It shall be the absolute responsibility of every owner, possessor or person who keeps any dog to prevent it from running at large upon sidewalks, vacant lots, or anywhere in the community. A dog shall be deemed to be running at large when off or away from the premises of the owner or keeper, or under the actual physical control by means of a leash, cord or chain. The resident shall pay such charges when due, generally the first day of the second month after notification of the charges. DHA reserves the right to amend this pet policy as it deems necessary to protect and enhance the DHA communities.

The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. This shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns goes toward the current commitment until the current year's commitment is made.

CHAPTER 1

STATEMENT OF POLICIES AND OBJECTIVES

INTRODUCTION

The Low Rent Public Housing Program was created by the U.S. Housing Act of 1937 and amended by the Quality Housing and Work Responsibility Act (QHWRA) of 1998.

Administration of the Public Housing Program and the functions and responsibilities of the Public Housing Authority (PHA) staff shall be in compliance with the Housing Authority of the City of Decatur, Georgia and the Housing Authority of the County of DeKalb, Georgia, both referred to as "DHA", Personnel Policy, and this Admissions and Continued Occupancy Policy. The Administration of DHA's housing program will also meet the requirements of the U.S. Department of Housing and Urban Development. Such requirements include any Public Housing Regulations, Handbooks and applicable Notices. All applicable Federal, State and Local laws, including Fair Housing Laws and regulations shall supersede provisions in conflict with this policy. Federal regulations shall include those found in Volume 24 CFR (Code of Federal Regulations) Parts V, VII and IX.

A. HOUSING AUTHORITY MISSION STATEMENT

To serve the City of Decatur and County of DeKalb, Georgia and their citizens by focusing on affordable housing related economic development, employing creative endeavors and practicing sound financial management.

B. LOCAL OBJECTIVES

This Admissions and Continued Occupancy Policy for the Public Housing Program is designated to demonstrate that DHA is managing its program in a manner that reflects its commitment to improving the quality of housing available to the public and its capacity to manage that housing in a manner that demonstrates its responsibility to the public trust. In addition, this Admissions and Continued Occupancy Policy is designated to achieve the following objectives:

1. To provide improved living conditions for very low-income families while maintaining their rent payments at an affordable level.
2. To operate a socially and financially sound public housing agency that provides decent, safe, and sanitary housing within a drug free, suitable living environment for residents and their families.
3. To avoid concentrations of economically and socially deprived families in any one or all of the Housing Authority's public housing developments.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

4. To lawfully deny the admission of applicants, or the continued occupancy of residents, whose habits and practices reasonably may or may be expected to adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood, or create danger to DHA employees.
5. To attempt to house a tenant body in each development that is composed of families with a broad range of incomes and rent-paying abilities that are representative of the range of incomes of low-income families in DHA's jurisdiction.
6. To provide opportunities for upward mobility of families who desire to achieve self-sufficiency.
7. To facilitate the judicious and efficient management of DHA inventory and DHA staff.
8. To ensure compliance with Title VI of the Civil Rights Act of 1964 and all other applicable Federal Laws and regulations so that the admissions and continued occupancy are conducted without regard to race, color, religion, creed, sex, national origin, handicap or familial status.

C. PURPOSE OF THE POLICY

The purpose of this Admissions and Continued Occupancy Policy (ACOP) is to establish guidelines for DHA staff to follow in determining eligibility for admission and continued occupancy. These guidelines are governed by the requirements of the U. S. Department of Housing and Urban Development (HUD) with latitude for local policies and procedures. These policies and procedures for admissions and continued occupancy are binding upon applicants, residents, and DHA.

D. FAIR HOUSING POLICY

It is the policy of the Housing Authority to comply fully with all Federal, State and local nondiscrimination laws and with rules and regulations governing Fair Housing and Equal Opportunity in housing and employment. DHA will comply with all laws relating to Civil Rights, including:

Title VI of the Civil Rights Act of 1964

Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)

Executive Order 11063

Section 504 of the Rehabilitation Act of 1973

The Age Discrimination Act of 1975

Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)

Other federally imposed laws or regulations.

Any applicable State laws or local ordinances and any legislation protecting the individual rights of tenants, applicants, or staff that may subsequently be enacted.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

DHA shall not discriminate because of race, color, sex, religion, familial status, disability, national origin, marital status, or sexual orientation in the leasing, rental, or other disposition of housing or related facilities, including land that is part of any project or projects under DHA's jurisdiction covered by a contract for annual contributions under the United States Housing Act of 1937, as amended, or in the use or occupancy thereof.

To further its commitment to full compliance with applicable Civil Rights laws, DHA will provide Federal/State/local information to public housing residents regarding "discrimination" and any recourse available to them if they believe they are victims of discrimination. Such information will be made available to them during the resident orientation session.

DHA's office at 325 Swanton Way, Decatur, GA 30031 is accessible to persons with disabilities. Accessibility for the hearing impaired is provided by the TDD/TTY telephone number (404) 377-0489.

DHA shall not, on account of race, color, sex, religion, familial status, disability, national origin, marital status, or sexual orientation:

1. Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to lease housing suitable to its needs;
2. Provide housing that is different from that provided to others;
3. Subject a person to segregation or disparate treatment;
4. Restrict a person's access to any benefit enjoyed by others in connection with the housing program;
5. Treat a person differently in determining eligibility or other requirements for admission; or
6. Deny a person access to the same level of services.

DHA shall not automatically deny admission to a particular group or category of otherwise qualified applicants (e.g., families with children born to unmarried parents).

E. SERVICE AND ACCOMMODATIONS POLICY

This policy is applicable to all situations described in this Admissions and Continued Occupancy Policy when a family initiates contact with DHA, when DHA initiates contact with a family including when a family applies, and when the DHA schedules or reschedules appointments of any kind.

It is the policy of DHA to be service-directed in the administration of our housing programs, and to exercise and demonstrate a high level of professionalism while providing housing services to the families within our jurisdiction.

DHA's policies and practices will be designed to provide assurances that all persons with disabilities will be provided reasonable accommodation so that they may fully access and utilize the housing program and related services. The availability of specific

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

ga237cv02

accommodations will be made known by including notices on DHA forms and letters to all families, and all requests will be verified so that DHA can properly accommodate the need presented by the disability.

Federal Americans with Disabilities Act of 1990

With respect to an individual, the term “disability”, as defined by the 1990 Act means:

A physically or mental impairment that substantially limits one or more of the major life activities of an individual;

A record of such impairment; or

Being regarded as having such impairment.

Undue Hardship

Requests for reasonable accommodation for persons with disabilities will be granted upon verification that they meet the need presented by the disability, and they do not create an “undue financial and administrative burden” for DHA, meaning an action requiring “significant difficulty or expense.”

In determining whether accommodation would create an undue hardship, the following guidelines will apply:

The nature and cost of the accommodation needed;

The overall financial resources of the facility or facilities involved in the provisions of the reasonable accommodation; and

The number of persons employed at such facility, the number of families likely to need such accommodation, the effect on expenses and resources, or the likely impact on the operation of the facility as a result of the accommodation.

Verification of a Request for Accommodation

All requests for accommodation or modification of a unit will be verified with a reliable and knowledgeable professional.

Requests for reasonable accommodation from persons with disabilities will be granted upon verification that they meet the need presented by the disability and are within the reasonable financial ability of DHA and are both feasible and practical within the scope of the program.

DHA will require verification from a knowledgeable professional (case manager, physician, etc.) when a request for a home visit is submitted.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

Reasonable Accommodation

Reasonable accommodation will be made for persons with a disability who require an advocate or accessible offices. A designee will be allowed to provide some information, but only with the permission of the person with the disability.

All DHA mailings will be made available in an accessible format upon request, as a reasonable accommodation.

Recertification by Mail

DHA will permit the accommodated family to submit an annual and interim recertification form through the mail, when DHA has determined that the request is necessary as a reasonable accommodation.

The mail-in packet will include notice to the accommodated family of DHA's deadline for returning the completed forms to DHA.

If there is more than one adult member in the household, but only one is disabled, recertifications will be processed through the mail. In such cases, the able adult family members will be required to take the necessary forms home to the member with a disability for completion and signature.

Home Visits

When requested and where the need for reasonable accommodation has been established, the DHA will conduct home visits to accommodate residents to conduct annual and interim recertifications.

Requests for home visit recertifications must be received in writing by the DHA at least 5 working days before the scheduled appointment date in order for the request to be considered.

DHA, at its discretion may consider home visit recertifications for missed scheduled appointment.

Other Accommodations

The Housing Authority (HA) will utilize organizations which provide assistance for hearing-and-sight-impaired persons when needed.

The HA will refer families who have persons with disabilities to agencies in the community that offer services to persons with disabilities.

DHA will communicate the status of housing availability to other service providers in the community. DHA will advise them of housing eligibility factors and guidelines in order that they can make proper referrals for those who seek housing.

H. PRIVACY RIGHTS

This document incorporates the Federal Privacy Act Statement and describes the conditions under which DHA will release family information.

Any and all information, which would lead one to determine the nature and/or severity of a person's disability, must be kept in a separate folder or marked "confidential." The personal information in this folder must not be released except on an "as needed" basis in cases where an accommodation is under consideration. All requests for access and granting of accommodations based on this information must be approved by the Deputy Executive Director.

CHAPTER 2

ELIGIBILITY FOR ADMISSION

INTRODUCTION

This Chapter defines both HUD's and DHA's criteria for admission and denial of admission to its programs. The policy of this DHA is to strive for objectivity and consistency in applying these criteria to evaluate the qualifications of families who apply. DHA staff will review all information provided by the family carefully and without regard to factors other than those defined in this Chapter. Families will be provided the opportunity to explain their circumstances, to furnish additional information, if needed, and to receive an explanation of the basis for any decision made by DHA pertaining to their eligibility.

A. GENERAL POLICY ON SCREENING FOR SUITABILITY

In developing its admission policies, the aim of DHA is to attain a tenant body composed of families with a broad range of incomes and to avoid concentrations of the most economically deprived families and families with serious social problems. Therefore, it is the policy of DHA to deny admission to applicants whose habits and practices may reasonably be expected to have a detrimental effect on the operations of the development or neighborhood, or on the quality of life for its residents and the health, safety or welfare of other residents.

As a part of the final eligibility determination, DHA will screen each applicant household to assess their suitability as residents.

Some of the factors to be considered in the screening are housekeeping habits, rent paying habits, credit records, prior history as a tenant, criminal records and all other aspects of applicant's ability to maintain the required responsibilities of tenancy.

In determining qualifications for tenancy, DHA will consider the following items:

1. Whether the conduct of the applicant in present or prior housing has been such that admission to the program would adversely affect the health, safety or welfare of other residents, the physical environment, or the financial stability of the project.

DHA shall rely upon sources of information which may include, but not be limited to: Housing Authority records, personal interviews with the applicant or tenant, home visits, interviews with previous landlords, employers, family social workers, credit history agencies, parole officers, criminal and court records, clinics, physicians or the police department.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

This will be done in order to determine whether the individual attributes, prior conduct, and behavior of a particular applicant or tenant is likely to interfere with other tenants in such a manner as to diminish their peaceful enjoyment of the premises by adversely affecting their health, safety and welfare.

2. An authorized representative of DHA shall document any pertinent information relative to the following:
 - a. Criminal Activity: – Includes the activities listed in the definition of criminal activity in this Chapter.

B. QUALIFICATIONS FOR ADMISSION

It is DHA's policy to admit qualified applicants only. An applicant is qualified if he or she meets the following criteria:

1. A family as defined in this chapter;

3. Has an Annual Income at the time for admission that does not exceed the low or very low income limits for occupancy established by HUD;

ga237cv02

5. Meets or exceeds the Tenant Selection and Suitability Criteria as set forth in this policy, (including attending pre-occupancy class or lease-up orientation).
6. Is not currently adequately housed in a DHA dwelling unit. Applicants who are listed on a current DHA dwelling lease (or are a part of the household as verified by DHA records) and reside in a unit meeting the occupancy standards for the family size are not qualified for admission, and will not be placed on the waiting list for new applicants.
 - DHA may make exception to this policy due to emergency conditions including but not limited to severe harassment, family violence, hate crimes, and witness protection, as authorized by DHA's Executive Director or designee.

Timing for the Verification of Qualifying Factors

The qualifying factors of eligibility will not be verified until the family is in a position on the waiting list to be offered a housing unit, at which time they will be scheduled for a mandatory certification of eligibility interview.

The qualifying factors of eligibility must be met at the time the family is in a position on the waiting list to be offered a housing unit.

The applicant must qualify as a Family. A Family may be a single person or group of persons. Discrimination on the basis of familial status is prohibited, and a group of persons may not be denied solely on the basis that they are not related by blood, marriage or operation of law.

Definition of Family

Two or more persons who are related by blood, marriage, adoption, guardianship or operation of law, but are regularly living together, can verify shared income or resources, and will live together in DHA housing.

The term "Family" also includes, but is not limited to:

- A family with or without children;
- An elderly family (62 and older);
- A near elderly family (50-61 years of age);
- A disabled family;
- A displaced family;
- The remaining members of a tenant family;
- A single person who is not elderly, displaced, or a person with disabilities, or the remaining member of a tenant family;

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

- Two or more elderly or disabled persons living together, or one or more elderly or disabled persons living with one or more live-in aides is a family;
- Two or more near elderly persons living together, or one or more near elderly persons living with one or more live in aides;

The temporary absence of a child from the home due to placement in foster care shall not be considered in determining the family composition and family size.

Head of Household

The head of household is the adult member of the household who is designated by the family as head, is wholly or partly responsible for paying the rent, and has the legal capacity to enter into a lease under State/local law. The Head of Household must be at least eighteen (18) years old.

The age of eighteen (18), which is the age recognized under Georgia law as the age when a minor becomes an adult, which is also the age a person becomes legally capable of entering into a legal binding contract, such as a dwelling lease.

A family may designate an elderly or disabled family member as head of household solely to qualify the family as an Elderly Household, provided that the person is at least partially responsible for paying rent.

Spouse of Head

Spouse means the husband or wife of the head.

For proper application of the Non-citizens Rule, the definition of spouse is the marriage partner whom, in order to dissolve the relationship, would have to be divorced. Effective January 1, 1997, Georgia Law no longer recognizes common law marriage. The term "spouse" does not apply to boyfriends, girlfriends, significant others, or co-heads.

Co-Head

An individual in the household who is equally responsible for the lease with the Head of Household. A household may have either a spouse or co-head, but not both. A co-head never qualifies as a dependent.

Live-In Aides

A family may include a live-in aide provided that such live-in aide:

Is determined by DHA to be essential to the care and well being of an elderly person, a near-elderly person, or a person with disabilities,

Is not obligated for the support of the person(s), and

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

Live-In Aides (cont.)

Would not be living in the unit except to provide care for the person(s).

A live-in aide is not considered to be an assisted family member and has no rights or benefits under the program:

1. Income of the live-in aide will not be counted for purposes determining eligibility or level of benefits.
2. Live-in aides are not subject to Non-Citizen Rule requirements.
3. Live-in aides may not be considered as a remaining member of the tenant family.

Relatives are not automatically excluded from being live-in aides, but they must meet all of the elements in the live-in aide definition described above.

Family members of a live in attendant may also reside in the unit, providing doing so does not increase the unit size and that the presence of the family member(s) does not overcrowd the unit.

A live-in aide may only reside in the unit with the approval of DHA. Written verification will be required from a reliable, knowledgeable professional, such as a physician, social worker, or caseworker. The verification provider must certify that a live-in aide is needed for the care of the family member who is elderly, near elderly or disabled.

Verification must include the hours the care will be necessary and provided.

DHA has the right to disapprove a request for a live-in aide based on the criteria spelled out in this Chapter, Section F4.

C. MANDATORY SOCIAL SECURITY NUMBERS

Families are required to provide verification of Social Security Numbers for all family members prior to admission, if they have been issued a number by the Social Security Administration or will provide written certification that they do not have Social Security numbers but are attempting to secure the same for those family members; This requirement also applies to persons joining the family after admission to the program.

Failure to furnish verification of social security numbers is grounds for denial of admission or termination of tenancy.

D. CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS

In order to receive assistance, a family member must be a U.S. citizen or an eligible immigrant. Individuals who are neither may elect not to contend their status. Eligible

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

immigrants are persons who are in one of the six immigrant categories as specified by HUD.

For the Citizenship/Eligible Immigration requirement, the status of each member of the family is considered individually before the family's status is denied.

Mixed Families - A family is eligible for assistance as long as at least one member is a citizen or eligible immigrant. Families that include eligible and ineligible individuals are called "mixed". Such applicant families will be given notice that their assistance will be pro-rated and that they may request a hearing if they contest this determination.

No eligible members – Applicant families that include no eligible members will be ineligible for assistance. Such families will be denied admission and offered an opportunity for a hearing.

Non-citizen students – Defined by HUD in the non-citizen regulations are not eligible for assistance.

E. APPLICANT SELECTION CRITERIA

All applicants will be processed in accordance with HUD's regulations and sound management practices. Applicants will be required to demonstrate the ability to comply with essential provisions of the lease as summarized below.

1. Ability to Comply With Essential Lease Provisions

All applicants must demonstrate through an assessment of current and past behavior the ability to comply with essential lease provisions:

- a. to pay rent and other charges in a timely manner as required by the lease;

2. Denial of Admission for Previous Debts

Previous outstanding debts to this HA or any HA resulting from a previous tenancy in the Public Housing, Section 8, or federally subsidized housing programs, must be paid in full prior to admission. No repayment agreement will be accepted unless approved by the Deputy Executive Director or Designee.

At the time of initial application, the application must execute an agreement to pay any previous debt prior to being placed on the waiting list and must be in full compliance with the payment agreement prior to admission.

3. Denial of Admission for Drug-Related and/or Other Criminal Activity

To be determined eligible, the family must not engage in drug-related or other criminal activity including violent criminal activity by any family member. No member of the applicant's family may have engaged in drug-related or violent criminal activity within the past five (5) years and ten (5) years if it was felony activity.

Drug means a controlled substance as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802).

Drug-related criminal activity means the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug.

DHA will not be obligated to seek out information concerning a family's criminal activities as part of the processing of an application for assistance. Initial screening will be limited to routine inquiries of the family and any other information provided to DHA regarding this matter. The inquiries will be standardized and directed to all applicants by inclusion in the application form.

If as a result of the standardized inquiry, or the receipt of a verifiable referral, there is indication that the family or any family member is engaged in drug -related criminal activity, DHA will conduct closer inquiry to determine whether the family should be denied admission.

If the screening indicates that any family member has been arrested or convicted within the prior 5 years for drug-related or violent criminal activity, DHA shall obtain verification through police/court records.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

DHA will check criminal history for all adults in the household to determine whether any member of the family has engaged in violent or drug-related criminal activity.

Verification of any past activity will be done prior to final eligibility and will include a check of appropriate records.

a. Drug-Related Criminal Activity

Drug-related criminal activity is the illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute or use a controlled substance.

Drug-related criminal activity means on or off the premises, not just on or near the premises.

Persons evicted from public housing, Indian Housing, Section 23, or any Section 8 program because of serious criminal activities including any arrest and/or conviction of a felony nature are ineligible for admission to Public Housing. For felony arrests/convictions the ineligible period will be ten (10) years and all other arrests/convictions will be five (5) years. The PHA may waive this requirement if the person demonstrates to the PHA's satisfaction successful completion of a rehabilitation program approved by the PHA, or a circumstance leading to the Eviction no longer exists.

DHA will waive this requirement if:

The person demonstrates successful completion of a certified rehabilitation program, or

The circumstances leading to the eviction no longer exist. For example, the individual involved in drugs is no longer in the household because the person is incarcerated.

b. Illegal Drug Use and Alcohol Abuse

DHA will prohibit admitting any person to public housing in cases where DHA determines that there is a reasonable cause to believe that the person is illegally using a controlled substance, or abuses alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents. This includes cases where DHA determines that there is a pattern of illegal use of a controlled substance or pattern of alcohol abuse.

DHA will not waive this policy

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

c. Violent Criminal Activity

Violent criminal activity means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily or property damage

d. Other Criminal Activity

Other criminal activity means a history of criminal activity involving crimes of actual or threatened violence to persons or property, or a history of other criminal acts, conduct or behavior, which would adversely affect the health, safety, or welfare of other residents.

No family member may have engaged in or threatened abusive or violent behavior toward DHA personnel at any time.

No family member may have committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program in the last five (5) years and in the past (10) ten years if it was a felony. The law requires HAs to prohibit admission to federal housing programs for any household that includes an individual “subject to a lifetime registration requirement under a State sex offender registration program.”

The HA will conduct criminal background checks on applicants that include a check to determine whether the applicant is subject to the lifetime registration.

e. Confidentiality of Criminal Records

DHA will ensure that any criminal record received is maintained confidentially and not misused or improperly disseminated.

f. Disclosure of Criminal Records to Family

When DHA denies admittance based on a criminal conviction record, the applicant will be provided an opportunity to dispute the record at an informal hearing.

4. Ability to Meet DHA’s Admission Criteria

Suitability screening resources can include, but are not limited to:

- Previous DHA records
- Personal interviews with applicant and family members

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

ga237cv02

- Interviews with current or previous landlords, employers, credit bureaus, family, social workers, parole officers

- a. The health, safety, or welfare of other residents;
- b. The peaceful enjoyment of the neighborhood by other residents; and
- c. The physical environment and fiscal stability of the neighborhood.

Any history of criminal activity on the part of any applicant family member involving crimes of physical violence to persons or property, sexual deviation, and other criminal acts, including drug-related criminal activity will be cause for denial of admission.

A record of eviction from housing or involuntary termination from residential programs, taking into account date and circumstances.

An applicant's ability and willingness to comply with the terms of DHA's lease.

The ability and willingness of an applicant to comply with the essential lease requirements will be verified and documented by DHA. The information to be considered in the screening process shall be reasonably related to assessing the conduct of the applicant and other family members listed on the application in present and prior housing.

- a. The history of applicant conduct and behavior must be demonstrated that the applicant family can reasonably be expected not to:
 - (1) Interfere with other residents in such manner as to diminish their peaceful enjoyment of the premises by adversely affecting their health, safety, or welfare.
 - (2) Adversely affect the physical environment or financial stability of the project.
 - (3) Violate the terms and conditions of the lease.
 - (4) Require services from DHA staff that would alter the fundamental nature of DHA's program.
- b. DHA will conduct a detailed interview of all applicants. The interview form will contain questions designed to evaluate the qualifications of applicants to meet the

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

ga237cv02

essential requirements of tenancy. Answers will be subject to a third party verification.

- c. DHA will complete a credit check and possibly a rental history check on all applicants.

Applicants shall have at least three (3) day's advance written notice of home visits.
- f. All applicants are required to attend and successfully complete DHA's pre-occupancy classes or lease-up orientation.
- g. An applicant's intentional misrepresentation of any information related to eligibility, award of preference for admission, housing history, allowances, family composition or rent will result in denial of admission.
- h. The Applicant Family must be able to demonstrate capacity to discharge all lease obligations. This determination shall be made on a case-by-case basis shall not be used to exclude a particular group by age, disability, etc...In determining the Applicant Family's capacity to discharge all lease obligations DHA must consider the family's ability to secure outside assistance in meeting those obligations.
- i. DHA's minimum age for admission as head of household is 18.

Prohibited Criteria for Denial of Admission: Applicants will **NOT** be rejected because they:

Have no income;
Are not employed;
Do not participate in a job-training program;
Will not apply for various welfare or benefit programs;
Have children;
Have children born out of wedlock;
Are on welfare; or
Are students.

5. Rent Paying Habits

DHA will examine any Housing Authority records from a prior tenancy, and may request written references from the applicant's current landlord and may request written references from former landlords for up to the past 3 years.

Based upon these verifications, DHA will determine if the applicant was chronically late with rent payments, was evicted at any time during the past 3 years for nonpayment of rent, or had other legal action initiated against him/her for debts owed. Any one of these circumstances could be grounds for an ineligible determination, depending on the control the applicant had over the situation.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

Applicants will not be considered to have a poor credit history when they were occasionally late paying bills or rent in the past, fewer than 3 times per year; were delinquent in rent because they were withholding rent due to substandard housing conditions in a manner consistent with local ordinance; or had a poor rent paying history clearly related to a rent excessive relative to their income (using more than 50% of their gross income as a guide,) and responsible efforts were made to resolve the nonpayment problem.

The lack of a credit history will not disqualify a family, but a poor credit history will, with the exceptions noted above.

6. Applicants Who Claim Mitigating Circumstances

Mitigating circumstances are facts relating to the applicant's record of unsuitable rental history or behavior, which when verified would indicate both: (1) the reason for the unsuitable rental history and/or behavior; and (2) that the reason for the unsuitable rental history and behavior is no longer in effect or is under control, and the applicant's prospect for lease compliance is an acceptable one, justifying admission.

- a. If unfavorable information is received about an applicant, consideration shall be given to the time, nature, and extent of the applicant's conduct and to factors that might indicate a reasonable probability of favorable future conduct. In order to be factored into DHA's screening assessment of the applicant, mitigating circumstances must be verifiable.
- b. If the mitigating circumstances claimed by the applicant relate to a change in disability, medical condition or course of treatment, DHA shall have the right to refer such information to persons who are qualified and knowledgeable to evaluate the evidence and to verify the mitigating circumstance. DHA shall also have the right to request further information reasonably needed to verify the mitigating circumstances, even if such information is of a medically confidential nature. Such inquiries will be limited to the information necessary to verify the mitigating circumstances or, in the case of a person with disabilities, to verify a reasonable accommodation.
- c. Examples of mitigating circumstances might include but are not limited to:
 - (1) Evidence of successful rehabilitation;
 - (2) Evidence of the applicant family's participation in social service or other appropriate counseling service; or
 - (3) Evidence of successful and sustained modification of previous disqualifying behavior.
- d. Consideration of mitigating circumstances does not guarantee that the applicant will qualify for admission. DHA will consider such circumstances in light of:

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

- (1) The applicant's ability to substantiate through verification the claim of mitigating circumstances and his/her prospects for improved future behavior; and
- (2) The applicant's overall performance with respect to all the screening requirements; and
- (3) The nature and seriousness of any criminal activity, especially drug-related or violent criminal activity, that appears in the applicant's record.

7. Qualified and Unqualified Applicants

- a. Information which has been verified by DHA will be analyzed and a determination will be made with respect to:
 - (1) The eligibility of the applicant as a family;
 - (2) The eligibility of the applicant with respect to income limits for admission;
 - (3) The eligibility of the applicant with respect to citizenship or eligible immigration status; and
 - (4) Preference category (if any) to which the family is entitled.
- b. Assistance to a family may not be delayed, denied or terminated on the basis of the family's ineligible immigration status unless and until the family completes all the verification and appeals process to which they are entitled under both INS and DHA procedures, except for a pending DHA hearing.
- c. DHA will make every effort to accurately estimate an appropriate date of occupancy. However, the date given by DHA does not mean that applicants should expect to be housed by that date. The availability of a suitable unit to offer a family is contingent upon factors not directly controlled by DHA, such as turnover rates, and market demands as they affect bedroom sizes and project location.
- d. Applicants who are determined to be unqualified for admission will be promptly notified with a Notice of Denial of Admission stating the reason for denial. DHA shall provide an opportunity for an informal hearing, if requested.
- e. Applicants known have to have a disability and who have been determined eligible, but fail to meet the Applicant Selection Criteria, will be offered an opportunity for a second meeting to have their cases examined to determine whether mitigating circumstances are reasonable accommodations will make it possible for them to be housed in accordance with the screening procedures.

CHAPTER 3

APPLYING FOR ADMISSION

INTRODUCTION

It is the policy of DHA is to ensure that all families, who express an interest in housing assistance, are given an equal opportunity to apply, and are treated in a fair and consistent manner. This Chapter describes the policies and procedures for completing an initial application for assistance, placement and denial of placement on the waiting list, and limitations on who may apply. The primary purpose of the intake function is to gather information about the family, but DHA will also utilize this process to provide information to the family so that an accurate and timely decision of eligibility can be made. Applicants will be placed on the waiting list in accordance with this Policy.

A. How To Apply

Families who wish to apply for any DHA's programs must complete a pre-application form when application taking is open. Applications will be made available in an accessible format upon request from a person with a disability.

Individuals who have a physical impairment that would prevent them from making application in person may call DHA to make special arrangements to complete their pre-application.

Pre-application will be mailed to interested families upon request.

The application process will involve two phases.

1. The first is the "initial" application process for admission (referred to as a pre-application). This first phase is to determine the family's eligibility for, and placement on, the waiting list.

The pre-application will be dated, time-stamped, and referred to DHA's office where tenant selection and assignment is processed.

2. The second phase is the "final determination of eligibility for admission" (referred to as the full application). The full application takes place when the family reaches the top or nears the top of the waiting list. At this time DHA ensures that verification of all HUD and DHA eligibility factors are current in order to determine the family's eligibility for an offer of a suitable unit.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

B. "Initial" Application Procedures

DHA will utilize a preliminary-application form (pre-application) when the wait for a unit opening appears to be at least 12 months. If the wait is anticipated to be less, DHA will complete a full application. The information to be filled out by the applicant whenever possible. To provide specific accommodation to persons with disabilities, the information may be completed by a staff person over the telephone.

The purpose of the pre-application is to permit DHA to preliminary access family eligibility or ineligibility and to determine placement on the waiting list. The pre-application will contain questions designed to obtain the following information:

Names of adult members and age of all other members
Sex and relationship of all members
Street address and phone numbers
Mailing address
Amount(s) and source(s) of income received by household members
Information regarding disabilities relating to program requirements (i.e., deductions)
Information related to qualifying for preferences, if any
Social Security Numbers
Race/ethnicity
Arrests/Convictions for, but not limited to, Drug Related or Violent Criminal Activity
Request for Specific Accommodation needed to fully utilize program and services
Previous addresses
Names and addresses of current and previous landlords
Emergency contact person and address
Questions regarding previous participation in HUD programs

Duplicate applications, including applications from a segment of an applicant household, will not be accepted.

Pre-applications will not require interviews. Information on the application will not be verified until the applicant has been selected for final eligibility determination. Final eligibility will be determined when the full application process is completed and all information is verified.

Applicants are required to inform DHA in writing within ten (10) days of changes in family composition, income, and address as well as any changes in their Preference status. Applicants are also required to respond to requests from DHA to update information on their application, or to determine their continued assistance. Failure to comply with this requirement will result in the denial of admission.

Failure to provide information or to respond to mailings will result in the application being removed from the waiting list without further notification from DHA. See Chapter on Complaints and Appeals.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

C. NOTIFICATION OF APPLICANT STATUS

If, after a review of the pre-application, the family is determined to be preliminary eligible, they will be notified in writing (in an accessible format upon request, as a reasonable accommodation). The notice will contain the approximate date that their name will be reached; to be offered a unit. DHA will further explain that the estimated date is subject to factors such as turnover and preference determination, which are beyond DHA's control.

This written notification of preliminary eligibility will be mailed to the applicant by first class mail or distributed to the applicant in the manner requested as a specific accommodation.

If the family is determined to be ineligible based on the information provided in the pre-application, DHA will notify the family in writing (in an accessible format upon request as a reasonable accommodation), state the reason(s), and inform them of their right to an informal conference. Persons with disabilities may request to have an advocate attend the informal conference as an accommodation. See Chapter on "Complaints and Appeals".

D. COMPLETION OF A FULL APPLICATION

All Preferences claimed on the pre-application or while the family is on the waiting list will be verified:

After the family is selected from the waiting list, and prior to completing the full application. The qualification for preference must exist at the time the preference is verified regardless of the length of time an applicant has been on the waiting list, because the preference is based on current status.

