## **ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

The mission of Winooski Housing Authority (WHA) is to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination. To further this mission, during the next year WHA intends to undertake activities that will: expand its supply of assisted housing, improve the quality of assisted housing within its jurisdiction, increase the choice of assisted housing among WHA's stakeholders, and work to ensure equal opportunity and affirmatively further fair housing.

In order to expand the supply of assisted housing WHA intends to apply for additional Section 8 Vouchers and explore opportunities that will allow the leveraging of private or other public funds to create additional housing opportunities. Examples of possible funding opportunities are the Low Income Housing Tax Credit Program, and the Community Development Block grant program.

WHA intends to improve the quality of assisted housing stock within its jurisdiction by utilizing the HUD Public Housing Capital Grant Program. Anticipated work items include unit remodeling, the painting of building exteriors, and modernization of facility's mechanical systems. In addition, WHA recognizes that improvements can and should be made to the manner in which its Section 8 Housing Assistance Programs are being administered. Therefore, for the period in question, WHA has a goal of achieving a Section 8 Management Assessment Program score of at least 80%.

In response to last year's Resident Survey, security concerns by some residents have been noted. However, given the confidential nature of the survey, these concerns were not "site-specific." Therefore, during the upcoming year, WHA intends to meet with resident groups to determine which project(s) these are specific to, and then analyze the identified areas of concern so that appropriate action can be taken.

The apartment stock in WHA's jurisdiction has an extremely low vacancy rate. As a result, the agency's Voucher clients are challenged with finding suitable units in which to reside. To address this issue WHA staff will engage in outreach activities geared towards potential and current Section 8 landlords, on a case by case basis, with a goal of improving the client lease-up success rates.

### **Progress in meeting the Five Year Plan Mission and Goals:**

Winooski Housing Authority is meeting its mission statement of promoting adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination. For the ninth consecutive year the agency has been designated a “High-Performing” agency. The agency provides affordable housing resources to several hundred households in its jurisdiction, and over the past year has expanded its inventory.

In addition, the agency regularly promotes economic opportunity through the Family self-sufficiency program, and a variety of local programs geared towards “bootstrapping” its clients.

During the past year there have been no issues related to discrimination against its clients.

Despite myriad programmatic changes relative to the Section 8 program, the agency’s SEMAP score has increased modestly.

### **Resident Membership of the PHA Governing Board**

The Board currently has one member who is a resident, Reginald Desetauls, 83 Barlow Street, Winooski Vermont 04504. He has been serving on the Board for the past ten years. As is the practice in Winooski, consistent with Vermont State Statute, the Mayor makes the appointment.
