ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Lewisburg Housing Authority has completed this FY 2001 Agency Plan in consultation with LHA residents and the local community. The plan was reviewed by the Resident Advisory Board on August 8, 2000. The public was given the opportunity to review the plan and to offer comments at a formal Public Hearing held on September 21, 2000. The Annual Agency Plan is summarized as follows:

1. Housing Needs

Although our current waiting list is not excessive, the demand for public housing is evident. Our greatest demand is for small bedroom units (1 and 2 bedroom units). Approximately 75 percent of the applicants on the current waiting list have requested one or two bedroom units.

2. Financial Resources

The LHA expects to expend approximately \$900,000 in the fiscal year 2001 for operations, capital improvements and administrative costs.

3. Eligibility, Selection and Admission Policies

The LHA has revised its standard operating policies to comply with the requirements of the QHWRA through regulations published in the Federal Register on March 29, 2000. These policies will be updated as HUD issues further guidance.

As required under this section of the plan, the LHA has reviewed its developments and the census tracts in which they are located relative to income. We have determined that we do not have a problem with concentration of high or low income families. Further, we have revised our admission policy to assure that a concentration does not occur in the future.

- 4. <u>Rent Determination Discretionary Policies</u> Our discretionary rent policies currently include:
 - Ceiling Rents
 - \$50.00 minimum rent

The LHA will develop flat rents prior to October 1, 2001 in order to comply with HUD QHWRA regulations.

5. Operations and Management

The LHA has developed policies relating to public housing administration, management, maintenance, leasing and occupancy. These policies have been revised to comply with the recently mandated requirements of the QHWRA.

6. <u>Grievance Procedure</u>

We have revised our Grievance Procedure to comply with the QHWRA and we will continue to make revisions as additional issues are addressed by HUD regulations.

7. <u>Capital Improvements</u>

Our projected FY 2001 funding under the Capital Fund Program is \$450,719.00. Our focus for the 2001 program year is to renovate kitchens and bathrooms in TN032-003, install window security screens in TN032-003, and concrete sidewalks in all developments.

- 8. <u>Demolition and/or Disposition</u> The LHA has no current plans for demolition or disposition.
- 9. <u>Designation</u> The LHA has no plans to designate additional units in the future.
- 10. <u>Conversion of Public Housing</u> The LHA has no current plans to designate any developments or buildings to tenantbased assistance.
- 11. <u>Homeownership</u>

The LHA has no current plans to develop a Homeownership Program. However, the LHA does provide programs, information and referrals for our residents.

12. <u>Community Services and Self-Sufficiency Programs</u>

We currently have several programs for our residents that include community services and self-sufficiency: volunteer resident patrol; summer enrichment program; after school tutor program; resident food pantry; pre-school children; heating and utility assistance; employment referrals and community job fairs; and recreational activities. We will develop and implement a Community Service Program to comply with HUD requirements. In order to be eligible for continued occupancy, each adult family member must contribute eight hours of community service per month or participate in an economic self-sufficiency program, or a combination of the two for eight hours per month, unless they are exempt from the requirement.

13. <u>Safety and Crime Prevention</u>

Coordination efforts between the LHA and the Lewisburg Police Department consist of meetings and service call reports. We meet with the Chief of Police every three months to discuss crime problems in the public housing developments. Our discussion include topics such as needs, goals, and activities to help reduce and prevent crime. In addition, the Lewisburg Police Department sends reports of every call for service on properties of and/or related to the LHA.

14. <u>Ownership of Pets</u>

The LHA has had a policy related to tenant-owned pets for many years. This policy permits all LHA residents to own pets subject to compliance with specific requirements of our pet lease.

Our pet policy is in compliance with the requirements of the QHWRA July 10, 2000, Final Rule Pet Ownership in Public Housing.

15. <u>Civil Rights Certification</u>

We have included the required certification regarding Fair Housing and Civil Rights in this plan.

16. <u>Annual Audit</u>

Our most recent annual audit for fiscal year 1999 is on file at our local HUD office in Nashville, Tennessee, and is available for review at our main office during normal business hours.

17. <u>Asset Management</u>

It is the goal of the LHA to manage our assets (physical property, financial resources and manpower) as efficiently as possible to meet the intent of our mission statement.

<u>1. Statement of Housing Needs</u>

[24 CFR Part 903.7 9 (a)]

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

Although the State Consolidated Plan indicates that housing affordability and quality are a problem in Tennessee, our waiting list does not reflect this need. Our current waiting time for an applicant to receive housing is less than one month.

Attachments

Use this section to provide any additional attachments referenced in the Plans.

ATTACHMENT A - DEFINITION OF SUBSTANTIAL DEVIATION

PHA's definition of "Significant Amendment or Substantial Deviation" from its 5-Year and Annual Plans:

- 1. Changes to rent or admissions policies or organization of the waiting list.
- 2. Addition of non-emergency work, items (items not included in the Annual Statement or 5-Year Action Plan) or a change in the use of replacement reserve funds under the Capital Fund.
- 3. Any change with regard to demolition or disposition, designation, or homeownership programs or conversion activities.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements.

