## **ii. Executive Summary**

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

The Buffalo Housing Authority (BHA) has included in this Annual Plan information regarding the operation of the BHA low rent public housing program. The BHA does not receive Section 8 assistance for distribution, but acts as a local intake agent for the tenant-based Section 8 assistance program administered by the Cheyenne Housing Authority (CHA). Therefore, the BHA has not responded to any Section 8 related sections of this annual plan. Additionally, the BHA is a small housing authority, having only 30 units of public housing, and is therefore submitting this small agency annual plan update.

The BHA administers 30 units of elderly/disabled low rent public housing, contained within a multi-family complex called Clear Creek Apartments. This complex is connected to the Buffalo Senior Center by an enclosed walkway, which has enabled the residents of Clear Creek Apartments to have easier access to the Senior Center and the programs administered within that facility.

The BHA is submitting, within this annual plan update, information related to the Capital Fund activity that has been undertaken thus far with the 1999 CIAP and 2000 Capital Fund, as well as the anticipated budget for improvements to be made with the 2001 Capital Fund. The primary activity to be accomplished with the 2001 Capital Fund is remedying the poor water pressure problems within the building that have been brought to the Board of Commissioners attention by the residents at previous meetings. The BHA Board of Commissioners continues to encourage and accept input from the residents in all areas related to the administration of the low rent public housing program, in fact it is not uncommon to have up to 50% of all residents attend that bi-monthly meetings of the Board of Commissioners. Additionally, the Board has encouraged the creation of a Resident Advisory Council to enhance the information exchange between the Board and the residents. The Board has historically encouraged the Mayor to appoint a resident of Clear Creek Apartments to the BHA Board of Commissioners. Presently Connie Ramsey is the resident member of the BHA Board of Commissioners.

### **1. Summary of Policy or Program Changes for the Upcoming Year**

In this section, briefly describe changes in policies or programs discussed in last year's PHA Plan that are not covered in other sections of this Update.

There are no material changes to the BHA's Admissions and Continued Occupancy Policy for the upcoming year. The BHA did not adopt a separate policy for Pets in Public Housing or Community Service requirements, since they are not applicable due to the fact that the BHA provides housing to

elderly/disabled clients in its only property. There are no anticipated program changes for the upcoming year, nor is there an anticipated change to the Capital Fund program beyond what is reflected as an update to the 5 year Capital Fund plan.

**The BHA will apply the following definition of substantial deviation from the Agency plan that will require formal action by the Board of Commissioners:**

## **Attachment G: Comments of Resident Advisory Board or Boards & Explanation of BHA Response**

Resident Comments were received at the Public Hearing held at 5:30 PM on Tuesday 1/9/2001 at Clear Creek Apartments with Doug Wagner, Chairman BHA Board of Commissioners. Twenty two residents attended the Public Hearing as well as three community members, BHA Board members and staff.

Resident comments were primarily related to the Capital Fund plan, as opposed to suggestions or comments related to the BHA's administration of the low rent public housing program. The residents did comment that they very much appreciated the fact that the BHA Board of Commissioners does listen to their input, and that the modernization work items that have been completed thus far have been appropriate and appreciated by the residents.

Specific comments included:

- C Install barrier free door closures on all fire doors, with immediate need on the fire door into the north stair tower;
- C Install gutter and downspout on the covered patio at the west door;
- C Replace appliances;
- C Replace tubs with showers or easier access tubs.

The BHA Board of Commissioners did not amend the Agency Plan relative to these specific comments, because they are urgent relative to the current Capital Fund activity. The BHA Board of Commissioners will include the information in future Capital Fund plans, once the specific request has been reviewed to determine urgency and need.

## **Attachment H: Progress Report for 5-Year Plan**

The BHA provides the following progress report relative to the 5 Year Plan.

PHA Goal: Expand the supply of assisted housing

Objective: Maintain a vacancy rate of less than 5%

Progress: The BHA has maintained a vacancy rate of less than 5%

Objective: Continue efforts to address housing needs, by leveraging resources as needs are quantifiably determined

Progress: The BHA is the local intake agent for the CHA Section 8 program in Buffalo in an effort to leverage their staff and expertise to meet affordable housing needs within the community.

PHA Goal: Improve quality of assisted housing

Objective: Maintain High Performer status

Progress: The BHA has been once again recognized as a High Performer

Objective: Continue to encourage resident input

Progress: The BHA has a tenant appointed to the Board of Commissioners.

Additionally, the BHA Board of Commissioners invites residents to attend each Board meeting, and often has 30-50% of the residents in attendance at those meetings. The BHA Board also asks for comments and suggestions from the Resident Advisory Board, and includes those comments and suggestions in the minutes of Board Meeting.

Objective: Continue to utilize Capital Funds to the maximum benefit

Progress: The BHA has developed and submitted, along with the Annual PHA Plan Update, the Capital Fund Annual Statement and 5-Year Plan which incorporates comments and suggestions submitted by the residents.

PHA Goal: Provide an improved living environment

Objective: Utilize Capital Funds to address security improvement concerns of the residents, as warranted.

Progress: The attached Capital Fund information includes proposed work items to address these concerns. Additionally, the BHA has expended Operating Funds to address security and safety concerns that have been raised by the residents like installing a phone in the elevator and annually testing the fire alarm/fire sprinkler system among other items.

PHA Goal: Promote self-sufficiency and asset development of assisted households

Progress: The BHA administers only 30 units of elderly/disabled low rent public housing. Therefore, there is little that can be done to encourage self-sufficiency and asset development.

PHA Goal: Ensure equal opportunity and affirmatively further fair housing

Progress: The BHA continues to ensure access and provide a suitable living environment regardless of race, color, religion, national origin, sex, familial status and disability.

### **Attachment I: Community Service Requirements**

The BHA administers only 30 units of elderly/disabled low rent public housing. Therefore, the Community Service Requirements are not applicable to the projects administered by the BHA.

### **Attachment J: Pet Policy**

The BHA administers only 30 units of elderly/disabled low rent public housing. Therefore, the BHA had previously adopted Service and Companion Animal policies which are applicable to the only project administered by the BHA. The Pets in Family Public Housing regulations are not applicable to the BHA's projects.