After the preference is verified, when DHA is ready to select applicants, applicants will be required to:

- Participate in a full application interview with a DHA representative during which the applicant will be required to furnish complete and accurate information written and/or verbally as requested by the interviewer. DHA interviewer will complete or verify the completed full application form with answers supplied by the applicant. The applicant will sign and certify that all information is complete and accurate.
- The full application will be communicated as requested as an accommodation to person with a disability or mailed to the applicant in advance to complete.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

Requirement to Attend Interview

DHA utilizes the full application interview to discuss the family's circumstances in greater detail, to clarify information, which has been provided by the family, and to ensure that the information is complete. The interview is also used as a vehicle to meet the informational needs of the family by providing information about the application and verification process, as well as to advise the family of other DHA services or programs which may be available.

All adult family members including spouse must attend the interview and sign the housing application.

Exceptions may be made for students attending school out of state/for members for whom attendance would be hardship.

It is the applicant's responsibility to reschedule the interview if he/she misses the appointment. If the applicant does not reschedule or misses the scheduled interview, DHA will reject the application.

Applicants who fail to appear and want to reschedule a missed appointment must make the request to reschedule no later than (3) business days from the original appointment date. (The request must be made in writing to the staff person who scheduled the appointment interview).

If an applicant fails to appear for a pre-scheduled appointment, DHA will not automatically schedule a second appointment. If an applicant misses the scheduled appointment, the application is denied.

Reasonable accommodation will be made for persons with a disability who requires an advocate or accessible offices. A designee will be allowed to provide some information, but only with the permission of the person with the disability.

If an applicant is denied due to failure to attend the full application interview, the applicant will be notified in writing and offered an opportunity to request an informal conference. (See Chapter on "Complaints and Appeals").

All adult members must sign Form HUD-9886, "Authorization for the Release of Information," the application form and all supplemental forms required by DHA, the declarations and consents related to citizenship/immigration status and any other documents required by DHA. Applicants will be required to sign specific verification forms for information, which is not covered, by the form HUD-9886. Failure to do so will cause denial of the application, for failure to provide necessary certifications and releases, as required by DHA.

Information provided by the applicant will be verified, including information related to family composition, income, allowances and deductions, assets, eligible immigration

status, full time student status and other factors related to preferences, eligibility and rent calculation.

If DHA determines at or after the interview that additional information or document(s) are needed, DHA will request the document(s) or information in writing. The family will be given five (5) working days, from the date of the written notice, to supply the information.

If the information is not supplied in this time period, DHA will provide the family a notification of denial of assistance. (See Chapter on "Complaints and Appeals".)

E. PROCESSING APPLICATIONS

As families approach the top of the waiting list, the following items will be verified to determine qualification for admission to DHA's housing:

1. Local preference claimed, if any
2. Family composition and type (elderly/non-elderly)
3. Annual Income
4. Assets and Asset Income
5. Allowance information
6. All preference claims
7. Social Security Numbers of all family members
8. Information used in applicant screening
9. Citizenship or eligible immigration status.

F. FINAL DETERMINATION AND NOTIFICATION OF ELIGIBILITY

After the verification process is completed, DHA will make a final determination of eligibility. This decision is based upon information provided by the family, the verifications completed by DHA, and tenant suitability. (See Chapter on Applicant Screening and Final Eligibility Determination.)

Because HUD can make changes in rules and regulations and family circumstances may have changed during the review process that affect an applicant's eligibility, it is necessary to make this final eligibility determination.

The household is not actually eligible for a unit offer until this final determination has been made, even though they may have been preliminarily determined eligible and may have been listed on the waiting list.

CHAPTER 4

ESTABLISHING PREFERENCES AND MANAGING THE WAITING LIST

INTRODUCTION

It is DHA's objective to ensure that the families are placed in the proper order on the waiting list so that the offer of a unit is not delayed to any family unnecessarily, or made to any family prematurely. This chapter explains the policies for the management of the waiting list.

This chapter defines the eligibility criteria for local preferences and explains DHA's system for applying them.

By maintaining an accurate waiting list, DHA will be able to perform the activities which ensure that an adequate pool of qualified applicants will be available to fill vacancies in a timely manner.

The order of all applicants in the pool will be based upon their preferences and then based on date and time of application.

The term application is used herein to refer to both the pre-application and the full application.

A. MANAGEMENT OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

The application(s) will be a permanent file.

All applicants in the pool will be maintained in order of preference.

Applications equal in preference will be maintained by date and time sequence.

All applicants must meet applicable income eligibility requirements as established by HUD.

1. Opening and Closing the Waiting Lists

DHA, at its discretion, may restrict application intake, suspend application intake, and close waiting lists in whole or in part. DHA may open or close the list by local preference category.

The decision to close the waiting list will be based on the number of applications available for a particular size and type of unit, the number of applicants who qualify for a

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

local preference, and the ability of DHA to house an applicant in an appropriate unit within a reasonable period of time.

When DHA opens the waiting list, DHA will advertise through public notice in the local paper of record.

The notice will contain:

The dates, times, and the locations where families may apply.

The programs for which applications will be taken.

A brief description of the program.

A statement that Section 8 participants must submit a separate application if they want to apply for Public Housing.

Limitations, if any, on whom may apply.

The notices will be made in an accessible format if requested. DHA will provide potential applicants with information that includes DHA address and telephone number, how to submit an application, information on eligibility requirements and the availability of local preferences.

Upon request from a person with disability, additional time will be given as an accommodation for submission of an application after the closing deadline. The accommodation is to allow persons with disabilities the opportunity to submit an application in cases when a social service organization provides inaccurate or untimely information about the closing date.

2. When Application Taking is Suspended

DHA may suspend the acceptance of applications if there are enough preference holders to fill anticipated openings for the next 24 months.

The waiting list may not be closed if it would have a discriminatory effect inconsistent with applicable civil rights laws.

During the period when the waiting list is closed, DHA will not maintain a list of individuals who wish to be notified when the waiting list is open.

Suspension of application taking is announced in the same way as opening in the waiting list.

The open period shall be long enough to achieve a waiting list adequate to cover projected turnover the next 24 months. DHA will give at least three (3) business days notice prior to closing the list. When the period for accepting applications is over, DHA will add the new applications to the list by:

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

Separating the new applicants into groups based on local preferences and unit size and ranking applicants within each group by date and time of application.

DHA will update the waiting list at least approximately every two (2) years by removing the names of those families who are no longer interested, no longer qualify for housing, or cannot be reached by mail. At the time of initial intake, DHA will advise families of their responsibility to notify DHA when their mailing address changes.

3. Reopening the List

If the waiting list is closed and DHA decides to open the waiting list, DHA will publicly announce the opening in the local paper of record.

Any reopening of the list will be done in accordance with this policy and HUD requirements.

4. Limits on Whom May Apply

When the waiting list is open, any family asking to be placed on the waiting list for Public Housing will be given the opportunity to complete a pre-application during days and times and in the method that pre-applications and applications are being accepted.

Depending upon the composition of the waiting list with regard to family types and preferences and to better serve the needs of the community, at times the DHA may only accept applications from:

Any family claiming local preferences.

If there are sufficient applications from elderly families, disabled families, near elderly families and displaced singles, applications will not be accepted from other singles.

When the application is received by DHA:

It establishes the family's date and time of application for placement order on the waiting list, unless DHA is utilizing a lottery method to establish the order of date and time received.

Applicants found to be owing monies to DHA, other Housing Authorities, private landlords or utility companies will not be placed on DHA waiting list. They will be sent a letter advising them of the reason of rejection of their application. When the applicant provides a valid receipt showing payment of any outstanding balance, they will be placed on the appropriate waiting list using the date they provided verification that the debt was paid.

5. Time of Selection

When appropriate units are available, families will be selected from the waiting list in their preference-determined sequence.

Based on DHA's turnover and the availability of appropriate sized units, groups of families will be selected from the waiting list to form a final eligibility "pool." Selection from the pool will be based on waiting list sequence.

6. Changes Prior to Unit Offer

Changes that occur during the period between placement on the waiting list and an offer of a suitable unit may affect the family's eligibility or Total Tenant Payment. The family will be responsible for notifying DHA, in writing, of any changes in their household that may effect their eligibility or Total Tenant Payment.

- a. Split Households – When a family on the waiting list splits into two otherwise eligible families due to a divorce or legal separation, and the new families both claims the same placement on the waiting list, and there is no determination. DHA will make the decision taking into consideration the following factors:

Which family member applied as head of the household;
Which family unit retains the children or any disabled or elderly members;
Restrictions that were in place at the time the family applied;
Role of domestic violence in the split;
Recommendations of social service agencies or qualified professionals, such as children's protective services.

Documentation of these factors is the responsibility of the applicant families. If either or both of the families do not provide the documentation, they may be denied placement on the waiting list for failure to supply information requested by DHA.

In cases where domestic violence played a role, the standard used for verification will be the same as that required for the "displaced due to domestic violence" preference.

- b. Multiple Families in Same Household – When families apply that consist of two families living together, (such as a mother and father, and a daughter with her own husband or children), if they apply as a family unit, they will be treated as a family unit.
- c. Joint Custody of Children – Children who are subject to a joint custody agreement but live with one parent at least fifty-one percent (51%) of the time will be considered members of the household. Fifty-one percent of the time is defined as 183 days of the year, which do not have to run consecutively.

ga237cv02

When both parents are on the waiting list and both try to claim the child(ren) the parent whose address

is listed in school records will be allowed to claim the school-age child(ren) as a dependent.

B. WAITING LIST PREFERENCES

A preference does not guarantee admission to the program. Preferences are used to establish the order of placement on the waiting list. Every applicant must still meet DHA's Selection Criteria as defined in this policy.

An applicant will not be granted any preference if any member of the family has been evicted from any Federally assisted housing during the past five (5) years because of any drug use or drug related criminal activity.

DHA will grant an exception to such a family if:

The responsible member has successfully completed a rehabilitation program and remained drug free at least one year after completion of the rehabilitation program.

The evicted person was not involved in any drug-related activity that occasioned the eviction.

The evicted person is no longer involved in any drug related criminal activity.

If an applicant makes a false statement in order to qualify for a Local preference, DHA will deny the preference and the application.

Types of Applicants With Preference Over "Other Singles"

Applicants who are elderly, disabled, near elderly or displaced households of no more than two persons will be given a selection priority over all "Other Single" applicants regardless of preference status.

"Other Singles" denotes a one-person household in which the individual member is neither elderly, disabled, nor displaced by government action. Such applicants will be placed on the waiting list in accordance with their preferences, but can not be selected for assistance before any one or two person elderly, disabled or displaced family regardless of local preferences.

C. LOCAL PREFERENCE CATEGORIES

Local preferences will be used to select among applicants on the waiting list.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

DHA uses the following Local Preferences:

Involuntarily displaced by Government Action and persons in the Witness Protection Program.

Involuntarily displaced due to physical violence.

Families with at least one adult who is employed. This preference is extended equally to elderly or

Disabled families or families whose head or spouse is receiving income based on their inability to work.

Families who are participants in educational and training programs designed to prepare the individual for the job market.

Resident of DeKalb County.

All applicants will be filed first by unit size required and within unit size by the preferences and set forth below:

Preference Code

Preference Category

1A. Involuntary Displacement by Government Action-Resident of DeKalb County.

This category applies to an activity carried on by an agency of the United States or by any State or local government in connection with a public improvement or development program in DeKalb County; or to a disaster declared by an agency of the United States or local code enforcement activity in connection with the condemnation of a unit within DeKalb County due to substandard housing conditions. This preference will also include any person in the Witness Protection Program.

1B. Involuntary Displacement due to Physical Violence-Resident of DeKalb County.

Applicants claiming this preference must be a victim of either actual or threatened physical violence against the applicant or the applicant's family by a spouse or other household member who lives in the unit with the family claiming this preference. (The actual or physical threatened physical violence must be documented in writing by a qualified governmental agency with responsibilities in this area). The actual or threatened violence must have occurred within the past thirty (30) days or be of continuing nature. To qualify for this preference, the abuser must still reside in the unit from which the victim was displaced. The unit that the family is being displaced from must be within DeKalb County, Georgia. The applicant must certify that the abuser will not reside with the applicant unless DHA gives prior written approval. If the family is admitted, DHA may deny or terminate assistance to the family for breach of this certification.

7C. Non-Working Single (non-elderly)-Resident of DeKalb County.

A person who lives alone or intends to live alone, who does not qualify as an elderly family or displaced person or a remaining member of a resident family who is not considered working in a full-time, long term part-time capacity or an approved job training program and resides within DeKalb County, Georgia.

7D. Non-Working Single (non-elderly)-Not a Resident of DeKalb County.

A person who lives alone or intends to live alone, who does not qualify as an elderly family or displaced person or a remaining member of a resident family who is considered working in a full-time, long term part-time capacity or an approved job training program and does not reside within DeKalb County, Georgia.

The Housing Authorities goal is to maintain an occupancy of forty (40) percent of the residents below thirty (30) percent of the area median income and sixty (60) percent of the residents between thirty (30) percent and eighty (80) percent of area median income. In order to meet this goal the Authorities may pass over otherwise qualified applicants below thirty (30) percent of income in order to move its goal of a wide distribution of incomes of families in occupancy.

D. INITIAL DETERMINATION OF LOCAL PREFERENCE QUALIFICATION

At the time of application, an applicant's entitlement to a local preference may be made on the basis that:

An applicant's certification that they qualify for a preference will be accepted without verification. When the family is selected from the waiting list for the final determination of eligibility, the preference will be verified.

If the preference verification indicates that an applicant does not qualify for the preference, the applicant will be returned to the waiting list and ranked without the Local Preference.

If at the time the family applied, the preference claim was the only reason for placement of the family on the list and the family cannot verify their eligibility for the preference as of the date of application, the family will be removed from the waiting list.

1. Change in Circumstances

Changes in an applicant's circumstances while on the waiting list may affect the family's entitlement to a preference. Applicants are required to notify DHA within ten (10) days of the change, in writing when their circumstances change. When an applicant claims an additional preference, she will be placed on the waiting list in the proper order of their newly claimed preference.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

2. Retention of Preference for Public Housing Residents

If an applicant for Section 8 resides in DHA's low rent public housing and was on the Section 8 waiting list when admitted to public housing, the applicant's entitlement to a preference is based on the preference status applicable after being assisted in public housing.

E. ORDER OF SELECTION

The order of selection is based on DHA's system for weighing preferences and HUD requirement that one or two person elderly, disabled, or displaced families will always be selected before other singles.

DHA will use local preferences to prioritize applicants on the waiting list.

Among applicants with equal preference status, the waiting list will be organized by date and time.

Under the singles rule, elderly and disabled families and displaced singles will always be selected before other singles without regard to preference status.

F. FACTORS OTHER THAN PREFERENCES THAT AFFECT SELECTION OF APPLICANTS

Before applying the preference system, DHA will first match the characteristics of the available unit to the applicants available on the waiting lists. Factors such as unit size, accessible features, or units in housing designated for the elderly or disabled. DHA will limit the admission of families to those characteristics that match the characteristics and features of the vacant unit(s) available.

By matching unit and family characteristics, it is possible that families who are lower on the waiting list may receive an offer of housing ahead of families with an earlier date and time of application. For example, the next unit available is an accessible unit and the only applicant family needing such features is in the non-preference pool.

The factors for selection of applicants are described below:

When selecting a family for a unit with accessible features, DHA will give a preference to families that include persons with disabilities who can benefit from the unit's features.

If no family can be found for a unit with accessible feature, DHA will house a family not needing the unit features subject to the procedures described in the **Tenant Selection and**

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

Assignment Plan. Under this policy a non-disabled family in an accessible unit can be required to move so that a family needing the unit features can take advantage of the unit.

When selecting a family for a unit in housing designated for elderly families or housing designated for disabled families, DHA will give a preference to elderly or disabled families as described later in this Chapter.

When selecting a family for a unit in a mixed population housing (property houses both elderly and disabled families), DHA will give a preference to elderly families and disabled families as described later in this Chapter.

When selecting a single person for a unit in a mixed population-housing site, elderly or disabled single persons have a preference over singles that are neither elderly nor disabled.

DHA's preference system will work in combination with requirements to match the characteristics for the family to the type of unit available, including units with targeted populations. When such matching is required or permitted by current law, DHA will give preference to the families described below.

Units designated for the elderly

In accordance with the 1992 Housing Act, elderly families with a head, spouse or sole member at least 62 years of age will receive a preference for admission to such units or buildings covered by a HUD-approved Allocation Plan.

- (1) When there are insufficient elderly families on the waiting list, near elderly families (head or spouse ages 50-61) may receive a preference for this type of unit.
- (2) When there are insufficient elderly or near-elderly families, and units are ready for leasing more than 60 days, DHA may consider other family types eligible for such units.
- (3) Families with members who require a unit with accessible features will receive preference for such units over families who do not require such features.

Units designated for the disabled

In accordance with the 1992 Housing Act, disabled families with a head, spouse or sole member who qualifies as a person with disabilities as defined in 24 CFR 945.105 will receive a preference for admission to units that are covered by a HUD-approved Allocation Plan.

Families with members who require a unit with accessible features will receive preference for such units over families who do not require such features.

Mixed Population Units. In accordance with the 1992 Housing Act, disabled families with a head, spouse or sole member is at least 62 years of age, and disabled families whose

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

head, co-head or spouse or sole member is a person with disabilities, will receive equal preference for admission to such units. No limit will be established on the number of elderly or disabled families that may occupy a mixed population property.

G. FINAL VERIFICATION OF PREFERENCES

Preference information on applications will be updated as applicants are selected from the waiting list. At that time, DHA will:

Obtain necessary verifications of preference at the interview and by third party verification.

H. PREFERENCE DENIAL

If DHA denies a preference, DHA will notify the applicant in writing of the reasons why the preference was denied and offer the applicant an opportunity for an informal meeting. If the preference denial is upheld, as a result of the meeting, or the applicant does not request a meeting, the applicant will be placed on the waiting list without benefit of the preference. Applicants may exercise other rights if they believe they have been discriminated against.

If the applicant falsifies documents or makes false statements in order to qualify for any preference, they will be removed from the waiting list.

I. REMOVAL FROM THE WAITING LIST AND PURGING

If an applicant fails to respond to a mailing from DHA within the time prescribed they will be removed from the waiting list. An extension will be considered an accommodation if requested by a person with a disability. If a letter is returned by the Post Office without a forwarding address, the applicant will be removed without further notice and the envelope and letter will be maintained in the file. If a letter is returned with a forwarding address, it will be re-mailed to the address indicated.

The waiting list will be purged approximately every two (2) years by a mailing to all applicants to ensure that the waiting list is current and accurate. The mailing will ask for current information and confirmation of continued interest.

The same guidelines will be used for failure to respond to this mailing. Notices will be made available in accessible format upon the request of a person with a disability.

CHAPTER 5

OCCUPANCY GUIDELINES

INTRODUCTION

The Occupancy Guidelines are established by DHA to ensure that units are occupied by families of the appropriate size. This policy maintains the maximum usefulness of the units, while preserving them from excessive wear and tear or under utilization.

This chapter explains the Occupancy Guidelines used to determine minimum and maximum unit sizes for various sized families when they are selected from the waiting list, or when a family's size changes, or when a family requests an exception to the occupancy guidelines.

A. DETERMINING UNIT SIZE

DHA does not determine who shares a bedroom/sleeping room, but there must be at least one (1) person per bedroom. DHA's Occupancy Guideline standards for determining unit size shall be applied in a manner consistent with Fair Housing guidelines.

For occupancy guidelines, an adult is a person eighteen (18) years or older.

All guidelines in this section relate to the number of bedrooms in the unit. Dwelling units will be so assigned that:

1. One bedroom is assigned to two people within the following guidelines:

The Head of Household and his/her spouse (unless medical reasons dictate) are assigned to one (1) bedroom.

Persons of different generations, persons of the opposite sex (other than spouses), and unrelated adults should not be required to share a bedroom.

Separate bedrooms shall be allocated for persons of the opposite sex (other than adults who have a spousal relationship and children under six).

Foster children will be included in determining unit size only if they will be in the unit for more than six months.

Live-in attendants will generally be provided a separate bedroom. No additional bedrooms are provided for the attendant's family.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

Space may be provided for a child who is away at school but who lives with the family during school recesses.

Single person families shall be allocated one (1) bedroom.

The living room will not be used as a bedroom except at the written request of the family.

GUIDELINES FOR DETERMINING UNIT SIZE

UNIT SIZE	PERSONS IN HOUSEHOLD (Minimum#)	PERSONS IN HOUSEHOLD (Maximum #)
1 Bedroom	1	2
2 Bedrooms	2	4
3 Bedrooms	3	6
4 Bedrooms	4	8
5 Bedrooms	5	10

These standards regarding the minimum and maximum number of persons who will occupy a unit will be applied within the restraints of financial solvency and program stability. DHA will also assign units based on the type of unit needed by the individual applicant or applicant family. This refers primarily to the family's ability to use stairs or their status as an Elderly family, including accessibility needs. DHA will give preference in assigning a unit that has special accessibility features to families that include persons with disabilities who can benefit from those features of the unit. When it is found that the size of the unit is no longer suitable for the family in accordance with these standards, the family will be required to transfer as soon as a unit of appropriate size becomes available. These families will be transferred in accordance with the Transfer Policy of DHA.

DHA in its sole discretion may grant exceptions from the standards if it is determined that an exception is justified by the relationship, age, sex, health, disability of family members or other extreme circumstances. A family desiring an exception must request same in writing and provide DHA with any and all certifications, affidavits, statements, etc., that DHA deems necessary in order to make a determination on the request.

B. CHANGES IN UNIT SIZE

DHA will grant exceptions from the guidelines in cases where the family requests a change and DHA determines the exceptions are justified by the relationship, age, sex, health or disability of Family members or other individual circumstances and there is a vacant unit available. If an applicant requests a change in unit size, the following guidelines will apply:

1. The family may request to be placed on a larger bedroom size waiting list than indicated by DHA's occupancy guidelines. The request must explain the need or

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

justification for a larger bedroom size, and must be verified by DHA before the family is placed on the larger bedroom size list. Examples are:

Elderly persons or persons with disabilities who may require a live-in attendant

Persons who would ordinarily occupy one bedroom, but cannot because of a verified medical or health reason, addition of a live-in aide, or need for medical equipment.

A request based on health related reasons must be verified by a doctor and confirmed by DHA.

The members of the family residing in the unit must be approved by DHA. The family must obtain approval of any additional family member before the person occupies the unit except for additions by birth, adoption, or court-awarded custody, in which case the family must inform DHA within 10 days.

DHA will not assign a larger bedroom size due to additions to family members other than by birth, adoption, marriage, or court-awarded custody.

In final determination of applicable unit size, DHA will consider the size of the unit and the size of the bedrooms, as well as the number of bedrooms.

C. ACCESSIBLE UNITS

DHA has units designed for persons with mobility, sight and hearing impairments. These units were designed, constructed or rehabilitated specifically to meet the needs of persons requiring the use of wheelchairs and persons requiring other modifications.

Preference for occupancy of these units will be given to families with disabled family members who require the modifications or facilities provided in the units.

No non-mobility-impaired families will be offered these units until all eligible mobility-impaired applicants have been considered.

Accessible units will be offered and accepted by non-mobility impaired applicants only with the understanding that such applicants must accept a transfer to a non-accessible unit at a later date if a person with a mobility impairment requiring the unit applies for housing and is determined eligible.

D. FAMILY MOVES

When a change in the circumstances in a tenant family requires another unit size, the family's move depends upon the availability of a suitable size and type of unit. If the unit is not available at the time it is requested, the family will be placed on the Transfer List.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

The unit considerations in this chapter should be used as a guide to determine whether and when the bedroom size should be changed. If an unusual situation occurs, which is not currently covered in DHA's Transfer Policy, the case should be taken to the Executive Director or his designee, who will review the situation and make a decision depending on the individual circumstances and the verification provided.

CHAPTER 6

DETERMINATION OF TOTAL TENANT PAYMENT

INTRODUCTION

The accurate calculation of Annual Income and Annual Adjusted Income will ensure that families are not paying more or less money for rent than obligated under the federal regulations established by the U. S. Department of Housing and Urban Development and the listed in DHA's Admission and Continued Occupancy Policy (ACOP).

This chapter defines the allowable deductions from Annual Income and how the presence or absence of household members may affect the Total Tenant Payment (TTP). Income and TTP are calculated in accordance with federal regulations and further instructions set forth in HUD Notices, Memoranda and Addenda. The formula for the calculation of TTP is specified and not subject to interpretation. DHA's policies in this Chapter address those areas, which allow DHA discretion to define terms and to development standards in order to assure consistent application of the various factors that relate to the determination of TTP.

A. MINIMUM RENT

The minimum rent for DHA is fifty dollars \$50.00.

The Total Tenant Payment is the greater of:

30% of the adjusted monthly income

10% of the monthly income

The Minimum rent of \$50

The Total Tenant Payment does not include charges for excess utility consumption or other charges.

B. INCOME AND ALLOWANCES

Income: The types of income which are to be used for purposes of calculating the TTP are defined by HUD in federal regulations. In accordance with this definition, income from all sources of each member of the household is documented. (See Income Inclusions and Income Exclusions in the Glossary of Terms of this policy.)

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Annual Income: Defined as the gross amount of income anticipated to be received by the family during the 12 months after certification or recertification. Gross income is the amount of income prior to any HUD allowable expenses or deductions, and does not include income, which has been excluded by HUD. Annual income is used to determine whether or not applicants are within the applicable income limits.

Adjusted Income: Defined as the Annual income minus any HUD allowable deductions. HUD has five allowable deductions from Annual Income:

1. Dependent Allowance: \$480 each for family members (other than the head or spouse), who are minors, and for family members who are 18 and older who are full-time students or who are disabled.
2. Elderly Allowance: \$400 per household for families whose head or spouse is 62 or over, disabled or handicapped.
3. Medical Expenses: Those necessary medical expenses, including medical insurance premiums, that are anticipated during the period for which Annual Income is computed, and that are not covered by insurance. Medical expenses in excess of three percent (3%) of Annual Income are deductible from Annual Income of Elderly and Disabled families only.
4. Childcare Expenses: Amounts anticipated to be paid by the family for the care of children under thirteen (13) years of age during period for which Annual Income is computed, but only where such care is necessary to enable a family member to be gainfully employed or to further his/her education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for childcare and in the case of childcare necessary to permit employment, the amount deducted shall not exceed the amount of income received from such employment. DHA will not normally determine childcare expenses as necessary when the household contains an additional unemployed adult who is capable of caring for children.
5. Expenses for Attendant Care: Auxiliary apparatus for persons with disabilities if needed to enable the individual or an adult family member to work.

C. TRAINING INCOME EXCLUSIONS

DHA believes that training income exclusions are an important factor in helping public housing participants move from welfare and dependence to greater self-sufficiency.

DHA will share information regarding new policies governing training income derived from qualifying employment-training programs with applicants, participants and local social service providers. DHA's objective is to encourage families to move toward self-sufficiency by excluding from their annual income certain amounts earned through

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

participation in various qualifying training programs. These training programs are aimed at offering the resident gainful employment skills. The exclusion of training income, in the calculation of annual income, is meant to be an incentive. It is DHA's hope that welfare agencies will adopt or modify their programs so that welfare recipients living in Public Housing will receive the maximum benefits from these income exclusions.

In order to be eligible for the exclusion the resident must actually receive training under the provisions of the program. For purposes of this exclusion, it is not enough for the resident to merely be enrolled.

There are two types of training programs that are eligible for one or more type of income exclusion.

1. Training Income Exclusions in Accordance with

The first type of training program is in accordance with 24 CFR 5.609 (c) (8) (v) and has features that allow the training income of assisted housing residents to be excluded only while the resident is actively enrolled in the training program.

A training program qualifying under 24 CFR 5.609 (c) (8) (v) is defined as one with goals and objectives designed to lead to a higher level of proficiency, and one which enhances the individual's ability to obtain employment. The training program may have performance standards to measure proficiency. Training may include, but is not limited to:

Classroom training in a specified occupational skill;
On the job training with wages subsidized by the program, or
Basic education

For this purpose Annual Income does not include the following:

Incremental earnings and benefits resulting to any family member from
Participating in qualifying State or local employment training programs.

2. Training Income Exclusions in Accordance with

This training program is specified to public housing residents only and the regulation requires it to include specific features. This training program offers public housing residents the exclusion of incremental income while in the training program and for 18 months following the start of their first job.

DHA will determine that this training program has all five components required by HUD. It must:

- be a program providing employment training and supportive services;
- be authorized by Federal, State or local law;
- be funded by Federal, State or local government;

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

- be operated or administered by a public agency; and
- have as its objective to assist participants in acquiring employment skills.

A qualifying job-training program may be one that is established by the government but implemented by a private company for and on behalf of the government.

In addition, to qualifying as a 5.609 (c) (13) program, the employment training program must offer the resident at least one of the following supportive services:

- childcare;
- transportation;
- personal welfare counseling (family/parental development counseling, parenting skills training for adult and teenage parents, substance/alcohol abuse treatment and counseling, self-development counseling);
- health care services (including outreach and referrals);
- youth leadership skills, youth mentoring.

For purposes of the 5.609 (c) (13) exclusion and public housing particularly, Annual Income does not include the following:

Incremental earnings and benefits resulting to any family member resulting from participation in a program providing employment training and supportive services in accordance with the Family Support Act or any comparable Federal, State, or local law during the exclusion period.

Exclusion Period

The exclusion period is defined as the period during which the family member participates in a program described in this section, plus 18 months from the date the family member begins the first job acquired by the family member after completion of such program, provided the training program is not funded by public housing assistance under the 1937 Housing Act.

Where applicable, the 18- month exclusion period runs continuously from the date the first job begins. If the resident switches to a second job during the 18-month period the exclusion continues.

If the resident has a break in employment during the 18-month exclusion, any other income the person has during the break will be counted.

A person admitted into public housing after the completion of a qualifying employment-training program, and who began employment while still an applicant and before coming

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

into public housing, is entitled to the 18-month exclusion beginning with the date he/she became employed until the remainder of the 18 months.

If the family member is terminated from employment with good cause, the exclusion period shall end.

Training Programs Funded by HUD

All training income from a HUD sponsored or funded training program, whether incremental or not, is excluded from the resident's annual income while the resident is in training. Income from a Resident Services training program, which is funded by HUD, is excluded.

Upon employment with DHA, the full amount of employment income received by the person is counted. There is no 18-month exclusion of income for wages funded under the 1937 Housing Act Programs, which includes public housing and Section 8.

Components Applicable to All Training Programs

In either program, and at all times, the income to be excluded is the incremental income only.

Incremental income is defined by HUD as the increase between the total amount of welfare and earnings of a family member prior to enrollment in the training program.

All other amounts, (such as child support and alimony), are treated in the usual manner in determining annual income. Child support, or other income that is not earnings or benefits, is not a factor and will not be considered in regard to training income exclusions, regardless of whether they have increased or decreased.

Who is Eligible for the Exclusion

Any member of the resident's family is eligible for the exclusion, provided the individual is enrolled in the qualifying employment-training program.

If a family has members who enroll in training programs at different times, the exclusion may be taken at different periods. The rules will be applied individually to each member based on which type of program they are enrolled in.

Verification

Upon verification, residents who are actively enrolled in a qualifying training program will have the incremental income from the training program exclude from their annual income.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

Employment Before Completion of Training Program

Substantial completion of a training program will be completion of seventy-five (75) percent of the program.

If a resident has completed that portion of the training program necessary to get a job and continues simultaneously with the training program, the 18-month exclusion period will begin on the date the resident started the new job, not the date they completed the training program.

The resident is not required to get a job that is directly related to the training program to be eligible for the exclusion.

