The Community services/Self-Sufficiency Program will be implemented as follows: The Lease is being modified from a month-to-month contract to a twelve (12) months contract and will be renewed or terminated at annual recertification depending on compliance of the leaseholder. Notices advising the tenants of the effective date of the Community Services and Self-Sufficiency Program requirement will be mailed in both English and Spanish. At the Monthly Tenants meetings conducted by the Housing Managers, information will be discussed and disseminated regarding tenants compliance of and their participation in this Program.

The Department of Management and Tenant Services will be responsible for the overall administration of the Program. It is expected that the Department may solicit contract administrative assistance for the community service portion of the Program based on the availability of funding. A comprehensive listings of preliminary non-exempt adults and tenants engaged in approved training programs or welfare to work programs by the Virgin Islands departments of Human Services and Labor will be developed. The Authority may also enter into a Cooperative Agreement with TANF (Welfare) Agencies to assist in the verification of tenant status within these programs.

The Authority will cross-reference all pertinent information to determine adult members eligible for non-work status that are required to participate in the Program and will compile a listing of eligible Community Service and Self-Sufficiency activities and economics programs. These Programs and activities include childcare during resident meetings, painting of graffiti on building, assisting the Steel band Program, etc.

Orientation workshops will be held for non-exempt residents. Participants will receive training in improving their technical skills, job conduct, appropriate dress codes, work ethics, conflict resolution, basic writing skills and customer services.

A change in status may occur at any time due to the participant becoming employed or involved in training or becomes disabled. Tenant must furnish documented proof of his status change or disability. Tenant must also inform the Authority when the disability, training or employment ends or is completed. Once the Authority determines that a non-exempt tenant is in non-compliance with the Program's requirements, the Authority shall perform the following:

Notify the non-exempt tenant of a non-compliant determination.

Advise the tenant of the right to grieve the determination consistent with the grievance procedures.

Allow the tenant to enter into a signed agreement before the expiration of the lease term to make up the missing hours needed to cure non-compliance. If this is not done, the lease will not be renewed.

The non-exempt tenant shall fulfill the Community Service/Self-Sufficiency Program requirements for the coming year in addition to the hours of non-compliance.

The Authority is restricting participation in the Program by not substituting community service for work ordinarily performed by its employees, or by replacing a job at any location where community work requirements are performed, as well as the engagement in political activities.

### Pet Ownership and Responsibility Addendum to Lease Agreement

Written permission for owning pets will be granted only to residents of Public Housing, particularly elderly and disabled tenants living in elderly communities or designated elderly areas. Tenants requiring the services or benefit of a seeing eye or hearing pet or other animal that is considered as auxiliary aid are exempted from paying the required \$25.00 pet deposit.

Resident is permitted to own one common household pet, herein described as \_\_\_\_\_ hereinafter referred to as Pet in accordance with the following rules for keeping pets.

The regulations governing common household pets for the purposes of Housing Programs defines a pet as a domesticated animal, such as a dog, cat, bird, rodent (including a rabbit), fish, or turtle, that is traditionally kept in the home for pleasure rather than for commercial purposes. Common household pet does not include reptiles (except turtles).

If this definition conflicts with any applicable Territorial or local law or regulation defining the pets that may be owned or kept in dwelling accommodations, the Territorial or local law or regulation shall apply. This definition shall not include animals that are used to assist persons with disabilities.

o in full depending on the cost of damages incurred as a direct result of Pet, as assessed by Management at time residents vacates the premises.

No Pet shall be allowed on premises if it has not been properly vaccinated. Residents must have his/her Pet checked by a recognized veterinarian at least once a year to ensure proper vaccination. Residents must bring license and proof of vaccination to the Management Office to be duly filed.

