Attachment F: Progress in meeting the 5-Year Plan Mission and Goals

The SRHA has been able to maintain its mission to provide affordable, safe, decent and sanitary temporary housing for qualified low and very low income individuals, through the utilization of FY 99/00 Capital funds and the proper application of our public housing and Section 8 policies.

We are continuing to address public housing vacancies very aggressively and our PHAS/SEMAP scores indicate that other operational issues are being satisfactorily addressed.

Capital funds have been utilized to provide modernization of our property and our FY 2001 application will continue that effort.

SRHA has implemented local preferences to improve the living environment by addressing deconcentration, promoting income mixing and improving security throughout our development.

The SRHA created and continues to facilitate self-sufficiency programs to improve resident employability as well as solicit support services for the elderly and families with disabilities.

We are confident that the SRHA will be able to continue to meet and accommodate all our goals and objectives in FY 2001.