Other Factors to be Considered

The eighteen (18) month exclusion also applies to residents with an FSS escrow account. A decrease in attributable income may mean that the FSS escrow account would be decreased or eliminated for a period of time.

For self-employment residents, DHA will exclude only the net income of a resident when factoring the earnings.

If a resident has no income the day they are enter a training program, but has a history of employment in the past, DHA will review the resident's wages for the past twelve (12) months and average the income. That averaged income will become the resident's base amount for determining incremental earnings.

If more than three (3) months goes by before the resident starts their first job, the earnings from that job will be counted in full.

If the resident has no income and enrolls in a welfare program which requires participants to be enrolled in a job training program, the base pay for that resident will be zero.

The resident is required to notify DHA within ten (10) days of enrolling in a qualifying training program.

Residents, who have a decrease in income as a result of enrolling in a training program may request an interim examination. DHA will determine the decrease in incremental income as a result of the training program and adjust the resident's rent accordingly.

Residents who do not qualify DHA within ten (10) days of starting a training program, and have a decrease in income, will not have their rent adjusted retroactively.

DHA will review the total income of the resident's family when notified of the income changes. If DHA determines that an adjustment is necessary due to incremental income, the family will have to have their rent adjusted accordingly.

D. DEFINITION OF TEMPORARILY/PERMANENTLY ABSENT

DHA must compute all applicable income of every family member who is on the lease, including those who are temporarily absent. In addition, DHA must count the income of the spouse or the head of the household if that person is temporarily absent.

Income of persons permanently absent will not be counted. If the spouse is temporarily absent and in the military, all military pay and allowances (except hazardous duty pay when exposed to hostile fire and any other exceptions to military pay HUD may define) is counted as income.

It is the responsibility of the head of household to report changes in family composition. DHA will evaluate absences from the unit in accordance with this policy.

Absence of Entire Family

These policy guidelines address situations when the family is absent from the unit , but has not moved out of the unit. In cases where the family has moved out of the unit , DHA will terminate tenancy in accordance with the appropriate lease termination procedures contained in this Policy.

Families required to notify DHA before they move out of a unit in accordance with the lease and to give DHA information about any family absence from the unit.

Families must notify DHA if they are going to be absent from the unit for more than fifteen (15) consecutive days.

If the entire family is absent from the assisted unit for more than thirty (30) consecutive days, the unit will be considered to be vacated and the assistance will be terminated.

“Absence of Entire Family” means that no family member is residing in the unit.

In order to determine if the family is absent from the unit, DHA may:

- Conduct home visits
- Write letters to the family at the unit
- Telephone the family at the unit
- Interview neighbors
- Verify if utilities are in service

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

A person with a disability may request an extension of time as an accommodation.

If the absence, which resulted in termination of assistance, was due to a person's disability, and DHA can verify that the person was unable to notify DHA in accordance with the lease provisions, regarding absences, and if a suitable unit is available, DHA may reinstate the family as an accommodation if requested by the family.

Absence of any Member

Any member of the household will be considered permanently absent if he/she is away from the unit for forty-five (45) consecutive days or a total of 45 days within any 12-month period. The HA may waive this provision at its discretion.

Absence due to Medical Reasons

If any family member leaves the household to enter a facility such as hospital, nursing home, or rehabilitation center, DHA will seek advice from a reliable qualified source as to the likelihood and timing of their return. If the verification indicates that the family member will be permanently confined, the family member will be considered permanently absent. If the verification indicates that the family member will return in less than ninety (90) consecutive days, the family member will not be considered permanently absent.

If the person who is determined to be permanently absent is the sole member of the household, assistance will be terminated in accordance with DHA's "Absence of Entire Family" policy.

Absence due to Incarceration

If the sole member is incarcerated for more than forty-five (45) consecutive days, he/she will be considered permanently absent. Any member of the household, other than the sole member, will be considered permanently absent if he/she is incarcerated for three (3) consecutive months or ninety (90) days.

DHA will determine if the reason for incarceration is for drug related or violent criminal activity.

Foster Care and Absences of Children

If the family includes a child or children temporarily absent from the home due to placement in foster care, DHA will determine from the appropriate agency when the child/children will be returned to the home.

If the time period is to be greater than forty-five (45) days from the date of removal of the child(ren), the unit size will be reduced to accommodate the new family composition in accordance with DHA's occupancy guidelines. If all children are removed from the

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

home permanently, the unit size will be reduced in accordance with DHA's occupancy guidelines.

Absence of Adult

If neither parent remains in the household and the appropriate agency has determined that another adult is to be brought into the assisted unit to care for the children for an indefinite period, DHA will treat the adult as a visitor for the first fourteen (14) days.

If by the end of that period, court-awarded custody or legal guardianship has been awarded to the caretaker, and the caretaker qualifies under Tenant Suitability criteria, the lease will be transferred to the caretaker.

If the appropriate agency cannot confirm the guardianship status of the caretaker, DHA will review the statute at thirty (30) day intervals.

If custody or legal guardianship has not been awarded by the court, but the action is in process, DHA will secure verification from social services staff or the attorney as to the status.

The caretaker will be allowed to remain in the unit, as a visitor, until determination of custody is made.

DHA will transfer the lease to the caretaker, in the absence of a court order, if the caretaker qualifies under the Tenant Suitability criteria and has been in the unit for more than forty-five (45) days and it is reasonable to expect that custody will be granted.

When DHA approves a person to reside in the unit as caretaker for the child(ren), the income should be counted pending a final disposition. DHA will work with the appropriate service agencies to provide a smooth transition in these cases.

If a member of the household is subject to a court order that restricts him/her from the home for more than one (1) month, the person will be considered permanently absent.

The family will be required to notify DHA in writing within ten (10) days when an adult family member leaves the household for any reason. The notice must contain a certification by the family as to whether the adult is temporarily or permanently absent.

The family member will be determined permanently absent if verification is provided.

Time extension will be granted as an accommodation, upon request by a person, with a disability.

If an adult child goes into the military and leaves the household, they will be considered permanently absent.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Full time students who attend school away from the home will be treated in the following manner:

A student (other than head of household or spouse) who attends school away from home but lives with the family during school recesses may, at the family's choice, be considered either temporarily or permanently absent. If the family decides that the member is permanently absent, income of the member will not be included in total household income, the member will not be included on the lease, and the member will not be included for determination of unit size.

Full time students who attend school away from the home and live with the family during school recess will be considered temporarily absent from the household.

Visitors

Any adult, not included on the HUD 50058, who has not been in the unit more than fourteen (14) consecutive days, or a total of thirty (30) days in a twelve month period, will be considered to be living in the unit as an unauthorized household member.

Absence of evidence on any other address will be considered verification that the visitor is a family member.

Statements from neighbors and/or DHA staff will be considered in making the determination.

DHA may utilize any and all available resources in making determination.

Use of the unit address as the visitor's current residence for any purpose that is not explicitly temporary shall be construed as permanent residence.

The burden of proof that the individual is a visitor rests on the family. In the absence of such proof, the individual will be considered an unauthorized member of the family and DHA will evict the family since prior approval was not requested for the addition.

Minors and college students who were part of the family, but who now live away from home during the school year and are not considered members of the household may visit for up to forty-five (45) days per year without being considered a member of the household.

In a joint custody arrangement, if the minor is in the household less than forty-five (45) days per year, the minor will be considered to be an eligible visitor and not a family member.

Reporting Additions to DHA

Reporting changes in household composition to DHA must be made in compliance with the lease provision requirements regarding adding household members. It is the resident's responsibility to report, in writing to DHA, any proposed additions or deletions from the household, due to any reason whatsoever, for approval or denial by DHA.

If the family does not obtain prior written approval from DHA, any person the family has permitted to move in will be considered an unauthorized household member.

In the event that a visitor continues to reside in the unit after the maximum allowable time, the family must report it to DHA in writing within ten (10) days of the maximum allowable time.

Families are required to report any proposed additions to the household in writing to DHA, which is subject to approval or denial by DHA.

An interim reexamination will be conducted for any additions to the household.

Reporting Absences to DHA

If a family member leaves the household, the family must report this change to DHA, in writing, within ten (10) days of the change and certify as to whether the member is temporarily absent or permanently absent.

DHA will conduct an interim evaluation for changes, which affect the TTP in accordance with the interim policy.

E. AVERAGING INCOME

When annual income cannot be anticipated for a full twelve months, DHA may:

Average known sources of income that vary to compute an annual income.

Annualize current income and conduct an interim reexamination if income changes.

If there are bonuses or overtime, which the employer cannot anticipate for the next twelve months, bonuses and overtime received the previous year, will be used.

Income from the previous year may be analyzed to determine the amount to anticipate when third party or check-stub verification is not available.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

If, by averaging, an estimate can be made for those families whose income fluctuates from month to month, this estimate will be used so that the housing payment will not change from month to month.

The method used depends on the regularity, source and type of income.

F. MINIMUM INCOME

There is no minimum income requirement. Families who report zero income are required to complete a written certification every one hundred and twenty (120) days.

Families that report zero income will be required to provide information regarding their means of basic subsistence, such as food, utilities, transportation, etc.

DHA will periodically request credit checks and labor employment reports for all adult members of families that report zero income.

When zero income is reported and where credit reports show credit accounts open payments current or employment wages, DHA will take action to investigate the possibility of fraud or program abuse.

G. INCOME OF PERSON PERMANENTLY CONFINED TO NURSING HOME

If a family member is permanently confined to a hospital or nursing home and there is a family member left in the household, DHA will recalculate the Total Tenant Payment.

1. Exclude the income of the person permanently confined to the nursing home and give the family no deductions for medical expenses of the confined family member.

H. REGULAR CONTRIBUTIONS AND GIFTS

Regular contributions and gifts received from persons outside the household shall be counted as income for the purpose of calculation of the Total Tenant Payment.

A contribution or gift received periodically with any frequency will be considered a regular contribution or gift, unless the amount is less than \$100.00 per year. This includes rent and utility payments made on behalf of the family and other cash or non-cash contributions provided on a regular basis. It does not include casual contributions or sporadic gifts. (See Chapter on "Verification Procedures," for further definition.)

If the family's expenses exceed its known or reported income, the DHA will question the family about contributions and gifts.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

I. ALIMONY AND CHILD SUPPORT

Regular alimony and child support payments are counted as income for calculation of Total Tenant Payment.

If the amount of child support or alimony received is less than the amount awarded by the court, DHA must use the amount awarded by the court unless the family can verify that they are not receiving the full amount.

DHA will accept as verification that the family is receiving an amount less than the award if:

DHA receives verification from the agency responsible for enforcement or collection.

The family furnishes documentation of child support or alimony collection action filed through a child support enforcement/collection agency, or has filed an enforcement or collection action through an attorney.

It is the family's responsibility to supply a certified copy of the divorce decree.

J. LUMP-SUM RECEIPTS

Lump-sum additions to Family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses, are not included in income but may be included in assets.

Lump-sum payments caused by delays in processing periodic payments (unemployment or welfare assistance) are counted as income. Lump-sum payments from Social Security or SSI are excluded from income, but any amount remaining will be considered an asset. Deferred periodic payments which have accumulated due to a dispute will be treated the same as periodic payments which are deferred due to delays in processing.

In order to determine amount of retroactive tenant rent that the family owes as a result of the lump sum receipt:

DHA will calculate prospectively if the family reported the payment within ten (10) days and retroactively to date of receipt if the receipt was not reported within that time frame.

If amortizing the payment over one year will cause the family to pay more than thirty (30) percent of the family's adjusted income (before the lump sum was added) for Total Tenant Payment. DHA and family may enter into a Payment Agreement, with the

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

approval of the Property Management Director, for the balance of the amount over the thirty (30) percent calculation. The beginning date for this Payment Agreement will start as soon as the first of the month following a thirty (30) day period.

The amount owed by the family is a collectible debt even if the family becomes unassisted.

Attorney Fees

The family's attorney fees may be deducted from lump-sum payments when computing annual income if the attorney's efforts have recovered a lump-sum compensation, and the recovery paid to the family does not include an additional amount in full satisfaction of the attorney fees.

K. CONTRIBUTIONS TO RETIREMENT FUNDS-ASSETS

Contributions to company retirement/pension funds are handled as follows:

1. While an individual is employed, count as assets only amounts the family can withdraw without retiring or terminating employment.
2. After retirement or termination of employment, count any amount the employee elects to receive as a lump sum.

L. ASSETS DISPOSED OF FOR LESS THAN FAIR MARKET VALUE

DHA must count assets disposed of for less than fair market value during the two years preceding certification or reexamination. DHA will count the difference between the market value and the actual payment received in calculating total assets.

Assets disposed of as a result of foreclosure or bankruptcy are not considered to be assets disposed of for less than fair market value. Assets disposed of as a result of a divorce or separation are not considered to be assets disposed of for less than fair market value.

DHA's minimum threshold for counting assets disposed of for less than Fair Market value is five thousand (\$5,000). If the total value of assets disposed of within the two-year period is less than five thousand (\$5,000) they will be considered an asset.

M. CHILD CARE EXPENSES

Childcare expenses for children under thirteen (13) may be deducted from annual income if they enable an adult to work, attend school full time, or actively seek employment.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

In the case of a child attending private school, only after-hours care can be counted as childcare expenses.

Childcare expenses cannot be allowed as a deduction if there is an adult household member capable of caring for the child who can provide the childcare.

Childcare expenses must be reasonable. Reasonable is determined by what the average childcare rates are in DHA's jurisdiction.

Allowability of deductions for childcare expenses is based on the following guidelines:

Childcare to work:

The maximum childcare expense allowed must be less than the amount earned by the person enabled to work.

The person enabled to work will be the adult member of the household who earns the least amount of income from working.

Childcare for School:

The number of hours claimed for childcare may not exceed the number of hours the family member is attending school (including one hour travel time to and from school).

Amount of Expense:

DHA will survey the local care providers in the community to determine what is reasonable. DHA will use the collected data as a guideline. If the hourly rate materially exceeds the guideline, DHA may calculate the allowance using the guideline.

N. MEDICAL EXPENSES

When it is unclear in the HUD rules as to whether or not to allow an item as a medical expense, IRS Publication 502 will be used as a guide.

Non-prescription medicines must be doctor-recommended in order to be considered a medical expense. A written recommendation from the recommending physician must be provided to DHA before consideration is given.

Non-prescription recommended medications will be counted toward medical expenses for families who qualify if the family furnishes legible receipts.

Acupressure, acupuncture and related herbal medicines, and chiropractic services will not be considered allowable medical expenses, unless prescribed by a physician.

O. PRORATION OF ASSISTANCE FOR "MIXED" FAMILIES

Applicability

Proration of assistance must be offered to any mixed applicant or participant family. A mixed family is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible members.

"Mixed" families that were participants on June 19, 1995, and that do not qualify for continued assistance must be offered prorated assistance. (See Chapter titled "Recertifications.") Applicant mixed families are entitled to prorated assistance. Families that become mixed after June 19, 1995, by addition of an ineligible member are entitled to prorated assistance.

Prorated Assistance Calculation

Prorated assistance will be calculated by subtracting the Total Tenant Payment from the applicable Maximum Rent for the unit the family occupies to determine the Family Maximum Subsidy. The family's TTP will be calculated by:

1. Dividing the Family Maximum Subsidy by the number of persons in the family to determine Member Maximum Subsidy.
2. Multiplying the Member Maximum Subsidy by the number of eligible family members to determine Eligibility Subsidy.
3. Subtracting the amount of Eligibility Subsidy from the applicable Maximum Rent for the unit the family occupies to get the family's Revised Total Tenant Payment.

P. REDUCTION IN BENEFITS

If the family's benefits, such as social security, SSI or TANF, are reduced through no fault of the family, DHA will use the net amount of the benefit.

If the family's benefits were reduced due to family error, omission, or misrepresentations, DHA will use the gross amount of the benefit, before the reduction in benefit occurred. If the family's benefits reduced due to failure to comply with TANF requirements then DHA will include an amount equal to the previous TANF benefit to compute income, before the reduction in benefit occurred.

Q. UTILITY ALLOWANCE AND UTILITY REIMBURSEMENT PAYMENTS

If the cost of utilities (excluding telephone) is not included in the Tenant Rent, a utility allowance will be deducted from the total tenant payment. The Utility allowance is

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

intended to help defray the cost of utilities not included in the rent. The allowances are based on the monthly cost of reasonable consumption of utilities in an energy conservative household, not on a family's actual consumption.

When the Utility Allowance exceeds the family's Total Tenant Payment, DHA will provide a Utility Reimbursement Payment for the family each month. The check will be made out directly to the resident.

Resident-Paid Utilities

The following requirements apply to residents living in developments with resident-paid utilities or applicants being admitted to such developments:

When the supplier of utilities offers a budget or level payment plan, it shall be suggested to the resident to pay his/her bills according to this plan. This protects the resident from large seasonal fluctuations in the cost of utilities and ensures adequate heat in the winter. If the family is receiving TANF, DHA will encourage the family to consider vendor payment plan for rent and utilities.

When a resident makes application for utility service in his/her own name, he or she must sign a third party notification agreement so that DHA will be notified if the resident fails to pay the utility bill.

If a resident or applicant is unable to get utilities connected because of a previous balance owed to the utility company, the resident/applicant will not be permitted to move into a unit with resident paid utilities. This may mean that a current resident cannot transfer to a scattered site that an applicant cannot be admitted to a unit with resident-paid utilities.

Paying the utility bill is the resident's obligation under the lease. Failure to pay utilities is grounds for lease termination and possible subsequent eviction.

R. EXCESS UTILITY PAYMENTS

Residents in units where DHA pays the utilities may be charged the excess cost for excess utilities if additional appliances or equipment are used in the unit or if the resident uses more than the utility consumption allowed by DHA. This charge shall be applied as specified in the lease.

S. FLAT RENTS

An amount established by the Authority that reflects reasonable market value of the housing unit, but not less than the sum of the monthly per-unit operating costs and a deposit to a replacement reserve.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

Flat rents are the amount of tenant rent based on the market value of an apartment, as determined by DDHA. The flat rent is designed to encourage self-sufficiency and to avoid creating disincentives for continued Residents who are attempting to become economically self-sufficient. It is also proposed that DDHA periodically review its flat rents, at least annually, in an attempt to stay consistent with the current market.

Each resident shall have the right to select one of two methods by which DHA will determine their rent.

- **Income-based Method:**
The rental amount based on the household income and other information reported to DHA by the Resident.
- **Flat Rent Method:**
The rental amount based on the DHA-determined flat rent for the apartment.

The selection is the Resident's option and will be made at the time the Resident initially leases with the DHA or at his/her annual reexamination and corresponding lease renewal. A resident that chooses the Flat rent may change the basis on which the rent is calculated at any reexamination and once during any twelve (12) month period.

These flat rents are current as of January 01, 2002, but are subject to change by action of the HA without the necessity to amend or revise this ACOP. DHA utilizes flat rents as follows:

As a result the above, please find attached the proposed flat rents for the Housing Authority of the City of Decatur and the Housing Authority of the County of DeKalb's Public Housing sites.

CHAPTER 7

VERIFICATION PROCEDURES

INTRODUCTION

HUD regulations require that the factors of eligibility and Total Tenant Payment be verified by DHA. Applicants and program tenants must furnish proof of their statements whenever required by DHA, and the information they provide must be true and complete. DHA's verification procedures are designed to meet HUD requirements and to maintain program integrity. This Chapter explains DHA's procedures and standards for verification of preferences, income assets, allowable deductions, family status, and when there are changes in family members. DHA will ensure that proper authorization for release of information has been obtained from the family before making verification inquiries.

A. METHODS OF VERIFICATION AND TIME ALLOWED

DHA will verify information through the four methods of verification acceptable to HUD in the following order:

1. Third-Party Written: DHA's first choice is a written third party verification to substantiate claims made by an applicant or resident.
2. Third-Party Oral: DHA may also use telephone verifications.
3. Review of Documents: DHA will review documents, when relevant,, to substantiate the claim of an applicant or resident.
4. Certification/Self Declaration: A notarized certification will be accepted when no other form of verification is available.

For applicants, verification is used to verify information directly with the source. Third-party written verification forms will be sent and returned via first class mail. The family will be required to sign an authorization for the information source to release the specified information.

Verifications received electronically directly from the source are not considered third party written verifications.

DHA will accept verifications from the following sources delivered by the family:

Drivers License, that displays SSN

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Identification Card issued by a Federal, State or Local Agency
Earning statements or payroll stubs
Bank statements
Retirement benefit letter
Social Security Administration
Veterans Administration
Welfare Assistance
Unemployment Compensation Board
City or County Courts
Pharmacies for prescription drugs

Third-Party Oral Verification

Oral third-party verification will be used when written third-party verification is delayed or not possible. When third-party oral verification is used, staff will be required to complete a Certification of Document Viewed or Person Contacted Form, noting with whom they spoke, the date of the conversation, and the facts provided. If oral third-party verification is not available, DHA will compare the information to any documents provided by the family. If provided by telephone, DHA must originate the call or verify the authenticity of the call.

Review of Documents

In the event that the third-party written or oral verification is unavailable, or the information has not been verified by the third-party within eight (8) weeks, the DHA will note the file accordingly and utilize documents provided by the family as the primary source if the documents provide complete information.

All such documents, excluding government checks, will be photocopied and retained **in** the applicant file. In cases where documents are viewed which cannot be photocopied, staff viewing the document(s) will complete a Certification of Document Viewed or Person Contacted Form.

DHA will accept the following documents from the family provided that the document is such that tampering would be easily noted:

Printed wage stubs
Computer print-outs from the employer
Signed letters (provided that the information is confirmed by phone)
Other documents noted in this Chapter as acceptable verification

DHA will accept Faxed documents.

DHA will accept photocopies.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

If third-party verification is received after documents have been accepted as provisional verification, and there is a discrepancy, DHA will utilize the third party verification.

Self-certification means a notarized statement that must be witnessed.

B. RELEASE OF INFORMATION

The family will be required to sign specific authorization forms when information is needed that is not covered by the **HUD Form 9886, Authorization for Release of Information**.

Each member requested to consent to the release of information will be provided with a copy of the appropriate forms for their review and signature.

It is a family obligation under tenancy to supply any information requested by the DHA or HUD. Family refusal to cooperate with the HUD prescribed verification system will result in denial of admission or termination of tenancy.

C. COMPUTER MATCHING

Where allowed by HUD and/or other State or local agencies, computer matching will be done.

D. ITEMS TO BE VERIFIED

All income, not specifically excluded by the regulations, must be verified. Including but not limited to:

must fall into one of the categories specified by the regulations and must have their status verified by Immigration and Naturalization Service (INS). If the entire family fails to provide and sign as required, the family may be denied or terminated for failure to provide required information.

For tenant families, it is done at the first regular re-certification after June 19, 1995. For family members added after other members have been verified, the verification occurs at the first re-certification after the new member moves in. Once verification has been completed for any covered program, it need not be repeated.

CHAPTER 8

TENANT SELECTION AND ASSIGNMENT PLAN

INTRODUCTION

It is DHA's policy that each applicant shall be assigned an appropriate place on the waiting list. Applicants will be listed in sequence based upon date and time the application is received, the size and type of unit they require, and factors of preference or priority. In filling an actual or expected vacancy, DHA will offer the dwelling unit to an applicant in the appropriate sequence until it is accepted. This chapter describes DHA's policies with regard to the number of unit offers that will be made to applicants selected from the waiting list.

A. METHOD OF SELECTION

Preference Selections

There will be Local Preference Admissions.

Every fiscal year, each HA must reserve a minimum of 40 percent (40%) of its public housing new admissions for families "whose incomes do not exceed 30 percent (30%) of the area median income.

Plan for Unit Offers

The plan for selection of applicants and assignment of dwelling units to assure equal opportunity and non-discrimination on grounds of race, color, sex, disability, religion, or national origin is:

Under this plan the first qualified applicant in sequence on the waiting list will be made an offer of a unit of the appropriate size.

If more than one unit of the appropriate type and size is available, the first unit to be offered will be the first unit that is ready for occupancy.

DHA will maintain a record of units offered, including location, date offered, circumstances of each offer and each acceptance or rejection, including the reason for the rejection.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

Upon offer of a unit, the Applicant will have three (3) working days from the date of the letter sent to accept or reject the unit. If the Applicant refuses the unit offered, the applicant will be dead filed and the Applicant will have to reapply. Failure to give an answer within the prescribed time period shall be counted as refusal of the offer and treated accordingly.

Acceptance of Unit

Applicants must accept a unit offer within three (3) working days of the date the offer is made. Offers made over the telephone will be documented in the applicant file. If unable to contact an applicant by telephone, DHA will send a letter via regular mail.

If the applicant presents satisfactory evidence that acceptance of any offered unit will result in undue hardship not related to race, color, or national origin, the refusal shall not count as a refusal of the offered unit.

Upon acceptance of the offer, the Applicant will be assigned a deadline to move-in. Before the end of this period, the Applicant must complete all outstanding pre-occupancy requirements, such as a joint unit inspection, establishment of utility service, leasing interview and lease execution. Normally, this deadline will be within three (3) working days of acceptance of the offer, but may be extended a maximum of five (5) additional days at the discretion of DHA when necessary to alleviate hardship. Failure to complete the move in requirements within the assigned period will result in withdrawal of the offer and the application will be dead filed and the applicant will have to re-apply.

A Security Deposit is required from each Applicant upon move-in. The amount and method of payment is set by DHA and revised at DHA's discretion. Security Deposits are handled in accordance with the requirements of State Law, however, if an Applicant pays a Security Deposit on a unit and, later, does not move into the unit, the DHA shall charge the Applicant the thirty (30) day "Notice to Vacate" that is required of Residents.

A Pet Deposit is required from each Resident who has an approved pet, in accordance with the DHA's adopted Pet Policies. All residents are not permitted to have pets. Pet Deposits are handled in accordance with the PHA's Pet Policies.

Applicants Unable to Take Occupancy

- If an applicant is willing to accept the unit offered, but is unable to take occupancy at the end of the offer for "good cause," the applicant will not be removed from the waiting list.
- Examples of "good cause" reasons for refusal to take occupancy of a housing unit include, but are not limited to:
- Applicant's inability to pay security deposit and first month's rent within the time limit for acceptance of unit.

- A qualified, knowledgeable, health professional verifies that temporary hospitalization or recovery from illness exists for the principle household members, or if a live-in aide is necessary to care for the principle household member.
- The unit is inappropriate for the applicant's disabilities.
- An elderly or disabled family makes the decision not to occupy or accept occupancy in designated housing.

Applicants with a Change in Family Size or Status

Reporting changes in family composition, status, or income between the time of the interview and the offer of a unit are the responsibility of the applicant. DHA shall not lease a unit to a family whose occupancy will overcrowd or underutilize the unit.

A. LEASE ORIENTATION

Prior to execution of the lease a DHA representative(s) will provide a lease orientation to the family head and spouse, where applicable. The orientation may be conducted with more than one family.

B. EXECUTION OF LEASE

The lease shall be executed by the head of household and spouse and all other adult members of the household, and by an authorized representative of DHA, prior to admission.

The head of household is the person who assumes legal and financial responsibility for the household and is listed on the application as head.

An appointment will be scheduled for the parties to execute the lease. One executed copy of the lease will be given to the resident, and one will be retained by DHA in the resident's file. The lease is incorporated into this policy by reference. The lease document will reflect current DHA policies as well as applicable Federal, State and Local law.

The following provisions govern lease execution and amendments:

1. A lease is executed at the time of admission for all new residents.
2. A new lease or addendum is executed at the time of the transfer of a resident from one Housing Authority unit to another.
3. Lease signers must be persons legally eligible to execute contracts.
4. The names of all household members are listed on the lease at initial occupancy and on the Application for Continued Occupancy each subsequent year. Only those persons listed on the most recent certification shall be permitted to occupy a dwelling unit.
5. Changes to resident rents are made upon the preparation and execution of a "Notice of Rent Adjustment" by DHA, which becomes an attachment to the lease. Documentation will be included in the resident file to support proper notice.
6. Households, which include a Live-In Attendant, are required to execute a lease addendum authorizing the arrangement and describing the status of the attendant.

DHA may modify its form of lease from time to time, giving residents an opportunity to comment on proposed changes and advance notice of the implementation of any changes unless mandated for immediate implementation by HUD. A resident's refusal to accept a permissible and reasonable lease modifications, or those modifications required by HUD is grounds for termination of tenancy.

C. ADDITIONS TO THE LEASE

Requests for the addition of a new member of the household must be approved by DHA, prior to the actual move-in by the proposed new member.

Following receipt of a family's request for approval, DHA will conduct a pre-admission screening of the proposed new member. Only new members approved by DHA will be added to the household.

1. Household additions subject to screening:

Resident plans to marry and wishes to add their prospective spouse. If a resident marries, their newly wedded spouse is not automatically added to the lease, but must go through the same screening process as new applicants;

Resident desires to add a new family member to the lease, employ a live-in aide; or take in a foster child(ren).

A family member previously on the lease who has been absent from the unit for more than ninety (90) days.

2. Factors determining household additions which are not subject to screening:

Children born to a family member or whom a family member legally adopts are exempt from the pre-screening process.

3. Factors determining household additions which may be subject to screening, depending on DHA discretion:

- Children below the age of eighteen (18), under which Juvenile Justice records are made available, who are added through a kinship care arrangement, are not exempt from the pre-screening process.
- DHA may request that the public housing resident provide HA with a signed consent form from the parent(s) or legal guardian allowing DHA to check the juvenile records of the child. Sources to be checked may include any of the following:
 - School Records (attendance/behavior)
 - Juvenile Probation/Court Records
 - Police Records
 - Medical Records

4. In cases where the addition of a new member who has not been born, married, or legally adopted into the family, and the addition will affect the bedroom size required by the family, according to DHA occupancy standards, DHA will not approve the addition unless the addition is a reasonable accommodation for an elderly, handicapped, or disabled person.
5. DHA will not approve adding a family consisting of more than one member to the lease. Such applicants will be encouraged to apply to the waiting list.
6. Residents who fail to notify DHA of additions to the household, or who permit persons to join the household without undergoing screening, are in violation of the lease. Such persons are considered to be unauthorized occupants by DHA, and the entire household will be subject to eviction.
7. Family members age 18 years and over who move from the dwelling unit to establish new households shall be removed from the lease. The resident must notify DHA of the move-out within 14 days of its occurrence.

DHA, in re-admitting an individual to the unit, will consider medical hardship or other extenuating circumstances.

8. The family must request DHA approval prior to visitors arriving who will be residing in the unit more than fourteen (14) consecutive days or thirty (30) total days in a twelve (12) month period.

Visitors who remain beyond this point shall constitute a breach of the lease.

9. Boarders and lodgers are not permitted to occupy a dwelling unit, nor are they permitted to move in with any family occupying a dwelling unit.

Residents are not permitted to allow a former resident of DHA who has been evicted, or for which eviction action was initiated, to occupy the unit for any period of time.

Residents must advise DHA when they will be absent from the unit for more than thirty (30) days and provide a means for DHA to contact the resident in the event of an emergency.

D. LEASING UNITS WITH ACCESSIBLE OR ADAPTABLE FEATURES

Before offering a vacant accessible unit to a non-disabled applicant, DHA will offer such units:

ga237cv02

1. to a current occupant of another unit of the same development, or other public housing developments under DHA's control, who has a disability that requires the special features of the vacant unit.
2. to an eligible qualified applicant on the waiting list having a disability that requires the special features of the vacant unit.
3. When offering an accessible/adaptable unit to a non-disabled applicant, DHA will require the applicant to agree to move to an available non-accessible unit within 30 days when either a current resident or an applicant needs the features of the unit and there is another unit available for the applicant. This requirement will be a provision of the lease agreement.

