Section 8 Programs administered.

## **RENT DETERMINATION POLICIES**

This component states policies of the Housing Agency regarding Minimum Tenant rent and how the Payment Standard is set and adjusted.

## **OPERATIONS AND MANAGEMENT**

This component provides an organizational chart and a summary of the programs administered by the Housing Agency and the number of families expected to be assisted in the upcoming year.

## **GRIEVANCE PROCEDURES**

This component describes where applicants and participants may initiate an informal review or hearing process.

## **SELF SUFFICIENCY PROGRAM**

This component describes the HA's coordination with the TANF Agency and the number of people to be assisted in the Self-Sufficiency Program that will be implemented during Year 2000. It also describes how income changes resulting from welfare program requirements will be treated.

## **SUMMARY OF COMMENTS BY THE RESIDENT ADVISORY BOARD**

Comments and questions by the resident Advisory Board during the development phase of the Five Year and Annual Plans are summarized.

### C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

In addition to the strategies identified in the checklist below, the HA plans to:

- Build enrollment in the programs to achieve 100% utilization;
- Exceed the requirement that 75% of new enrollments be at income levels of 30% MFI or less;
- Assist families to locate outside of poverty areas such as the Gardens Section in Mount Holly, Sunbury Village in Pemberton Twp. and certain sections of Burlington City;
- Participate in educational programs to landlords to encourage their participation in the Program;
- Participate with the Human Relations Commission in providing Fair Housing Education Programs in an effort to reduce discriminatory attitudes toward rental

assistance recipients, minority groups, persons with disabilities and families with children;

- Coordinate with disabilities advocacy organizations to develop a means of identifying accessible rental units;
- Implement a Mainstream Program to assist persons with disabilities in their search for suitable units and in obtaining resources to make handicap modifications to units when needed. This strategy is dependent on HUD approval of the PHA's Year 2000 application for vouchers for the Mainstream Program;
- Build enrollment in the Family Self Sufficiency Program;
- Assure that all units in the Program are free of lead paint hazards;
- Promote program participation with owners of units that have three or more bedrooms to house large families.

#### PROGRESS IN MEETING PHA 5 YEAR GOALS AND OBJECTIVES DURING YEAR ONE (FY 2000)

##### Mission

The PHA mission is to improve the quality of life without discrimination for low and very low income residents through the provision of Federally funded housing assistance programs.

##### **Objectives, Goals and Accomplishments**

Objective #1: Expand opportunities for decent, safe, sanitary and affordable housing.

Strategic Action: Provide rental subsidies to low and very low income households to improve affordability of market rate units.

Goal #1: To build to and maintain 100% utilization of authorized Rental Assistance program units.

Goal #2: To assure that 75% of new enrollments are very low income(30% MFI or less).

Strategic Action: Assist families to locate housing outside of low-income concentration areas.

Goal #3: Decrease the number of participants living in Mount Holly Gardens and Sunbury Village by 2% each year.

Strategic Action: Reduce discriminatory resistance by landlords to renting to Section 8 families.

Goal #4: Collaborate with the Human Relations Commission when conducting Fair Housing education programs. Participate in at least one educational program each year targeted to rental property owners/landlords.

##### **Accomplishments:**

**Goal #1: This goal has not been achieved.**

**Goal #2: 94% of the participants enrolled in the program are very low income (30% MFI) as of October 1, 2000 (Year to date).**

**Goal #3: Procedures were implemented to provide an incentive and increase the opportunities for families to locate housing outside low-income concentration areas. Census tract/block groups with a poverty level population of 10% or greater were identified. A payment standard equivalent to FMR is applied in those areas. To increase opportunities to move out of the poverty areas, a payment standard at 110% above FMR is applied to all other locations in the**

**jurisdiction. These procedures have not been in place long enough to determine their effect.**

**Goal #4: During October, 2000 the PHA participated with the Human Relations Commission in a Fair Housing Education Program presented to the South Jersey Investor's Group. The audience (about 50 people) was comprised of local investors, mostly rental property owners. The program included three presentations: an Overview of the Fair Housing Act presented by the Human Relations Commission, Fair Housing for Persons with Disabilities presented by the PHA and the Human Relations Commission and An Overview and Recent Changes to the County's Section 8 Program Affecting Land Lords presented by the PHA.**

Objective #2: Improve the quality of housing available to the very low-income population and special needs persons

Strategic Action: Work closely with property owners to encourage improvement of substandard housing to meet program Housing Quality Standards.

