Use this section to provide any additional information requested by HUD.

1. Deviations From and Modifications To the Agency Plan

The Agency Plan is a living document that shall serve to guide CCHA operations and resource management. In the event that circumstances or priorities necessitate actions that would represent a substantial departure from the goals, objectives, timetables or policies as set forth in the plan, the CCHA will invite resident review and input prior to taking actions that would implement such substantial changes.

Development of subsequent Annual Plans shall be the vehicle through which updates and minor or routine modifications to the Agency Plan are made. On an annual basis the CCHA will review its

progress toward the achievement of its goals and objectives as set forth in the Agency Plan. It will also evaluate whether the remaining goals and objectives, and the existing policies and procedures, adequately address the needs of its constituents, stakeholders and the agency. To the extent that those needs are not met by the elements of the existing Agency Plan, the subsequent Annual Plan shall be written to reflect changes to goals, objectives, policies and procedures to address those needs.

In the event that the elements of the subsequent annual plan represent a significant departure from those of the existing Agency Plan, a Significant Amendment or Modification to the Agency Plan will be undertaken. Under these circumstances, a participatory planning process will be used to obtain resident input. A draft of the substantially modified Agency Plan will be subject to the public review, comment, and hearing process.

The CCHA will honor the current HUD definition of Substantial Deviation and Significant Amendment that applies to it:

1. Changes to rent or admissions policies or organization of the waiting list

An exception to this definition will be made if modifications are required solely to reflect changes in HUD regulatory requirements. In that case, such changes will not be considered significant amendments by the CCHA.