E. UTILITY SERVICES

Residents responsible for direct payment of utilities must abide by any and all regulations of the specific utility company, including regulations pertaining to advance payments of deposits.

Failure to maintain uninterrupted utility services during tenancy is a lease violation and grounds for eviction.

Non-payment of excess utility charge payments to DHA is a violation of the lease and is grounds for eviction.

F. SECURITY DEPOSITS

New residents must pay a security deposit to DHA at the time of admission. Residents with pets must pay a pet deposit, as specified in chapter ten (10) of this policy.

The amount of the security and/or pet deposit required is specified on the lease and in this policy.

DHA may permit installment payments of security deposits when a new resident demonstrates a financial hardship to the satisfaction of DHA. However, no less than 50% of the required deposit must be paid before occupancy.

The remainder of the deposit must be paid within 60 days of move-in. A minimum of 25% must be paid each month or thirty-day period.

DHA will hold the security deposit for the entire period the resident occupies the unit.

DHA will refund to the Resident the amount of the security deposit, less any amount needed to pay the cost of:

Unpaid Rent;

Effective Date: March 1, 2002

ga237cv02

Damages listed on the Move-Out Inspection Report that exceed normal wear and tear;

Other charges under the Lease.

DHA will refund the Security Deposit less any amounts owed, within 30 days after move out and resident's notification of new address.

DHA will refund the Security Deposit and/or Pet Deposit to the resident, less any damage caused by the pet to the dwelling unit, upon removal of the pet or the owner from the unit.

DHA will provide the resident or designee identified above with a written list of any charges against the security or pet deposits. If the resident disagrees with the amount charged to the security or pet deposits, DHA will provide a meeting to discuss the charges.

The resident must leave the dwelling unit in a clean and undamaged (beyond normal wear and tear) condition and must furnish a forwarding address to DHA. All keys to the unit must be returned to the Management upon vacating the unit.

DHA will not use the security deposit for payment of rent or other charges while the resident is living in the unit.

If the resident transfers to another unit, DHA will transfer the security deposit to the new unit. The resident will be billed for any maintenance or other charges for the unit they transferred from.

G. RENT PAYMENTS

The resident's rent is due and payable at DHA-designated locations on the 1st of every month. No later than the 5th business day. Rent left in the drop box after the close of business on the 5th business day will be accepted, but will be considered late and a ten-dollar, \$10.00 late fee will be charged to the resident.

If DHA does not receive payment by the agreed upon date, the resident's file will be forwarded to the Eviction Review Board for review,

H. FEES AND NONPAYMENT PENALTIES

sufficient funds (NSF), or checks written on a closed account. Late fees and returned check fees shall be considered as additional rent due and payable under the lease. Returned checks must be redeemed by cashier's check or money order within three (3) days of Notice of returned check. Management will reserve the right to request all future rental payments to be made by cashier's check or money order.

I. SCHEDULES OF SPECIAL CHARGES

J. MODIFICATIONS TO THE LEASE

Schedules of special charges and rules and regulations are subject to modification or revision. Residents will be provided at least thirty (30) days written notice of the reason(s) for any proposed modifications or revisions, and they will be given an opportunity to present written comments. Comments will be taken into consideration before any proposed modifications or revisions become effective.

A copy of such notice shall be posted in the central office, and:

Hand delivered to the dwelling unit

Posted in conspicuous places throughout the affected property(s).

Any modifications of the lease must be accomplished by a written addendum to the lease.

Cancellation of the resident's lease is to be in accordance with the provisions contained in the lease agreement and as stated in this policy.

L. INSPECTIONS OF PUBLIC HOUSING UNITS

1. Initial Inspections

DHA and the family will inspect the premises prior to occupancy of the unit in order to determine the condition of the unit and equipment in the unit. A copy of the initial inspection, signed by DHA and the resident, will be kept in the resident file.

Only the head of household may sign the inspection form.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

2. Vacate Inspections

DHA will perform a move-out inspection when the family vacates the unit, and will encourage the family to participate in the move-out inspection.

The purpose of this inspection is to determine necessary maintenance to the unit and whether there are damages that exceed normal wear and tear. DHA will determine if there are resident caused damages to the unit. Resident caused damages may affect return of part or all of the family's security deposit.

The move-out inspection also assists DHA in determining the time and extent of the preparation and repairs necessary to make the unit ready for the next resident.

The resident is encouraged to participate in the move-out inspection. Failure to participate in the move out inspection process by the resident waives all rights to appeal any damages to the unit listed as resident caused damage on the move-out inspection form.

3. Annual Inspections

DHA will inspect all units annually using HUD's Housing Quality Standards (HQS) as a guideline (or similar standards adopted by HUD).

4. Preventive Maintenance Inspections

Preventive maintenance inspections will be performed by DHA on a regular basis depending on funding for the inspections being included in the appropriate budget(s).

5. Management Inspections

The Property Manager may conduct periodic inspections to determine the condition of the unit and to identify problems or issues in which DHA can be of service to the family.

6. Housekeeping Inspections

The Property Manager may conduct periodic housekeeping inspections to determine the condition of the unit and to identify problems or issues in which DHA can be of service to the family.

7. Special Inspections

ga237cv02

HUD representatives or local government officials may review DHA operations periodically and as a part of their monitoring may inspect a sampling of DHA's inventory.

8. Emergency Inspections

If any employee and/or agent of DHA has reason to believe that an emergency exists in the unit, an emergency inspection will be done without notification to the family. The person(s) who enters the unit will leave a written notice to the resident explaining the reason the unit was entered and the date and time.

The following items are to be considered emergency in nature and require correction within 24 hours by either DHA or the resident:

- a. broken lock on entry door
- b. broken window with shattered glass
- c. escaping gas
- d. plumbing leaks which have the capacity to create flooding or cause damage
- e. natural gas leaks or the smell of fumes
- f. electrical situation which could result in shock or fire
- g. refrigerator inoperable
- h. toilet inoperable and only one toilet exists in the unit
- i. smoke alarm inoperative

9. Entry of Premises Notices

DHA will not give prior written notice for emergency inspections.

Non-emergency entries to the unit will be made during reasonable hours of the day.

DHA will give the family at least 48 hours written notice before entering the unit for reasons other than the annual inspection and maintenance request by the resident. Reasons DHA will enter the unit are:

Inspections and maintenance

To make improvements and repairs (unless the repairs are requested by the resident through a work order)

To show the premises for leasing

In cases of emergency

Where DHA is conducting regular annual examinations of its housing units, the family will receive adequate notice of the inspection to allow the family to prepare for the inspection.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

A written notice specifying the purpose for non-emergency entry into the unit will be delivered to the premises at least 2 days before entry.

10. Family Responsibility to Allow Inspection

DHA must be allowed to inspect the unit at reasonable times with reasonable notice. Forty-eight (48) hour written notice will be considered reasonable in all cases.

The resident is notified of the inspection appointment by mail. The family must call DHA at least twenty four (24) hours before the inspection, if necessary.

DHA will reschedule the inspection no more than twice unless the resident has a verifiable medical reason which has hindered the inspection. DHA may request verification.

If the resident refuses to allow the inspection, the resident will be in violation of the lease and DHA will begin lease termination procedures giving the resident thirty (30) days notice to vacate the premises.

INTRODUCTION

In accordance with HUD requirements, DHA will reexamine the income and family composition of all families at least once annually. At the annual recertification families must report their current household composition, income, deductions and allowances. Between regular annual recertifications, HUD requires that families report all changes in household composition. This Chapter defines DHA's policy for conducting annual recertifications. It also explains the interim reporting requirements for families, and the standards for timely reporting.

A. ELIGIBILITY FOR CONTINUED OCCUPANCY

Residents who meet the following criteria will be eligible for continued occupancy:

1. Qualify as a family as defined in this policy;
2. Are in full compliance with the obligations and responsibilities described in the dwelling lease;
3. Whose family members, age 2 years and older, each have submitted their social security number or have certifications on file that they do not have a social security number;

Eligibility for Continued Assistance

Families will be eligible for continued assistance that are citizens or have eligible immigration status. Every member of a family must either provide evidence of citizenship or eligible immigration status.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

ga237cv02

- a. In order to be re-certified, families are required to provide current and accurate information on income, assets, allowances and deductions, and family composition.
- b. DHA recertifies families based on the location of the unit for which the family resides. [Example: If a family moves into a unit located in a specific building, the annual recertification will be conducted at the same time the other units in the same building are scheduled].
- c. If the move-in takes place within ninety (90) days of the scheduled recertification date for that specific unit, DHA will utilize the verified information used at the time the resident moved in.
- d. At the first annual recertification on or after June 19, 1995, family members must report and verify their U.S. citizenship/eligible immigration status.
- e. When families move to another dwelling unit:
- f. Depending on location of unit moving to, per recertification schedule.
- g. An interim recertification will be conducted.
- h. The annual recertification date may or may not change.
- i. Re-examination Notice to the Family

2. Notification

- a. All families will be notified of their obligation to re-certify by first class mail. The notification shall be sent at least 90 days in advance of the anniversary date. If requested, as an accommodation by a person with a disability, DHA will provide the notice in an accessible format. DHA will also mail the notice to a third party, if requested as reasonable accommodation, for a person with disabilities. These accommodations will be granted upon verification that they meet the need presented by the disability.
- b. Methodology DHA's method for conducting annual recertification will be:
- c. To schedule the specific date and time of appointments in the written notification to the family.
- d. Persons with Disabilities, who are unable to come to DHA's office will be granted an accommodation of conducting the interview at the person's home or by mail, upon verification that the accommodation requested meets the need presented by the disability.

- b. If the family does not appear for the recertification interview and has not rescheduled or made prior arrangements with DHA, DHA will schedule a second appointment.
- c. If the family fails to appear for the second appointment and has not rescheduled or made prior arrangements, DHA will:
- d. DHA will place resident on Flat rent and begin the termination process.
- e. Exceptions to these policies may be made by the Property Manager, if the family is able to document an emergency situation that prevented them from canceling or attending the appointment.

6. Documents Required from the Family

- Completed recertification form
- Documentation of income for all family members
- Documentation of liquid and non-liquid assets

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

- Personal Declaration Form completed by head of household
- Other – All adult members of the household

7. Verification of Information

All information, which affects the family's continued eligibility for the program, and the family's Total Tenant Payment (TTP) will be verified in accordance with the verification procedures and guidelines described in the Policy. Verifications used for recertification must be less than ninety (90) days old. All verifications will be placed in the file, which has been established for the family.

- a. When the information has been verified, it will be analyzed to determine:
- b. The continued eligibility of the resident as a family or as the remaining member of a family;
- c. The unit size;
- d. The amount of rent the family should pay (in excess of the \$50.00 minimum rent);

8. Changes In the Tenant Rent

If there is any change in rent, the lease will be amended, or a new lease will be executed, or a Notice of Rent Adjustment will be issued to the Head of Household.

a. Tenant Rent Increase

If tenant rent increases a notice of increase notice will be mailed to the family at least thirty (30) days prior to the effective date of the change.

If less than thirty (30) days are remaining before the anniversary date, the tenant rent increase will be effective on the first of the month following the thirty (30) day notice.

If there has been a misrepresentation or a material omission by the family or if the family causes delay in the reexamination processing, there will be a retroactive increase in rent to the scheduled effective date.

b. Tenant Rent Decreases

If the tenant rent decreases, it will be effective on the scheduled effective date.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

If the family causes a delay so that the processing of the reexamination is not complete by the scheduled effective date, rent change will be effective on the first day of the month following completion of the reexamination processing by DHA.

9. Flat Rents

- i. As part of the Quality Housing and Work Responsibility Act of 1998 (QHWRA), Housing Authorities across the country were required to establish Flat Rents for the Public Housing units they managed. This in turn, allows Public Housing Residents the option of choosing an affordable rent for themselves. In addition Flat rents are intended as an incentive for residents to remain in Public Housing after they have attained a level of self-sufficiency.
 - a. Flat rents are the amount of tenant rent based on the market value of an apartment, as determined by DHA. The flat rent is designed to encourage self-sufficiency and to avoid creating disincentives for continued Residents who are attempting to become economically self-sufficient. DHA will periodically review its flat rents, at least annually, in an attempt to stay consistent with the current market.
 - b. Each resident shall have the right to select one of two methods by which DHA will determine their rent.
 - **Income-Based Method:**
The rental amount based on the household income and other information reported to DHA by the Resident.
 - **Flat Rent Method:**
The rental amount based on the DHA-determined flat rent for the apartment.
 - c. The selection is the Resident's option and will be made at the time the Resident initially leases with the DHA or at his/her annual reexamination and corresponding lease renewal. A resident that chooses the Flat rent may change the basis on which the rent is calculated at any reexamination and once during any twelve month period.
- ii. Resident may change the rent calculation method at any reexamination and corresponding renewal. Families who have chosen the Flat Rent may request a change from Flat Rent to Income-based rent before reexamination only if Resident show the family is unable to pay the Flat Rent Method amount because of financial hardship. Such financial hardships must arise from: (1) situations in which the income of the family has decreased because of changed circumstances, (2) loss or reduction of employment, (3) death in the family, (4)

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

reduction in or loss of income or other assistance (provided the loss or reduction was not due to the fraud of any family member), (5) increase in family's expenses for medical costs, child care, transportation, education, or similar items, (6) other serious or catastrophic financial situations as specifically approved by DHA. A family may request to make the change one time during any twelve-month period. Any such reporting and request for change must be made within ten (10) days of the date of the change of circumstances or financial conditions and must be in writing.

C. REPORTING INTERIM CHANGES

Family Composition

Families must report all changes in household family composition to DHA between annual reexaminations. This includes additions due to birth, adoption and court-awarded custody. The family must obtain DHA approval prior to all other additions to the household.

The U.S. citizenship/eligible immigrant status of additional family members must be declared and verified as required at the first interim or regular recertification after moving into the unit.

Interim Reexamination Policy

1. Increase in Income to be Reported:

- a. Families must report all increase in income/assets of all household members to DHA in writing within ten (10) calendar days of the occurrence.
- b. Families are only required to report the following increase in income:
- c. Increases in earned income from the employment of a current household member;
- d. Increases in income because a person with income joins the household;
- e. Increases in household income, which comes as a result of a new income source.
- f. DHA will process rent adjustments for all increases in income that collectively exceeds \$100.00 per month, which are reported between regularly scheduled recertifications or should have been reported.
- g. DHA will not process rent adjustments resulting from an increase, in earned income (raises) until the next regularly scheduled recertification; unless earned amount exceeds \$100.00 per month.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

2. Increases In Income and Rent Adjustments

- a. Rent increases (except those due to misrepresentation) require thirty (30) days notice. Therefore, interim rent increases are made effective the first of the second month following when the change in income should have been reported.

3. Decreased in Income and Rent Adjustment

- a. Residents may report a decrease in income and other changes, such as an increase in allowances or deductions, which would reduce the amount of the total tenant payment.
- b. DHA will process the rent adjustment unless DHA confirms that the decrease in income will last less than thirty (30) calendar days.
- c. Decrease in rent will be effective the first of the month following when the resident reports the decreased income and provide documentation of the change.

4. Other Interim Reporting Issues

- a. Changes from zero (0) income to work or other form of income (earned or unearned): however, all families with zero income will be required to report their status every sixty (60) days.
- b. In the following circumstances, DHA may conduct the interim recertification by mail:
 - i. Changes that will not result in a change in tenant rent.
 - ii. Changes in income that is normal for the family, such as seasonal employment.
- c. As a reasonable accommodation when requested. (See Chapter titled "Statement of Policies and Objectives")
- d. Any changes reported by residents other than those listed in this section (will be noted in the file by the staff person) but will not be processed between regularly scheduled annual recertifications.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

5. DHA Errors

If DHA makes a calculation error at admission to the program or at an annual reexamination, an interim reexamination will be conducted to correct the error, and the change will be made effective as prescribed in these policies, but the family will not be charged retroactively.

D. TIMELY REPORTING OF CHANGE IN INCOME (AND ASSETS)

1. Standard for Timely Reporting of Changes

- a. DHA requires that families report interim changes to DHA within ten (10) days of when the change occurs. Any information, document or signature needed from the family, which is needed to verify the change, must be provided within thirty (30) days of the change.
- b. An exception will be made for TANF recipients who obtain employment. In such cases, families will have to report within ten (10) days of receipt of the Notice of Action from DFACS (Department of Family and Children Services) that shows the full adjustment for employment income.
- c. If the change is not reported within the required time period, or if the family fails to provide signatures, certifications or documentation, (in the time period requested by DHA), it will be considered untimely reporting.

2. Procedures When Changes are Reported in a Timely Manner

- a. The DHA will notify the family of any change in the Tenant Rent to be effective according to the following guidelines:
 - i. Increases in the Tenant Rent - are effective on the first of the month following at least thirty (30) days notice.
 - ii. Decreases in the Tenant Rent – are effective the first of the month following the month in which the change is reported.
- b. The change may be implemented based on documentation provided by the family, pending third party written verification.
- c. The change will not be made until the third party verification is received.

3. Procedures when the Changes are not Reported by the Tenant in a Timely Manner

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

- a. If the family does not report the changes as described under Timely Reporting, the family will have caused an unreasonable delay in the interim reexamination processing and the following guidelines will apply:
 - i. Increase in Tenant Rent – will be effective retroactive to the date it would have been effective had it been reported on a timely basis. The family will be liable for any unpaid rent, and may be required to sign a Repayment Agreement or make a lump sum payment.
 - ii. Decrease in Tenant Rent – will be effective on the first of the month following completion of processing by DHA and not retroactively.

4. Procedures when Changes are not Processed by DHA in a Timely Manner

- a. “Processed in a timely manner” means that the change goes into effect on the date it should when the family reports the change in a timely manner. If the changes cannot be made effective on that date, the change is not processed by DHA in a timely manner.
- b. Therefore, an increase will be effective after the required thirty (30) days’ notice prior to the first of the month after completion of processing by DHA.
- c. If the change resulted in a decrease, the overpayment by the family will be calculated retroactively to the date it should have been effective and the family will be credited for the amount.

E. REPORTING OF CHANGES IN FAMILY

All changes in family composition must be reported, in writing, within ten (10) days of the occurrence.

Increases in Family Size

Increases other than by birth, adoption or court awarded custody must have the prior approval of DHA. All additions to the household are subject to DHA’s suitability criteria.

1. If an addition would result in overcrowding to maximum occupancy guidelines:
2. DHA will not approve an addition other than birth, marriage, adoption or court-awarded custody.
3. DHA will consider a unit transfer (if needed under the Occupancy Guidelines) for additions to the family in the following cases:

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

- a. Addition by marriage
 - b. Addition of minor who is a member of the family who had been living elsewhere.
 - c. Addition of a DHA-approved live-in attendant.
 - d. Addition due to birth, adoption or court-awarded custody.
4. Families who need a larger sized unit because of voluntary additions will have lower priority on the Transfer List than other families who are required to change unit size.
 5. If a change due to birth, adoption, court-awarded custody, or need for a live-in attendant requires a larger size unit due to overcrowding, the change in unit size shall be made effective upon availability of an appropriately size unit.

F. CONTINUANCE OF ASSISTANCE FOR "MIXED" FAMILIES

1. Under the Non-Citizens Rule, "Mixed" families are families that include at least one citizen of eligible immigrant status and any number of ineligible members.
2. "Mixed" families who were participants on June 19, 1995, shall continue receiving full assistance if they meet the following criteria:
 - a. The head of household, co-head or spouse is a U.S. citizen or has eligible immigrant status; **AND**
 - b. The family does not include any ineligible immigrants other than the head or spouse, or parents or children of the head, co-head or spouse.
3. Mixed families who qualify for continued assistance after November 29, 1996, may receive prorated assistance only.
4. If they do not qualify for continued assistance, the member(s) that cause the family to be ineligible for continued assistance may move, the family may choose prorated assistance. DHA may no longer offer temporary deferral of Termination (See Chapter on "Lease Terminations").

CHAPTER 12

LEASE TERMINATIONS

INTRODUCTION

DHA may terminate tenancy for a family because of the Resident's, household member's or Resident's Guest action or failure to act in accordance with HUD regulations, the terms of this policy and the terms of the lease. The lease and the Grievance Procedures describe the DHA's policies for notification of lease termination and reasons for termination. The lease and the Grievance Procedures are incorporated by references and attached as Exhibit to this ACOP Plan.

A. TERMINATION BY TENANT

The tenant may terminate the lease by providing DHA with a written thirty (30) day notice of intent to vacate as defined in the lease agreement.

1. Resident can end Resident's Lease at any time by given at least thirty (30) days written notice before Resident moves out. If Resident does not give the full notice, Resident shall be liable for rent to the end of the notice period or to the date the apartment is re-rented, whichever date comes first. DHA may allow Resident to give less than thirty (30) days notice and if DHA does, it will provide Resident with that permission in writing. Resident will sign a form saying that Resident is going to move. DHA will inspect the apartment shortly after Resident moves out and list for the Resident any damage to the apartment that is beyond normal "wear and tear". Resident can be present during the move-out inspection.
2. If Resident does not inform DHA, in writing, that Resident is moving, Resident will be responsible for any damage to the apartment until the time DHA discovers that Resident has moved. DHA will still inspect Resident's apartment after DHA becomes aware of Resident's move, make a list of damages, if any, and send the Resident a bill for damages and other money Resident owes DHA. Resident may attend the move-out inspection if Resident so desires.

 - A. Fourteen (14) days written notice if Resident does not pay Resident's rent when it is due;
 - B. A reasonable period of time, by written notice, for conduct, by any member of the household, that threatens the health or safety of other residents or employees or agents of DHA; or for any drug-related criminal activity or violent criminal activity in or near any DHA premises, or anywhere else, which conduct does not provide a right to a grievance hearing;
 - C. Thirty (30) days written notice for all other causes, including nonpayment of charges other than rent, with the right to a grievance hearing.
4. The Lease Termination and Demand for Premises notice that DHA provides to Resident must state: (i) the date the Lease shall be terminated; (ii) the grounds for termination with enough detail that informs the Resident of the conduct or activity which violated the Lease; (iii) whether the Resident has the right to request for a hearing under DHA's Grievance Procedures; (iv) the right of the Resident to reply to the notice; (v) the right of the Resident to examine and copy (at Resident's own expense) DHA's document directly relevant to the termination or eviction; and (vi) the right to defend the action in court. Any Demand for Premises required by Georgia law may be delivered to the Resident concurrently with the Lease Termination and Demand for Premises notice.
5. DHA will terminate the Lease in accordance with applicable HUD regulations, State and local law, and the terms of the Lease. DHA may terminate the Lease, or refuse to renew the Lease, for serious or repeated violation of material terms of the Lease, such as, but not limited to, the circumstances listed below:
 - a. Failure to pay rent or other charges when due;

In addition, any violation(s) of any of the provisions of subparagraphs within said lease shall be deemed to be a repeated violation of material terms of the Lease.
7. Resident must move out of Resident's apartment if DHA terminates Resident's Lease. If DHA terminates the Resident's Lease and Resident's refuses to leave, DHA may file a dispossessory action in the appropriate court seeking to evict Resident.
8. If DHA is successful in its court action against the Resident, reasonable attorney's fees and costs of suits shall be charged to the resident.

C. LEASE TERMINATION DUE TO DEATH OR INCAPACITY OF RESIDENT

1. Upon the death of the Resident, where the Resident is the sole member of the household or there is no surviving adult member of the household, either DHA or the personal representative of the Resident's estate may terminate this Lease, upon written notice, to be effective on the last day of a calendar month. The Resident's estate shall be liable for the rent to the date the unit is vacated. The termination of a Lease under this Paragraph shall not relieve the Resident's estate from liability either for payment of rent or other amounts owed prior to or during the notice period, or for the payment of amounts necessary to restore the apartment to its condition at the beginning of the Residents occupancy, normal wear and tear expected.
2. If during the term of this Lease, Resident, by reason of physical or mental impairment, is no longer able to comply with the material provisions of this Lease, or requires services beyond the fundamental nature of DHA's public housing program, taking into consideration reasonable accommodations that can be offered by DHA to Resident, and DHA cannot make a reasonable accommodation to enable the Resident to comply with the Lease, or the Resident refuses reasonable accommodations then action shall be taken to terminate the Lease. DHA will use its reasonable efforts to assist the Resident or designated member(s) of Resident's family to move the Resident to more suitable housing. If there are no family members, DHA will work with appropriate agencies to attempt to secure suitable housing. The Lease will terminate upon the date set forth in the termination notice.

or because a “mixed” family chooses not to accept pro-ration of assistance, were eligible for temporary deferral of termination of assistance if necessary to permit the family additional time for transition to affordable housing.

2. Deferrals may have been granted for intervals not to exceed six (6) months, up to an aggregate maximum of:
 - 3 years for deferrals granted prior to 11/29/96, or
 - 18 months for deferrals granted after 11/29/96
3. However, due to the timeframe applicable to the deferral period, current families are no longer eligible for deferral of termination of assistance.
4. Families will be notified in writing at least sixty (60) days in advance of the expiration of the deferral period that termination of assistance will not be deferred because:
 - a) granting another deferral will result in an aggregate deferral period of longer than the statutory maximum (three years for deferrals granted before 11/29/96; 18 months for deferrals granted after 11/29/96), or
 - b) a determination has been made that other affordable housing is available.
5. If DHA determines that a family member has knowingly permitted an ineligible individual to reside in the family’s unit on a permanent basis, the family’s lease will be terminated for a period not less than 24 months.

CHAPTER 13

COMPLAINTS, GRIEVANCES AND APPEALS

INTRODUCTION

The formal hearing requirements defined in HUD regulations are applicable to participating families who disagree with an action, decision, or inaction of DHA. This Chapter describes the policies to be used when families disagree with a DHA decision. It is the policy of the DHA to ensure that all families have the benefit of all protections due to them under the law.

Grievances shall be handled in accordance with DHA's approved Grievance Procedures (see exhibit "C"), as amended from time to time. The written grievance procedure is incorporated into this document by reference and is the guideline to be used for grievances and appeals.

A. COMPLAINTS

DHA will respond promptly to complaints from families. Each complaint regarding physical condition of the units may be reported by phone to the Management Office. Anonymous complaints are checked whenever possible. DHA does require that complaints be put in writing.

1. Complaints from families – If a family disagrees with an action or inaction of DHA,

Complaints from families will be referred to the Property Manager.

2. Complaints from staff – If a staff person reports a family is violating or has violated a lease provision or is not complying with program rules:

Complaints from staff will be referred to the Property Manager.

3. Complaints from the general public – Complaints or referrals from persons in the community in regard to DHA or a family:

4. Complaints from the general public related to the property or its residents will be referred to the Property Manager.

B. APPEALS BY APPLICANTS

1. Applicants who are determined ineligible, who do not meet DHA's admission standards, or where the DHA does not have an appropriate size and type of unit in its inventory will be given written notification promptly, including the reason for determination.
2. Ineligible applicants will be promptly provided with a letter detailing their individual status, stating the reason for their ineligibility, and offering them an opportunity for an informal conference.
3. Applicants must submit their request for an informal conference in writing to DHA within five (5) working days from the date of the notification of their ineligibility.
4. If the applicant requests an informal conference, DHA will provide an informal conference within five (5) working days of receiving the request. DHA will notify the applicant of the place, date and time.
5. An impartial person will conduct informal conferences. The person who is designated to hear the appeal cannot be the person who made the determination of ineligibility or a subordinate of that person.
6. The applicant may bring to the conference any documentation or evidence he/she wishes and the evidence along with the data compiled by DHA will be considered.
7. The person conducting the conference will make a determination based upon the merits of the evidence presented by both sides. Within ten (10) working days of the date of the conference, the person conducting the conference will mail a written decision to the applicant and have placed in the applicant's file a copy of the decision.
8. The grievance procedures for Public Housing tenants do not apply to DHA determinations that affect applicants.

C. APPEALS BY TENANTS

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date: March 1, 2002

ga237cv02

1. Grievances or appeals concerning the obligations of the tenant or DHA under the provisions of the lease shall be processed and resolved in accordance with the Grievance Procedure of DHA, which is in effect at the time such grievance or appeal arises.

D. HEARING AND APPEAL PROVISIONS FOR “RESTRICTIONS ON ASSISTANCE TO NON-CITIZENS”

1. Assistance to the family may not be delayed, denied or terminated on the basis of immigration status at any time prior to the receipt of the decision of the INS appeal.
2. Assistance to a family may not be terminated or denied while DHA hearing is pending but assistance to an applicant may be delayed pending DHA hearing.

INS Determination of Ineligibility

1. If a family member claims to be an eligible immigrant and the INS SAVE system and manual search do not verify the claim, DHA notifies the applicant or participant within ten (10) days of their right to appeal to the INS within thirty (30) days or to request an informal hearing with the DHA either in lieu of or subsequent to the INS appeal.
2. If the family appeals to the INS, they must give DHA a copy of the appeal and proof of mailing or DHA may proceed to deny or terminate. The time period to request an appeal may be extended by DHA for good cause.
3. The request for a DHA hearing must be made within fourteen (14) days of receipt of the notice offering the hearing or, if an appeal was made to the INS, within fourteen (14) days of receipt of that notice.
4. After receipt of a request for an informal hearing, the hearing is conducted as described in the “Grievance Procedures” section of this chapter for both applicants and participants. If the hearing officer decides that the individual is not eligible, and there are no other eligible family members DHA will:
 - a. Deny the applicant family.
 - b. Defer termination if the family is a participant and qualifies for deferral.
 - c. Terminate the participant if the family does not qualify for deferral.
5. If there are eligible members in the family, DHA will offer to prorate assistance or give the family the option to remove the ineligible members.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

- b. Participants whose termination is carried out after temporary deferral may not request a hearing since they had an opportunity for a hearing prior to termination. Participants whose assistance is prorated (either based on their statement that some members are ineligible or due to failure to verify eligible immigration status for some members after exercising their appeal and hearing rights described above) are entitled to a hearing based on the right to a hearing regarding determinations of Tenant Rent and Total Tenant Payment.

- c. Families denied or terminated for fraud in connection with the non-citizens rule are entitled to a review or hearing, in the same way as terminations for any other type of fraud.

FAMILY DEBTS TO THE DHA

INTRODUCTION

This chapter describes DHA's policies for the recovery of monies which, have been underpaid by families. It describes the methods that will be utilized for collection of monies and the guidelines for different types of debts. It is DHA's policy to meet the informational needs of families, and to communicate the program rules in order to avoid family debts. Before a debt is assessed against a family, the file must contain documentation to support DHA's claim that the debt is owed. The file must further contain written documentation of the method of calculation, in a clear format for review by the family or other interested parties. The Executive Director or his/her designee may make exceptions to this policy in serving the best interest of DHA.

CHAPTER 16

PROGRAM INTEGRITY ADDENDUM

INTRODUCTION

The U.S. Department of Housing and Urban Development conservatively estimates that two hundred million (\$200,000,000) dollars is paid annually to program participants who falsify or omit material facts in order to gain more rental subsidy than they are entitled to under the law. HUD further estimates that twelve percent (12%) of all HUD-assisted families are either totally ineligible, or are receiving benefits that exceed their legal entitlement. DHA is committed to assure that the proper level of benefits is paid to all residents, and that housing resources reach only income-eligible families so that the program integrity can be maintained.

DHA will take all steps necessary to prevent fraud, waste, and mismanagement so that program Resources are utilized judiciously.

This chapter outlines DHA's policies for the prevention, detection and investigation of program abuse and resident fraud.

A. FRAUD

The **Official Code of Georgia Annotated Section 16-9-55**, currently provides that:

“Any person obtains or attempts to obtain or who establishes or attempts to establish eligibility for, and any person who knowingly or intentionally aids or abets such person in obtaining or attempting to obtain or in establishing or attempting to establish eligibility for any Public Housing or a reduction in Public housing rental charges or any rent subsidy or payment from a tenant in connection with Public Housing to which such person would not otherwise be entitled, by means of a false statement, failure to disclose information, impersonation, or other fraudulent scheme or device shall be guilty of a misdemeanor.”

