5-YEAR PLAN
PHA FISCAL YEARS 2000 - 2004
[24 CFR Part 903.5]

A. Mission

State the PHA's mission for serving the needs of low-income, very low income, and extremely low-income families in the PHA's jurisdiction. (select one of the choices below)

X The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

X The PHA's mission is: to provide decent, safe and sanitary housing for all eligible applicants and participants. In order to perform these duties, the Weatherford Housing Authority will ensure that all properties meet Housing Quality Standards (HQS) and that program participants are trained to find and pre-inspect their units. We will strive to ensure that our landlords/owners are held responsible for these properties, and will do all in our power to ensure we are fair and equitable. The Weatherford Housing Authority will work closely with our Municipality in order that all aspects of housing remain viable and consistent.

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

- PHA Goal: Expand the supply of assisted housing
Objectives:
- X Apply for additional rental vouchers:
 - Reduce public housing vacancies:
 - Leverage private or other public funds to create additional housing opportunities:
 - Acquire or build units or developments
 - Other: *Conducting outreach county wide for potential landlords
 - X Utilizing media to attract out of town builders and LITC entities
 - X Working with Al Swan, Springtown Gardens, Springtown, Texas., who built 10 units (with state funding) for the elderly, some handicap facilitated.

All 10 units were inspected and occupied with our program participants by ground-breaking day. Phil King, State Representative, and other political and official figures commended our agency for timing the move in dates so perfectly, and for working so close with Mr. Swan to insure elderly applicants came up on the waiting list at the right time. With this success, Mr. Swan turned around and applied for more elderly units. When we were contacted by TDHCA on the need and to insure we could utilize units. The units are almost complete, and once again, the waiting list timing may work out as before.

X Working with Fox Hollow, an LITC project consisting of excellent town houses, all three and four bedrooms, and approx. 11 units are handicapped facilitated. They recently built another LITC project in Burleson, Tx., and this area does not have a housing authority. Research indicated other agencies near by did not want the jurisdiction, so we agree to help out. We are encouraging clients, especially those who want to work or further their education, to utilize this location as it is very close to Ft. Worth, etc. The manager of this operation works with agency weekly so that large families with handicapped/disable members can best utilize these units. Parker County does not have enough 3 and 4 bedroom units to meet the demand of the program; therefore, we depend tremendously on LITC projects. The Fox Hollow complex also has a community room equipped with computers for the complex students. Literacy classes and other programs held at center are an asset to our clients. By next year, agency staff plans to volunteer time to assist with programs, to further encourage our client/tenant participation, and promote our Family Self Sufficiency Program.

X In May 2001, agency support was requested for a 202 project (elderly units) scheduled to be built this year in Weatherford, Texas. Research indicates our agency is not able to meet the demand for this category, and while Weatherford, Texas already has one 202 complex, more elderly housing is needed. This agency welcomes and supports all affordable housing programs. When HUD contacted agency on support issue, agency agreed to inform all elderly clients on the waiting list. This will insure elderly on our waiting list are assisted quicker, and will offer them a choice in housing assistance.

- PHA Goal: Improve the quality of assisted housing
- Objectives:
- Improve public housing management: (PHAS score)
 - X Improve voucher management: (SEMAP score)
 - X Increase customer satisfaction:
 - X Concentrate on efforts to improve specific management functions:
(list; e.g., public housing finance; voucher unit inspections)
 - Renovate or modernize public housing units:
 - Demolish or dispose of obsolete public housing:
 - Provide replacement public housing:
 - Provide replacement vouchers:

- Other: (list below)
- X Continuously upgrading Housing Quality Inspections
- X Continuously improve tenant briefings with tools and training so they can find excellent rental stock available. New program participants are trained to perform their own HQS inspection prior to agency inspection. The Executive Director, who performs HQS training for the Texas Housing Association – Austin, Texas, performs the briefing. The Director also trains participants on how to explain the Housing Choice Voucher Program to new landlords, how to present their present needs and situation, and encourages them to assist landlord with small repairs or cleaning – showing initiative and responsibility. Agency’s new briefing methods have improved the quality of housing stock, and landlords are encouraged by tenant’s involvement. Approx. 95% of move-in inspections pass the first HQS inspection, and agency is staying over 100% in utilization.

