ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Dane County Housing Authority has prepared this agency plan in compliance with Section 511 of the quality Housing and Work Responsibility Act of 1998. This plan serves as DCHA's five-year plan for fiscal years 2000 through 2004.

Dane County Housing Authority administers 86 public housing units, 16 rural development units, 821 existing units (certificates and vouchers), and 50 units of Moderate Rehabilitation.

Dane County Housing was established in 1972. It is overseen by a five-member board, which is appointed by the County Executive.

The five-year plan must include the mission and long-range goals of DCHA. These plans must be submitted to HUD at least 75 days prior to the PHA fiscal year. Each PHA must conduct public hearings to discuss the plan. At least 45-days prior to the public hearing, the agency must make the proposed plan available to the public. The agency must take into consideration any public comments received in regards to the plan before the Board formally adopts the plan.

DCHA is also required to prepare annual plans. The agency is also submitting it FY2000 annual plan, providing detailed information regarding the agency and its operations.

Additionally, the housing authority is required to establish a Resident Advisory Board. Such a board has been established. The Board represents the residents and participants assisted by DCHA.

As required by QHWRA of 1998 the plan addresses the following:

- Mission Statement
- 5 Year Plan (Goals and Objectives)
- Statement of Housing Needs
- Statement of Financial Resources
- State of Eligibility, Selection, and Admissions
- Statement of Rent Determination Policies

- Statement of Rent Determination Policies
- Statement of Capital Improvements
- Statement of Demolition or Disposition
- Statement of Homeownership Programs
- Statement of Safety and Crime Prevention
- Statement Regarding Pet Ownership
- Civil Rights Certification
- Recent Fiscal Year Audit

The QHWRA of 1998 is the first piece of legislation passed by Congress in five years that makes substantial changes in the laws and operations that govern public housing and Section 8 programs. The provisions, which came out of the act, affect the housing authority's day-to-day operations. They include:

Funding Issues

- Options Affecting HAA Organizations
- General Program Operating Provisions
- HA Plan Requirements (5-year plan and annual plan)
- Merger of the Section 8 Certificates and Voucher Programs

In summary the intent of these sweeping changes is to improve the condition of affordable housing through collaborative efforts with the residents and participants served by the housing authority and within the communities that strive to meet the housing needs of the low and very low income population.

**B. Housing Needs of Families on the Public Housing and Section 8
Tenant- Based Assistance Waiting Lists**

As in its Consolidated Plan, the State of Wisconsin has many unmet housing needs. Despite the relative economic health of the state the extremely low and very low household have difficulty finding suitable housing within their means. In all geographic regions housing problems tend to be more prevalent among the extremely low-income population.

These households have limited income therefore their choice of housing is limited to the low end of the housing market where numerous housing problems exist. **s. Complete one table for each type of PHA-wide waiting list administered by the PHA.** PHAs may provide separate tables for site-based or sub-jurisdictional public housing waiting lists at their option.