All applications and Applicants for Continued Occupancy for lower income Public Housing used by the DHA will contain a warning that falsification is against the law.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Poster notices will also be displayed in the Offices of DHA. All such notices will describe the maximum penalty for a misdemeanor in and /or fine of one thousand dollars \$1,000.00. In addition, the warning will be read and explained to applicants and residents undergoing annual, special and interim reexamination.

DHA consider the misrepresentation of income and family circumstances to be serious lease and policy violation, as well as a crime and will take appropriate action if apparent fraud is discovered. Specifically:

1. An applicant family who has misrepresented income or family circumstances maybe declared ineligible for housing assistance;
2. If any examination of the resident's file discloses that the resident made any misrepresentation (at the time of admission or any previous reexamination date). Which resulted in his/her being classified as eligible when in fact he/she was ineligible, the Resident maybe required to vacate the apartment even though he/she may be currently eligible;
3. A resident family who has made misrepresentation of income or family circumstances is subject to both eviction and being declared ineligible for future housing assistance;
4. If it is found that the Resident misrepresentations result in his/her paying a lower Tenant Rent than he/she should have paid, he/she will be required to pay the difference between rent owed and the amount that should have been paid. This amount shall be paid whether or not the resident remains in occupancy. But failure to pay under the terms establish by DHA shall always result in immediate termination of the Lease. DHA reserves the right to demand full payment within seven (7) days;
5. The DHA shall report apparent cases of Tenant or Applicant fraud to the appropriate government agency. It shall be the policy of DHA to press state and Federal authorities for prosecution of cases which, in the DHA's judgment, appear to constitute willful and deliberate misrepresentation;

B. INVESTIGATION OF SUSPECTED ABUSE AND FRAUD

Under no circumstances will DHA undertake an inquiry or an audit of a resident family arbitrarily. DHA's expectation is that resident families will comply with HUD requirements. provisions of the lease and other program rules. DHA staff will make every effort (formally and informally) to orient and educate all families in order to avoid unintentional violations. However, DHA has responsibility to HUD, to the community, and to eligible families in need of housing assistance, to monitor residents' lease

obligation for compliance and, when indicators of possible abuse come to DHA's attention, to investigate such claims.

DHA will initiate an investigation of a resident family in the event, including but not limited to, one or more of the following circumstances:

1. Referrals, Complaint, or Tips: DHA will follow up on referrals from other agencies, companies or person which are received by mail, by telephone or in person, which allege that a resident is in non-compliance with, or otherwise violating the lease or the program rules. Such follow-up will be made providing that the referral contains at least one item of information that is independently verifiable. A copy of the allegation will be retained in the resident file.
2. Internal File review: A follow-up will be made if DHA staff discovers (as a function of a re- certification, an interim redetermination or a quality control view), information or facts which conflict with previous file data, DHA's knowledge of the family, or statement made by the family.
3. Verification or Documentation: A follow-up will be made if DHA receives independent verification or documentation which conflicts with representation in the residents file (such as public record information or credit bureau report, reports from other agencies)

C. STEPS TAKEN TO PREVENT PROGRAM ABUSE AND FRAUD

The Management and Occupancy staff will utilize various method and practices (listed below) to prevent program abuse. At the conclusion of all programs Orientation Sessions, the family representative will be required to sign a Program Briefing Certificate" to confirm that all rules and pertinent regulation were explain to them.

Assistant will not follow up on allegations, which are vague or otherwise non-specific. Only allegations, which contain one or more independently verifiable facts, will be reviewed

 - b. It will then be determined if DHA is the most appropriate authority to do a follow-up (more so than police or social services). Any file documentation of past behavior as well as corroborating complaints will be evaluated.
2. Conclusion of Preliminary Review: If at the conclusion of the preliminary file review there is/are fact(s) contained in the allegation which conflict with file data, and the fact(s) are independently verifiable, the Administrative Assistant will initiate an investigation to determine if the allegation(s) is/are true or false.

Each Resident will be allowed the option of choosing an affordable rent by selecting one of the two methods (Income-based or Flat Rent) by which the Housing Authority will determine and calculate their rent. The Income-based Rent is the rental amount based on the household income and other information reported to the housing authority by the resident.

The selection is the resident's option and will be made at the time the resident initially leases with the housing authority or at his/her annual re-certification and corresponding lease renewal. A resident that chooses the flat rent may change the basis on which the rent is calculated at any re-examination and once during any twelve-month period.

Families who opt for a Flat Rent may request to have a re-examination and return to the formula-based method at any time.

The Housing Authority's programs will use a drug and drug-related crime elimination approach that consists of prevention, intervention, resident programming, community policing and management practices throughout the Dekalb Housing Authority's public housing complexes to reduce and eliminate crime in our community. A few examples of the Prevention Activities are the STAR Program (Successfully Teaching Academic Readiness) that includes daily after-school tutoring activities for the public housing youth, assistance with homework, computer based academic mentoring to help children either catch up with their schoolwork and to teach them new computer skills. In addition, our staff provides for the children in our community the opportunity to enroll in Youth Organizations such as the Boy Scouts, Girl Scouts, 4-H and Teens in Action along with other Educational Programs that teach community responsibility and personal empowerment that appear to help children in the fight to refrain from involvement in illegal activities that are often drug related. The Housing Authority's Program and Plan have successfully met the challenge of drug related crime reduction over the past 10 years and with continued funds we can continue to keep the level of drug related crime lower than before the outset of PHDEP.

Section 2: PHDEP Plan Goals and Budget

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

Our Comprehensive Drug Elimination strategy incorporates enforcement and security techniques, a combination of drug abuse prevention, intervention, referral programs, management practices and program evaluation. The Drug Education Programs and Policing activities will reach and/or assist approximately 1,065 residents of whom 25% are disabled, 33% are elderly and 42% are part of a family unit, 54% are single head of household and 31% are the associated youth. The Housing Authority and the Resident Services staff will continue to provide drug prevention and drug intervention programs collaboratively with other community and health agencies, the local school system, recreation departments and human service agencies to promote academic, social, physical, career and environmental awareness in the community and to effectively provide police presence. We will also provide assistance to residents of all demographic groups including children, young adults, parents, families, senior citizens and the physically challenged. The Dekalb Housing Authority will contract with the Dekalb Police Department for the services of four police officers for additional security and protection that is needed in our public housing developments to help curtail drugs and drug-related crime. The officers will be responsible for on-site law enforcement and will collect data on crime activities as well as promoting other aspects of the Housing Authority's Drug Elimination Program through community outreach efforts. A full range of educational programs, cultural and social activities, athletics, summer programs/camp, family support services, skill development, and economic empowerment activities will be offered year-round, but will vary due to school schedules, etc. Attendance records and participation records are maintained on a monthly basis as well as a Monthly Report detailing the progress of each of the 121 drug prevention/crime reduction and/or self-sufficiency programs provided.

HOUSING AUTHORITY OF THE COUNTY OF DEKALB, GEORGIA

Component 3, (6) Deconcentration and Income Mixing

- a. Yes No: Does the PHA have any general occupancy (family) public housing developments covered by the deconcentration rule? If no, this section is complete. If yes, continue to the next question.
- b. Yes No: Do any of these covered developments have average incomes above or below 85% to 115% of the average incomes of all such developments? If no, this section is complete.

If yes, list these developments as follows:

Deconcentration Policy for Covered Developments			
Development Name:	Number of Units	Explanation (if any) [see step 4 at §903.2(c)(1)(iv)]	Deconcentration policy (if no explanation) [see step 5 at §903.2(c)(1)(v)]

The Dekalb Housing Authority has high expectations aim to significantly reduce any persistent levels of racial segregation and poverty concentration to make the communities not segregated by factors of income and race. The Housing Authority will focus on specific income mixing and fair housing obligations. We are committed to meeting the critical housing needs of the residents of the County of Dekalb and their families to expand opportunities through housing assistance. To encourage income mixing the housing authority has created flat rents. The Housing Authority will work hard to bring higher income residents into any relatively lower income communities/buildings and lower income tenants into relatively higher income sites/communities. The Dekalb Housing Authority will study classified buildings and prospective residents according to their income levels and then make lease-up decisions that would gradually improve the income mixing under public housing agency management.

CHAPTER 1

1.0 STATEMENT OF POLICIES AND OBJECTIVES

1.1 INTRODUCTION

The Section 8 Program, part of the Housing and Community Development Act of 1974, recodified the U.S. Housing Act of 1937. The U. S. Housing Act of 1937 has been amended many times since its inception. Requirements, as they apply to the Section 8 Certificate and Voucher Programs, are described in and implemented through the Housing Authority of the City of Decatur and/or the Housing Authority of the County of DeKalb, Georgia's **(Hereinafter referred to as Authority, Authorities, Housing Authority, Housing Authorities or DDHA)** Administrative Plan.

Administration of the Section 8 Housing Programs shall be in compliance with the Housing Authorities' Personnel Policy and the U.S. Department of Housing and Urban Development's (HUD) Section 8 Regulations, as well as, all Federal, State and local Fair Housing Laws and Regulations.

1.2 JURISDICTION

The jurisdiction of the Decatur Housing Authority is the City of Decatur and the jurisdiction of the DeKalb Housing Authority is the County of DeKalb, Georgia, excluding the City of Atlanta in DeKalb County, The City of Decatur, the City of Lithonia (except where specifically authorized), and any other municipalities that might be legally excluded.

1.3 MISSION STATEMENT

To serve the City of Decatur, County of DeKalb and their citizens by focusing on affordable housing and related economic development, employing creative endeavors and practicing sound financial management. In addition, to provide affordable housing that is safe and decent for eligible residents and to serve all customers with professional courtesy and respect.

-
-

1.4 OBJECTIVES

The objective of the Housing Authorities is to provide housing opportunities to our eligible citizens through the Section 8 Housing Programs. The Housing Authorities' Section 8 Housing Programs are designed to achieve the following major goals:

- To provide decent, safe, and sanitary housing for eligible families with rent payments at an affordable level.
- To promote freedom of housing choice for eligible families of all races and ethnic backgrounds.
- To encourage participation of private property owners to rent to Section 8 participants by providing a program that operates efficiently and effectively, including offering timely assistance payments and minimal paperwork requirements.
- To promote Family Self-Sufficiency (FSS).
- To administer a high-performing Section 8 program to all those participating families that will provide them with a positive experience.
- Provide greater housing opportunities through the Section 8 Homeownership program.
- To promote a market-driven housing program that will help qualified low-income families be successful in obtaining affordable housing and increase the supply of housing choices for such families.

1.5 PURPOSE OF THE PLAN

The Housing Authorities are jointly establishing policies for administering the Section 8 Program in a manner consistent with HUD requirements and objectives. This Administrative Plan covers both admissions to and continued participation in the Section 8 Program. Policies are the same for both Housing Authorities unless otherwise noted.

The Housing Authorities are responsible for complying with and incorporating into its Administrative Plan all changes in HUD regulations pertaining to the Section 8 Program. If changes conflict with this Plan, HUD regulations will have precedence. The original Plan and any changes must be approved by the Boards of Commissioners of each Authority and a copy provided to HUD.

This administrative plan is a supporting document to DDHA's Agency plan and is available for public review during normal business hours as required by CFR 24 Part 903.

Applicable regulations include:

24 CFR Part 5: General Program Requirements
24 CFR Part 8: Nondiscrimination

24 CFR Part 982: Section 8 Tenant-Based Assistance: Housing Choice Voucher Program

Local rules that are made part of this plan are intended to promote local housing objectives consistent with the intent of the federal housing legislation.

1.6 ADMINISTRATIVE FEE RESERVE

The expenditure of funds from the administrative fee reserve will be made in accordance with the policies of the Housing Authorities' Board of Commissioners.

1.7 RULES AND REGULATIONS

This Administrative Plan is designed to define the Authorities' local policies for operation of the Section 8 Program in the context of Federal Laws and Regulations. All issues related to Section 8 not addressed in this document are governed by such Federal regulations, HUD Memos, Notices and guidelines, other applicable law, or HA policies and procedures. The policies in this administrative plan have been designed to ensure compliance with the consolidated ACC and all HUD-approved applications for program funding.

1.8 TERMINOLOGY

The Housing Authority of Decatur/DeKalb County is also referred to as "PHA" or "Housing Authority" throughout this document.

"Family" is used interchangeably with "Applicant" or "Participant" and can refer to a single person family.

"Tenant" is used to refer to participants in terms of their relation to landlords.

"Landlord" and "owner" are used interchangeably.

"Disability" is used where "handicap" was formerly used.

"Non-citizens Rule" refers to the regulation effective June 19, 1995 restricting assistance to U.S. citizens and eligible immigrants.

The Housing Choice Voucher Program refers to the merged program effective as of 10/1/99.

"HQS" means the Housing Quality Standards required by regulations as enhanced by the PHA.

"Failure to Provide" refers to all requirements in the first Family Obligation. See "Denial or Termination of Assistance" chapter. See Glossary for other terminology.

1.9 FAIR HOUSING POLICY

It is the policy of the Housing Authorities to comply fully with all Federal, State and local nondiscrimination laws and with the rules and regulations governing Fair Housing and Equal Opportunity in housing and employment.

The Housing Authorities shall not deny any family or individual the opportunity to apply for or receive assistance under the Section 8 Programs on the basis of race, color, sex, religion, creed, national or ethnic origin, age, familial status, disability, handicap or sexual orientation.

To further its commitment to full compliance with applicable Civil Rights Laws, the Housing Authorities will provide Federal/State/local information to Voucher holders regarding "discrimination" and any recourse available to them if they are victims of discrimination. Such information will be made available during the family briefing session, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made a part of the Voucher holder's briefing packet.

Except as otherwise provided in 24 CFR 8.21(c)(1), 8.24(a), 8.25, and 8.31, no individual with disabilities shall be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination because the Housing Authorities' facilities are inaccessible to or unusable by persons with disabilities.

The Housing Authorities are accessible to persons with disabilities. Accessibility for the hearing impaired is provided by the following TTD/TDY telephone number 404-377-0489.

1.10 REASONABLE ACCOMMODATIONS POLICY

It is the policy of DDHA to comply fully with all Federal, State and local nondiscrimination laws and with the rules and regulations governing Fair Housing and Equal Opportunity in housing and employment. DDHA strives to be service-directed in the administration of our housing programs, and to exercise and demonstrate a high level of professionalism while providing housing services to families.

A participant with a disability must first ask for a specific change to a policy or practice as an accommodation of their disability before DDHA will treat a person differently than anyone else.

DDHA's policies and practices will be designed to provide assurances that persons with disabilities will be given reasonable accommodations, upon request, so that they may fully access and utilize the housing program and related services. The availability of requesting an accommodation will be made known by including notices on DDHA forms and letters.

This policy is intended to afford persons with disabilities an equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as those who do not have disabilities and is applicable to all situations described in this Administrative Plan including when a family initiates contact with DDHA, when DDHA initiates contact with a family including when a family applies, and when DDHA schedules or reschedules appointments of any kind.

To be eligible to request a reasonable accommodation, the requester must first certify (if apparent) or verify (if not apparent) that they are a person with a disability under the following ADA definition:

I. A physical or mental impairment that substantially limits one or more of the major life activities of an individual;

II. A record of such impairment; or

III. Being regarded as having such an impairment

Note: This is not the same as the HUD definition used for purposes of determining allowances.

Rehabilitated former drug users and alcoholics are covered under the ADA. However, a current drug user is not covered. In accordance with 5.403, individuals are not considered disabled for eligibility purposes solely on the basis of any drug or alcohol dependence. Individuals whose drug or alcohol addiction is a material factor to their disability are excluded from the definition. Individuals are considered disabled if disabling mental and physical limitations would persist if drug or alcohol abuse discontinued.

Once the person's status as a qualified person with a disability is confirmed, DDHA will require that a professional third party competent to make the assessment, provides written verification that the person needs the specific accommodation due to their disability and the change is required for them to have equal access to the housing program.

If DDHA finds that the requested accommodation creates an undue administrative or financial burden, DDHA will deny the request and/or present an alternate accommodation that will still meet the need of the person.

An undue administrative burden is one that requires a fundamental alteration of the essential functions of DDHA (i.e., waiving a family obligation).

An undue financial burden is one that when considering the available resources of the agency as a whole, the requested accommodation would pose a severe financial hardship on DDHA.

DDHA will provide a written decision to the person requesting the accommodation within a reasonable time period. If a person is denied the accommodation or feels that the alternative suggestions are inadequate, they may request an informal hearing to review DDHA's decision.

Reasonable accommodation will be made for persons with a disability that requires an advocate or accessible offices. A designee will be allowed to provide some information, but only with the permission of the person with the disability.

All DDHA mailings will be made available in an accessible format upon request, as a reasonable accommodation.

1.11 Verification of Disability

DDHA will verify disabilities under definitions in the Fair Housing Amendments Act of 1988, Section 504 of the 1973 Rehabilitation Act, and Americans with Disabilities Act.

1.12 Applying for Admission Under reasonable accommodation

All persons who wish to apply for any of DDHA's programs must submit a pre-application in written format as indicated in our public notice. Applications will be made available in an accessible format upon request from a person with a disability. To provide specific accommodation to persons with disabilities, upon request, the information may be mailed to the applicant and, if requested, it will be mailed in an accessible format.

The full application is completed at the eligibility appointment in the applicant's own handwriting, unless assistance is needed, or a request for accommodation is requested by a person with a disability. Applicants will then be interviewed by DDHA staff to review the information on the full application form.

Verification of disability as it relates to 504, Fair Housing, or ADA reasonable accommodation will be requested at this time. The full application will also include questions asking all applications whether reasonable accommodations are necessary

-

1.13 TRANSLATION OF DOCUMENTS

In determining whether it is feasible to provide translation of documents written in English into other languages, DDHA will consider the following factors:

- Number of applicants and participants in the jurisdiction who do not speak English and speak the other language.
- Estimated cost to PHA per client of translation of English written documents into the other language.
- The availability of local organizations to provide translation services to non English speaking families.
- Availability of bi-lingual staff to provide translation for non-English speaking families.

1.14 MANAGEMENT ASSESSMENT OBJECTIVES

DDHA operates its housing assistance program with efficiency and can demonstrate to HUD auditors that DDHA is using its resources in a manner that reflects its commitment to quality and service. DDHA policies and practices are consistent with the areas of measurement for the following HUD SEMAP indicators.

- 1) Selection from the Waiting List
- 2) Reasonable Rent

- 3) Determination of Adjusted Income
- 4) Utility Allowance Schedule
- 5) HQS Quality Control Inspections
- 6) HQS Enforcement
- 7) Expanding Housing Opportunities
- 8) Payment Standards
- 9) Annual Re-examinations
- 10) Correct Tenant Rent Calculations
- 11) Pre-Contract HQS Inspections
- 12) Annual HQS Inspections
- 13) Lease-up
- 14) Family Self-Sufficiency Enrollment and Escrow Account Balances
- 15) Bonus Indicator Deconcentration

Supervisory quality control reviews will be performed by a DDHA Supervisor or other qualified person other than the person who performed the work, as required by HUD, on the following SEMAP factors:

- 1) Selection from the waiting list
- 2) Rent reasonableness
- 3) Determination of adjusted income
- 4) HQS Enforcement
- 5) HQS Quality Control

The annual sample of files and records will be drawn in an unbiased manner, leaving a clear audit trail. The minimum sample size to be reviewed will relate directly to each factor.

1.15 RECORDS FOR MONITORING PROGRAM PERFORMANCE

In order to demonstrate compliance with HUD and other pertinent regulations, DDHA will maintain records, reports and other documentation for a time that is in accordance with HUD requirements and in a manner that will allow an auditor, housing professional or other interested party to follow, monitor and or assess DDHA's operational procedures objectively and with accuracy and in accordance with SEMAP requirements with internal supervisory audits.

SEMAP supporting documentation, records and reports will be maintained for the purpose of:

- Demonstrating that families were selected from the waiting list in accordance with the Administrative Plan policies and met the correct selection criteria.
- Determining that tenant files indicate that DDHA approved reasonable rents to owners at the time of initial lease-up and before any increase in rent.
- Monitoring DDHA practices for obtaining income information, proper calculation of allowances and deductions, and utility allowances used to determine adjusted income for families.
- Demonstrating that DDHA have analyzed utility rates locally to determine if there has been a change of **10%** or more since the last time the utility schedule was revised.

- Determining that during the fiscal year DDHA perform supervisory HQS quality control inspections for at least **5%** of all units under contract.
- Determining that a review of selected files indicate that for at least **98%** of failed inspections, DDHA ensure timely correction of HQS deficiencies or abates Housing Assistance Payments HAPs or takes vigorous action to enforce family obligations
- Demonstrating that DDHA provide families and owners information, which actively promotes the deconcentration of assisted families in low-income neighborhoods.
- Demonstrating that the Voucher payment standards are not less than **90%** of the current FMR/exception rent limit unless otherwise approved by HUD.
- Demonstrating that all annual re-exams are processed on time.
- Demonstrating that less than **2%** of all tenant files have rent calculation discrepancies.
- Demonstrating that (**100%**) of newly leased units passed HQS inspections before HAP contract date.
- Demonstrating that DDHA lease (**95-100%**) of budgeted units during the fiscal year.
- Determining that DDHA have filled of its FSS slots.

1.16 PRIVACY RIGHTS

Applicants and participants, including all adults in their households, are required to sign the HUD 9886 Authorization for Release of Information. This document incorporates the Federal Privacy Act Statement and describes the conditions under which HUD/DDHA will release family information. DDHA's policy regarding release of information is in accordance with State and local laws which may restrict the release of family information.

In accordance with HUD/DDHA requirements, DDHA will furnish prospective owners, if requested, with the family's current address as shown in the Authorities' records and, if known to DDHA, the name and address of the landlord at the family's current or prior address.

A statement of DDHA' policy pertaining to release of information will be included in the briefing packet provided to the family.

DDHA's practices and procedures are designed to safeguard the privacy of applicants and program participants. All applicant and participant files will be stored in an area that is accessible by authorized staff only.

DDHA staff will not discuss family information contained in files unless there is a business reason to do so. Inappropriate discussion of family information, or improper disclosure of family information by staff will result in disciplinary action.

The staff person utilizing a file is responsible for its security until returned to the storage area.

1.17 FAMILY OUTREACH

DDHA will publicize and disseminate information to the public to make known the availability of housing assistance and related services for eligible families on a regular basis. When DDHA's waiting list is open, DDHA will publicize the availability and nature of housing assistance for eligible families in a newspaper of general circulation, minority media, and by other suitable means.

To reach persons who cannot read the newspapers, DDHA will distribute information community service agencies and personnel. DDHA will also utilize public service announcements.

The PHA will communicate the status of housing availability to other service providers in the community, and advise them of housing eligibility factors and guidelines in order that they can make proper referrals for housing assistance.

1.18 OWNER OUTREACH

DDHA makes a concerted effort to keep private owners informed of legislative changes in the tenant-based program, which are designed to make the program more attractive to owners. This includes informing participant owners of applicable legislative changes in program requirements.

DDHA encourages owners of decent, safe and sanitary housing units to lease to Section 8 families. DDHA encourages participation by owners of suitable units located outside areas of low poverty or minority concentration.

DDHA conducts regular scheduled briefings/meetings with participating owners to improve owner relations and to recruit new owners.

DDHA will maintain lists of available housing submitted by owners in all neighborhoods within DDHA's jurisdiction to ensure greater mobility and housing choice to program participants with active vouchers. The lists of owners and units will be provided at the front desk and provided at briefings. DDHA staff initiates personal contact with private property owners and managers by conducting formal and informal discussions and meetings.

Printed material is offered to acquaint owners and managers with the opportunities available under the program.

DDHA will actively recruit property owners with property located outside areas of minority and poverty concentration and apply for exception payment standards if DDHA determines it is necessary to make the program more accessible in DDHA's jurisdiction .

DDHA encourages program participation by owners of units located outside areas of poverty or minority concentration. DDHA periodically evaluates the demographic distribution of assisted families to identify areas within the jurisdiction where owner outreach should be targeted.

The purpose of these activities is to provide more choice and better housing opportunities to families. Voucher holders are informed of a broad range of areas where they may lease units inside DDHA's jurisdiction and given a list of landlords or other parties who are willing to lease units or help families who desire to live outside areas of poverty or minority concentration.

DDHA shall periodically:

1. Request the HUD Field Office to furnish a list of HUD-held properties available for rent.

2. Develop working relationships with owners and real estate broker associations.
3. Establish contact with civic, charitable or neighborhood organizations which have an interest in housing for low-income families and public agencies concerned with obtaining housing for displacements.
4. Explain the program, including equal opportunity requirements and nondiscrimination requirements, including Fair Housing Amendments Act of 1988 and Americans with Disabilities Act, to real estate agents, landlords, and other groups that have dealings with low-income families or are interested in housing such families.

Chapter 2

2.0 ELIGIBILITY FOR ADMISSION

2.1 INTRODUCTION

This Chapter defines both HUD and Decatur/DeKalb Housing Authority's (DDHA) criteria for admission and denial of admission to the program. The policy of DDHA is to strive for objectivity and consistency in applying these criteria to evaluate the eligibility of families who apply. DDHA staff will review all information provided by the family carefully and without regard to factors other than those defined in this Chapter. Families will be provided the opportunity to explain their circumstances, to furnish additional information, if needed, and to receive an explanation of the basis for any decision made by DDHA pertaining to their eligibility.

2.2 ELIGIBILITY FACTORS

DDHA accepts applications only from families whose head or spouse is at least 18 years of age or emancipated minors under State law.

To be eligible for participation, an applicant must meet HUD's criteria, as well as any permissible additional criteria established by DDHA.

The HUD eligibility criteria are:

- **An applicant must be a “family”**

➤ **An applicant must be within the appropriate Income Limits**

- An applicant must furnish Social Security Numbers for all family members age six and older
- An applicant must furnish declaration of Citizenship or Eligible Immigrant Status and verification when required
- At least one member of the applicant family must be either a U.S. citizen or have eligible immigration status before DDHA may provide any rental assistance.
- An applicant must sign consent authorization documents

Reasons for denial of admission are addressed in the "Denial or Termination of Assistance" chapter. These reasons for denial constitute additional admission criteria.

The Family's initial eligibility for placement on the waiting list will be made in accordance with the eligibility factors.

Evidence of Citizenship/Eligible Immigrant Status will not be verified until the family is selected from the waiting list for final eligibility processing for issuance of a Voucher.

2.3 FAMILY COMPOSITION

An applicant must qualify as a "family. A family may be a single person or group of persons. A "family" includes a family with or without a child or children. A group of persons consisting of two or more elderly persons or disabled persons living together, or one or more elderly or disabled persons living with one or more live-in aides is a family. DDHA determines if any other group of persons qualifies as a "family".

DDHA defines any other group of persons who qualifies as a "family" as a group of people related by blood, marriage or adoption that lives together in a stable family relationship.

A. A Single Person Family May Be:

An **elderly person**, which is:

- a. A family whose head, spouse, or sole member is a person who is at least 62 years of age;
- b. Two or more persons who are at least 62 years of age living together; or
- c. One or more persons who are at least 62 years of age living with one or more live-in aides.

A **near-elderly person**, which is:

- a. A family whose head, spouse, or sole member is a person who is at least 50 years of age but below the age of 62;
- b. Two or more persons who are at least 50 years of age but below the age of 62 living together; or
- b. One or more persons who are at least 50 years of age but below the age of 62 living with one or more live-in aides.

A **displaced person is,**

a family in which each member, or whose sole member, has been displaced by governmental action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.

A remaining member of a tenant family authorized to be on the lease is also considered displaced.

A **person with a disability**, which is:

- a. A family whose head, spouse, or sole member is a person with disabilities;
 - b. Two or more persons with disabilities living together; or
 - c. One or more persons with disabilities living with one or more live-in aides.
- Individuals may not be considered disabled for eligibility purposes solely on the basis of any drug or alcohol dependence.
 - Any other single person

I. Children temporarily absent from the home due to placement in foster care are considered family members. This provision only pertains to the foster child's temporary absence from the home, and is not intended to artificially enlarge the space available for other family members.

II. Unborn children and children in the process of being adopted are considered family members for purposes of determining bedroom size, but are not considered family members for determining income limit.

2.4 Head of Household

The head of household is the **adult** member of the household who is 18 years of age or older, and is designated by the family as head, is wholly or partly responsible for paying the rent, and has the legal capacity to enter into a lease under State/local law. Emancipated minors who qualify under State law will be recognized as head of household.

2.5 Spouse of Head

Spouse means the husband or wife of the head.

For proper application of the Non-citizens Rule, the definition of spouse is the marriage partner whom, in order to dissolve the relationship, and would have to be divorced. It includes the partner in a common law marriage. The term "spouse" does not apply to boyfriends, girlfriends, significant others, or co-heads.

Common-law marriages/relationships are no longer recognized in the state of Georgia effective January 1, 1997. If the common-law relationship existed prior to January 1, 1997, the relationship can be considered in determining a family's eligibility for assistance.

2.6 Co-Head

An individual in the household who is equally responsible for the lease with the Head of Household. A family may have a spouse or co-head, but not both. A co-head never qualifies as a dependent.

2.7 Live-in Attendants

A Family may include a live-in aide provided that such live-in aide:

1. Is determined by DDHA to be essential to the care and well being of an elderly person, a near-elderly person (50-61), or a person with disabilities,
2. Is not obligated for the support of the person(s), and
3. Would not be living in the unit except to provide care for the person(s).

A live-in aide is treated differently than family members:

1. Income of the live-in aide will not be counted for purposes of determining eligibility or level of benefits.
2. Live-in aides are not subject to Non-Citizen Rule requirements.
3. Live-in aides may not be considered as a remaining member of the tenant family.
4. Relatives are not automatically excluded from being live-in aides, but they must meet all of the elements in the live-in aide definition described above.

A Live in Aide may only reside in the unit with the approval of DDHA. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or caseworker. The verification provider must certify that a live-in aide is needed for the care of the family member who is elderly, near elderly (50-61) or disabled. Verification must include the hours the care will be provided.

DDHA will apply the same standards of verification that is applied to applicants for admission into the Section 8 programs.

DDHA will approve a live-in aide if needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability. Approval of a live-in aide for reasonable accommodation will be in accordance with CFR 24 Part 8 and the reasonable accommodation section in Chapter 1 of this administrative plan.

DDHA will refuse to approve a particular person as a live-in aide or may withdraw such approval if:

I. The person commits fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program;

II. The person commits drug-related criminal activity or violent criminal activity; or

III. The person currently owes rent or other amounts to DDHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

2.8 Split Households Prior to Voucher Issuance

When a family on the waiting list splits into two otherwise eligible families due to divorce or legal separation, and the new families both claim the same placement on the waiting list, and there is no court determination, the PHA will make the decision taking into consideration the following factors:

- A. Which family member applied as head of household.
- B. Which family member has legal custody the children or any disabled or elderly members.
- C. The circumstances that existed when separated
- D. Restrictions that were in place at the time the family applied.
- E. Role of domestic violence in the split.
- F. Information and/or recommendations of social service agencies or qualified professionals such as children's welfare agency that has knowledge of the situation.
- G. Documentation of these factors is the responsibility of the applicant families. If either or both of the families do not provide the documentation, they may be denied placement on the waiting list for failure to supply information requested by DDHA.
- H. In cases where domestic violence played a role, the standard used for verification will be the same, as that required for the "domestic violence" preference.
- I. DDHA will require evidence that the family has been displaced as a result of fleeing violence in the home. Families are also eligible for this preference if there is proof that the family is currently living in a situation where they are being subjected to or victimized by violence in the home (See "Establishing Preferences and Maintaining the Waiting List" chapter).

