ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Wise County Redevelopment and Housing Authority is a small PHMAP Standard-Performer agency located in Wise County, Virginia. The WCRHA manages 193 units of public housing at four developments.

The mission of the WCRHA:

The vision of the Wise County Redevelopment and Housing Authority is to promote a strong sense of self-sufficiency in our clients. This will be accomplished through:

Progressive Leadership
Flexibility
Compassion and Understanding

The Wise County Redevelopment and Housing Authority will be staffed by highly productive employees who are effective communicators and have a high degree of job satisfaction. The staff will achieve their superior performance through access to advanced technology and through the use of positive incentives.

The WCRHA will accomplish its mission ideals through its goals and objectives:

1. Providing decent, safe and affordable housing in your community.
2. Ensuring equal opportunity in housing for everyone
3. Promoting self-sufficiency and asset development of financially disadvantaged families and individuals.
4. Increase resident participation through resident council and/or advisory committee.
5. To provide timely response to residents' request for maintenance problems.
6. To return vacated units with new resident in 20 days.
7. To continue to enforce our "One Strike" policies for resident and applicants.

8. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position

The WCRHA's financial resources include an operating fund, capital fund, dwelling rental income and Section 8 Administrative fees which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The WCRHA has assessed the housing needs of Coeburn and surrounding Wise County area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical. The WCRHA has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The WCRHA has determined that its housing strategy complies with the state of Virginia's Consolidated Plan

The WCRHA has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The WCRHA has established a minimum rent of \$25.00 and elected to recognize its flat and ceiling rents as synonymous and chosen to select the local Fair Market Rents (FMR) to determine its dollar value.

The WCRHA has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The WCRHA has no plans to demolish or dispose of any of its properties nor does it have or plan to establish a Homeownership program. The WCRHA has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents.

The WCRHA has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The WCRHA has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the WCRHA has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of WCRHA's Agency Plan to HUD before July 18, 2001.

Because the WCRHA is a small PHA (under 250 units), it was not required to respond to the following Annual Plan components.

- Operations and Management
- Grievances Procedures
- Designation of Public Housing
- Conversion of Public Housing
- Community Service
- Asset Management

WISE COUNTY REDEVELOPMENT AND HOUSING AUTHORITY DECONCENTRATION POLICY

It is the policy of the Wise County Redevelopment and Housing Authority (WCRHA) to house families in a manner that will prevent a concentration of very poor families and/or a concentration of higher income families in any one public housing development. The specific objective of the WCRHA is to house at least 40 percent of its public housing inventory with families that have an income of at or below 30% of the area median income in each public housing development. Also the WCRHA will take actions to insure that no individual development has a concentration of higher income families. The Authority will not house more than 60% of its units in any one development with families whose incomes exceed 30% of the area median income.

To accomplish these goals, the WCRHA will:

- Track the status of family income, by development, on a monthly basis.
- Not house families with incomes that exceed 30% of the area median income into projects that are occupied by more than 60% of higher income families.
- Encourage higher income residents to relocate to low income developments and lower income residents relocate to higher income developments
- Give local preferences for the selection of applicants necessary for the compliance of this deconcentration policy
- Each fiscal year establish a goal and house at least 40% of its new admissions with families whose incomes are at or below 30% of area median income.

ATTEST

CHAIRMAN

DECONCENTRATION RULE

The objective of the deconcentration rule for Section 8 tenant-based assistance is to admit no less than seventy-five percent (75%) of its new admissions to the program to families that have income at or below thirty percent (30%) of the area median income. The PHA will track the status of all new admissions monthly by utilizing income reports generated by the PHA's computer system. The goal will be tracked semi-annually. The practice will continue until the PHA achieves its goal. The PHA's Section 8 applicant selection process, which is contained in the Section 8 Administrative Plan, provides for the utilization of local preference to accomplish this goal.

The PHA has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of FY 2001 Capital funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our property and our FY 2001 application will continue that effort.

PHA has implemented local preferences to improve the living environment in addition to our modernization efforts.

The implementation of a family pet policy has provided the opportunity for residents to enjoy pets within a regulated environment. In addition, PHA will implement a Community Service program beginning October 1, 2001 that has been discussed with residents and each adult member of every household has been notified of their responsibilities and the policy has been Board approved.

We are confident that the PHA will be able to continue to meet and accommodate all our goals and objectives for FY 2001.

There shall be no limit as to the number of fish, but no more than one aquarium with a maximum capacity of 20 gallons shall be permitted. A resident with a pet may not also have other categories of "common household pets" as defined above.
 3. Pets other than a dog or cat shall be confined to an appropriate cage or container. Such a pet may be removed from its cage while inside the owner's apartment for the purpose of handling, but shall not generally be unrestrained.
 4. Only one dog or cat is allowed per household. **NO PIT BULLS WILL BE PERMITTED.** All dogs and cats will need to be on a leash, tied up, or otherwise restrained at all times when they are outside. Neither dogs nor cats shall be permitted to run loose.
 5. Pet owners shall maintain their pet in such a manner as to prevent any damage to their unit, yard or common areas of the community in which they live.  6. Each pet owner shall be fully responsible for the care of the pet, including proper disposal of pet wastes in a safe and sanitary manner. Specific instructions for pet waste shall be available in the

management office. Improper disposal of pet waste is a lease violation and may be grounds for termination.

7. All pets shall be inoculated and licensed in accordance with applicable state and local laws. All cats or dogs shall be neutered or spayed, unless a veterinarian certifies that the spaying or neutering would be inappropriate or unnecessary (because of health, age, etc.)
8. Visiting pets may be allowed as long as they generally conform to the guidelines expressed in this policy, except that: (1) no additional security deposit shall be required of the resident with whom the pet is visiting (unless the visit is in excess of 72 hours) and two (2) verified complaints shall be grounds for excluding the pet from further visits.
9. All pets shall be registered with the Management Office immediately or no longer than ten (10) days following their introduction to the community. Registration shall consist of providing:
 - a. Basic information about the pet (type, age, description, name, etc.)
 - b. Proof of inoculation and licensing.
 - c. Proof of neutering or spaying. All female dogs over the age of six (6) months and female cats over the age of five (5) months must be spayed. All male dogs over the age of eight (8) months and all male cats over the age of ten (10) months must be neutered. If health problems prevent such spaying or neutering, a veterinarian's certificate will be necessary to allow the pet to become or continue to be a resident of the community.
 - d. Payment of an additional security deposit of \$200.00 (to be paid in full, or over a period of time not to exceed six (6) months, in case of hardship) to defray the cost of potential damage done by the pet to the unit or to common areas of the community. There shall be no additional security deposit for pets other than dogs or cats. The additional security deposit shall not preclude charges to a resident for repair of damages done on an ongoing basis by a pet. The resident is responsible for all damages caused by the pet and will reimburse the Authority for all costs it incurs in repairing such damages. This deposit is refundable if no damage is identified at the move-out inspection.
 - e. If a resident cannot care for their pet due to an illness, absence, or death, and no other person can be found to care for the pet, after 24-hours have elapsed, the tenant hereby gives permission for the pet to be released to the Humane Society/Animal Control, in accordance with their procedures. In no case shall WCRHA incur any costs or liability for the care of a pet placed in the care of another individual or agency under this procedure.

Provide the name, address and phone number of one or more persons who will care for the pet if you are unable to do so. This information will be updated annually.
10. Any litigation resulting from actions by pets shall be the sole responsibility of the pet owner. The pet owner agrees to indemnify and hold harmless the WCRHA from all claims, causes of action damages or expenses, including attorney's fees, resulting from the action or the activities of his or her pet.
