ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Lancaster County Housing Authority only administers a Section 8 Tenant-based Rental Assistance program. The Authority does not own or manage Public Housing units or Section 8 Project-based units.

The Housing Authority, working in cooperation with the County's Community Development agency and other local non-profit affordable housing developers, is committed to expanding the supply of, and access to, affordable housing throughout the County. Because of limited resources in the community, the Housing Authority has chosen not to become a developer and thus place the agency in competition with existing developers depending on the same federal, state and local resources. The Housing Authority is available to form partnerships with these developers to secure needed financing.

The Housing Authority will continue to apply for available Section 8 Housing Choice Vouchers, Mainstream Vouchers, Welfare to Work vouchers and other opportunities to increase the available rental assistance in the County made available through HUD.

The Housing Authority has chosen to establish several local preferences to govern the eligibility of an individual or family for rental assistance. Those preferences are as follows: involuntary displacement, victims of domestic violence, applicants living in substandard housing, applicants who are currently homeless and applicants currently paying more than 50% of their income for rent. No priority will be given to one preference over another.

Despite the statutory restriction that 75% of all new applicants in a given year must be below 30% of the county's median income, the Authority decided to accept applications from elderly, disabled, and families with an income less than 50% of the county median income this year. The Authority will meet the 75% cap, but will seek to serve families with incomes less than 50%, but greater than 30%, of the county's median income when possible.

At the present time the Authority has chosen to not have an open application process. Applications are taken during a specific window of opportunity publicized in the local media and through notices provided to social service agencies. The Authority opened for new applications in July 2000 for a three-week period. More than 500 applications were received.

In 2001 the Authority will develop a Section 8 Homeownership Program on a demonstration basis working cooperatively with Tabor Community Services and the Lancaster Housing Opportunity Partnership.

The Authority has not developed any special deconcentration programs or income mixing programs. The Authority's Section 8 tenants are distributed throughout the County. There are no census tracts in the county that would be considered to have a concentration of Section 8 rental units. There are also no areas in the county that meet the HUD definitions related to minority/ethnic or income levels.

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units

- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other:

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: Work with for profit and non-profit developers in the community to encourage the development of additional affordable rental units in targeted areas of the County.

Consider participating with non-profit developers to access untapped resources and new methods of financing affordable housing, such as 501(c)(3) tax-exempt bonds.

Working with the County Redevelopment Authority, encourage developers to ensure development of units affordable to families at or below 50% of AMI, 40% of AMI and 30% of AMI as part of the larger development (exceeding income targeting requirements of LIHTC Program).

Need: Specific Family Types: Families at or below 30% of median

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Other: (list below)

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations
- Other:

Provide lists of county complexes that accept Section 8 tenants to increase the prospects of a successful search for housing throughout the County.

Five-Year Plan Statement of Progress

HUD Strategic Goal: Increase the availability of decent, safe and affordable housing.

Lancaster County Housing Authority Goal: Expand the supply of assisted housing.

The Housing Authority submitted two applications to the U.S. Department of Housing and Urban Development in Fiscal Year 2000. An application was submitted requesting budget authority for 50 fair share vouchers. A second application was submitted for budget authority for 50 vouchers under HUD's Mainstream Opportunities for Persons with Disabilities Program.

The Housing Authority received notification in September 2000 that \$226,385 in budget authority was granted for fair share vouchers. No word has been received as of the date of this Plan submittal regarding the Mainstream Opportunities application.

The Housing Authority worked cooperatively with the Housing Development Corporation (HDC) to support the submission of a Section 202 application for 40 elderly apartments in Mountville Borough. HDC received notice in late September that funding had been granted. The Housing Authority also worked with the Lancaster County Redevelopment Authority to secure \$250,000 in HOME financing for the project.

Lancaster County Housing Authority Goal: Improve the quality of assisted housing.

The Housing Authority invited landlords to a briefing on the new lead-based paint requirements to inform them of the requirements and the importance of eliminating lead-based paint hazards in assisted housing. The briefing was held September 7, 2000.