2.9 Multiple Families in the Same Household

When families apply which consist of two families living together, (such as a mother and father, and a daughter with her own husband or children), if they apply as a family unit, they will be treated as a family unit.

2.10 Joint Custody of Children

Children who are subject to a joint custody agreement but live with one parent at least 51% of the time will be considered members of the household. "51% of the time" is defined as 183 days of the year, which do not have to run consecutively.

There will be a self-certification required of families who claim joint custody or temporary guardianship.

When both parents are on the Waiting List and both are trying to claim the child, the parent whose address is listed in the school records will be allowed to claim the school-age child as a dependent.

2.11 INCOME LIMITATIONS

To be eligible for assistance, an applicant family must have an annual income at the time of admission that does not exceed the income limits for occupancy for a family of that size as established by HUD. The family must qualify under one or more of the following criteria:

An extremely low income or a very low-income family;

I. To be income eligible the family may be under the low-income limit in any of the following categories:

A. A very low-income family.

B. A low-income family that is continuously assisted under the 1937 Housing Act. An applicant is continuously assisted if the family has received assistance under any 1937 Housing Act program within **120** days of voucher issuance. Programs include any housing federally assisted under the 1937 Housing Act.

C. A low-income family that meets additional eligibility criteria specified by DDHA.

D. A low-income family physically displaced by rental rehabilitation activity under 24 CFR part 511.

E. A low-income non-purchasing family residing in a HOPE 1 or HOPE 2 project.

F. A low-income non-purchasing family residing in a project subject to a home-ownership program under 24 CFR 248.173.

G. A low-income family or moderate income family that is displaced as a result of the prepayment of a mortgage or voluntary termination of a mortgage insurance contract under 24 CFR 248.165.

H. A low-income family that qualifies for Voucher assistance as a non-purchasing family residing in a project subject to a resident home ownership program.

In accordance with DDHA Annual Plan, DDHA's criteria for admitting Low Income families, in addition to those required under the regulations and identified above, is to admit families who:

I. Are pursuing their education

II. Are participating in an economic self-sufficiency program

III. Are working full time (part-time)

Families whose Annual Income exceeds the income limit will be denied admission and offered an informal review. Income limits apply only at admission and are not applicable for continued occupancy.

2.12 Multijurisdictional PHAs:

The applicable income limit used for initial issuance of a voucher is the highest income limit within DDHA's jurisdiction.

Portability: For initial lease-up at admission, families who exercise portability must be within the applicable income limit for the jurisdiction of the receiving PHA in which they want to live.

2.13 MANDATORY SOCIAL SECURITY NUMBERS

Families are required to provide verification of Social Security Numbers for all family members age 6 and older prior to admission, if the Social Security Administration has issued them a number. This requirement also applies to persons joining the family after admission to the program.

Failure to furnish verification of social security numbers is grounds for denial or termination of assistance.

Persons who have not been issued a Social Security Number must sign a certification that they have never been issued a Social Security Number.

Persons who disclose their Social Security Number but cannot provide verification must sign a certification and provide verification within 60 days. Elderly persons must provide verification within 120 days.

2.14 CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS

In order to receive assistance, a family member must be a U.S. citizen or eligible immigrant.

Individuals, who are neither, may elect not to contend their status. Eligible immigrants are persons who are in one of the immigrant categories as specified by HUD.

For the Citizenship/Eligible Immigration requirement, the status of each member of the family is considered individually before the family's status is defined.

Mixed Families. A family is eligible for assistance as long as at least one member is a citizen or eligible immigrant. Families that include eligible and ineligible individuals are called "mixed." Such applicant families will be given notice that their assistance will be pro-rated and that they may request a hearing if they contest this determination.

All members ineligible. Applicant families that include no eligible members are ineligible for assistance. Such families will be denied admission and offered an opportunity for a hearing.

Non-citizen students. Defined by HUD in the non-citizen regulations at 24 CFR 5.522. Not eligible for assistance.

Appeals. For this eligibility requirement only, the applicant is entitled to a hearing exactly like those provided for participants.

2.15 Verification of Status Before Admission

DDHA **will not** provide assistance to families prior to the verification of eligibility for the individual or at least one member of the family pursuant to this section.

2.16 Signing Consent Forms

In order to be eligible each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, must sign one or more consent forms for obtaining information required by DDHA, including Form HUD-9886.

2.17 OTHER CRITERIA FOR ADMISSIONS

A family will not be admitted to the program if any member of the family has been evicted from federally assisted housing for serious violation of the lease within the past five (5) years.

DDHA will apply the following criteria, in addition to the HUD eligibility criteria, as grounds for denial of admission to the program:

- a) The family must not have violated any family obligation during a previous participation in the Section 8 program for five (5) years prior to final eligibility determination. DDHA will make an exception, if the family member who violated the family obligation is not a current member of the household on the application.
- b) The family must pay any outstanding debt owed DDHA or another PHA as a result of prior participation in any federal housing program.
- c) The family must be in good standing regarding any current payment agreement made with DDHA or another PHA for a previous debt incurred, before DDHA will allow participation in its Section 8 program.
- d) If any applicant deliberately misrepresents the information on which eligibility or tenant rent is established, the PHA may deny assistance and may refer the family file/record to the proper authorities for appropriate disposition. (See Program Integrity Addendum).
- e) The family, and all of their household members, must have no conviction record of drug-related criminal activity, violent criminal activity and/or felony criminal activity within the last five (5) years.
- f) The family must be able to demonstrate the capacity to comply with the terms and conditions of the lease. This determination shall be made on a case-by-case basis and shall not be used to exclude a particular group by age, disability, etc. In determining the family's capacity to comply with the lease obligations, DDHA must consider the family's ability to secure outside assistance in meeting those obligations.

2.18 TENANT SCREENING

DDHA will take into consideration any of the criteria for admission described in the "Denial or Termination of Assistance" chapter.

DDHA **will not** screen family behavior or suitability for tenancy. DDHA will not be liable or responsible to the owner or other persons for the family's behavior or the family's conduct in tenancy. The owner is responsible for screening and selection of the family to occupy the owner's unit. At or before DDHA approval of the tenancy, DDHA will inform the owner that screening and selection for tenancy is the responsibility of the owner. The owner is responsible for screening families based on their tenancy histories, including such factors as:

- a) Payment of rent and utility bills

- b) Caring for a unit and premises
- c) Respecting the rights of other residents to the peaceful enjoyment of their housing
- d) Drug-related criminal activity or other criminal activity that is a threat to the health, safety or property of others; and
- e) Compliance with other essential conditions of tenancy.

DDHA will give the owner:

- a) The family's current and prior address as shown in DDHA's records; and
- b) The name and address (if known by the PHA) of the landlord at the family's current and prior address.

DDHA will not provide the owner with other information in DDHA's possession concerning the family, including:

a) Information about the family's tenancy history; or

- b) Information about drug-trafficking by family members
- c) If requested, the same types of information will be supplied to all owners.

DDHA will advise families how to file a complaint if they have been discriminated against by an owner. DDHA will advise the family to make a Fair Housing complaint. DDHA may also report the owner to HUD (Fair Housing/Equal Opportunity) or the local Fair Housing Organization.

2.19 CHANGES IN ELIGIBILITY PRIOR TO EFFECTIVE DATE OF THE CONTRACT

Changes that occur during the period between issuance of a voucher and lease up may affect the family's eligibility or share of the rental payment.

2.20 INELIGIBLE FAMILIES

Families who are determined to be ineligible will be notified in writing of the reason for denial and given an opportunity to request an informal review, or an informal hearing if they were denied due to noncitizen status. See "Complaints and Appeals" chapter for additional information about reviews and hearings.

2.21 PROHIBITED ADMISSIONS CRITERIA

Admission to the program may not be based on where the family lives before admission to the program.

Admission to the program may not be based on:

- a) Where a family lives prior to admission to the program.
- b) Where the family will live with assistance under the program.
- c) Discrimination because members of the family are unwed parents, recipients of public assistance, or children born out of wedlock.
- d) Discrimination because a family includes children.

- e) Whether a family decides to participate in a family self sufficiency program; or
- f) Other reasons as listed in the "Statement of Policies and Objectives" chapter under the Fair Housing and Reasonable Accommodations sections.

Chapter 3

3.0 APPLYING FOR ADMISSION

3.1 INTRODUCTION

The policy of Decatur/DeKalb Housing Authority (DDHA) is to ensure that all families who express an interest in housing assistance are given an equal opportunity to apply, and are treated in a fair and consistent manner. This Chapter describes the policies and procedures for completing an initial application for assistance, placement and denial of placement on the waiting list, and limitations on who may apply.

The primary purpose of the intake function is to gather information about the family, but DDHA will also utilize this process to provide information to the family so that an accurate and timely decision of eligibility can be made. Applicants will be placed on the waiting list in accordance with this Plan.

3.2 OVERVIEW OF THE APPLICATION TAKING PROCESS

The purpose of application taking is to permit DDHA to gather information and determine placement on the waiting list. The pre-application will contain questions designed to obtain pertinent program information.

Families who wish to apply for any one of DDHA's programs must complete a written application form when pre-application taking is open. Pre-applications will be made available in an accessible format upon request from a person with a disability.

When the waiting list is open, any family asking to be placed on the waiting list for Section 8 rental assistance will be given the opportunity to complete a pre-application. Upon the receipt of the completed pre-application, DDHA staff person receiving it will date and time stamp the application. Pre-applications may also be mailed to interested families with a disability and applicant families.

The pre-application process will involve two phases. The first is the "initial" pre-application for assistance (referred to as a pre-application). This first phase results in the family's placement on the waiting list.

The completed pre-application will be used to determine the initial eligibility of the applicant family. Once this determination has been made, the applicant family will be placed on the waiting list in accordance with the policies as contained herein. Placement on the waiting list is based on non-verified information provided by the family from the pre-application.

3.3 OPENING AND CLOSING THE WAITING LIST

A. Opening the Waiting List

DDHA will utilize the following procedures for opening the waiting list:

When DDHA opens the waiting list, DDHA will advertise at a minimum through appropriate public notice in newspapers, including minority publications.

The notice will contain:

1. The dates, times, and the locations where families may apply.
2. The programs for which applications will be taken.
3. A brief description of the program.
4. A statement that public housing residents must submit a separate application if they want to apply for section 8.
5. Limitations, if any, on who may apply.

The notices will be made in an accessible format if requested. The notice will provide potential applicants with information that includes DDHA address and telephone number, how to submit an application, information on eligibility requirements, and the availability of local **preferences**.

Upon request from a person with a disability, reasonable additional time will be given as an accommodation for submission of an application after the closing deadline. This accommodation is to allow persons with disabilities the opportunity to submit an application in cases when a social service organization provides inaccurate or untimely information about the closing date.

If the waiting list is open, DDHA will accept pre-applications from eligible families unless there is good cause for not accepting the application, such as denial of assistance because of action or inaction by members of the family for the grounds stated in the "Denial or Termination of Assistance" chapter of this Administrative Plan.

-

B. Closing the Waiting List

Closing the waiting list will be announced via public notice. The public notice will state the date the waiting list will be closed. The public notice will be published in local newspapers of general

circulation and also by any available minority media. DDHA can, at its discretion, announce the opening and closing of the waiting list.

C. Limits on Who May Apply

When the waiting list is open:

- a) Any family asking to be placed on the waiting list for Section 8 rental assistance will be given the opportunity to complete a pre-application.
- b) Depending upon the composition of the waiting list with regard to family types and preferences and to better serve the needs of the community, DDHA may only accept pre-applications from families claiming preference(s).

When the pre-application is submitted to DDHA:

It establishes the family's date and time of the pre-application for placement order on the waiting list.

-

-

3.4 "INITIAL" APPLICATION PROCEDURES

The purpose of the pre-application is to permit DDHA to preliminarily assess family eligibility or ineligibility and to determine placement on the waiting list. The pre-application will contain at least the following information:

1. Name(s) of the Head(s) and all Family Members, with their dates of birth
2. Sex and relationship to the Head(s) of Household
3. Street Address and telephone number(s)
4. Mailing address (if P.O. Box or different from street address)
5. Amount(s) and source(s) of all income received by all adult household members
6. Information regarding disabilities and/or special needs/accommodations requirements
7. Information related to qualification for a preference or other priority determinants, if applicable at the time
8. Social Security Numbers for all household members
9. Race/ethnicity/marital status
10. Citizenship/eligible immigration status

11. Criminal history and evidence of rehabilitation, if applicable
12. Landlord history (current and previous)
13. Emergency contact person and address
14. Date and time of pre-application

Duplicate pre-applications, including applications from a segment of an applicant household, will not be accepted.

Ineligible families will not be placed on the waiting list.

Pre-applications will not require an interview. The information on the pre-application will not be verified until the applicant has been selected for final eligibility determination. Final eligibility will be determined when the full application process is completed and all information is verified.

The second phase is the "final determination of eligibility" (referred to as the full application). The full application takes place when the family reaches the top of the waiting list. At this time DDHA ensures that verification of all HUD and DDHA eligibility factors is current in order to determine the family's eligibility for the issuance of a voucher

Failure to provide information or to respond to mailings will result in the applicant being removed from the waiting list.

3.5 APPLICANT STATUS WHILE ON WAITING LIST

Applicants are required to inform DDHA in writing of changes in address. Applicants are also required to respond to requests from DDHA to update information on their pre-application and to determine their interest in Section 8 rental assistance.

If after a review of the pre-application the family is determined to be preliminarily eligible, they will be notified in writing or in an accessible format upon request, as a reasonable accommodation.

Upon completion of the pre-application, the applicant will be given a date stamped copy of the pre-application as written notification of preliminary eligibility. The date stamp on the pre-application will acknowledge receipt of their pre-application for admission into the program.

If the family is determined to be ineligible based on the information provided in the pre-application, DDHA will notify the family in writing (in an accessible format upon request as a reasonable accommodation), state the reason(s), and inform them of their right to an informal review. Persons with disabilities may request to have an advocate attend the informal review as an accommodation. See "Complaints and Appeals" chapter.

3.6 TIME OF SELECTION

When funding is available, families will be selected from the waiting list in their determined sequence, regardless of family size, subject to income targeting requirements. In addition to their sequence, families will also be selected based on date, time and verified preference by DDHA.

When there is insufficient funding available for the family at the top of the list, DDHA will not admit any other applicant until funding is available for the first applicant.

Based on DDHA's turnover and the availability of funding, groups of families will be selected from the waiting list to form a final eligibility "pool". Selection from the pool will be based on completion of verification.

3.7 COMPLETION OF A FULL APPLICATION

All preferences claimed on the pre-application or while the family is on the waiting list will be verified after the family is selected from the waiting list, and prior to completing the full application.

The qualification for preference must exist at the time the preference is claimed and at the time of verification, because claim of a preference determines placement on the waiting list. If the applicant cannot verify their preference, the applicant will be returned to the waiting list based on the date and time of the pre-application without a preference.

After the preference is verified and when DDHA is ready to select applicants, applicants will be required to:

- I. Complete a Personal Declaration Form prior to the full application interview.
- II. Complete a full application in his or her own handwriting at the full application for admission interview, unless assistance is needed, or a person with a disability makes a request for accommodation. DDHA staff will review the information on the full application form and will then interview applicant. The applicant will sign and certify that all information is complete and accurate.

-
-

3.8 Requirement to Attend Interview

DDHA utilizes the full application interview to discuss the family's circumstances in greater detail, to clarify information, which has been provided by the family, and to ensure that the information is complete. The interview is also used as a vehicle to meet the informational needs of the family by providing information about the application and verification process, as well as to advise the family of other DDHA services or programs, which may be available.

The head of household and all other adult family members are required to attend the interview and sign the housing application.

Exceptions may be made for students attending school out of state.

If the Head(s) of Household or any adult family member is not present for the full application interview, the interview will not be conducted and DDHA will schedule a second appointment. If the applicant misses the second appointment without prior approval, the application is denied and any further consideration will require the applicant family to reapply.

If the applicant family can provide written proof that their failure to attend their scheduled appointment was due to a medical or family emergency that required the direct involvement of the Applicant Family Head(s) of Household, or other adult family member, the Housing Authority will afford the Applicant one additional opportunity to complete the Formal Application. This proof must be provided within three (3) days after the missed appointment.

It is the applicant's responsibility to reschedule the interview if s/he misses the appointment. If the applicant does not reschedule or misses one (1) scheduled meeting, DDHA will reject the application. Applicants who fail to appear and want to reschedule a missed appointment must make the request to reschedule no later than five (5) days from the original appointment date. The request must be made to the staff person who scheduled the appointment.

If an applicant fails to appear for their interview without prior approval of DDHA, their application will be denied unless they can provide acceptable documentation to DDHA that an emergency prevented them from calling.

Reasonable accommodation will be made for persons with a disability who require an advocate or accessible offices. A designee will be allowed to participate in the interview process, but only with permission of the person with a disability.

If an application is denied due to failure to attend the full application interview, the applicant will be notified in writing and offered an opportunity to request an informal review. (See "Complaints and Appeals" chapter.)

All adult members must sign the HUD Form 9886, Release of Information, the application form and all supplemental forms required by DDHA, the declarations and consents related to citizenship/immigration status and any other documents required by the PHA. Applicants will be required to sign specific verification forms for information, which is not covered, by the HUD form 9886. Failure to do so will be cause for denial of the application for failure to provide necessary certifications and release as required by DDHA.

If DDHA determines at or after the interview that additional information or document(s) are needed, DDHA will request the document(s) or information in writing. The family will be given ten (10) days to supply the information.

If the information is not supplied in this time period, DDHA will provide the family a notification of denial for assistance. (See "Complaints and Appeals" chapter)

3.9 VERIFICATION

Information provided by the applicant will be verified, using the verification procedures in the "Verification Procedures" chapter. Family composition, income, allowances and deductions, assets, full-time student status, eligibility and rent calculation factors, and other pertinent information will be verified. Verifications may not be more than sixty (60) days old at the time of issuance of the Voucher.

-
-

3.10 FINAL DETERMINATION AND NOTIFICATION OF ELIGIBILITY

After the verification process is completed, DDHA will make a final determination of eligibility. This decision is based upon information provided by the family, the verification completed by DDHA, and the current eligibility criteria in effect. If the family is determined to be eligible, DDHA will mail a notification of eligibility. A briefing will be scheduled for the issuance of a voucher and the family's orientation to the housing program.

Chapter 4

4.0 ESTABLISHING PREFERENCES AND MAINTAINING THE WAITING LIST

-

4.1 INTRODUCTION

It is Decatur/Dekalb Housing Authority's (DDHA) objective to ensure that families are placed in the proper order on the waiting list and selected from the waiting list for admissions in accordance with the policies in this Administrative Plan.

This chapter explains the local preferences in which DDHA has adopted to meet local housing needs, defines the eligibility criteria for the preferences and explains DDHA's methods of administering them. By maintaining an accurate waiting list, DDHA will be able to perform the activities that ensure that an adequate pool of qualified applicants will be available so that program funds are used in a timely manner.

-

4.2 WAITING LIST

DDHA uses a separate waiting list for admissions to the tenant-based assistance program of the City of Decatur, Georgia and DeKalb County, Georgia.

Except for Special Admissions, applicants will be selected from DDHA waiting list in accordance with policies and preferences and income targeting requirements defined in this Administrative Plan.

DDHA will maintain information that permits proper selection from the waiting list.

The waiting list contains the following information for each applicant listed:

- a. Applicant name
- b. Family unit size (number of bedrooms family qualifies for under DDHA subsidy standards)
- c. Date and time of application
- d. Qualification for any local preference
- e. Racial or ethnic designation of the head of household

-

4.3 SPECIAL ADMISSIONS

If HUD awards DDHA program funding that is targeted for specifically named families, DDHA will admit these families under a Special Admission procedure. Special admissions families will be admitted outside of the regular waiting list process. They do not have to qualify for any preferences,

nor are they required to be on the program waiting list. DDHA maintains separate records of these admissions.

DDHA may limit the number of applicants for “Special Programs by an amount not to exceed 10% of its total allocation (minus its allocation for special funded units).

The following are examples of types of special program funding that may be designated by HUD for families living in a specified unit:

- 1) A family displaced because of demolition or disposition of a public or Indian housing project;
- 2) A family residing in a multifamily rental housing project when HUD sells, forecloses or demolishes the project;
- 3) For housing covered by the Low Income Housing Preservation and Resident Homeownership Act of 1990;
- 4) A family residing in a project covered by a project-based Section 8 HAP contract at or near the end of the HAP contract term; and
- 5) A non-purchasing family residing in a HOPE 1 or HOPE 2 project.

Applicants, who are admitted under Special Admissions, rather than from the waiting list, are identified by codes in the automated system.

-

4.4 WAITING LIST PREFERENCES

An applicant will not be granted any local preference if any member of the family has been evicted from housing assisted under a 1937 Housing Act program during the past Five years (5) because of drug-related criminal activity.

The DDHA will grant an exception to such a family if:

- 1) The responsible member has successfully completed a rehabilitation program.
- 2) The evicted person clearly did not participate in or know about the drug related activity.
- 3) The evicted person no longer participates in any drug related criminal activity.

If an applicant makes a false statement in order to qualify for a local preference, DDHA will deny the local preference and deny admission to the program for the family.

4.5 LOCAL PREFERENCES

Consistent with DDHA Agency Plan, DDHA will select families based on the following preferences, local housing needs (currently living in DeKalb County) and priorities:

A. Involuntary Displacement by Government Action

- This category applies to an activity carried out by an agency of the United States or by any State or local government in connection with a public improvement or development program within DeKalb

County, or to a disaster declared by an agency of the United States or local code enforcement activity in connection with the condemnation of a unit due to substandard housing conditions.

Involuntarily displaced applicants are applicants who have been involuntarily displaced and are not living in standard, permanent replacement housing, or will be involuntarily displaced within no more than six months from the date of verification by DDHA. Families must claim this preference no later than sixty (60) days from the notice date of condemnation.

Families are considered to be involuntarily displaced if they are required to vacate housing as a result of:

1. A disaster (fire, flood, earthquake, etc.) that has caused the unit to be uninhabitable.
2. Federal, state or local government action related to code enforcement, public improvement or development.

In order to receive the displacement preference, applicants who have been displaced must not be living in standard, permanent replacement housing.

Standard replacement housing is defined, as housing that is decent, safe and sanitary according to Housing Quality Standards and local housing code. Standard housing is adequate for the family size according to Housing Quality Standards and local code and that the family is occupying pursuant to a written or oral lease or occupancy agreement.

Standard replacement housing *does not* include transient facilities, hotels, motels, temporary shelters, and (in the case of Victims of Domestic Violence) housing occupied by the individual who engages in such violence.

It does not include any individual imprisoned or detained pursuant to State Law or an Act of Congress. Shared housing with family or friends is not considered temporary and is considered standard replacement housing.

B. Family, Elderly and Persons With Disabilities who are DeKalb County Residents:

1. Elderly and Disabled Paying More Than 50% of Income for Rent and Utilities - An Applicant Family who is paying more than 50% of income for rent and utilities includes payments for rent or amortized the purchase price of a manufactured home plus the cost of the Authorities' reasonable estimate of Tenant-purchased utilities (except telephone and other housing services that are normally included in rent).

Written notices from landlords, owners, owner/agents that the Applicant Family has been or will have to be displaced; leases, rent receipts, copies of utility bills (must be in Applicant Family's name) showing that the Applicant Family is paying more than 50% of income for rent and utilities; and verification from landlords, owners, owner/agents, governmental agencies, etc. that the Applicant Family is about to be involuntarily displaced. Documentation of the above must be in written form and is necessary at the time of the interview.

2. All Families and all Elderly and Disabled Families Paying Less Than 50% of Income for Rent and Utilities.

C. All Families, Elderly and Disabled Persons Who Are Not DeKalb County Residents.

The Authorities will first address its requirement to provide 75% of its assistance to persons at or below 30% of median income (adjusted by family size). After having met this requirement the Authorities will select applicants in the above preference order from applicants whose income is greater than 30% of median, except in the case of governmental displacement.

D. All Other Families

Families who are not DeKalb County residents paying over 50% of their income for rent or who live in substandard housing.

DDHA will not deny a local preference, nor otherwise exclude or penalize a family in admission to the Section 8 program, solely because the family resides in public housing.

4.6 LOCAL PREFERENCES FOR TARGETED FUNDING PROGRAMS

When HUD awards special funding for certain family types, families who qualify are placed on the regular waiting list. When a specific type of funding becomes available, the waiting list is searched for the first available family meeting the targeted funding criteria.

Applicants who are admitted under targeted funding which are not identified as a Special Admission are identified by codes on the waiting list. DDHA has the following "Targeted" Programs:

D1. Family Unification Program (FUP)

This category applies to families that are referred to DDHA from the Department of Family and Children Services (DFCS) that have been certified by DFCS eligible to participate in this specially funded Program for children at risk case management services are provided by DFCS.

D2. HUD-VASH Program

-
This category applies to disabled Veterans that are referred to DDHA from the Veterans' Administration who are homeless veterans with severe psychiatric or substance abuse disorders. These individuals are certified by the Veterans affairs case managers who continue to provide on-going case management.

D3. Alternatives in DeKalb

This is a special allocation of units set aside to assist mentally challenged applicants who require ongoing supportive services and are in need of housing. Eligibility and case management services are provided by the DeKalb Board of Health or related organization.

D4. State VoRehab Barrier Free Housing

-

This category is for persons with mobility impairments who are enrolled in the Georgia Vocational Rehabilitation Program and require a barrier-free or otherwise accessible unit. Eligibility and case management services are provided by the Georgia Department of Human Resources, Division of Rehabilitation Services.

D5. Homeless Program

This category is for persons with disabilities who are or will be enrolled in an approved Program aimed at increasing their economic self-sufficiency or their ability to live independently. Referrals are accepted from agencies that serve the homeless. Twenty-five (25) Certificates and/or Vouchers have been reserved for this Preference.

D6. Lithonia Housing Authority Units

This category is for persons who have been determined eligible and who currently reside in the City of Lithonia and/or contiguous areas who have expressed the desire to reside in a rental unit owned by the Housing Authority of the City of Lithonia, Georgia.

D7. Any Other Approved Special Programs by DDHA and/or HUD

4.7 Treatment of Single Applicants

DDHA will select single persons who are elderly (age 62 or older), disabled, displaced, (homeless), or persons with disabilities over other single persons regardless of preference status. "Other Singles" denotes a one-person household in which the individual member is not elderly, disabled, or displaced by government action. Such applicants will be placed on the waiting list in accordance with any other preferences to which they are entitled, but they cannot be selected for assistance before any one or two person elderly, disabled or displaced family regardless of local preferences.

4.8 INCOME TARGETING

In accordance with the Quality Housing and Work Responsibility Act of 1998, each fiscal year DDHA will reserve a minimum of seventy-five percent (75%) of its Section 8 new admissions for families whose income does not exceed 30 percent of the area median income. HUD refers to these families as "extremely low-income families." DDHA will admit families who qualify under the Extremely Low Income limit if necessary to meet the income-targeting requirement, regardless of preference. This requirement will automatically change if HUD/Congress changes the requirements.

DDHA's income targeting requirement does not apply to low income families continuously assisted as provided for under the 1937 Housing Act.

DDHA is also exempted from this requirement where DDHA is providing assistance to low income or moderate-income families entitled to preservation assistance under the tenant-based program as a result of a mortgage prepayment or opt-out.

4.9 INITIAL DETERMINATION OF LOCAL PREFERENCE QUALIFICATION

At the time of application, an applicant's entitlement to a local preference may be made on the following basis.

An applicant's certification that they qualify for a preference will be accepted without verification at the initial application. When the family is selected from the waiting list for the final determination of eligibility, the preference will be verified. However, when the Formal Application for Admission is taken, the Applicant Family will be required to submit **proof** that the preference they claimed on their Pre-Application still exists.

If the applicant cannot verify the preference claimed, the Applicant Family will be returned to the Waiting List in the position that he/she should have been placed without the preference. If the applicant Family experiences a change of circumstances, after being returned to the Waiting List without a preference, the Authorities will reinstate the Preference upon receipt of written notification of the change.

For Special Programs or Special Allocations, if the applicant Family does not meet the qualifications for participation in the program, and this is the only means by which the Applicant Family has been allowed to file an Application or Pre-Application, then the applicant Family's Application or Pre-Application will be removed from the Waiting List.

The applicant Family will be afforded the right to an Informal Review, as discussed in "Complaints and Appeals" chapter, based on any adverse action by the Authorities regarding this section.

4.10 PREFERENCE AND INCOME TARGETING ELIGIBILITY

Change in Circumstances

Changes in an applicant's circumstances while on the waiting list may affect the family's entitlement to a preference. Applicants are required to notify DDHA in writing when their circumstances change. When an applicant claims an additional preference, s/he will be placed on the waiting list in the appropriate order determined by the newly claimed preference.

The exception to this is, if at the time the family applied, the waiting list was only open to families who claimed that preference. In such case, the applicant must verify that they were eligible for the first preference before they are returned to the waiting list with the new preference.

If the family's verified annual income, at final eligibility determination, does not fall under the Extremely Low Income limit and the family was selected for income targeting purposes before family(ies) with a higher preference, the family will be returned to the waiting list.

-

4.11 Cross-Listing of Different Housing Programs and Section 8

The Authorities will maintain separate Waiting Lists for its Public Housing and Section 8 Programs. However, if the Section 8 Waiting List is open at the time that the Applicant Family applies for Public Housing, the Authorities will make the Applicant Family aware of this. The Applicant Family who applies for the Section 8 Program will be made aware of the availability of Public Housing. Otherwise, there will be no merger of the two (2) Waiting Lists.

Additionally, the Authorities will maintain a separate Waiting List for the Moderate Rehabilitation Program, which may include Applicant Families on the regular Section 8 Waiting List.

4.12 Other Housing Assistance

Other housing assistance means a federal, State or local housing subsidy, as determined by HUD, including public housing.

DDHA may not take any of the following actions because an applicant has applied for, received, or refused other housing:

- 1) Refuse to list the applicant on DDHA waiting list for tenant-based assistance;
- 2) Deny any admission preference for which the applicant is currently qualified;
- 3) Change the applicant's place on the waiting list based on preference, date and time of application, or other factors affecting selection under DDHA selection policy; or
- 4) Remove the applicant from the waiting list.

However, DDHA may remove the applicant from the waiting list for tenant-based assistance if DDHA has offered the applicant assistance under the voucher program.

-

4.13 ORDER OF SELECTION

DDHA's method for selecting applicants from a preference category leaves a clear audit trail that can be used to verify that each applicant has been selected in accordance with the method specified in the administrative plan.

Based on the preferences categories, all families in preference A will be offered housing before any families in preference B, families in preference B will be offered housing before any families in preference C, and so forth.

The date and time of application will be utilized to determine the sequence within the above-prescribed preferences.

Notwithstanding the above, if necessary to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low-income (unless a different target is

agreed to by HUD), DDHA retains the right to skip higher income families on the waiting to reach extremely low-income families. This measure will only be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing Authority will monitor incomes of newly admitted families and the income of the families on the waiting list.

If there are not enough extremely low-income families on the waiting list, we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

DDHA will first address its requirement to provide 75% of its assistance to persons at or below 30% of median income (adjusted by family size). After having met this requirement the Authorities will select applicants in the above preference order from applicants whose income is greater than 30% of median, except in the case of governmental displacement

-
-

4.14 PREFERENCE DENIAL

If DDHA denies a preference, DDHA will notify the applicant in writing of the reasons why the preference was denied and offer the applicant an opportunity for an informal review. If the preference denial is upheld as a result of the review, or the applicant does not request a meeting, the applicant will be placed on the waiting list without benefit of the preference. Applicants may exercise other rights if they believe they have been discriminated against.

