C. Strategy for Addressing Needs

(1) Strategies

The housing needs of families are becoming more critical, particularly in two areas – 1) cost and 2) supply. Our economy, which is very good, has resulted in landlords raising rents to the point where they are unaffordable and not reasonable. Supply has always been a concern; it takes 1-2 months for a family to find housing.

We make families aware of any affordable housing that may be available. We give a list of moderate housing and owners who participate in the Section 8 program.

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

Working with owners to decrease rents so ELI and VLI families can rent units

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

Select all that apply

- Adopt rent policies to support and encourage work
- Other: (list below)

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

Select all that apply

- Employ admissions preferences aimed at families who are working
- Adopt rent policies to support and encourage work
- Other: (list below)

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available
- Other: (list below)

Need: Specific Family Types: Families with Disabilities

Strategy 1: Target available assistance to Families with Disabilities:

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Other: (list below)

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations
- Other: (list below)

Other Housing Needs & Strategies: (list needs and strategies below)

ATTACHMENT A

The main concern of persons on the advisory board, and our tenants, is the difficulty finding affordable housing in Door County. This has escalated during the past four months. Because the economy is so good, owners can get higher rents. Reasonably priced apartments are scarce. Tenants may not pay more than 40% of their incomes and this is limiting the rental field. We were granted exception rents in July, 1999, but rents have escalated for our tenants today. There would be two possibilities, apply for exception rents again or use 110% of the exception rents across the board.

Tenants feel it is unfair to use gross income when figuring eligibility. "We never see our gross income."

The tenants feel it is important to be informed of changes in regulations. For example, we discussed the Tenant Income Verification Program. They like to be informed on a regular basis.

It was suggested that we display a list of all owners who participate in the Section 8 rental assistance program.

ATTACHMENT B

We are promoting adequate and affordable housing, suitable living environments free from discrimination as stated in the Five-Year Plan.

We are concentrating on having units adequate for families that pass inspections according to housing quality standards. Our agency does have reserve funds that could be used for families with disabilities if all other local resources have been exhausted.

The feasibility of group homes is diminishing. Communication with Community Programs personnel indicates that persons prefer living independently with service providers.

All goals and missions stated are consistent with the services we are currently providing.

ATTACHMENT C

A resident will be appointed to the Door County Housing Authority Board of Commissioners when there is a vacancy on the board.

We are not adding another board member, namely a resident, at this time because it has not been determined if adding an additional member is within State Statute compliance.
