PHA FISCAL YEARS 2000 - 2004
[24 CFR Part 903.5]

A. Mission

State the PHA's mission for serving the needs of low-income, very low income, and extremely low-income families in the PHA's jurisdiction. (select one of the choices below)

- The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.
- The PHA's mission is: (state mission here)
The mission of Johnston County Housing Assistance Payments Program is to assist eligible families in securing housing offering good living conditions in safe, low poverty neighborhoods, at affordable costs and which adequately meets the needs of all family members including those with special needs.

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

- PHA Goal: Expand the supply of assisted housing
Objectives:
- Apply for additional rental vouchers: (Apply when available, asking for 50 – 100 units)
 - Reduce public housing vacancies:
 - Leverage private or other public funds to create additional housing opportunities:
 - Acquire or build units or developments
 - Other (list below)
 - (1) To insure that 20% of new tenants move to low poverty areas within 2 years. Focus advertising and landlord education in low poverty areas.
 - (2) Encourage builders to build three bedroom or larger units to ensure that within two years no large family will lose a Voucher because of unavailable three bedroom plus units.

(3) HAPP Director is registered with County Government as available public speaker on housing.

- PHA Goal: Improve the quality of assisted housing
Objectives:
- Improve public housing management: (PHAS score)
 - Improve voucher management: (SEMAP score) Strive for the best score
 - Increase customer satisfaction:
- PHA Goal: Improve Quality of Assisted Housing
Objective: Increase Customer Satisfaction

HAPP staff will focus on educating tenants at Voucher issuance and at inspections on good housekeeping practices, referring to Cooperative Extension Services for counseling and workshops if they are interested. This will be an incentive for landlords to use Section 8 Program and within one year no tenant will have their lease terminated for unsanitary housekeeping. In some instances HAPP will use increased contract rents (within FMR) as motivation and incentive for owners to make improvements to units. Success will be reflected in decreased number of marginal units on HAPP at the beginning of each of the next five years.

HAPP will refer landlords to Weatherization Program at Community Action Agency and assist them when necessary in applying for that service. After two years, complaints from tenants about unreasonably high utility bills will decrease by 50%.

HAPP will be diligent in encouraging landlords to better check references of potential tenants to reduce damage to units by family members by 50% in one year. HAPP will provide landlords with information about applicants/tenants allowed by Administrative Plan.

Use Agency newsletter as a vehicle to communicate information to tenants to encourage proud home renters, prompt payment of rent and rights as renters to ensure there will be a minimum of five new first time HAPP landlords per year.

HAPP will begin issuing a newsletter semi-annually with plans to expand to a quarterly publication within five years. This will foster better communication, positive feelings toward HAPP and less program abuse. At the end of the 2001 Repayment Agreements for Program violations will decrease by 50%.

- Concentrate on efforts to improve specific management functions:
(list; e.g., public housing finance; voucher unit inspections)
- Renovate or modernize public housing units:
- Demolish or dispose of obsolete public housing:
- Provide replacement public housing:
- Provide replacement vouchers:

Other: (list below)

PHA Goal: Increase assisted housing choices

Objectives: Refer HAPP applicants to Elderly Handicapped units as needed; Encourage owners to provide more amenities to attract special needs tenants; At briefings and other appropriate times, emphasize deductions for health care equipment and provisions for live-in-aid to live in units and provide care without income being counted so that at least four families can remain at home rather than move to long term care within a year.

HUD Strategic Goal: Improve community quality of life and economic vitality

Objectives:

Implement measures to deconcentrate poverty by bringing higher income public housing households into lower income developments:

Other: (list below)

Work with Human Services Agencies to develop a program to promote good citizenship, community pride, neighborhood safety watch, etc. by the end of 2001.

Other PHA Goals and Objectives:

Promote deconcentration poverty by encouraging tenants to move to low poverty areas. Refer them to Community Action and DSS for financial assistance with moving expense so that no family will fail to lease a unit because of lack of security or utility deposit by 2001.

Deconcentration Policy:

Johnston County HAPP counsels its tenants at Voucher Issuance and other appropriate times to choose housing in low poverty and minority areas. Lists of available units are kept in the HAPP office for distribution and are included in Voucher Packets. Landlords and Realtors are contacted and urged to accept Section 8 tenants in their rental properties located in low poverty and minority areas. Names of landlords with properties in low poverty and minority areas are given to tenants to assist in their finding suitable units. Tenants needing financial assistance with deposits are referred to local Human Services Agencies so they will not lose housing in low poverty areas because of lack of funds.

PROGRESS IN MEETING FIVE-YEAR MISSION AND GOALS

Johnston County HAPP is meeting its Mission of assisting eligible families in securing housing offering good living conditions in safe, low poverty neighborhoods at affordable costs and which adequately meet the needs of all family members including those with special needs. Of course there are still a few families who insist on moving to high poverty areas and a few families who live in high poverty areas and will not move. The agency encourages them in every way possible to move to low poverty areas and will continue to do so.

To increase availability of decent, safe and affordable housing, in 2000 Johnston County HAPP applied for new Choice Vouchers and received 56. Issuing and leasing of as many of that 56 as can be funded by that ACC is now in progress.

Several landlords have or are in the process of building or converting to larger sized units in response to HAPP's encouragement. The majority of all new tenants in the past six months have moved to low poverty neighborhoods in good units. HAPP has had a great many tenants to transfer to low poverty and low minority neighborhoods.

To improve the quality of assisted housing, HAPP continues a good relationship with county landlords. There are always a large number of properties being offered through this Section 8 Program. Landlords call or come by the office regularly to ask about the program or to put properties on the availability list.

