Attachments

Use this section to provide any additional attachments referenced in the Plans.

Attachment A: Admissions Policy for Deconcentration

The Lincolnton Housing Authority's Admissions Policy is designed to provide for deconcentration of poverty and income-mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects.

Gross annual income is used for income at time of admission and for deconcentration analysis.

The LHA will gather and analyze data at least annually, the tenant characteristics of its Public Housing inventory, including information regarding tenant incomes, to assist in the Authority's efforts.

Skipping of a family on the waiting list specifically to reach another family with a lower or higher income is not to be considered an adverse action to the family.

The LHA's deconcentration and income-mixing goal, in conjunction with the requirement to target at least 40 percent of new admissions to public housing in each fiscal year to "extremely low income families" will be to admit higher income families to lower income developments, and lower income families to higher income developments. Deconcentration applies to new admissions and transfers.

The only incentive that the HA will employ to attract higher income families will be to allow occupancy standards of one child per bedroom, should it become necessary to meet deconcentration criteria.

The Lincolnton Housing Authority will not utilize site based waiting lists.

PET POLICY – ELDERLY/DISABLED PROJECTS

[24 CFR 5.309]

INTRODUCTION

PHAs have discretion to decide whether or not to develop policies pertaining to the keeping of pets in public housing units. This Chapter explains the PHA's policies on the keeping of pets and any criteria or standards pertaining to the policy for elderly/disabled projects. The rules adopted are reasonably related to the legitimate interest of this PHA to provide a decent, safe and sanitary living environment for all tenants, to protecting and preserving the physical condition of the property, and the financial interest of the PHA.

The purpose of this policy is to establish the PHA's policy and procedures for ownership of pets in elderly and disabled units and to ensure that no applicant or resident is discriminated against regarding admission or continued occupancy because of ownership of pets. It also establishes reasonable rules governing the keeping of common household pets.

.

ANIMALS THAT ASSIST PERSONS WITH DISABILITIES

Pet rules will not be applied to animals who assist persons with disabilities. To be excluded from the pet policy, the resident/pet owner must certify:

That there is a person with disabilities in the household and

That the animal has been trained to assist with the specified disability.

A. MANAGEMENT APPROVAL OF PETS

All pets must be approved in advance by the PHA management.

The pet owner must submit and enter into a Pet Agreement with the PHA.

Registration of Pets

Pets must be registered with the PHA before they are brought onto the premises. Registration includes certificate signed by a licensed veterinarian or State/local authority that the pet has received all inoculations required by State or local law, and that the pet has no communicable disease(s) and is pest-free.

Registration must be renewed and will be coordinated with the annual recertification date and proof of license and inoculation will be submitted at least 30 days prior to annual reexamination.

Dogs and cats must be spayed or neutered.

Execution of a Pet Agreement with the PHA stating that the tenant acknowledges complete responsibility for the care and cleaning of the pet will be required.

Registration must be renewed and will be coordinated with the annual recertification date.

Approval for the keeping of a pet shall not be extended pending the completion of these requirements.

Refusal To Register Pets

The PHA may not refuse to register a pet based on the determination that the pet owner is financially unable to care for the pet. If the PHA refuses to register a pet, a written notification will be sent to the pet owner stating the reason for denial and shall be served in accordance with HUD Notice requirements.

The PHA will refuse to register a pet if:

The pet is not a *common household pet* as defined in this policy;

Keeping the pet would violate any House Pet Rules;

The pet owner fails to provide complete pet registration information, or fails to update the registration annually;

The PHA reasonably determines that the pet owner is unable to keep the pet in compliance with the pet rules and other lease obligations. The pet's temperament and behavior may be considered as a factor in determining the pet owner's ability to comply with provisions of the lease.

The notice of refusal may be combined with a notice of a pet violation.

A resident who cares for another resident's pet must notify the PHA and agree to abide by all of the pet rules in writing.

B. STANDARDS FOR PETS

If an approved pet gives birth to a litter, the resident must remove all pets from the premises except one.

Pet rules will not be applied to animals who assist persons with disabilities.

- That there is a person with disabilities in the household;**
- That the animal has been trained to assist with the specified disability; and**

Section 2: PHDEP Plan Goals and Budget

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

We will enter into contract with the Lincolnton Police Dept. to provide on-site car, foot, and bike patrols above baseline services to maintain our successful reduction of drug sales and crime. We will maintain employment of our Resident Services Coordinator (RSC) to conduct youth programs including basketball teams in the NC Public Housing League, tutoring, karate, Leadership training, and others. The RSC will act as a liaison with the schools to allow us to fund at least 2 education youth camps at the Middle School and Elementary school our residents attend. These camps will take place in the summer of 2002 with the goal of improving the children’s readiness for education, computer skills, and supply anti crime activities and messages. The RSC will handle tenant complaints, investigate particular areas where crime and drugs become problems, and work with other agencies to provide programs to benefit our residents. The goals of the overall program is to maintain our low level of drug and criminal activity that has been achieved with past programs, to improve the youth’s behavior and grade achievement in school, and to provide activities that serves as alternatives to involvement in drugs and crime. The goals will be measured by analyzing crime rates, school grade test levels, number and type of tenant complaint, eviction records, and referrals to juvenile authorities and behavior counselors.

Implementation of Community Service Requirement
Lincolnton Housing Authority
Plan

1. The Resident Coordinator shall be responsible for the implementation of this plan. He will coordinate his efforts with the Public Housing Manager and Technician. He will meet with each resident at the time of their annual reexamination and at move in to explain the requirement and to begin documentation of application of the requirement to the particular resident situation.
2. A form has been constructed to document the Community Service of each participant. Space is provided to name place that CS took place, hours served, and signature or name of person overseeing service.
3. A interagency agreement has been executed allow verification of whether or not the resident will be required to fulfill CS. This has been done with the Lincoln County Dept. of Social Services Workfirst Program. They have expressed an overwhelming willingness to assist us.
4. Plans are in place, using third party verification forms, in the case that disability should exempt the participant.
5. Arrangements have been with the following agencies who have agreed to accept our residents and make provisions of their completing CS with the agency:
 - a) Gaston Community Action (Administrator of our on-site Head Start Program.)
 - b) Battleground Elementary School.
 - c) Lincolnton Middle School.
 - d) Good Neighbor Used Clothing store.
 - e) Lincoln County Coalition of Black Churches.
6. Additionally, we will let the participant fulfill the requirement by volunteering in our Community Resource Center which houses the Police Dept. and Social Services, by volunteering in our office, and by volunteering in the many youth programs that the Housing Authority offers.