- PHA Goal: Increase assisted housing choices
Objectives:
 - X Provide voucher mobility counseling:
 - X Conduct outreach efforts to potential voucher landlords
 - X Increase voucher payment standards
 - X Implement voucher homeownership program:
 - Implement public housing or other homeownership programs:
 - Implement public housing site-based waiting lists:
 - Convert public housing to vouchers:
 - Other: (list below)
 - X Solicit for more LITC builders to consider building in Parker County.

HUD Strategic Goal: Improve community quality of life and economic vitality

- X PHA Goal: Provide an improved living environment
Objectives:
 - Implement measures to deconcentrate poverty by bringing higher income public housing households into lower income developments:
 - Implement measures to promote income mixing in public housing by assuring access for lower income families into higher income developments:
 - Implement public housing security improvements:
 - Designate developments or buildings for particular resident groups (elderly, persons with disabilities)
 - Other: *to continue upgrading our HQS requirements
 - X Using rent reasonableness to encourage owner upgrading/rehab in
return
For higher rents.
 - X Encourage tenants (especially those with higher incomes) to rent in high
Income areas further encouraging self sufficiency, and confidence to

become a homebuyer, and also promotes our program into new areas.

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals

X PHA Goal: Promote self-sufficiency and asset development of assisted households

Objectives:

X Increase the number and percentage of employed persons in assisted families:

X Provide or attract supportive services to improve assistance recipients' employability:

X Provide or attract supportive services to increase independence for the elderly or families with disabilities.

Other: (list below)

X Collaborate with school district to promote literacy and ESL (English as second language)

X Collaborate with Weatherford College who recently organized a committee to promote the need for childcare. Agency director was recently invited to join Weatherford College and other city leaders to battle the need for childcare. This agency as well as the Department of Human Resources can attest clients can be educated and encouraged to work, but without affordable or free childcare, it's a losing battle. By 2002, this agency plans to be an instrumental player in the success of this goal. Agency will be researching for federal grants and monies available to assist this committee. Childcare needs are a major goal in our Five Year Plan.

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans

X PHA Goal: Ensure equal opportunity and affirmatively further fair housing

Objectives:

X Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion national origin, sex, familial status, and disability:

X Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion national origin, sex, familial status, and disability:

X Undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required:

X Other: (list below)

*Meet with our landlords/owners on a continuing basis to ensure that they are kept abreast of all directive changes which may affect their programs, and assure owners that the same standards prevail throughout the nation. In addition we will communicate with developers/contractors and bankers concerning the development of affordable housing in Weatherford, TX.

X Continue public relations with all community groups, scheduling program presentations to educate the public on our Housing Choice Voucher Program. Presentations include equal opportunity and fair housing issues along with

discrimination issues. Agency homebuyer fairs have opened doors to many realtors who are receiving stronger education on these issues. Agency plans to schedule a program presentation for the Board of Realtors, which should take concerns with this area to greater height of awareness. The Equal Opportunity emblem and it's meaning needs more respect, consideration, and property owners that do not adhere to requirements should be held accountable.

Other PHA Goals and Objectives: (list below)

- To increase our Family Self-Sufficiency Program**
- To continue working on getting our Homeownership Program in Parker County.**
- To promote our own literacy program (in house) to further meet QHWRA and Welfare to Work goals.**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Weatherford Housing Authority plans to work hand in hand with its program participants and the Resident Advisory Board on meeting recommended future needs such as more office space, childcare, and literacy programs. Because the Agency does not have the funds to undertake major recommendations, the Board, RAB, and the Agency will unify efforts and research other means and sources of funding to achieve optimum results. In addition, we will work in tandem with the City of Weatherford to secure optimum housing opportunities for those residents who are less fortunate.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- X Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- X Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- X Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- X Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- X Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- X Apply for additional section 8 units should they become available