Goal #1 100% of the properties accepted into the program will meet Housing Quality Standards. 100% of the properties will meet Housing Quality Standards before annual renewal of a Housing Assistance Payment Contract.

Strategic Action: Identify properties that are accessible to persons with physical disabilities and encourage the owners to participate in the program.

Goal #2: Coordinate with local disabilities advocacy organizations to develop a means of identifying accessible rental units.

Goal #3: Establish a referral network for assistance to disabled program clients searching for housing.

Strategic Action: Expand linkages with service agencies that provide services for persons with special needs.

Goal #4: Develop a Mainstream program to assist at least ten non-elderly persons with disabilities in their search for suitable units and in obtaining resources to make handicap modifications to units when needed.

## **Accomplishments:**

**Goal #1: Internal monitoring of Housing Quality Standards demonstrates that 100% of the properties accepted into the program and renewed at their annual anniversary meet the required standards.**

**Goal #2: Preliminary efforts to coordinate with disability advocacy organizations for identifying accessible rental units has not had**

**significant results. More aggressive measures will be attempted in the future. However, to assist people with disabilities in their housing search, the PHA conducted a survey of the multi family rental properties, both assisted and unassisted, and identified the properties where there are handicap accessible units. A copy of the inventory surveyed, with the number of accessible units shown, is provided to families searching for housing. In addition, the program presentation described above, under the first objective, was designed to promote acceptance by land lords of persons with any kind of disability.**

**Goal #3:**

**As part of its preparation to implement a Mainstream Program, the PHA has identified agencies who are willing to work with the PHA in assisting disabled persons in their housing search, in obtaining cooperation from land lords and finding funding to make modifications to units they wish to rent.**

**Goal #4: The PHA applied to HUD through the Mainstream Program for 25 additional units to house persons with disabilities. At this time, the PHA is still awaiting notification from HUD as to whether they will be awarded funding for the Mainstream Program.**

Objective #3: Reduce the number of homeless persons in Burlington County.

Strategic Action: Contact all homeless provider agencies when announcing opportunities to apply for the Rental Assistance Program and encourage these agencies to assist their client's in the application process.

Goal #1: Individual letters will be sent to all homeless provider agencies with announcement of the opportunity to apply and instructions for guiding clients in the application process. A presentation will be made at the CEAS Homeless Provider meeting preceding the application announcement.

Strategic Action: Give first priority to serving homeless persons on the waiting list.

Goal #2: Applications for the program will be designed to identify conditions that qualify as homeless and applications on the waiting list that meet the qualifications will be identified as first priority and will be called in before other applicants on the list.

**Accomplishments:**

**Homeless families of the waiting list receive first priority for selection. 25 homeless families have been enrolled in the program year to date.**

**The PHA has not opened an opportunity to apply for the Rental Assistance Program this year because there are currently more than 2000 families on the waiting list.**

Objective #4: Promote self-sufficiency for families and individuals.

Strategic Action: Administer a Family Self-Sufficiency Program to assist families to become economically independent.

Goal: To fully implement a Family Self-Sufficiency Program; to build and maintain the enrollment level to 25 units.

**Accomplishments:**

**The PHA's Family Self Sufficiency Program is under way. An FSS Coordinator has been hired; FSS Coordinating Committee has been formed; the PHA has entered in to Agency Support Agreements with .....Marketing of the program began in September and three families have been enrolled year to date. Clients are also referred to additional free Housing Counseling services available through Burlington County**