Lancaster County Housing Authority Goal: Increase assisted housing choices.

An initial meeting was held with the staff of the Lancaster Housing Opportunity Partnership and Tabor Community Services to discuss the program guidelines for the Section 8 Homeownership Program. A second meeting will take place in early 2001 to finalize program guidelines. The program is expected to be available to eligible tenants by April 1, 2001.

The staff continues to monitor the ability of voucher holders to obtain housing within a suitable period of time (generally 60 days).

The Housing Authority continues to administer vouchers of Lancaster City residents participating in the City Housing Authority's Family Unification program in order to enable the family to continue receiving the services offered through this valuable program. The Housing Authority works closely with the staff of the Lancaster City Housing authority and the Lancaster County Children and Youth agency to ensure a smooth transition of these tenants from the City of Lancaster to affordable housing opportunities in the County.

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals.

Lancaster County Housing Authority Goal: Promote self-sufficiency and development of assisted households.

The Housing Authority moved the administration of its Family Self-Sufficiency Program to Tabor Community Services, Inc. Tabor Community Services has modestly increased the level of participation of Section 8 tenants in the program. Tabor has also integrated other services offered through the organization, such as the Family Savings Account Program, to enable FSS participants to take advantage of this expanded level of services geared to economic self-sufficiency.

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans.

Lancaster County Housing Authority Goal: Ensure equal opportunity and affirmatively further fair housing.

The Lancaster County Housing Authority, in partnership with the Lancaster County Redevelopment Authority, the City of Lancaster and the Lancaster County Human relations Commission, completed an updated *Joint Analysis of Impediments to Fair Housing*. The County Commissioners adopted the plan on July 15, 1998. A Fair Housing Action Committee comprised of many diverse organizations concerned about and dealing with the rights of individuals and families to fair housing choice, was formed in 1998 to implement certain action items included in the *Analysis*.

The Lancaster County Human Relations Commission's Fair Housing Program has received annual allocations since 1998 of \$45,000 from the County's Community Development Block Grant program to enforce fair housing rights, provide information, initiate a testing program, and serve as the coordinator of the work undertaken by the Fair Housing Action Committee. The County Housing Authority has appointed a staff person to serve on the Fair Housing Action Committee.

The Fair Housing Action Committee has established four subcommittees: Public Education, Government Officials Education, Fair Lending Practices, and Fair Rental Housing Practices. Specific actions to be undertaken by the subcommittees include an analysis of the Home Mortgage Disclosure Act (HMDA) data for fair lending, a survey of renters of color to determine the factors involved in their choice of residence, meetings with municipal officials to discuss fair housing and the development of a public education campaign to increase awareness of the importance of fair housing.

The Fair Housing Action Committee is presently developing an Action Plan for 2001 to determine additional steps to be taken to implement uncompleted action items in the *Analysis*, and to review the *Analysis* and its findings to determine if any revisions are necessary.

Attachment D

Section 8 Homeownership Capacity Statement

The Lancaster County Housing Authority intends to offer a limited number of Section 8 tenants the opportunity to participate in the Section 8 Homeownership Program. The Housing Authority is in the process of developing full program guidelines in accordance with the final rule published in the Federal Register on September 12, 2000. The program will be offered on a first-come, first-served basis for eligible tenants.

The Housing Authority will work in cooperation with the Lancaster Housing Opportunity Partnership (offers downpayment and closing cost assistance and homebuyer education programs) and possible Tabor Community Services, Inc. (provides post-purchase counseling and budgeting services).

The Housing Authority's program will establish a minimum homeowner downpayment requirement of at least 3 percent and require that at least 1 percent of the downpayment come from the family's resources.

The Housing Authority will also require eligible participants to complete a homebuyer education program offered through the Lancaster Housing Opportunity Partnership, on another program approved by the Housing Authority.

When complete program details are finalized, tenants will be informed of the opportunity to participate in this program. The Housing Authority intends to limit the initial number of tenants participating to no more than 25. Program operations will be closely monitored and an evaluation of the program will be completed prior to July 1, 2002 to determine if the program should be expanded
