[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Following is the Agency Plan for the Janesville Community Development Authority which administers the section 8 rent assistance program in the city of Janesville, Wisconsin.

Based upon information gathered from the 1990 U.S. Census, housing affordability remains one of the major needs of families in Janesville. Market conditions since the 1990 census have resulted in over 1,000 market rate rental units being constructed. Because of the large number of additional rental units, the market has not been able to absorb them and vacancy rates in the last several years have been high (12.9% in 1999). In the long-term this may result in the deterioration of the older, more affordable units resulting in concerns regarding quality.

The Housing Authority has the annual budget authority to administer 450 units of section 8 tenant based housing. Janesville selects applicants based upon date and time of application and a local residency preference. However, in order to implement the income targeting requirements, those families who have incomes above 30% of CMI are placed on a secondary wait list and are selected using the former federal preferences as local preferences. The wait for an applicant with an income below 30% of CMI and a local residency preference is currently 10 – 11 months.

In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

In order to address the housing needs of families in Janesville we plan on concentrating efforts on increasing section 8 lease-up rates to fully utilize available assistance. There is an ample supply of housing in Janesville with rental vacancy rate 12.9% city-wide. However, staffing constraints have made it difficult to lease all available vouchers.

(1) Strategies

- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction

Select all that apply

- Apply for additional section 8 units should they become available

- Market the section 8 program to owners outside of areas of poverty /minority concentrations
- Other: (list below)

Other Housing Needs & Strategies: (list needs and strategies below)

(2) Reasons for Selecting Strategies

Attachment A

Statement of Progress in Meeting the 5-Year Plan Mission and Goals

The mission of the Janesville Community Development Authority is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity, and a suitable living environment free from discrimination. This is primarily being addressed through an ongoing effort to increase the utilization rate of existing Housing Choice Vouchers. For the last several years (since the elimination of the 3-month delay in the reissuance of certificates and vouchers) we have had a difficult time leasing more than 400 of the 450 budgeted units. At the present time we have approximately 395 units under lease with over 50 families in the process of being qualified and finding suitable housing. This effort will continue with a goal of a lease-up rate of 98%.

The last NOFA for "Fair Share Vouchers" required that the HA have a lease-up rate of 98% to qualify. When we achieve that lease-up rate we will apply for additional vouchers to expand the supply of affordable housing in Janesville.

This was the first year a SEMAP certification was prepared. Even though it was not scored, it did identify several areas in which improvement will be needed in order to produce a satisfactory SEMAP score. We are in the process of implementing these improvements to meet the objective of improving voucher management.
