[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Brown County Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

We have adopted the following mission statement to guide the activities of the Brown County Housing Authority.

**The mission of the Brown County Housing Authority is to ensure that all residents of Brown County have the opportunity for safe, affordable housing.**

We have also adopted the following goals and objectives for the next five years.

**Goal One:** Manage the Brown County Housing Authority's tenant-based program in an efficient and effective manner thereby qualifying as at least a standard performer under SEMAP.

**Objectives:**

1. The Brown County Housing Authority shall achieve and sustain a utilization rate of 95% by December 31, 2004, in its tenant-based program

2. The Brown County Housing Authority shall reduce the concentration of its voucher holders by having 30% of them living in other than low-income areas by December 31, 2004.
3. The Brown County Housing Authority shall reduce the amount of time it takes to inspect a new unit to 15 days by December 31, 2004.
4. The Brown County Housing Authority shall promote a motivating work environment with a capable and efficient team of employees to operate as a customer-friendly and fiscally prudent leader in the affordable housing industry.

**Goal Two:** Expand the range and quality of housing choices available to participants in the Brown County Housing Authority's tenant-based assistance program.

**Objectives:**

1. The Brown County Housing Authority shall establish a program to help people use its tenant-based program to become homeowners by December 31, 2004.
2. The Brown County Housing Authority shall work with non-profit partners to build or acquire 10 units to increase homeownership opportunities by December 31, 2004.
3. The Brown County Housing Authority shall implement an aggressive outreach program to attract at least 250 landlords to participate in its program by December 31, 2004.
4. The Brown County Housing Authority will participate in a consortium effort to develop homeownership opportunities for persons with disabilities and locate at least 3 partners, non-profit or for-profit, locally or nationally-based by December 31, 2002. These partners will work with us on the acquisition, improvement and/or development of additional housing opportunities for this target group.

**Goal Three:** Improve economic opportunity (self-sufficiency) for the families and individuals who are participants in the Brown County Housing Authority's tenant-based assistance program.

**Objectives:**

1. The Brown County Housing Authority shall have an effective, fully functioning resident organization by December 31, 2002.
2. The Brown County Housing Authority will continue Family Self-Sufficiency participation at 100% of the eligible slots with the goal to utilize all available funding by December 31, 2004.
3. The Brown County Housing Authority will implement 3 new partnerships in order to enhance self-sufficiency services to our Section 8 participants by December 31, 2004.

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- We have adopted two local preferences – for applicants who live or work or are hired to work in Brown County and applicants who have been displaced because of natural disaster or public redevelopments.
- We have adopted an aggressive screening policy for Section 8 applicants to ensure to the best of our ability that new admissions will be good neighbors. We are screening applicants to the fullest extent allowable while not taking away the ultimate responsibility from the landlord. Our screening practices will meet all fair housing requirements.
- We have implemented a tenacious deconcentration policy.
- Applicants will be selected from the waiting list by preference and in order of the date and time they applied.
- We have established a minimum rent of \$25.
- In an attempt to encourage work and advancement in the workplace, we are not requiring interim recertifications if Section 8 participants have an increase in income. The increase will be reported at the next regular recertification.

- We are going to utilize the published FMR's as our payment standard for the Section 8 program. To increase housing opportunities our voucher payment standard will be set at 100% FMR.

In summary, we are on course to improve the condition of affordable housing in Brown County.

## Progress Report

The Brown County Housing Authority, through its contract with Integrated Community Services, has striven to manage the Section 8 Program in an effective and efficient manner. Steps we have taken this past year in meeting this goal include the use of personal computers for staff and the use of program specific (HAPPY) software. This past year we have invested time and financial resources in staff training in this area. Because we are concerned about our program under utilization we have hired Quadel to review our operations and to assist us in our efforts to increase our lease up rate. We will be establishing benchmarks this next year to further assist our efforts in evaluating and improving program performance.

We had established a goal of inspecting new units within SEMAP indicator of 15 days. We have exceeded this goal and actually are inspecting new units with an average of 8 days. To assist in our deconcentration efforts we have recently increased our voucher payment standard to 110% of Fair Market Rent. We expect this will increase housing opportunities and lease up rates for program applicants/participants.

This next year we plan to implement a homeownership program as part of our Section 8 program. Specifics of how the program will be structured are still to be determined. We expect this will also assist in our utilization rate.

We continue to work at increasing our landlord outreach efforts in meeting our goal of attracting 250 new landlords to our program by 12/31/2004. In 2000 316 new landlords have become part of our program. Our efforts this year included becoming new members of the local Apartment Association, inviting landlords to our client information sessions so they can hear the same information we are providing to their tenants, and being part of a Landlord Training session given by our local Planning Department.

Our Family Self-Sufficiency Program is now at 100% utilization. Through our association with our contract agency, ICS, we have been able to offer IDA accounts as an added benefit to W-2 eligible FSS clients. This increases their self-sufficiency efforts.

We have also worked, through ICS, in assisting homeless shelter residents in accessing Section 8 funds with the use of Emergency Shelter grant dollars to assist with first month's rent and security deposits. We will continue to coordinate programs and resources in our continuing effort to make decent, affordable housing a reality for low-income Brown County households.

Brown County Housing Authority  
Resident Member on the Board Statement

The Brown County Executive recommended and Brown County Board of Supervisors appointed Tom Diedrick to fill the Resident Commissioner Position on the Brown County Housing Authority at its May 17, 2000 meeting. The Brown County Housing Authority does not own or manage any housing, but administers the Section 8 Rental Assistance Program. Tom is a disabled individual (Quadriplegic) and as an active lifelong community advocate for persons with disabilities, Tom Diedrick has and continues to participate in assistance programs provided by the Brown County Housing Authority.

