ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

This is the five-year and the Annual Plan for the Housing Authority of the City of Marshall, Texas. The MHA's fiscal year begins January 1, 2001. The Five Year Plan is for fiscal years 2000 through 2004 and the Annual Plan is for fiscal year 2001.

The MHA administers 74 unit of Public Housing. This includes 50 units for the elderly and handicapped and 24 family units. Additionally, we administer 567 Section 8 vouchers/certificates. A Board of Commissioners appointed by the Mayor oversees the agency.

The aim of the MHA is to ensure safe, decent and affordable housing; create opportunities for residents self-sufficiency and economic independence and assure fiscal integrity by all program participants.

Our mission also extends beyond providing housing assistance; but, also, charges the MHA with the responsibility to help families to become homeowners through our first time homebuyers program.

Finally, the mission statement charges the Authority with the responsibility to affirmatively further fair housing and deliver the

programs in a way that all those served are treated equally with dignity and respect.

Over the five years, the MHA will adopt and implement a voucher homeownership program. We plan to provide to our families the opportunity of buying their own home by subsidizing mortgage payments. Qualified families will be provided extensive counseling. They will also receive guidance in securing down payment and financing.

The MHA receives the following funding: Section 8, Public Housing Operations and Capital and FEMA. The figures shown in the Plan assumes that the current level of program funding will remain at the present level.
