### **Attachment 2: PET OWNERSHIP**

The PHA units are occupied by Elderly, Handicapped, or Disabled Families. A Pet Policy was developed in 1987 and adopted by the Board of Commissioners after a 30-60 day comment period for the residents and a review by the Board of Tenants' Affairs. The Policy has become an Addendum to the Dwelling Lease and is referenced in the Dwelling Lease. The Policy outlines the amount and kinds of pets allowed, licensing and vet requirements where applicable, spaying or neutering requirements, pet deposit requirements, provision for the name of a contact person to take responsibility of the pet in the event of incapacity or death of the owner, etc. There are also provisions to outline notice procedures of violations of the pet policy, review and hearing rights of the owner, and termination procedures that include removal of pet from property or termination of tenancy.

### **Attachment 3: Progress in meeting mission and goals:**

The PHA has continues to manage units under its management with sound programs of fiscal management, preventive maintenance, and capital fund improvements.

Automation of operations is nearing initial completion, although it will be part of ongoing review and update procedures to ensure that the PHA can keep pace with industry improvements. Extensive and intensive training has been implemented with the staff to ensure that each member is comfortable and providing satisfactory performance given individual capabilities and willingness to learn about the electronic age of information.

The preventive maintenance program, as described in the Maintenance Plan, is still under review and changes, such as an additional service to be provided to the residents, will be implemented as reviewed and adopted by the Board of Commissioners.

Initial discussions have taken place with local service agencies and the local government concerning the expansion of affordable housing opportunities in the community. Efforts will focus on working families.