-
-
-
-

4.15 REMOVAL FROM WAITING LIST AND PURGING

The Waiting List will be purged and updated at least annually starting with the oldest year of applications on the List at the time of the purge, unless a different order of purge is determined by the Authorities to be in the program's best interest. All active applicants for that year will be mailed a "Statement of Continued Interest" to the last known address, on file, at the time of the purge. Applicants will be given a specific time in which to respond.

An extension of ten (10) business days to respond will be granted, if requested, and needed as a reasonable accommodation for a person with a disability. Interest Letters received after the deadline date will be considered, provided that the Letter is postmarked prior to the deadline date. If an applicant fails to respond by the date specified, the Applicant Family's Pre-Application will be dead filed and a new Pre-Application will be required for future consideration.

If the Post Office returns the “Interest Letter” to the Authorities with a new address, the Authorities will forward the Interest Letter to the new address. The family will retain the same date as the initial “Interest Letter.” If a letter is returned by the post office without a forwarding address, the applicant will be removed without further notice and the envelope and letter maintained in their file up to three years.

The only manner in which an Applicant Family may be returned to the Waiting List is through the Applicant showing proof that he/she complied with the requirements to keep their application updated, or that the Applicant Family was dead filed in error by the Authorities. If the applicant did not respond to DDHA’s request for information at update due to a family member’s or head of household’s disability, DDHA will reinstate the Applicant to his/her former position.

All updates and/or changes that are to be made in the Applicant Family’s Pre-Application and/or Application for Admission are to be made, in writing, hand delivered or mailed to the Authorities’ Central Office.

In the event of any adverse decision on the part of the Authorities regarding this section, the Applicant Family will be afforded an Informal Review in accordance with the procedures as set forth in “Complaints and Appeals” chapter.

Chapter 5

5.0 SUBSIDY STANDARDS

-

5.1 INTRODUCTION

HUD guidelines require that Decatur/DeKalb Housing Authority’s (DDHA) establish subsidy standards for the determination of family unit size, and that such standards provide for a minimum commitment of subsidy while avoiding overcrowding. The standards used for the unit size selected by the family must be within the minimum unit size requirements of HUD's Housing Quality Standards.

This Chapter explains the subsidy standards which will be used to determine the voucher size (family unit size) for various sized families when they are selected from the waiting list, as well as DDHA's

procedures when a family's size changes, or a family selects a unit size that is different from the Voucher.

5.2 DETERMINING FAMILY UNIT (VOUCHER) SIZE

DDHA does not determine who shares a bedroom/sleeping room, but there must be at least one person per bedroom on the Voucher. DDHA's subsidy standards for determining voucher size shall be applied in a manner consistent with Fair Housing guidelines. For subsidy standards, an adult is a person 18 years old or older. All standards in this section relate to the number of bedrooms on the Voucher, not the family's actual living arrangements.

The unit size on the Voucher remains the same as long as the family composition remains the same, regardless of the actual unit size rented.

For the purpose of determining the amount of assistance the family is eligible for, the following assignments are made based upon the family members listed on the application:

1. The Head of Household and his/her spouse (unless medical reasons dictate) are assigned to one (1) bedroom.
2. One bedroom will be generally assigned for each two family members. All remaining family members are assigned to bedrooms on the basis of two (2).
3. Family members of the same sex and within ten (10) years age different will share one bedroom.
4. Family Members of a different generation, such as grandmother, shall be provided a separate bedroom from her adult child(ren) or adult or minor grandchild.
5. Two (2) children under 6 years of age and of the opposite sex will be required to share the same bedroom. Every family member, except infants, regardless of age, is to be counted as a person. For the purposes of this section an adult is a person who is 18 years of age or older.
6. Live-in attendants will generally be provided a separate bedroom. No additional bedrooms are provided for the attendant's family.
7. A single pregnant woman with no other family members must be treated as a two-person family.
8. Single person families shall be allocated one bedroom.

The Authorities do not determine who actually shares a bedroom/sleeping room, but only determines minimum and maximum number of persons permitted per unit. The Authorities' occupancy standards for determining Voucher size shall be applied in a manner consistent with Fair Housing guidelines and are subject to change based upon changes in Federal or local regulations.

5.4 EXCEPTIONS TO SUBSIDY STANDARDS

DDHA shall grant exceptions from the subsidy standards if the family requests and DDHA determines the exceptions are justified by the relationship, age, sex, health or disability of family members, or other individual circumstances.

DDHA will grant an exception upon request as an accommodation for persons with disabilities.

Circumstances may dictate a larger size than the subsidy standards permit when persons cannot share a bedroom because of a need, such as a:

- Verified medical or health reason; or
- Elderly persons or persons with disabilities who may require a live-in attendant.
- Addition to the Household due to birth, adoption, marriage or court awarded custody (Temporary or Permanent)

5.5 Request for Exceptions to Subsidy Standards

DDHA will not issue a larger voucher due to additions of family members other than by birth, adoption, marriage, or court-awarded custody.

Requests based on health related reasons must be verified by a doctor, medical professional or social service professional.

5.6 DDHA Error

If an error in assignment is made on the part of the Authorities, the Applicant Family will be issued a corrected Voucher of the appropriate size and the Participating Family will not be penalized.

5.7 Changes for Applicants

The voucher size is determined prior to the briefing by comparing the family composition to DDHA subsidy standards. If an applicant requires a change in the voucher size, based on the requirements of DDHA subsidy standards, the above-referenced guidelines will apply.

5.8 Changes for Participants

The members of the family residing in the unit must be approved by DDHA. DDHA recognizes the family unit. However, **effective January 1, 1997, common-law marriages are no longer recognized in Georgia.** Therefore, the request to add a common-law spouse will be denied, unless proof that the common-law relationship was in existence as such prior to **January 1, 1997.**

The family must obtain approval of any additional family member before the new member occupies the unit except for additions by birth, adoption, or court-awarded custody, in which case the family must inform DDHA within ten (10) days. The above referenced guidelines will apply.

DDHA, in its sole discretion, may grant exceptions from the Occupancy Standards as an accommodation for Persons with Disabilities. This includes, but is not limited to, provisions for a Live-in Aide. In any event, written documentation must be submitted within ten (10) days of their occupancy. Failure to do so may result in the termination of the Participating Family's assistance.

Changes in composition of the members occupying an Independent Group Residence will not necessarily require a move to a different sized unit.

5.9 Underhoused and Overhoused Families

If a unit does not meet HQS space standards due to an increase in family size, (unit too small), DDHA will issue a new voucher of the appropriate size for the family to locate a suitable unit.

In such cases DDHA's voucher term extension policy will be applicable.

DDHA will also notify the family of the circumstances under which an exception will be granted, such as:

- If a family with a disability is underhoused in an accessible unit.
- If a family requires the additional bedroom because of a health problem which has been verified by DDHA.
- DDHA and family have been unable to locate a unit within 30 days.

5.10 TRANSFERS

Participating Families with a change in family composition that requires a larger sized unit will be given priority over families being selected from the waiting list. This assures that families who are already on the program are in the appropriate sized units.

5.11 UNIT SIZE SELECTED

The family may select a different size dwelling unit than that listed on the Voucher. There are three criteria to consider:

Subsidy Limitation: The family unit size as determined for a family under DDHA subsidy standard for a family assisted in the voucher program is based on DDHA's adopted payment standards. The payment standard for a family shall be the lower of:

The payment standard amount for the family unit size; or

The payment standard amount for the unit size rented by the family.

Utility Allowance: The utility allowance used to calculate the gross rent is based on the actual size of the unit the family selects, regardless of the size authorized on the family's Voucher.

Housing Quality Standards: The standards allow two persons per living/sleeping room and permit maximum occupancy levels (assuming a living room is used as a living/sleeping area) as shown in the table below. The levels may be exceeded if a room in addition to bedrooms and living room is used for sleeping.

Chapter 6

6.0 FACTORS RELATED TO TOTAL TENANT PAYMENT AND FAMILY SHARE DETERMINATION

-

-

6.1 INTRODUCTION

Decatur/DeKalb Housing Authority (DDHA) will use the methods as set forth in this Administrative Plan to verify and determine that family income at admission, interim and at annual reexamination is correct. The accurate calculation of annual income and adjusted income will ensure that families are not paying more or less money for rent than their obligation under the regulations.

This Chapter defines the allowable expenses and deductions to be subtracted from annual income and how the presence or absence of household members may affect the Total Tenant Payment (TTP). Income and TTP are calculated in accordance with 24 CFR Part 5, Subparts E and F, and further instructions set forth in HUD Notices and Memoranda. The formula for the calculation of TTP is specific and not subject to interpretation. DDHA's policies in this Chapter address those areas, which allow DDHA discretion to define terms and to develop standards in order to assure consistent application of the various factors that relate to the determination of TTP.

6.2 INCOME AND ALLOWANCES

A. Income

To determine annual income, DDHA includes all monetary amounts, which are received on behalf of the family, excluding the types and sources of income that are specifically excluded. For purposes of calculating the Total Tenant Payment (TTP), HUD defines what is to be calculated and what is to be excluded in the federal regulations. In accordance with this definition, all income that is not specifically excluded in the regulations is counted. Once the annual income is determined, DDHA subtracts all allowable deductions (allowances) as the next step in determining the TTP.

B. Annual Income

Is defined as the gross amount of income anticipated to be received by the family during the 12 months after certification or recertification. Gross income is the amount of income prior to any HUD allowable expenses or deductions, and does not include income, which has been excluded by HUD. Annual income is used to determine whether or not applicants are within the applicable income limits.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or DDHA believes that past income is the best available indicator of expected future income, DDHA may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

C. Annual income includes, but is not limited to:

1. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
2. The net income from the operation of a business or profession. expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations.

Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.

3. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations.

Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net

family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.

4. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)

5. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)

6. Welfare assistance:

a. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:

I. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus

II. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.

b. Imputed welfare income:

A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to DDHA by the welfare agency), plus the total amount of other annual income.

At the request of DDHA, the welfare agency will inform DDHA in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform DDHA of any subsequent changes in the term or amount of such specified welfare benefit reduction. DDHA will use this information to determine the amount of imputed welfare income for a family.

A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to DDHA by the welfare agency).

The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from

other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.

DDHA will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.

If a participant is not satisfied that DDHA has calculated the amount of imputed welfare income in accordance with HUD requirements, and if DDHA denies the family's request to modify such amount, then DDHA shall give the resident written notice of such denial, with a brief explanation of the basis for DDHA's determination of the amount of imputed welfare income. DDHA's notice shall also state that if the resident does not agree with the determination, the resident may contest the decision in accordance with our informal review policy.

7. Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.

8. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

6.3 Relations with welfare agencies

DDHA will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives DDHA written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

DDHA is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the agency. However, DDHA is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. DDHA shall rely on the welfare agency notice to DDHA of the welfare agency's determination of a specified welfare benefits reduction.

6.4 Adjusted Income

Is defined as the Annual income minus any HUD allowable expenses and deductions.

6.5 Allowable Deductions

HUD has five allowable deductions from Annual Income:

1. **Dependent Allowance**: \$480 each for family members (other than the head or spouse) who are minors, and for family members who are 18 and older who are full-time students or who are disabled.
2. **Elderly/Disabled Allowance**: \$400 per family for families whose head or spouse is 62 or over or disabled.
3. **Allowable Medical Expenses**: Deducted for all family members of an eligible elderly/disabled family.
4. **Child Care Expenses**: Deducted for the care of children under 13 when child care is necessary to allow an **adult** member to work, attend school, or actively seek employment.
5. **Allowable Disability Assistance Expenses**: Deducted for attendant care or auxiliary apparatus for persons with disabilities if needed to enable the individual or an **adult** family member to work.

6.7 MINIMUM RENT

Minimum Rent

Minimum rent is **\$50.00** Minimum rent refers to the Total Tenant Payment and includes the combined amount a family pays towards rent and/or utilities when it is applied.

A. Hardship Requests for an Exception to Minimum Rent

DDHA recognizes that in some circumstances even the minimum rent may create a financial hardship for families. DDPHA will review all relevant circumstances brought to DDHA's attention regarding financial hardship as it applies to the minimum rent. The following section states DDHA's procedures and policies in regard to minimum rent financial hardship as set forth by the Quality Housing and Work Responsibility Act of 1998. HUD has defined circumstances under which a hardship could be claimed. (24 CFR 5.630)

B. Criteria for Hardship Exception

In order for a family to qualify for a hardship exception the family's circumstances must fall under one of the following HUD hardship criteria:

The family has lost eligibility or is awaiting an eligibility determination for Federal, State, or local assistance, including a family with a member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act, and who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

The family would be evicted as a result of the imposition of the minimum rent requirement;
The income of the family has decreased because of changed circumstances, including loss of employment, death in the family, or other circumstances as determined by DDHA or HUD.

C. DDHA Notification to Families of Right to Hardship Exception

DDHA will notify all families subject to minimum rents of their right to request a minimum rent hardship exception. "Subject to minimum rent" means the minimum rent was the greatest figure in the calculation of the greatest of 30% of monthly-adjusted income, 10% of monthly income, minimum rent or welfare rent.

If the minimum rent is the greatest figure in the calculation of Total Tenant Payment, DDHA staff will include a copy of the notice regarding hardship request provided to the family in the family's file.

DDHA notification will advise families that hardship exception determinations are subject to DDHA review and hearing procedures.

DDHA will review all family requests for exception from the minimum rent due to financial hardships.

All requests for minimum rent hardship exceptions are required to be in writing.

DDHA will use its standard verification procedures to verify circumstances that have resulted in financial hardship.

Requests for minimum rent exception must include a statement of the family hardship that qualifies the family for an exception.

D. Suspension of Minimum Rent

DDHA will grant the minimum rent exception to all families who request it, effective the first of the following month.

The minimum rent will be suspended until DDHA determines whether the hardship is:

- Covered by statute
- Temporary or long term

"Suspension" means that DDHA must not use the minimum rent calculation until DDHA has made this decision.

During the minimum rent suspension period, the family will not be required to pay a minimum rent and the housing assistance payment will be increased accordingly.

If DDHA determines that the minimum rent is not covered by statute, DDHA will impose a minimum rent including payment for minimum rent from the time of suspension.

E. Temporary Hardship

If DDHA determines that the hardship is temporary, a minimum rent will not be imposed for a period of up to 90 days from the date of the family's request. At the end of the temporary suspension period, a minimum rent will be imposed retroactively to the time of suspension.

DDHA will offer a repayment agreement to the family for any such rent not paid during the temporary hardship period. (See "Owner and Family Debts to DDHA" chapter for Repayment agreement policy).

F. Long-Term Duration Hardships

If DDHA determines that there is a qualifying long-term financial hardship, DDHA must exempt the family from the minimum rent requirements for as long as the hardship continues. The exemption from minimum rent shall apply from the first day of the month following the family's request for exemption.

G. Retroactive Determination

DDHA will reimburse the family for any minimum rent charges, which took effect after October 21, 1998 that qualified for one of the mandatory exceptions.

If the family is owed a retroactive payment, DDHA will offset the family's future rent contribution payments by the amount in which DDHA owes the family.

DDHA's definition of a cash refund is a check made out to the family.

6.8 DEFINITION OF TEMPORARILY/PERMANENTLY ABSENT

DDHA must compute all applicable income of every family member who is on the lease, including those who are temporarily absent. In addition, DDHA must count the income of the spouse or the head of the household if that person is temporarily absent, even if that person is not on the lease (example: head and spouse alleges their no longer together but does not show or have paperwork for legal separation).

"Temporarily absent" is defined as away from the unit for more than 30 days but less than 180.

Income of persons permanently absent will not be counted. If the spouse is temporarily absent and in the military, all military pay and allowances (except hazardous duty pay when exposed to hostile fire and any other exceptions to military pay HUD may define) is counted as income.

It is the responsibility of the head of household to report changes in family composition within ten (10) days from the date of the change. DDHA will evaluate absences from the unit using this policy.

A. Absence of Any Member

A Family member absent from the household for thirty (30) consecutive days in a given twelve (12) month period, and without prior notice to DDHA, will be considered permanently absent and the family rental assistance will be terminated except as otherwise provided in this Chapter.

This does not apply if the Family member is enrolled as a full-time student in an institution of higher learning, a member of the military, on a temporary job assignment, or caring for a sick family member.

B. Absence Due to Medical Reasons

If any family member leaves the household to enter a facility such as hospital, nursing home, or rehabilitation center for reasons other than drug or alcohol abuse, DDHA will seek advice from a reliable qualified source as to the likelihood and timing of their return.

If the verification indicates that the family member will be permanently confined to a nursing home, the family member will be considered permanently absent. If the verification indicates that the family member will return in less than **180** consecutive days, the family member will not be considered permanently absent.

If the person who is determined to be permanently absent is the sole member of the household, assistance will be terminated in accordance with DDHA's "Absence of Entire Family" policy.

C. Absence Due to Full-time Student Status

Full time students who attend school away from the home will be treated in the following manner: Temporarily absent from the household. All applicable income of the full-time student is to be included in the computation of the TTP. If the full time student move from the household and taken off the lease, they shall be considered permanently removed and the voucher size will be reduced accordingly at the end of the lease term.

If the move occurs within three (3) months of the end of the lease term. Otherwise, the reduction in subsidy size will occur within sixty (60) days of the removal, if the family is not in the first year of the lease.

D. Absence Due to Incarceration

If the sole member or member of the household is incarcerated for violent criminal activity or drug-related criminal activity the assistance will be terminated. Any member of the household, other than the sole member, will be considered permanently absent if he or she is incarcerated for drug-related or violent criminal activity.

-

If the incarceration is for than 30 days or more, DDHA will require the family to provide information relating to their incarceration, requested information may include but not be limited to police reports, warrants, incident reports and any other information pertinent to the cause for incarceration.

E. Absence of Children Due to Placement in Foster Care

If the family includes a child or children temporarily absent from the home due to placement in foster care, DDHA will determine from the appropriate agency when the child/children will be returned to the home.

If the time period is to be greater than 90 days from the date of removal of the child/children, the Voucher size will be reduced. If all children are removed from the home permanently, the voucher size will be reduced in accordance with DDHA's subsidy standards.

-

F. Absence of Entire Family

These policy guidelines address situations when the family is absent from the unit, but has not moved out of the unit. In cases where the family has moved out of the unit, DDHA will terminate assistance in accordance with appropriate termination procedures contained in this Plan.

Families are required both to notify DDHA before they move out of a unit and to give DDHA information about any family absence from the unit.

Families must notify DDHA at least 10 days before leaving the unit or no less than 14 days after leaving the unit if they are going to be absent from the unit for more than 30 consecutive days.

If the entire family is absent from the assisted unit for more than 30 consecutive days, the unit will be considered to be vacated and the assistance will be terminated.

If it is determined that the family is absent from the unit, DDHA will not continue assistance payments.

HUD regulations require DDHA to terminate assistance if the entire family is absent from the unit for a period of more than 180 consecutive calendar days.

"Absence" means that no family member is residing in the unit.

In order to determine if the family is absent from the unit, DDHA may:

- a. Write letters to the family at the unit
- b. Telephone the family at the unit
- c. Verify if utilities are in service
- d. Check with the post office
- e. Conduct HQS inspection

A person with a disability may request an extension of time as an accommodation, provided that the extension does not go beyond the HUD-allowed 180 consecutive calendar day's limit.

If the absence which resulted in termination of assistance was due to a person's disability, and the DDHA can verify that the person was unable to notify the PHA in accordance with the family's responsibilities, and if funding is available, DDHA may reinstate the family as an accommodation if requested by the family, as long as the period was within 180 days.

6.9 Caretaker for Children

If neither parent remains in the household and the appropriate agency has determined that another adult is to be brought into the assisted unit to care for the children for an indefinite period, DDHA will treat that adult as a guest for the first 90 days.

If by the end of that period, court-awarded custody or legal guardianship has been awarded to the caretaker, the Voucher will be transferred to the caretaker.

If the appropriate agency cannot confirm the guardianship status of the caretaker after the first 90 days and the agency or the Court cannot provide a reasonable estimate of time concerning custody of the children, the rental assistance to the unit will be terminated.

The caretaker will be allowed to remain in the unit, as a guest, until a final determination of custody is made.

When DDHA approves a person to reside in the unit as caretaker for the child/children, the income should be counted pending a final disposition. DDHA will work with the appropriate service agencies and the landlord to provide a smooth transition in these cases.

If a member of the household is subject to a court order that restricts him/her from the home for more than 30 consecutive days in a 12 month period months, the person will be considered permanently absent.

-
-

6.10 Visitors/Guest

Any person, adult or child, not included on the HUD 50058 who has been in the unit more than 30 consecutive days within a 12 month period without DDHA approval, will be considered to be living in the unit as an unauthorized household member.

Absence of evidence of any other address will be considered verification that the visitor is a member of the household.

Statements from the landlord will be considered in making the determination.

Use of the unit address as the visitor/guest's current residence for any purpose that is not explicitly temporary shall be construed as permanent residence.

The burden of proof that the individual is a visitor rests on the family. In the absence of such proof, the individual will be considered an unauthorized member of the household and DDHA will terminate assistance since prior approval was not requested for the addition.

Minors and college students who were part of the family but who now live away from home during the school year and are no longer on the lease may visit for up to 120 days per year without being considered a member of the household.

In a joint custody arrangement, if the minor is in the household less than 180 days per year, the minor will be considered to be an eligible visitor/guest and not a family member.

6.11 Reporting Additions to Owner and DDHA

Reporting changes in household composition to DDHA is both a HUD and a DDHA requirement. The family obligations require the family to request DDHA approval to add any other family member as an occupant of the unit and to inform DDHA of the birth, adoption or court-awarded custody of a child. The family must request prior approval of additional household members in writing.

If the family fails to do so, any person the family permits to occupy the unit will be considered to be an unauthorized person and the family rental assistance is subject to termination. If DDHA approve any new family member to be added, the income of the additional member will be included in the family income as applicable under HUD regulations.

In the event that a visitor/guest continues to reside in the unit after the maximum allowable time without DDHA approval is considered an unauthorized person and the family rental assistance is subject to termination.

Families are required to report any additions to the household in writing to DDHA within 10 days of the move-in date.

An interim reexamination will be conducted for any additions to the household.

In addition, the lease may require the family to obtain prior written approval from the owner when there are changes in family composition other than birth, adoption or court awarded custody.

6.12 Reporting Absences to DDHA

Reporting changes in household composition is both a HUD and a PHA requirement.

If a family member leaves the household, the family must report this change to DDHA, in writing, within 10 days of the change and certify as to whether the member is temporarily absent or permanently absent.

DDHA will conduct an interim evaluation for changes that affect the Total Tenant Payment in accordance with the interim policy.

6.13 AVERAGING INCOME

When annual income cannot be anticipated for a full twelve-month period and DDHA is unable to determine the annual income of the family, DDHA will:

- I. Average known sources of income that vary to compute an annual income, or
 - II. Annualize current income and conduct an interim reexamination if income changes,
- or
- III. Average the last three most current pay stubs to calculate annual income. Attempts will be made to obtain verification from the family's employer.

Upon written receipt of the true annual income for a Family, DDHA will conduct an interim reexamination to accurately reflect the family's annual income, and subsequent TTP/family share. Retroactive payments will be charged to the participant, if applicable.

If there are bonuses or overtime, which the employer cannot anticipate for the next twelve months, bonuses and overtime received the previous year will be used.

If, by averaging, an estimate can be made for those families whose income fluctuates from month to month, this estimate will be used so as to reduce the number of interim adjustments.

When no information is available, the previous year's income may be used to anticipate annual income for the current year. A copy of the previous year's W-2 and Tax Return will be required as proof.

The use of averaging provides DDHA with an estimate that is used to determine annual income in lieu of month-to-month changes being made in the HAP.

The method used depends on the regularity, source and type of income. In all circumstances, consistency is the key, regardless of the method used.

6.14 MINIMUM INCOME

There is no minimum income requirement. However, families who report zero income are required to complete a mandatory written certification, a budget evaluation interview and undergo an interim recertification every 30 days. Families that report zero income will be required to provide information regarding their means of basic subsistence, such as food, utilities, transportation, etc.

6.15 INCOME OF PERSON PERMANENTLY CONFINED TO NURSING HOME

When a member of the family, other than the Head of Household, is confined to the hospital or nursing home on a permanent basis, the Authorities will **exclude** the member's income from the household in the calculation of the Total Tenant Payment.

If the person is the Head of Household, and there is no Spouse, the assistance will be terminated.

If the person is the Head of Household and there is a spouse, the assistance will be transferred to the spouse as the remaining member of the household.

6.16 REGULAR CONTRIBUTIONS AND GIFTS

Regular contributions and gifts received from persons outside the household are counted as income for calculation of the Total Tenant Payment.

Any contribution or gift received every three months or more frequently will be considered a "regular" contribution or gift, unless the amount is less than \$100 per year. This includes rent and utility payments made on behalf of the family and other cash or non-cash contributions provided on a regular basis. It does not include casual contributions or sporadic gifts. (See "Verification Procedures" chapter for further definition.)

If the family's expenses exceed its known income, DDHA will inquire of the family regarding contributions and gifts.

Families cannot include family contributions and gifts as to determine their income eligibility for a unit under the 40% rent burden rule if the contributions have not been received by the family for at least the last five (5) consecutive months. This rule only applies at initial lease-up.

6.17 REGULAR CONTRIBUTION AND GIFTS AT INITIAL LEASE-UP

Families cannot report contribution income in order to qualify as being income eligible for the unit at initial lease-up. Contribution income will only be calculated if the family can verify that they have been receiving the contribution income for at least the last five consecutive months prior to lease-up. Verification must be in the form of cancelled checks, bank statements, copies of money orders, and a notarized statement/letter from the source. If the contribution income was received in the form of cash, the source must provide information that demonstrates their financial capacity to contribute to the assisted family household income.

6.18 ALIMONY AND CHILD SUPPORT

Regular alimony and child support payments are counted as income for calculation of Total Tenant Payment.

If the amount of child support or alimony received is less than the amount awarded by the court, DDHA will use the amount awarded by the court unless the family can verify that they are not receiving the full amount and verification of item(s) below are provided.

DDHA will accept verification that the family is receiving an amount less than the award if:

- DDHA receives verification from the agency responsible for enforcement or collection.
- The family furnishes documentation of child support or alimony collection action filed through a child support enforcement/collection agency, or has filed an enforcement or collection action through an attorney.
- It is the family's responsibility to supply a certified copy of the divorce decree.

6.19 LUMP-SUM RECEIPTS

Lump-sum additions to Family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses, are not included in annual income unless the lump-sum has been converted to an asset, at such time it will be included in annual income.

Lump-sum payments caused by delays in processing periodic payments (unemployment or welfare assistance) are counted as annual income. However, lump sum payments derived from a delay in Social Security or SSI benefits are excluded from the calculation of annual income, unless such payments are converted into an asset, at which time the payment will be calculated as an asset. Deferred periodic payments that have accumulated due to a dispute will be treated in the same manner as periodic payments.

Retroactive payments will be calculated from the date the rent should have been effective to the date of discovery. DDHA will determine the method of repayment, if any. If it is deemed that the amount of retroactive payment due was based on a misrepresentation by the Participating Family, the Authorities may elect to prosecute the family for fraud.

If it is proven that the family has committed fraud, the assistance will be terminated **immediately**, and the family given a Notice of Termination in compliance with the procedures as set forth in this Plan. The family will be entitled to an Informal Review of the proposed termination.

Only the amount that the family receives from a lump-sum payment is to be counted. The family's attorney fees may be deducted from lump-sum payments when computing annual income if the attorney's efforts have recovered a lump-sum compensation, and the recovery paid to the family does not include an additional amount in full satisfaction of the attorney fees.

6.20 CONTRIBUTIONS TO RETIREMENT FUNDS - ASSETS

Contributions to company retirement/pension funds are handled as follows:

I. While an individual is employed, count as assets only amounts the family can withdraw without retiring or terminating employment.

II. After retirement or termination of employment, count any amount the employee elects to receive as a lump sum.

6.21 ASSETS DISPOSED OF FOR LESS THAN FAIR MARKET VALUE

DDHA must count assets disposed of for less than fair market value during the two years preceding annual or interim reexamination. DDHA will count the difference between the market value and the actual payment received in calculating total assets.

Assets disposed of as a result of foreclosure or bankruptcy are not considered to be assets disposed of for less than fair market value. Assets disposed of as a result of a divorce or separation are not considered to be assets disposed of for less than fair market value.

DDHA's minimum threshold for counting assets disposed of for less than Fair Market value is \$5,000. If the total value of assets disposed of within a one-year period is less than \$5,000 they will not be considered an asset.

6.22 CHILD CARE EXPENSES

Child care expenses for children under 13 may be deducted from annual income if they enable an adult to work or attend school full time, or to actively seek employment.

In the case of a child attending private school, only after-hours care can be counted as child care expenses.

Child care expenses cannot be allowed as a deduction if there is an adult household member capable of caring for the child who can provide the child care. Examples of those adult members who would be considered unable to care for the child include:

- The abuser in a documented child abuse situation, or
- A person with disabilities or older person unable to take care of a small child, as verified by a reliable knowledgeable source.

DDHA's allowable deductions for child care expenses are based on the following guidelines:

- **Child care to work:** The maximum child care expense allowed must be less than the amount earned by the person enabled to work. The "person enabled to work" will be the adult member of the household who earns the least amount of income from working.

- **Child care for school:** The number of hours claimed for child care may not exceed the number of hours the family member is attending school, including reasonable travel time to and from school.
- **Amount of Expense:** The amount of childcare expense allowed must not exceed the annual income of the family. If DDHA deems the amount of child care expense claimed to be excessive, a survey will be taken of comparable child care facilities to obtain their rates, and the amount used for the child care expense will be an average of those surveyed.

6.23 MEDICAL EXPENSES

Medical expenses will be deducted only if the family's Head, or Spouse, has been determined to be "Elderly" or "Disabled" as defined in the Glossary of this Plan. If the Head, or Spouse is elderly or disabled, then all eligible medical expenses for the household are to be considered in the computation of medical expenses. If the family's Head, or Spouse, is not elderly or disabled, but has an Elderly or Disabled family member, there will be no deductions made for medical expenses.

Those necessary medical expenses, including medical insurance premiums, that are anticipated during the period for which annual income is computed, and that are not covered by insurance will be deducted over three percent (3%) of annual income.

Non-traditional medical services will be treated on a case-by-case basis.

Nonprescription medicines must be doctor-recommended in order to be considered a medical expense.

6.24 PRORATION OF ASSISTANCE FOR "MIXED" FAMILIES

Applicability

Proration of assistance must be offered to any "mixed" applicant or participant family. A "mixed" family is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible members.

Prorated Assistance Calculation

Prorated assistance is calculated by determining the amount of assistance payable if all family members were eligible and multiplying by the percent of the family members who actually are eligible. Calculations for each housing program are performed on the HUD 50058 form.

6.25 REDUCTION IN BENEFITS

If the family's benefits, such as Social Security, SSI or AFDC, are reduced through no fault of the family, the Authorities will use the net amount of the benefit.

If the family's benefits were reduced due to family error, omission, or misrepresentations, the Authorities will use the gross amount of the benefit.

6.26 UTILITY ALLOWANCE AND UTILITY REIMBURSEMENT PAYMENTS

The same Utility Allowance Schedule is used for all tenant-based programs.

The utility allowance is intended to cover the cost of utilities not included in the rent. The allowance is based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. Allowances are not based on an individual family's actual energy consumption.

The utility allowance schedule is computed based on the unit size and subtracted from the total tenant payment to establish the family's rental amount that is paid to the owner.