Residents are responsible for controlling odors caused by presence of Pet in and around unit.
5. All Pets must be boarded in the dwelling unit and will not be allowed outdoors unless it is accompanied by resident or adult member of Resident's household. If Pet is a warm-blooded animal, when outdoors shall be on a leash, no longer than five (5) feet long, or carried in a closed ventilated contained. If Pet is a bird, it must be caged at all times both in the dwelling unit and outside. At no time will pets be allowed in common areas
6. Pets will only be walked in designated pet areas of community property. Residents shall insure that the pet does not wander into neighboring yards or common areas. Resident shall be solely responsible for insuring that any debris or damage caused by Pet is properly disposed of in areas designated by Management for disposing of pet waste. If, at any time, Pet is found outside the designated pet area, the Resident shall be fined.
7. No Pet shall be left unattended in the dwelling unit for period of time in excess of twelve (12) hours.
8. Pet owners are responsible for any disturbance on a consistent basis as a result of constant barking, whining, and scratching on the part of the Pet.
9. Any pet caused infestation or damage to the building, grounds, flooring, finish tiles, carpeting, walls, etc., will not be considered normal wear and tear and will be considered the complete responsibility of the resident pursuant to the terms and conditions of the Lease Agreement to which this Addendum is affixed. All expenses and costs involved in the repair of damages caused by resident's Pet shall be deducted from current balance of luxury charges. If damages are greater than the existing balance, Resident shall be responsible for the additional costs.
10. Pets of family members and guests will not be allowed on the premises without the prior written approval of Management.
11. Resident indemnifies Management for all claims regarding any loss or personal injury caused by the resident's pet to any other resident, guest or employee in the building(s) or on the premises.

12. A violation of the provisions contained herein will be construed as a health and safety violation and therefore be considered a breach of the Lease Agreement and subject to eviction procedures contained herein.

### **Progress in Meeting 5-Year Plan Mission and Goals**

The Virgin Islands Housing Authority (VIHA) continues to make steady progress in its seven (7) Strategic Planning Strategy's Action items (ii. Executive Summary). Through a new leadership model, development of quantifiable outcomes performance measurements and a continuous improvement process, applicable to all operations, policies and procedures; our vision to become a high performing agency is being attained.

The Authority remains committed to completing major hurricane damages to various communities. VIHA successfully requested funds through HUD Emergency Loan Program to perform critical repairs and mitigation. Those funds are currently being utilized to improve physical conditions to withstand and/or minimize future hurricanes. All other mitigation, disaster and emergency repairs are being performed consistent with the requirements to provide safe, decent and sanitary accommodations for all public housing residents.

We were successful in obtaining HUD approved funding to demolish Donoe Housing Community on St. Thomas and Louis E. Brown Community on St. Croix. Although we submitted our third dynamic, collaborative community base partnership – HOPE VI application to HUD, we were unsuccessful. However, through other creative financing we are progressing with our first design built project at Estate Hoffman-Nullyberg, St. Thomas, to replace hurricane destroyed developments. Homeownership opportunities are also progressing, as more and more residents are becoming homeowners in the communities where the opportunity is available.

All newly required policies have or are being implemented in compliance with our Agency Plan. We continue to be successful with our Section 8 Program and its voucher application process. Resident involvement and feedback from our resident Advisory Council on Housing continues to play a vital role to ensure their participation and concerns are addressed.

## Section 2: PHDEP Plan Goals and Budget

### A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

During the funding cycle, Virgin Islands Housing Authority Police (VIHAP) will attempt to reduce assaults by 10% while increasing felony drug arrests by 20%. To achieve this, VIHAP will increase surveillance activities in targeted developments through coordination with federal task forces (HIDTA).

Aggressive patrol and investigation together with better cooperation from residents will enable VIHAP to meet its planned goals. VIHAP anticipates an increase in resident awareness of the role of VIHAP which may translate into more calls for service and information about criminal activity.

### **Section 8 Homeownership Program Capacity Statement**

The Virgin Islands Housing Authority has adopted a Housing Choice Voucher Program Homeownership Option in its Section 8 Housing Program Administrative Plan. That Homeownership Option will be amended to establish a minimum homeownership down payment requirement of at least 3 percent and requiring that a least 1 percent of the down payment come from the family's resources, consistent with the guidance provided in PIH Notice 2000-43 (HA).

The Virgin Islands Housing Authority has successful completed three 5h homeownership conversions and three Turnkey III homeownership projects. Most of the key Housing Authority personnel engaged in those homeownership initiatives are still employed by the PHA. The PH also has a working relationship with the Homeownership Division of the Virgin Islands Housing Finance Authority. That Homeownership Division has successfully conducted Homebuyer Training Programs and Mortgage Assistance Initiatives for 1st time homebuyers. To the extent that additional capacity is required beyond the internal staff of the PHA, the PHA will utilize the option to retain additional capacity where and as needed.
