Maint. working toward this goal, nothing finalized.
 3. The BHA will implement a preventive maintenance plan by December 31, 2003.
Partial prev. maint. plan in place for authority wide HVAC systems and vehicles.

GOAL THREE: Enhance the image of Public Housing in our Community.

- OBJECTIVES:
1. The BHA leadership will speak to as many civic, religious or fraternal groups as possible, between now and December 31, 2004 to explain its importance to the community. April 2000, Sec. 8/TSO Ass't Mgr., Patricia Donchez gave a presentation to the parents organization of Head Start for the north Bethlehem area. She provided information on Housing Choice Vouchers, Income Limits, Fair Market Rents and Voucher Payment Stds. She also informed them of the availability of our Public Housing units, all of which are either new or newly remodeled. Ms. Donchez also gave a talk to Pawnee St. Block Watch on the same information, in April 2000.

2. The Authority will strive to ensure that there are at least two positive stories a year in the local media about the Authority or its residents. June 2000 – Local newspaper, Morning Call had a photo of Parkridge residents who volunteered to clear the brush and vines from property.

August 2000 – Local newspaper, Morning Call did an article and photo of Blazer Field, our baseball field in the Pembroke area.

3. The Authority will implement an outreach program to inform the community of the Authority's good management of public dollars. The staff produced a brochure informing community who we are, the dollars we have spent over the years in Bethlehem. It also explains our cost effective measures. A picture booklet of our developments has been prepared, showing a sampling of units from each development. This is used by our Receptionist at application time or if any applicant is interested in our properties.

JANUARY 2001

In compliance with the Quality Housing and Work Responsibility Act (QHWRA) of 1998, which provides that public housing authority residents cannot be prevented from owning pets, the Bethlehem Housing Authority (BHA) in conjunction with the Resident Advisory Board (RAB) and Resident Councils has established a PET POLICY.

This policy was adopted by the BHA Board of Commissioners at their regular meeting on January 8, 2001 by unanimous vote.

All family developments and three senior citizen/disabled developments are now eligible to apply for pet permits, according to the agreement.

The PET POLICY AGREEMENT outlines the following:

Definition of Common Household Pet – Dog, cat, bird or fish that is traditionally kept in the home for pleasure.

Dogs are limited in size and weight, not to exceed 30 pounds.

Cats are limited in size and weight, not to exceed 20 pounds.

Birds, limited to not more than two(2) are to be kept in a cage.

Fish must be kept in an approved fish tank, limited to 20 gallons.

No other living creature will be considered to be a common household pet.

One pet is permitted per household.

An application is required in order to be approved for a PET PERMIT.

CONDITIONS FOR ISSUANCE OF PET PERMIT

Tenant must comply with local, state and federal laws governing owning a pet. Ownership of a dog requires a license from the County they reside and must be worn at all times.

Pets must be inoculated and proof provided prior to bringing pet into development.

Female cats and dogs must be spayed and male cats and dogs neutered and proof provided.

PET DEPOSIT/NUISANCE CHARGE

A deposit of \$300.00 is required for those tenants requesting a permit for a dog or a cat. Initial deposit is to be no less than \$50.00 and the balance paid in installments for those with a financial hardship.

A \$25.00 nuisance charge will be imposed if a inspector or maintenance worker cannot enter unit due to an unrestrained animal.

THE COMPLETE PET POLICY AGREEMENT IS ON FILE AT BHA OFFICE.

Dear Major Cunningham:

In my letter dated July 19, 1999, copy attached, I advised you that although I was aware of a HUD proposal suggesting that a resident be appointed to the Board of Commissioners, I was not certain that it had become a requirement in fact. You are advised that the Public Housing Reform Act, published on October 21, 1999 retroactive to October 1, 1999 makes the need to appoint a resident to serve on boards of commissioners a matter of federal law, as we now understand it.

In view of the new federal law, it is suggested that you give the matter serious attention as soon as possible or at least when the next commissioner appointment expires. You may be interested in knowing that out of the 16 commissioners that have served on our Board over the past quarter century, two(2) were residents.

It is our responsibility to advise you of the existence of the law requiring the appointment of a resident to the Board of Commissioners. Who you appoint and when the appointment is made is something that you will have to decide.

If we can be of assistance, do not hesitate to let me or the Board of Commissioners know.

Sincerely,

Frank V. Loretta

RE: Car Wash Bay for the Central
Service and Supply Building

Dear Mr. Williams:

Pursuant to my conversation with Ivan Chavez, this letter is a justification for a wash bay at our Maintenance building, which is included as a work item in our 2001 Capital Fund program. Our 25-vehicle inventory is a mix of cars, pick-up trucks and vans, all of which require regular washing. Currently, the cars are taken through the local car wash and the trucks are washed outside at our maintenance facility. When the maintenance building was constructed in the early 80's, one of the garage bays was fitted with a drainage system to handle a future wash bay. The work item in Capital Fund would include installing the necessary plumbing and constructing interior walls to separate it from the remaining garage bays.

The installation of this wash bay would allow us to present the best possible image to our residents and the general public. You may contact me at 610865-8358 with any questions that you may have on this matter.

Sincerely,

Curt Kichline
Planning and Constr. Mgr.
