C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

Substantial deviations are defined as discretionary in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives, or plans of the agency and which require formal approval of the Board of Commissioners or as may be required by HUD.

B. Significant Amendment or Modification to the Annual Plan:

Significant amendments or modifications are defined as discretionary in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives, or plans of the agency and which require formal approval of the Board of Commissioners or as may be required by HUD.

Required Attachment J: Progress in Missions & Goals

The Mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination. The PHA constantly strives to increase its PHAS score, but at this time cannot comment as only advisory scores are available.

The PHA is continually advising residents in need of agencies with services who may help with employment. The Executive Director serves on the Family Connection Commission who helps in several aspects of the needs of children. The PHA also advises the elderly of help from Meals on Wheels, DFCS Services, Community Action Services and agencies with home care personnel.
