Five Year Plan Statement of Progress

Goal One – Expand the supply of assisted housing

No new vouchers were applied for due to the difficulties present with regard to our current lease up rate. Our voucher success rate has dropped to less than 50% in the last year. As we have determined that the need is for production, that is the area we have focused our efforts. The Authority has, through its non-profit affiliate, applied for low income tax credits to be used for the new construction of 48 units of affordable housing.

Goal Two – Improve the quality of assisted housing

In our Section 8 program, we have contracted out for our HQS inspections allowing program staff to direct their time to the effective administration of the program with the new and changing regulations. We have concentrated on landlord recruitment and retention. We have held a housing fair, are publishing a monthly newsletter for our landlords, and are processing HAP payments electronically. We have performed modernization work including the production of plans for our capital needs and a feasibility study for sewer connection for two of our properties.

Goal Three – Increase assisted housing choices

Our outreach efforts to the landlord community within our jurisdiction have been positive and resulted in the attraction of new landlords to the program. We are just now developing our voucher homeownership program as these regulations just came out.

Goal Four – Promote self-sufficiency and asset development of assisted households

Through the implementation of a “working” preference in our Section 8 program, we have been able to assist more families with wage income.

Through the Family Self-Sufficiency program, we have linked recipients with employment and social services.

Our HUD Best Practice award winning program, “Help at Home”, has strengthened our ties to family and caregivers of our elderly residents. Through this program, we have been successful in supporting our elderly residents in their own homes.

Goal Five – Ensure equal opportunity and affirmatively further fair housing

Through our newsletters delivered to all residents at all complexes on a monthly basis, we have undertaken affirmative measures to provide a suitable living environment for our residents. We continue to provide measures to ensure accessible housing through such means as our request for reasonable accommodation.

Section 8 Homeownership Program Capacity Statement

The Coventry Housing Authority will require:

1. Mandatory attendance of homeowner education classes with home buying counseling; and,
2. Minimum homeowner down payment requirement of at least 3% with 1% of the down payment coming from the family's resources.

1. Provide down payment and closing cost assistance for those who successfully complete the Home Buyer Education/Counseling program funded with CDBG funds; and,
2. Silent second mortgage assistance up to \$25,000 for rehabilitation including lead paint and weatherization, funded with CDBG funds.

Community Service Requirements Statement

However, it is the policy of this Authority to review compliance of this requirement upon initial occupancy.

Pet Policy

It is the policy of the Coventry Housing Authority to enter into a lease agreement with any resident for the purpose of pet ownership as follows:

1. One dog not exceeding 20 pounds or 12 inches in height; or
