ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Columbia Housing Authority has completed this FY 2001 Agency Plan in consultation with CHA residents and the local community. The Resident Advisory Board reviewed the plan on August 17, 2000. The public was afforded the opportunity to review the plan and offer comments at a formal Public Hearing held on October 3, 2000. The Annual Agency Plan is summarized as follows:

1. Housing Needs
Although our current waiting list of 30 applicants is not excessive, the demand for public housing is evident. Our greatest demand is for small bedroom units (1 and 2 bedroom units). Approximately three-fourths of the applicants on the current waiting list have requested one or two bedroom units.
2. Financial Resources
The CHA expects to expend approximately \$1,000,000 in the fiscal year 2001 for operations, capital improvements and administrative costs.
3. Eligibility, Selection and Admission Policies
The CHA has revised its standard operating policies to comply with the requirements of the QHWRRA through regulations published in the Federal Register on April 30, 1999.

As required under this section of the plan, the CHA has reviewed its developments and the census tracts in which they are located relative to income. We have determined that we do not have a problem with concentration of high or low-income families.

Further, we have revised our admission policy to assure that a concentration does not occur in the future.

4. Rent Determination - Discretionary Policies

Our discretionary rent policies currently include:

- \$ Ceiling Rents
- \$ \$50.00 minimum rent

The CHA will develop a flat rent option for residents prior to October 1, 2001 in order to comply with HUD QHWRA regulations. Residents will have a choice between an income-based rent and a flat rent.

5. Operations and Management

The CHA has developed policies relating to public housing administration, management, maintenance, leasing and occupancy. These policies have been revised to comply with the recently mandated requirements of the QHWRA.

6. Grievance Procedure

We have revised our Grievance Procedure to comply with the QHWRA and we will continue to make revisions as additional issues are addressed by HUD regulations.

7. Capital Improvements

Our projected FY 2001 funding under the Capital Fund Program is \$506,556.00. Our focus for the FY2001 program year is the replacement of existing handrails, fascia boards, columns, soffits, entry doors and security doors in development TN046-001.

8. Demolition and/or Disposition

The CHA has no current plans for demolition or disposition.

9. Designation

The CHA plans to maintain the current elderly/disabled designation that applies to a portion of its units. The CHA has no plans to designate any additional units in FY 2001.

10. Conversion of Public Housing

The CHA has no current plans to designate any developments or buildings to tenant-based assistance.

11. Homeownership

The CHA has no current plans to develop a Homeownership Program. However, the CHA does provide information and referrals for our residents.

12. Community Services and Self-Sufficiency Programs

The CHA is presently implementing a HIV prevention program, child support group, and teenage support group at our community centers in Development TN046-002 and

TN046-004/005. The CHA is in the process of developing a Foster Grandparent Program for implementation at these community center facilities.

We are developing a Community Service Program to comply with HUD final rule requirements. HUD regulations state that, in order to be eligible for continued occupancy, each adult family member must contribute eight hours of community service per month or participate in an economic self-sufficiency program, or a combination of the two for eight hours per month, unless they are exempt from the requirement

13. Safety and Crime Prevention
The CHA, in cooperation with the Columbia Police Department, will continue to provide supplemental police and security services for the CHA. In addition, the CHA provides drug prevention and educational activities.
14. Ownership of Pets
The CHA has had a policy related to tenant-owned pets for many years. This policy permits all CHA residents to own pets subject to compliance with specific requirements of our pet lease. This policy is in compliance with the requirements of the QHWRA July 10, 2000, Pet Ownership in Public Housing Final Rule.
15. Civil Rights Certification
We have included the required certification regarding Fair Housing and Civil Rights in this plan.
16. Annual Audit
Our most recent annual audit for fiscal year 1999 is on file at our local HUD office in Nashville, Tennessee, and is available for review at our main office during normal business hours.
17. Asset Management
It is the goal of the CHA to manage our assets (physical property, financial resources and manpower) as efficiently as possible to meet the intent of our mission statement.

ATTACHMENT A - Deconcentration Policy for the Columbia Housing Authority

1. DECONCENTRATION POLICY

- A. The objective of the Deconcentration Policy for the Columbia Housing Authority (CHA) is to achieve the goal that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development or census tract. The CHA will take actions as necessary to achieve the goal that no individual development has a concentration of higher income or lower income families. To ensure that the CHA does not concentrate families with higher or lower income levels in any one development, the CHA will track the status of family income, by development, on a monthly basis utilizing income reports generated by the CHA's computer system.
1. The CHA will periodically compare the relative incomes of its developments to the relative incomes of the census tracts in which they are located. Where significant differences are identified, income targeting will be applied.

2. INCOME TARGETING

- A. To accomplish the deconcentration goals, the Columbia Housing Authority will take the following actions:
1. At the beginning of each fiscal year the Columbia Housing Authority will establish a numerical goal for admission of families whose incomes are at or below 30 percent of the area median income. The target annual goal will be calculated by taking 40 percent of the total number of move-ins from the previous PHA fiscal year.
 2. The CHA will limit the number of admissions to ensure that not less than 40 percent of admissions are families with incomes at or below 30 percent of the area median income.
 3. The CHA will skip families on the waiting list or skip developments to accomplish these goals.

The Columbia Housing Authority will not hold units vacant to accomplish these goals.

ATTACHMENT B: Definition of Substantial Deviation

PHA's definition of "Significant Amendment or Substantial Deviation" from its 5-Year and Annual Plans:

1. Changes to rent or admissions policies or organization of the waiting list.
2. Addition of non-emergency work, items (items not included in the Annual Statement or 5-Year Action Plan) or a change in the use of replacement reserve funds under the Capital Fund.
3. Any change with regard to demolition or disposition, designation, or homeownership programs or conversion activities.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements.

ATTACHMENTC: Community Service Program Description

All families will be given a written description of the service requirement, and of the process for claiming status as an exempt person. This will include the CHAs determination identifying the family members who are subject to the service requirement, and the family members who are exempt persons. The CHA will provide a form to any family members requesting exemption from the service and will advise the member what documentation is required to support the exemption. The CHA will approve or deny the request for exemption within 30 days from receipt of a request that includes required documentation. A family member may request an exempt status at anytime.

The CHA will provide a listing of qualifying community service or self-sufficiency activities that will meet this requirement. The CHA may update this list at anytime. Each nonexempt family member will be given a community service time sheet to track the monthly volunteer hours. A supervisor must sign and date each period of work. If qualifying activities are administered by an organization other than the CHA, a family member who is required to fulfill a service requirement must provide signed community service time sheets certifying to the CHA by such other organization that the family member has performed such qualifying activities.

The CHA must review family compliance with service requirements, and must verify such compliance annually at least thirty days before the end of the twelve-month lease term. The CHA must retain reasonable documentation of service requirement performance in tenant files.

If the CHA determines that there is a family member who is required to fulfill a service requirement, but who has violated this family obligation (noncompliant resident), the CHA must notify the tenant of this determination.

If the tenant or another family member has violated the service requirement, the CHA may not renew the lease upon expiration of the term with exceptions.

In implementing the service requirement, the CHA may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by CHA employees, or replace a job at any location where residents perform activities to satisfy the service requirement.