## Section 8 Homeownership Capacity Statement

The Brown County Housing Authority plans to include homeownership as part of the Section 8 Housing Choice Voucher Program. Since the final rule was just published September 12, 2000 we have not determined all of the specifics in program requirements. We plan to establish a minimum homeowner down payment requirement of at least 3% and require that at least 1% of the down payment come from the families' resources. We have unutilized Section 8 funds that we can target to this program. We feel that this program will work well with our successful Family Self-Sufficiency Program.

**ICS ADVISORY COMMITTEE MEETING NOTES**  
**GALLAGER'S WEDNESDAY, NOVEMBER 1, 2000**

**Present: Rich Aicher, representing Brown County Housing Authority, Rosie Jonas, Kathy Moens, Brian Pelon and Shirley Clontz all from ICS.**

**Advisory Committee: 11 members currently receiving Section 8 Rental Assistance through ICS: Jackie Snyder, Jennifer Alberts, Jane Bessey, Eunice Ludke, Sandy Greene, Holly Lepp, Dawn Vanacker, Alissa Johnson, John Geyer, Terie Poquette and Sharon Harper.**

**I. Welcome/Introductions**

Rosie and Brian welcomed the group and everyone introduced him/herself.

**II. Purpose of Meeting**

Rosie explained the reason for forming an Advisory Committee and summarized the agenda. She encouraged everyone to participate in sharing his/her ideas/advice in improving our program. She also told the members to contact us at a later date, if he/she did not feel comfortable with speaking before a group.

Rosie said last year's plan in developing the committee was still being implemented and there were only a few minor changes this year. She explained that the committee was formed a year ago and out of 10 people that were on the committee a year ago, five were no longer being assisted. The remaining members were all invited again this year and two prior committee members attended.

**III. Issues**

Rosie also mentioned Section 8 funding is not being fully utilized and there is a possibility of losing the funding to Brown County. The committee was asked if he/she had any ideas on why people were not applying for the program.

Rosie also asked if anyone had problems in the past with finding an apartment.

**IV. Comment Period**

- (Jane) mentioned when she was looking for an apartment, she had trouble locating a unit that would accept her with 4 children. If she did find a large enough unit, either it was too expensive or not in a safe area.
- (John) stated that landlords don't want to abide by the rules.

- (Jackie) is experiencing high electric heat bills and her landlord is not willing to participate with Wisconsin Public Service in weatherization. She said she has to even buy the plastic to put on her windows.
- (Sharon) felt the landlords were unfair in accepting cats and not dogs.
- (Dawn) feels stuck at the apartment she is at, because she doesn't feel she would qualify for a better unit.
- (Alissa) said several people don't feel that the small amount that they get is worth all the effort it takes to only get a small amount of help. She said people don't want everyone to know their business for a lousy \$40.00. She also said if it hadn't been for the shopping incentive, she would have dropped the program this year.
- (Rosie) explained that the Voucher Payment Standard was just raised and (Kathy) handed out the new VPS to everyone. Rosie mentioned that this would hopefully make it easier to find housing and open better housing opportunities.
- (Eunice) said she really appreciates the help she receives from ICS.
- (Jennifer) stated so many landlords don't accept housing. Some just don't understand about rental assistance and we need to do a better job of educating the landlords. Someone from our office could do more outreach to new landlords and explain rental assistance and also educate the public.
- (Holly) found an apartment she wanted and the landlord wanted a co-signer because she didn't make \$2,000 per month.
- (Rosie) asked the group their feeling about someone from ICS speaking to the landlord on his/her behalf to explain the program. Would this help in being able to get a better unit? The majority seemed to think this would help.
- (Jane) just purchased a home that was completely re-done for \$59,000. She will be moving into the home the end of November. She participated in the Family Self-Sufficiency program.
- (Jennifer) said she would like to buy her own home some day. She lives in an unsafe area for her children.
- (Alissa) would also like to buy her own home so that she would build up some equity and have something to leave to her children someday. She lives on Main St. She also stated buying a home is a problem when you have a credit problem.

- (Sandy) said she would like to own her own home someday. The only thing she could afford would need a lot of fixing up and she could not afford to repair a home. Would it be better to buy an old home all fixed up and pay more or purchase one that needs fixed and by the time you completed it, you might have more in it than if you bought a newer home?
- (Alissa) is concerned that she would not be able to fix a home that might need repair, because of the cost involved. Would housing be coming every year to check the house, just as if they were renters?
- (Rosie) spoke about getting a grant for rental subsidy to be used towards Homeownership. She explained that there would be certain guidelines that HUD would require for this program.
- (Dawn) wanted to know if it is easier to get financing for a fixer-upper or one that is already fixed up.
- (Brian) explained how the IDA program and the FSS program help people save money for a home. He also mentioned putting something together with Section 8 so that we could utilize both programs. Brian explained that owning a home is a big step and this is why it is important to have a plan in place and to set up goals, so that you will succeed in everything that goes along with the home ownership. He also stressed that is very important to clean up your credit and build up an opportunity for you to own your own home.
- (Rich Aicher) stated that it is really important to clean up your credit. Go to a banker to see what you need to do to clean up your credit. It may not be as bad as you think. It may be better to purchase a home that just needs a few minor repairs, such as painting and clean-up rather than purchasing a home that needs a lot of repairs. If you purchase a home that needs a lot of repairs, sometimes you get into structural problems and lots of expense that you don't anticipate.

Down payment requirements are so small now that it makes it so much more attractive for more people to purchase a home.

## **V. Future meeting interest**

- The group was invited to attend the public hearing on Monday, November 13 @3:00 p.m.
- Rosie addressed the group to thank them for coming to the meeting and for their participation in the meeting.
