## **Section 8 Homeownership Program Capacity Statement**

As a reminder the Housing Authority of the City of Las Cruces is the managing agent for the HADAC.

The Housing Authority of the City of Las Cruces (HACLCL) is successful on administrating the (5)h Homeownership program and has the capacity to develop and administer a Section 8 Homeownership Program. The HACLCL has the expertise and the commitment to make this program a success, refer below:

Presently the HACLCL has the staff and the experience to proceed with the Section 8 Homeownership Plan. The HACLCL managers that will be working directly with this program have an average of 15 years of HUD related experience. The HACLCL is presently administering a successful HOME Choice Program, a 5(h) Homeownership Program. The proceeds from the present Homeownership Program have been used as seed money to rehab a 24-unit complex that HACLCL purchased with Section 8 reserves. The funds have also been used to start the development of a 26 elderly complex which, will be eventually be funded through the use of New Mexico tax credits.

The New Mexico Mortgage Finance Authority (MFA) of Albuquerque, New Mexico has been instrumental on providing low-interest loans and down payment assistance to our HOME Choice homebuyers. The MFA's mission is to help on providing affordable homeownership. Other agencies working with the HACLCL to make the plan possible is the local banks, Community Action Agency which provide home buyers education; local title companies, the Las Cruces City government, which provide down payment assistance and General Home Inspection which provide a homeowners warranty.

Based upon the HACLCL's experience on administrating the 5(h) Homeownership Program and attending Section 8 Homeownership seminars the HACLCL is very confident on developing and administrating a successful Section 8 Homeownership Program.

## **Description of the PHA's Implementation of Community Service Requirements**

The HADAC will comply with the Community Service requirements. The aforementioned is part of the HADAC's Admissions and Continued Occupancy Policy. Below is a synopsis on how HADAC intends to have residents comply with the Community Service requirement:

In order to be eligible for continued occupancy, each adult member must either (1) contribute eight hours per month of community service or (2) participate in an economic self-sufficiency program unless they are exempt from this requirement.

The HADAC will identify which family members are exempt from this community service requirement.

The HADAC will notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will advise families that their community service obligation will begin upon the effective date of their next annual reexamination. The residents' notification will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

The HADAC will provide a list of social service agencies that the residents may volunteer their services.

The HADAC will outline a process on complying with the community service requirement.

The HADAC will notify the resident of non-compliance with community service requirement and the opportunity to cure by entering a formal agreement.

## **Information on the PHA's Policy on Pet Ownership in Public Housing General Occupancy (Family) Developments**

The HADAC's Pet Policy consists of the following:

1. Exclusions. The policy does not apply to animals that are used to assist persons with disabilities.
2. Pets in Public Housing: The Housing Authority allows for pet ownership in its developments with the pre-written approval of the Housing Authority.
3. Approval. Residents must have the prior written approval of the Housing Authority before moving into their unit.
4. Types and Number of Pets. The Housing Authority will allow only common household pets. This means only domesticated animals such as a dog, cat, bird, rodent, fish in aquariums or a turtle will be allowed in the units. Only one pet per unit will be allowed. Any animal deemed to be potentially harmful to the health and safety of others including attack or fight trained dogs, will not be allowed.
5. Inoculations. In order to be registered, pets must be appropriately inoculated against rabies, distemper and other conditions prescribed by state and/or local ordinances.
6. Pet Deposit. A pet deposit of \$200 is required at the time of registering a pet.
7. Financial Obligation of Residents. Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet.
8. Nuisance or Threat to Health or Safety. The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas. Repeated substantiated complaints by neighbors or Housing Authority personnel regarding pets disturbing the peace of the neighbors through noise, odor, animal waste, or other nuisance may result in the owner having to remove the pet or move him/herself.
9. Designation of Pet Areas. Pets must be kept in the owner's apartment or on a leash at all times when outside the unit.
10. Miscellaneous Rules. Dogs may not be left unattended in a dwelling unit for over 10 hours and all other pets for 24 hours. Residents must take appropriate actions to protect pets from fleas and ticks. Etc.
11. Visiting Pets. Visiting pets are not allowed on the Housing Authority properties.
12. Removal of Pets. The Housing Authority, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.