HAPP began publishing a newsletter in December 2000 and another will be published in June 2001. After that it will be published quarterly. This is a good tool to help maintain communication with tenants/landlords.

To increase assisted housing choices, HAPP provides voucher mobility counseling at every opportunity – especially at voucher issuance. Portability has increased in and out of Johnston County. HAPP absorbs as many incoming vouchers as possible. Referrals to Habitat for Humanity are made regularly.

To provide an improved living environment, HAPP refers to human services agencies to assist tenants with security deposits and utility deposits so they will not lose their vouchers for lack of money to move. HAPP made a \$3,000 contribution to the Security Deposit Grant Fund at Community Action this year to assist in that program. HAPP also does rent comparables and assists the Community Action workers in other ways to be sure they can carry out the Grant.

To promote self-sufficiency and asset development of assisted households, HAPP posts job opportunities in its office. It refers to Job Link services and at least one elderly tenant has gone to work through that program. Others are being considered now. A resource guide including driving directions to human services agencies has been developed by HAPP and is being distributed. The HAPP Director is a member of the Johnston County Housing Consortia and they are working on finding property and /or buildings for use as transitional housing.

To insure equal opportunity and affirmatively further fair housing objectives, HAPP provides a list of housing to the public; publishes the Fair Housing information in newspapers every May. The HAPP Director is the person named in Johnston County to contact if housing discrimination is suspected.

JOHNSTON COUNTY HOUSING ASSISTANCE PAYMENTS PROGRAM

“Substantial Deviation” and “Significant Amendment or Modification”

The Code of Federal Regulations (CFR) at 24 CFR Part 903 Section 7, Public Housing Agency Plans; Final Rule issued on October 21, 1999 is very specific with respect to the information a PHA must provide in its Agency Plan. Part 903 Section 7 (r) (2) states that a PHA must identify the basic criteria the PHA will use for determining:

- A. A substantial deviation from its Five-Year Plan; and
- B. A significant amendment or modification to its Five Year Plan and Annual Plan.

Notice PIH 99-51 states that PHAs must define the terms “Substantial Deviation” and “Significant Amendment of Modification” by stating the basic criteria for such definitions in an annual plan that has met full public process and Resident Advisory Board review.

HUD considers the following actions to be Significant Amendments or Modifications:

- A. Changes to rent or admissions policies or organization of the waiting list;
- B. Additions of non-emergency work items (items not included in the current Annual Statement or Five – Year Action Plan) or change in use of replacement reserve funds under the Capital Fund;
- C. Additions of new activities not included in the current PHDEP Plan; and
- D. Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

Any substantial deviation from the Mission Statement and /or Goals and Objectives presented in the Five Year Plan that cause changes in the services provided to residents or significant changes to the Agency’s financial situation will be documented in subsequent Agency Plans.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.

MINIMUM RENT EXCEPTION PROCEDURE

The PHA recognizes that in some circumstances even the minimum rent may create a financial hardship for families. The PHA will review all relevant circumstances brought to the PHA's attention regarding financial hardship as it applies to the minimum rent. The following section states the PHA's procedures and policies in regard to minimum rent financial hardship as set forth by the Quality Housing and Work Responsibility Act of 1998. HUD has defined circumstances under which a hardship could be claimed. (24 CFR 5.630)

Following is the minimum rent exception process:

In order for a family to qualify for a hardship exception the family's circumstances must fall under one of the following HUD hardship criteria:

The family has lost eligibility or is awaiting an eligibility determination for Federal, State, or local assistance, including a family with a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act, and who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

The family would be evicted as a result of the imposition of the minimum rent requirement;

The income of the family has decreased because of changed circumstances, including loss of employment, death in the family, or other circumstances as determined by the PHA or HUD

Suspension of Minimum Rent

The PHA will grant the minimum rent exception to all families who request it, effective the first of the following month.

The minimum rent will be suspended until the PHA determines whether the hardship is

Covered by statute

Temporary or long term

“Suspension” means that the PHA must not use the minimum rent calculation until the PHA has made this decision.

During the minimum rent suspension period, the family will not be required to pay a minimum rent and the housing assistance payment will be increased accordingly.

If the PHA determines that the minimum rent is not covered by statute, the PHA will impose a minimum rent including payment for minimum rent from the time of suspension.

Temporary Hardship

If the PHA determines that the hardship is temporary a minimum rent will not be imposed for a period of up to 90 days from the date of the family's request. At the end of the temporary suspension period, a minimum rent will be imposed retroactively to the time of suspension.

*The PHA will offer a repayment agreement to the family for any such rent not paid during the temporary hardship period.

Long Term Duration Hardships [24 CFR 5.616(c)(3)]

If the PHA determines that there is a qualifying long-term financial hardship, the PHA will exempt the family from the minimum rent requirements for as long as the hardship continues. The exemption from minimum rent shall apply from the first day of the month following the family's request for exemption.

Retroactive Determination

The PHA will reimburse the family for any minimum rent charges which took effect after October 21, 1998 that qualified for one of the mandatory exceptions.

MEMBERSHIP OF RESIDENT ADVISORY BOARD

For the year 2001, Johnston County Housing Assistance Payment Program has as its Advisory Board each tenant who receives Section 8 assistance. A letter was sent to the tenants explaining the agency's desire to have everyone be a member this year and advising about the Plans and their availability for review and comments. The agency advised the tenants that the Plans would remain on display for review for the rest of the year at the HAPP Office and that comments would continue to be accepted by the HAPP staff. Should any resident member have comments during the year, they will be considered for next year's annual plan.
