ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

EXECUTIVE SUMMARY

The Hazleton Housing Authority has been designated by HUD as a high-performing PHA. Therefore, it is authorized to submit a streamlined Public Housing Agency Plan, omitting elements 5, 6, 9, 10, 11, and 17. Prior to finalizing the PHA Plan, HHA consulted with the Hazleton Alliance of Resident Councils whose comments are attached. In addition to the identified required and optional attachments and list of supporting documents, identified in the Plan, the City utilized information provided in the City of Hazleton's Consolidated Plan for 2001.

Hazleton's Consolidated Plan has identified a large number of families with housing needs. However, HHA has a waiting list of 86 households for Section 8 assistance and 58 households for public housing. During the coming year HHA plans an aggressive outreach program to encourage those needy families to apply for all the housing assistance, support and educational opportunities available

to them. HHA plans to exceed the Federal targeting requirements to aid families at or below the 30% of the median area income.

Relative to eligibility, HHA screens all applicants for both the Section 8 and Public Housing Programs, for criminal and drug related activity only to the extent required by law with strict adherence to the One Strike and You're Out Policy. A police sub-station is now operating out of our community building of our family units which helps to deter criminal activity not only in the neighborhood of the family units but that quadrant of the City.

HHA has established a minimum rent of \$50 for both Section 8 and Public Housing with exceptions for hardships. Ceiling rents which would reflect a Flat Rent has been determined by operating costs plus debt service. Section 8 Tenant-based Assistance payment standard is set at 100% of FMR and is reevaluated annually.

The Capital Fund Annual Statement is submitted as an attachment to this Plan. HHA does not plan to conduct demolition or disposition activities in Fiscal Year 2001. Instead we are concentrating on energy conservation. Our expenditures to heat the 100 family units at the Vine West Community are extremely high and undoubtedly will increase over the next few years. These units were constructed in 1969-1970 here in Hazleton, Pa's highest city at 1,865 ft. above sea level and were not insulated. The winters in Hazleton are frigid and we must begin to replace windows, doors, obsolete siding, seal the brick and insulate the entire home for both the comfort of our residents and to conserve energy.

The Hazleton Housing Authority is participating in PHDEP. A copy of the PHDEP Plan is enclosed.

Relative to fiscal audit, the PHA is required to have an audit conducted annually. The most recent fiscal audit in which there were no findings, has been submitted to HUD.

Attached is a letter from the President of the Hazleton Alliance of Resident Councils which states that HARC, the Resident Advisory Board, reviewed the Public Housing Agency Plan and “voted unanimously on their acceptance of the Hazleton Housing Authority’s submission of the Public Housing Agency Annual Plan for FY2001.

1. Statement of Housing Needs

[24 CFR Part 903.7 9 (a)]

The City of Hazleton's validated plan provided information on the overall housing needs of families by income levels. Since a further breakdown is optional, the City did not develop information on specific housing needs. Thus, HHA could not obtain more detailed information.

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.