ATTACHMENT B - DECONCENTRATION POLICY

- 1. DECONCENTRATION POLICY
 - a. The objective of the Deconcentration Policy for the Lewisburg Housing Authority (LHA) is to achieve the goal that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development or census tract. The LHA will take actions as necessary to achieve the goal that no individual development has a concentration of higher income or lower income families. To ensure that the LHA does not concentrate families with higher or lower income levels in any one development, the LHA will track the status of family income, by development, on a monthly basis utilizing income reports generated by the LHA's computer system.
 - b. The LHA will periodically compare the relative incomes of its developments to the relative incomes of the census tracts in which they are located. Where significant differences are identified, income targeting will be applied.
- 2. INCOME TARGETING
 - a. To accomplish the deconcentration goals, the Lewisburg Housing Authority will take the following actions:
 - At the beginning of each fiscal year the Lewisburg Housing Authority will establish a numerical goal for admission of families whose incomes are at or below 30 percent of the area median income. The target annual goal will be calculated by taking 40 percent of the total number of move-ins from the previous LHA fiscal year.
 - 2) The LHA will limit the number of admissions to ensure that not less than 40 percent of admissions are families with incomes at or below 30 percent of the area median income.
 - 3) The LHA will skip families on the waiting list or skip developments to accomplish these goals.
 - b. The Lewisburg Housing Authority will not hold units vacant to accomplish these goals.

ATTACHMENT C – IMPLEMENTATION OF PUBLIC HOUSING RESIDENT COMMUNITY SERVICE REQUIREMENTS

All families will be given a written description of the service requirement, and of the process for claiming status as an exempt person. This will include the LHAs determination that identifies the family members who are subject to the service requirement, and the family members who are exempt persons. The LHA will provide a form to any family members requesting exemption from the service and will advise the member what documentation is required to support the exemption. The LHA will approve or deny the request for exemption within 30 days from receipt of a request that includes required documentation. A family member may request an exempt status at anytime.

The LHA will provide a listing of qualifying community service or self-sufficiency activities that will meet this requirement. The LHA may update this list at anytime. Each nonexempt family member will be given a community service time sheet to track the monthly volunteer hours. A supervisor must sign and date each period of work. If qualifying activities are administered by an organization other than the LHA, a family member who is required to fulfill a service requirement <u>must</u> provide signed community service time sheets certifying to the LHA by such other organization that the family member has performed such qualifying activities.

The LHA must review family compliance with service requirements, and must verify such compliance annually at least thirty days before the end of the twelve-month lease term. The LHA must retain reasonable documentation of service requirement performance in tenant files.

If the LHA determines that there is a family member who is required to fulfill a service requirement, but who has violated this family obligation (noncompliant resident), the LHA must notify the tenant of this determination.

If the tenant or another family member has violated the service requirement, the LHA may not renew the lease upon expiration of the term with exceptions.

In implementing the service requirement, the LHA may not substitute community service or selfsufficiency activities performed by residents for work ordinarily performed by LHA employees, or replace a job at any location where residents perform activities to satisfy the service requirement.

ATTACHMENT D - RESIDENT MEMBERSHIP ON THE PHA BOARD OF COMMISIONERS

The LHA presently meets the exception criteria outlined in the HUD Final Regulations. The Resident Advisory Board met in March, 2000, to seek a resident whom would be willing to serve on the Board of Commissioners. The Resident Advisory Board was unsuccessful in its efforts to find an interested resident willing to serve. The LHA also posted a notice in search of an interested resident.

Until such time a resident can be found to serve, the Resident Advisory Board will continue to work closely with the Board of Commissioners.

ATTACHMENT G – PROGRESS IN MEETING 5-YEAR PLAN MISSION AND GOALS

- 1. Goal Expand the supply of assisted housing The Lewisburg Housing Authority continues to reduce public housing vacancies and unit turn-around time. The LHA is also looking into the opportunity to acquire an additional multi-family unit complex in proximity to the existing developments. The LHA is in the process of evaluating project feasibility for this development known as the Silver Creek Development.
- 2. Goal Improve the quality of assisted housing The LHA is making extra efforts to keep residents better informed of PHA policy and programs through frequent notices and meetings related tot the Agency Plan process.

The LHA is continually upgrading its public housing units. With the inception of the Capital Fund Program , we are now able to better plan and implement improvements.

- **3. Goal Increase assisted housing choices** The LHA continues to make local referrals to encourage resident homeownership opportunities. The LHA also is working towards the development/implementation of a public housing homeownership program. The LHA also intends to implement site-based waiting lists in an effort to provide housing choices.
- 4. **Goal Provide an improved living environment –** The LHA will continue to promote the deconcentration of poverty or income mixing. The LHA promotes income mixing as evidenced by the most recent income analysis for PHA developments.

The LHA will continue to coordinate drug and crime prevention efforts with the local law enforcement officials. Police provide on-going crime data to the LHA for analysis and action. The LHA targets at-risk youth and adults in the various on-going activities conducted in the LHA community building. These efforts have had a positive influence on the residents, and are helping to assure the safety of the public housing residents.

The LHA is also striving to designate additional LHA buildings for elderly and persons with disabilities.

- 5. Goal Promote self-sufficiency and asset development of assisted households Under the recently revised ACOP, we plan to give preference to working families to help increase the number of employed persons in assisted living. The LHA also promotes adult education and GED classes.
- 6. Goal Ensure equal opportunity and affirmatively further fair housing The LHA continues to operate its public housing program to ensure equal access to all regardless of race, color, religion, national origin, sex, familial status and disability. Our inspections, maintenance and modernization programs are spread equally among all of our developments.