DDHA's utility allowance schedule, and the utility allowance for an individual family, must include the utilities and services that are necessary in the locality to provide housing that complies with the housing quality standards.

DDHA may not provide any allowance for non-essential utility costs, such as costs of cable or satellite television.

DDHA must classify utilities in the utility allowance schedule according to the following general categories: space heating, air conditioning, cooking, water heating, water, sewer, trash collection; other electric, refrigerator (for tenant supplied refrigerator), range (cost of tenant-supplied range); and other specified services.

An allowance for tenant-paid air conditioning will be provided in those cases where the majority of housing units in the market have central air conditioning or are wired for tenant installed air conditioners.

DDHA will review the utility allowance schedule annually. If the review finds a utility rate has changed by 10 percent or more since the last revision of the utility allowance schedule, the schedule will be revised to reflect the new rate. Revised utility allowances will be applied in a family's rent calculation at their next reexamination.

The approved utility allowance schedule is given to families along with their Voucher. The utility allowance is based on the actual unit size selected.

Where families provide their own range and refrigerator, DDHA will establish an allowance adequate for the family to purchase or rent a range or refrigerator, even if the family already owns either appliance. Allowances for ranges and refrigerators will be based on the lesser of the cost of leasing or purchasing the appropriate appliance over a two-year period.

Where the calculation on the HUD 50058 results in a utility reimbursement payment due the family, DDHA will provide a utility reimbursement payment directly to the family each month.

Chapter 7

7.0 Verification procedures

7.1 INTRODUCTION

HUD regulations require that Decatur/DeKalb Housing Authorities (DDHA) verify the factors of eligibility and Total Tenant Payment/Family Share. DDHA staff will obtain written verification from independent sources whenever possible and will document tenant files whenever third party verifications are not possible as to why third party verification was impossible to obtain.

Applicants and program participants must provide true and complete information to DDHA whenever information is requested. DDHA's verification requirements are designed to maintain program integrity. This chapter explains DDHA's procedures and standards for verification of preferences, income, assets, allowable deductions, family status, and changes in family composition.

DDHA will obtain proper authorization from the family before requesting information from independent sources. The verification must be completed and returned by the third party. The third party will be given two (2) weeks to return the completed verification and authorization to DDHA.

7.2 METHODS OF VERIFICATION AND TIME ALLOWED

DDHA will verify information through the four methods of verification acceptable to HUD in the following order:

1. Third-Party Written
2. Third-Party Oral
3. Review of Documents
4. Certification/Self-Declaration

For applicants, verifications may not be more than 60 days old at the time of Voucher issuance. For participants, they are valid for 120 days from date of receipt.

7.3 Third-Party Written Verification

Third-party verification is used to verify information directly with the source. Third-party written verification forms will be sent and returned via first class mail. The family will be required to sign an authorization for the information source to release the specified information.

Verifications received electronically directly from the source are considered third party written verifications.

DDHA will deem the following information as written third party verification, if the information is on the letterhead of the verifying source or computer generated from the verifying source. In any event, if there is a question as to the authenticity of the document presented, DDHA reserve the right to call the third party source for oral verification of the document submitted.

DDHA will accept verifications in the form of computerized printouts delivered by the family from the following agencies:

- Social Security Administration
- Veterans Administration
- Welfare Assistance (Family and Children Services)
- Child Support Enforcement
- Unemployment Compensation Office
- City or County Courts
- PoliceDepartment
- E-mail or Facsimile Transmission Directly to the Authority will also be accepted as third party verification.

Hand-carried documentation will be accepted if DDHA has been unable to obtain third party verification in a four (4) week period of time. Photocopies of the documents provided by the family will be maintained in the file.

If DDHA is unable to obtain third party verification, reasons for failure to obtain written third party verification shall be documented in the file.

7.4 Third-Party Oral Verification

Oral third-party verification will be used when written third-party verification is delayed or not possible. When third-party oral verification is used, staff will be required to complete a telephone verification form, noting with whom they spoke, the date of the conversation, and the facts provided. If

oral third party verification is not available, DDHA will compare the information to any documents provided by the Family. If provided by telephone, DDHA must originate the call.

7.5 Review of Documents

In the event that third-party written or oral verification is unavailable, or the third party has not verified the information within four (4) weeks, DDHA will annotate the file accordingly and utilize documents provided by the family as the primary source if the documents provide complete information.

All such documents, excluding government checks, will be photocopied and retained in the applicant file. In cases where documents are viewed which cannot be photocopied, staff viewing the document(s) will note in the file certifying that they have viewed the document.

DDPHA will accept the following documents from the family provided that the document is such that tampering would be easily noted:

- Most recent and/or last four (4) Printed wage stubs
- Computer printouts from the employer
- Signed letters (provided that the information is confirmed by phone)
- Previous Year's Tax Returns
- Other documents noted in this Chapter as acceptable verification

If third-party verification is received after documents have been accepted as provisional verification, and there is a discrepancy, DDHA will utilize the third party verification.

Information requested by DDHA must be in its original format. Photocopies of original documents will not be accepted. Additionally, information requested by DDHA for their use will not be made available to family for use by other agencies.

Written third party verification is the required form of verification. Use of other forms of verification will be voided if written third party verification is received after utilizing other verification formats. Any discrepancies between the two (2) verification formats that result in an increase in TTP will be adjusted in favor of the written third party verification. The increase will be effective without benefit of a thirty 30 days notice.

Use of the other forms of verification should only be used to avoid a delay in the processing of an initial certification or annual reexamination. The family will not be terminated from participation in the Section 8 program due to a failure to provide the required documentation from a third party.

7.6 Self-Certification/Self-Declaration

When verification cannot be made by third-party verification or review of documents, families will be required to submit a self-certification. Self-certification means a notarized statement/affidavit/certification/statement under penalty of perjury and must be witnessed.

7.7 RELEASE OF INFORMATION

All adult family members will be required to sign the HUD Form 9886, Authorization for Release of Information/Privacy Act form for information needed to complete the reexamination process.

In addition, family members will be required to sign specific authorization forms when information is needed that is not covered by the HUD form 9886, Authorization for Release of Information/Privacy Act Notice.

All adult family members 18 years of age or older, will be required to sign the HUD Form 9886, Authorization for Release of Information in the presence of a DDHA's staff person. Therefore, their attendance is mandatory at the initial certification and all annual recertifications.

Family refusal to cooperate with the HUD prescribed verification system will result in denial of admission or termination of assistance because it is a family obligation to supply any information and to sign consent forms requested by DDHA or HUD.

7.8 COMPUTER MATCHING

DDHA and/or HUD will use computer matching as a means of verifying information with State or local agencies as permitted by law and/or regulations.

DDHA will utilize the HUD established computer-based Tenant Eligibility Verification System (TEVS) tool for obtaining social security benefits, Supplemental Security Income, benefit history and tenant income discrepancy reports from the Social Security Administration

When computer matching results in a discrepancy with information in DDHA records, DDHA will follow up with the family and verification sources to resolve this discrepancy. If the family has unreported or underreported income, DDHA will follow the procedures in this Administrative Plan.

When the family furnishes DDHA with a letter or notice from HUD concerning the amount or verification of income, DDHA will verify the accuracy of income information contained in the notice and will, as it deems appropriate,

- Change the amount of total tenant payment, family rent to owner and housing assistance payment, set-up repayment agreement or terminate assistance.

-
-
-
-
-

7.9 ITEMS TO BE VERIFIED

- All income not specifically excluded by the regulations.
- Zero-income status of household
- Full-time student status including High School students who are 18 or over.
- Current assets including assets disposed of for less than fair market value in preceding two years.
- Child care expense where it allows an adult family member to be employed or to further his/her education.
- Total medical expenses of all family members in households whose head or spouse is elderly or disabled.
- Disability assistance expenses to include only those costs associated with attendant care or auxiliary apparatus for a disabled member of the family, which allow an *adult* family member to be employed.
- Disability for determination of preferences, allowances or deductions.
- U.S. citizenship/eligible immigrant status and the identity of non-citizens.
- Social security numbers for all family members over 6 years of age or older who have been issued a social security number.
- Proof of Preference claimed, if applicable.
- Familial/Marital status when needed for head or spouse definition.
- Verification of Reduction in Benefits for Noncompliance:

DDHA will obtain written verification from the welfare agency stating that the family's benefits have reduced for fraud or noncompliance before denying the family's request for rent reduction.

7.10 VERIFICATION OF INCOME

This section defines the methods DDHA will use to verify various types of income.

Employment Income

Verification forms request the employer to specify the:

- Dates of employment
- Amount and frequency of pay
- Date of the last pay increase
- Likelihood of change of employment status and effective date of any known salary increase during the next 12 months
- Year to date earnings
- Estimated income from overtime, tips, bonus pay expected during next 12 months

In addition, DDHA will verify the employment history of the family member through the State Department of labor, request IRS information on previous and current tax year, the Child Welfare agency and the Office of Child Support Enforcement.

DDHA will run a credit report if information is received that indicates the family has an unreported income source.

7.19 Full-time Student Status

Financial aid, scholarships and grants received by full time students are not counted towards family income.

Verification of full time student status includes:

- Written verification from the registrar's office or other school official authorized to verify such information.

Third party verification will be obtained wherever possible.

7.22 VERIFICATION OF ALLOWABLE DEDUCTIONS FROM INCOME

A. Child Care Expenses

Written verification from the person who receives the payments is required. If the child care provider is an individual, s/he must provide a statement of the amount they are charging the family for their services.

Verifications must specify the child care provider's name, address, telephone number, the names of the children cared for, the number of hours the child care occurs, the rate of pay, and the typical yearly amount paid, including school and vacation periods.

Family's certification as to whether any of those payments have been or will be paid or reimbursed by outside sources.

B. Medical Expenses

Families who claim medical expenses will be required to submit a certification as to whether or not any expense payments have been, or will be, reimbursed by an outside source. All expense claims will be verified by one or more of the methods listed below:

1. Written verification by a doctor, hospital or clinic personnel, dentist, pharmacist, of (a) the anticipated medical costs to be incurred by the family and regular payments due on medical bills; and (b) extent to which those expenses will be reimbursed by insurance or a government agency.
2. Written confirmation by the insurance company or employer of health insurance premiums to be paid by the family.
3. Written confirmation from the Social Security Administration of Medicare premiums to be paid by the family over the next 12 months. A computer printout will be accepted.

-

C. Attendant Care Assistance

A reliable, knowledgeable professional's certification that the assistance of an attendant is necessary as a medical expense and a projection of the number of hours the care is needed for calculation purposes.

Attendant's written confirmation of hours of care provided and amount and frequency of payments received from the family or agency (or copies of canceled checks the family used to make those payments) or stubs from the agency providing the services.

Receipts, canceled checks, or pay stubs that verify medical costs and insurance expenses likely to be incurred in the next 12 months.

Copies of payment agreements or most recent invoice that verify payments made on outstanding medical bills that will continue over all or part of the next 12 months.

Receipts or other record of medical expenses incurred during the past 12 months that can be used to anticipate future medical expenses. DDHA may use this approach for "general medical expenses" such

as non-prescription drugs and regular visits to doctors or dentists, but not for one time, nonrecurring expenses from the previous year.

DDHA will use mileage at the standard rate approved by IRS, or cab, bus fare, or other public transportation cost for verification of the cost of transportation directly related to medical treatment.

D. Assistance to Persons with Disabilities

In all cases, persons with Disabilities who require assistance must comply with all of the criteria listed below to verify the need as an expense:

- Written certification from a reliable, knowledgeable professional that the person with disabilities requires the services of an attendant and/or the use of auxiliary apparatus to permit him/her to be employed or to function sufficiently independently to enable another family member to be employed.
- Family's certification as to whether they receive reimbursement for any of the expenses of disability assistance and the amount of any reimbursement received.

In the case of Attendant Care, the following criteria will be needed as verification of the expense:

- Attendant's written certification of amount received from the family, frequency of receipt, and hours of care provided.
- Certification of family and attendant and/or copies of canceled checks family used to make payments.

In the case of a family who uses auxiliary apparatus, the following criteria will be needed as verification:

Receipts for purchases or proof of monthly payments and maintenance expenses for auxiliary apparatus.

In the case where the person with disabilities is employed, a statement from the employer that the auxiliary apparatus is necessary for employment.

7.23 VERIFYING NON-FINANCIAL FACTORS

A. Verification of Legal Identity

In order to prevent program abuse, the PHA will require applicants to furnish verification of legal identity for all family members.

Verification of divorce status will be a certified copy of the divorce decree, signed by a Court Officer.

Verification of a separation may be a copy of court-ordered maintenance or other records.

Verification of marriage status is a marriage certificate.

Effective January 1, 1997, Common-law marriages are no longer recognized as a legitimate marriage in Georgia. Common-law marriages that existed prior to the effective date of the law and can be proven as such will be honored.

C. Familial Relationships

DDHA recognizes as family, those persons who are related by kinship or adoption. To verify kinship, a notarized statement from a third party who has known the family for a minimum of two (2) years. To verify adoption, the family must submit a copy of the adoption papers, or if in process, a statement from the Child Welfare agency or DDHA who is handling the adoption.

D. Verification of Permanent Absence of Family Member

If an adult member who was formerly a member of the household is reported permanently absent by the family, the PHA will consider any of the following as verification:

A copy of the divorce action instituted by the husband or wife.

A copy of the legal separation instituted by the husband or wife..

Order of protection/restraining order obtained by one family member against another.

Proof of another home address, such as utility bills, canceled checks for rent, drivers license, or lease or rental agreement, if available.

Statements from other agencies such as social services or a written statement from the landlord or manager that the adult family member is no longer living at that location.

If the adult family member is incarcerated, a document from the Court or correctional facility should be obtained stating how long they will be incarcerated. If the incarceration is due to felony criminated activity or drug-related criminal activity, the assistance will be terminated.

If no other proof can be provided, DDHA will accept a notarized statement, under penalty of perjury from the family.

7.23 Verification of Citizenship/Eligible Immigrant Status

To be eligible for assistance, individuals must be U.S. citizens or eligible immigrants. Individuals who are neither may elect not to contend their status. Eligible immigrants must fall into one of the categories specified by the regulations and must have their status verified by Immigration and Naturalization Service (INS). Each family member must declare their status once. Assistance cannot be

delayed, denied, or terminated while verification of status is pending except that assistance to applicants may be delayed while the PHA hearing is pending.

Citizens or Nationals of the United States are required to sign a declaration under penalty of perjury.

DDHA will require citizens to provide documentation of citizenship.

Acceptable documentation will include at least one of the following original documents:

- United States birth certificate
- United States passport
- Resident alien/registration card
- Social security card
- Other appropriate documentation as determined by the PHA

A. **Eligible Immigrants who were Participants and 62 or over on June 19, 1995,** are required to sign a declaration of eligible immigration status and provide proof of age.

B. **Non-citizens with eligible immigration status** must sign a declaration of status and verification consent form and provide their original immigration documents which are copied front and back and returned to the family. The PHA verifies the status through the INS SAVE system. If this primary verification fails to verify status, the PHA must request within ten days that the INS conduct a manual search.

C. **Ineligible family members** who do not claim to be citizens or eligible immigrants must be listed on a statement of ineligible family members signed by the head of household or spouse.

D. **Non-citizen students on student visas** are ineligible members even though they are in the country lawfully. They must provide their student visa but their status will not be verified and they do not sign a declaration but are listed on the statement of ineligible members.

E. **Failure to Provide.** If an applicant or participant family member fails to sign required declarations and consent forms or provide documents, as required, they must be listed as an ineligible member. If the entire family fails to provide and sign as required, the family may be denied or terminated for failure to provide required information.

F. Time of Verification For applicants, verification of U.S. citizenship/eligible immigrant status occurs at the same time as verification of other factors of eligibility for final eligibility determination at the time of initial application. For participants, it is done at the first regular recertification after June 19, 1995. For family members added after other members have verified, the verification occurs at the first recertification after the new member moves in. Once verification has been completed for any covered program, it need not be repeated except that in the case of portability coming into the jurisdiction, if the DDHA does not supply the documents, these Authorities must conduct the determination.

DDHA will not provide assistance to any family prior to the affirmative establishment and verification of the eligibility of the individual or at least one member of the family.

DDHA will verify the U.S. citizenship/eligible immigration status of all participants no later than the date of the family's first annual reexamination following the enactment of the Quality Housing and Work Responsibility Act of 1998.

Once verification has been completed for any covered program, it need not be repeated except that, in the case of port-in families, if the initial PHA does not supply the documents, DDHA must conduct the determination.

G. Extensions of Time to Provide Documents Extensions must be given for persons who declare their eligible immigration status but need time to obtain the required documents. The length of the extension shall be based on individual circumstances. DDHA will generally allow up to 30 days to provide the documents or a receipt issued by the INS for issuance of replacement documents.

H. Acceptable Documents of Eligible Immigration The regulations stipulate that only the following documents are acceptable unless changes are published in the Federal Register.

- Arrival-Departure Record (I-94)
- Temporary Resident Card (I-688)
- Employment Authorization Card (I-688B)
- Receipt issued by the INS for issuance of replacement of any of the above documents that shows individual's entitlement has been verified

A birth certificate is not acceptable verification of status. All documents in connection with U.S. citizenship/eligible immigrant status must be kept for five (5) years.

DDHA will verify the eligibility of a family member at any time such eligibility is in question, without regard to the position of the family on the waiting list.

If DDHA determines that a family member has knowingly permitted another individual who is not eligible for assistance to reside permanently in the family's unit, the family's assistance will be terminated for 24 months, unless the ineligible individual has already been considered in prorating the family's assistance.

7.25 Verification of Social Security Numbers

Social security numbers must be provided as a condition of eligibility for all family members age six and over if they have been issued a number. Verification of social security numbers will be done through a social security card issued by the Social Security Administration. If a family member cannot produce a social security card, only the documents listed below showing his or her social security number may be used for verification. The family is also required to certify in writing that one of the following document(s) listed below are submitted in lieu of the social security card information provided is/are complete and accurate under penalty of perjury:

Family members ages six and older will be required to produce their social security card or provide the substitute documentation described above together with their notarized statement that the substitute information provided is complete and accurate. This information is to be provided at the time the change in family composition is reported to DDHA.

If an applicant or participant is able to disclose the social security number but cannot meet the documentation requirements, the applicant or participant must sign a certification to that effect provided by DDHA. The applicant/participant or family member will have an additional 30 days to provide proof of the social security number. If they fail to provide this documentation, the family's assistance will be terminated.

In the case of an individual at least 62 years of age, the PHA may grant an extension for an additional 60 days to a total of 120 days. If, at the end of this time, the elderly individual has not provided documentation, the family's assistance will be terminated.

If the family member states they have not been issued a number, the family member will be required to sign a certification to this effect.

7.26 Medical Need for Larger Unit

A written certification that a larger unit is necessary must be obtained from a reliable, knowledgeable professional before a voucher for a larger unit will be issued.

Chapter 8

8.0 VOUCHER ISSUANCE AND BRIEFINGS

8.1 INTRODUCTION

The Decatur/Dekalb Housing Authority' (DDHA) goals and objectives are designed to ensure that families selected to participate in the Section 8 program are equipped with the tools that are necessary to locate an acceptable housing unit for the program. Families that are selected to participate in the Section 8 Program are provided with the necessary information to assist them in locating housing that is decent, sanitary, and acceptable and meets the requirements of the Section 8 Program. Information regarding the Section 8 Program is given to the family by DDHA staff and families are briefed on how to achieve maximum program benefits while complying with the HUD and DDHA program requirements.

When a family's eligibility has been determined, DDHA will conduct a mandatory briefing to ensure that families know how the Section 8 Program works. The briefing will provide a broad description of owner and family responsibilities, DDHA procedures, and how to lease a unit.

The family will also receive a briefing packet, which provides more detailed information about the program including the benefits of moving outside areas of poverty and minority concentration. This chapter describes how briefings will be conducted, the information that will be provided to families, and the policies for how changes in the family composition will be handled.

8.2 ISSUANCE OF VOUCHERS

When funding is available, all of the family information has been verified, their eligibility has been approved, their subsidy calculated, and they have attended the family briefing, DDHA will issue the family a voucher. At this point the family begins their search for a unit.

A system will be maintained to ensure that it will be able to fund all outstanding vouchers within its ACC authorization.

The number of vouchers issued must ensure that DDHA stay as close as possible to 100% lease-up. This is accomplished by a monthly review of the number of units under lease. If the lease-up schedule is less than 100% or anticipated to drop below 100% in the near future, applicants will be selected from the waiting list and processed so that vouchers may be issued to obtain and maintain 100% lease-up.

DDHA may over-issue (issue more vouchers than the budget authorize to achieve lease-up) vouchers only to the extent needed to meet leasing objectives. All vouchers that are over-issued must be acknowledged. If DDHA find it is over-leased, it must rectify future issuance of vouchers in order not to exceed the ACC budget limitations over the fiscal year.

8.3 BRIEFING SESSIONS

All briefings will cover at least the following program subject requirements:

- A. A description of how the program works;
- B. Family and owner responsibilities;
- C. Where a family may lease a unit, including renting a dwelling unit inside or outside DDHA's jurisdiction;
- D. DDHA's explanation of how portability works to families who are eligible;
- E. If the family is currently living in a high poverty census tract in DDHA's jurisdiction, the briefing will explain the advantages of moving to area that does not have a high concentration of poor families;
- F. Types of eligible housing;
- G. How family rent is calculated and rental shares determined;
- H. Explanation that the family share of rent may not exceed 40 % of the family's monthly adjusted income if the gross rent exceeds the applicable payment standard.

8.4 BRIEFING TYPES AND REQUIRED ATTENDANCE

A. Initial Applicant Briefing

A full HUD-required oral briefing done in English will be conducted for applicant families who are determined to be eligible for assistance. Prior to the briefing, the family must attend a scheduled appointment to update their family composition and income information on their application. At that time, the family will be notified in writing of the date, time and location of their briefing session.

If a family fails to attend the briefing, their application will be withdrawn from the waiting list. The family will be notified in writing of said action and afforded an opportunity for an Informal Review. Reasonable accommodations for special assistance will be provided upon request from the family needing such services.

Accommodations for the hearing impaired will be made available, upon request, and in advance of the scheduled briefing. The briefings will be conducted either in groups or the family will be briefed individually whichever method DDHA deems appropriate.

The purpose of the briefing session is to fully explain the documents contained in the voucher holder's briefing packet concerning the requirements of the Section 8 Program. In so doing, the family will be able to take full advantage of the Section 8 Program and will have the information necessary to deal effectively with potential Landlords.

Attendance at the briefing session is mandatory. No voucher will be issued to a family if the head(s) of household does not attend their scheduled briefing and the head(s) of household does not sign the voucher. Families who fail to attend the scheduled briefing, without **prior** notification and approval from DDHA, will be denied assistance based on the failure to supply the required information. Families who provide prior notice of inability to attend a briefing will be scheduled for the next available briefing. Whenever necessary, DDHA will also conduct individual briefings upon request by the family, if required for reasonable accommodation of a special need.

B. Move Briefing

Families who request to move at the end of their lease term, and have given their Owner/Landlord and DDHA a “Intent to Vacate Form” or letter, as required by the Section 8 Program or have been notified by the Owner/Landlord of their intent not to renew their lease, will be updated and issued a new voucher. The family must attend a scheduled briefing. DDHA may require the family to attend a group briefing or individual briefing.

Incoming and outgoing portable families will be required to attend the initial applicant briefing. If the family current information is more than 120 days old, the families must attend a scheduled appointment to update their family composition and income information, and if required, attend a briefing session before a voucher is issued to the family.

8.5 Briefing Packet Information

The documents and information provided in the briefing packet for the voucher program will comply with all HUD requirements. DDHA also includes other helpful information and material in the briefing packet to assist the family that HUD does not require.

DDHA will conduct monthly briefing sessions for prospective, new and current owners

Who have expressed an interest in leasing their property under the Section 8 Program. The purpose of the briefing session is to acquaint the prospective Owners/Landlords about the overall purpose and operation of the Section 8 Program and what their responsibilities would be should they decide to participate and the briefing further explains the roles and responsibilities of the owner, the family and DDHA in this three party partnership.

Existing Owners/Landlords who wish to attend a session for clarification on certain issues are invited to do so.

8.7 ENCOURAGING PARTICIPATION IN AREAS WITHOUT LOW INCOME OR MINORITY CONCENTRATION

At the briefing, families are encouraged to search for housing in non-impacted areas and the DDHA will provide assistance to families who wish to do so.

DDHA has areas of poverty and minority concentration clearly delineated in order to provide families with information and encouragement in seeking housing opportunities outside highly concentrated areas.

DDHA has maps and/or information that show various areas and information about facilities and services in neighboring areas such as schools, transportation, and supportive and social services.

DDHA will investigate and analyze when voucher holders are experiencing difficulties locating or obtaining housing units outside areas of concentration.

The assistance provided to such families may includes:

- Providing families with a search record form to gather and record information.
- Direct contact with landlords.
- Counseling with the family.
- Providing information about services in various non-impacted areas.
- Meeting with neighborhood groups to promote understanding.
- Formal or informal discussions with landlord groups
- Formal or informal discussions with social service agencies
- Meeting with rental referral companies or agencies
- Meeting with fair housing groups or agencies

8.8 ASSISTANCE TO FAMILIES WHO CLAIM DISCRIMINATION

DDHA will give participants a copy of HUD Form 903 to file a complaint.

8.9 SECURITY DEPOSIT REQUIREMENTS

Leases Effective Prior to October 2, 1995

The amount of Security Deposit, which could have been collected by owners under contracts effective prior to October 2, 1995, is:

Leases that were effective prior to October 2, 1995, limited the amount of Security Deposit that an Owner/Landlord could charge a participant under the Section 8 Program to an amount that would not exceed one month's Total Tenant Payment or \$50.00, whichever was greater for certificate and voucher holders. However, this amount shall not exceed the maximum amount allowable under State or Local Law. For units leased in place, Security Deposits in excess of the maximum amount do not have to be refunded if it was collected prior to the execution of a contract. Security Deposits are refunded when the participating family vacates the unit subject to the lease terms.

Leases Effective on or after October 2, 1995

Leases that were effective on or after October 2, 1995, permit the Owner/Landlord to charge a Security Deposit that is equal to the amount the Owner/Landlord charges their non-assisted tenants. In the case of a single family dwelling, this amount should not exceed two **(2)** months rent. In any event, the Owner/Landlord may not charge a Security Deposit that does not comply with state and local law. Owner/landlord of currently assisted units must execute a new HAP contract and revised lease at the end of the current lease term to come into compliance with the new regulations governing security deposits.

8.10 TERM OF VOUCHER

During the briefing session, each household will be issued a voucher, which represents a contractual agreement between DDHA and the Family specifying the rights and responsibilities of each party. It does not constitute admission to the program, which occurs when the lease and contract become effective.

The voucher is valid for a period of 120 calendar days from the date of issuance. The family must submit a Request for Approval of the Tenancy and Lease within the 120-day period unless an extension has been granted by DDHA.

8.11 Expirations

If the voucher has expired, and has not been extended by DDHA or expires after an extension, the family will be denied assistance. The family will not be entitled to a review or hearing. If the family is currently assisted, they may remain as a participant in their unit if there is an assisted lease/contract in effect.

Participating Families, who have requested a transfer and the Certificate or Voucher issued expires, may remain in their current unit and continue to receive assistance, **if** there is a Lease/Contract in effect. If a Participating Family moves from the assisted unit and the Certificates or Voucher expires, the Family will be sent a proposed termination letter and given an opportunity to request a hearing.

8.12 Suspension OF Voucher

At the submission of a Request for Tenancy Approval, the time running on a voucher is suspended while awaiting the results of the HQS Inspection. If the Owner/Landlord fails or refuses to make the repairs needed for the unit to pass Inspection within the time frame prescribed, then the participating family will receive a new Security Deposit form to resume their search for a unit. The time remaining on the initial, or extended, voucher will resume from that point.

8.13 Extensions

DDHA will extend the term up to 60 days from the beginning of the initial term of the voucher if the family needs and request an extension as a reasonable accommodation to make the program accessible to and usable by a family member with a disability. Under no circumstances will DDHA extend a voucher beyond 60 days of the initial term, unless the family needs an extension as a reasonable accommodation.

A family must request a written request for an extension of the voucher time period. All requests for extensions must be received prior to the expiration date of the voucher.

Extensions are permissible at the discretion of DDHA up to a maximum of an additional 60 days primarily for these reasons:

I. Extenuating circumstances such as hospitalization or a family emergency for an extended period of time, which has affected the family's ability to find a unit within the initial 120-day search period. Written verification will be required from the source.

II. The family was prevented from finding a unit due to disability accessibility requirements (needing an accessible unit). The family must be elderly or person with a disability and your health or disability caused the delay in your search time. The Search Record log and Doctors' notes is the required verification.

III. You are a hard-to-house family based on your family composition and you need a large size unit. Hard-to-house means you are a family with three (3) or more children under the age of 18 that will be living in the unit with you.

DDHA extends in 30-days increments. Unless approved by the Housing Assistance Director, no more than 2 extensions of 30 days or less will be granted and never for a total of more than an additional sixty days, except for reasonable accommodations on a case-by-case situation.

8.14 Assistance to Voucher Holders

At the family's request, additional assistance during their search may be provided by DDHA. The must call DDHA Office to request this assistance. Voucher holders will be notified at their briefing session that DDHA periodically updates the listing of available units and how the updated list may be obtained.

If requested, DDHA will assist families with rental negotiations with owners.

After the first 60 days of the search, the family is required to maintain a search record and report to DDHA every 30 days.

8.15 VOUCHER ISSUANCE DETERMINATION FOR SPLIT HOUSEHOLDS

In those instances when a family assisted under the Section 8 program becomes divided into two otherwise eligible families due to divorce, legal separation, or the division of the family, and the new families cannot agree as to which new family unit should continue to receive the assistance, and there is no determination by a court, at it's sole discretion, DDHA shall consider the following factors to determine which of the families will continue to be assisted:

- A. Which of the two new family units has custody of dependent children.
- B. Which family member was the head of household when the voucher was initially issued (listed on the initial application).
- C. The composition of the new family units, and which unit contains elderly or disabled members.
- D. Whether domestic violence was involved in the breakup.
- E. Which family members remain in the unit.
- F. Recommendations of social service professionals.

Documentation of these factors will be the responsibility of the requesting parties. If documentation is not provided, DDHA will terminate assistance on the basis of failure to provide information necessary for a recertification.

The above listing is intended to be a guide, but not all inclusive of the information that will be considered by DDHA in making the determination. In any case, the party requesting that he or she receive the assistance will be responsible for supplying DDHA with the supporting documentation to support their claim/request **within five (10) days** from the date of the request. If documentation is not provided within the time frame required, DDHA will terminate the assistance based on a failure to provide information necessary for a recertification.

Where the breakup of the family also results in a reduction of the size of the voucher, the family will be required to move to a smaller unit if the current Owner/Landlord is unwilling to accept the rent level of the smaller sized voucher.

DDHA will be bound by any Court-ordered decree regarding the disposition of the property between members of an assisted Family.

8.16 REMAINING MEMBER OF TENANT FAMILY - RETENTION OF VOUCHER

In the event that the head(s) of household is no longer a member of the family's household, the assistance will transfer to the responsible adult who remains in the household. To qualify as the remaining member of the Tenant family, the responsible adult must have been an approved member of the household, and on the Lease, at the time. When only minors are left in the family they will not be considered as the remaining member of the family and will not be allowed to retain the assistance.

Live-in attendants, by definition, are not a member of the family and are not considered as a remaining member of the family.

Any changes in the family composition of the household may require a reduction in voucher size. In such an occurrence, the participating family agrees to accept the reduction. If the reduction necessitates a move, then the participating family will be required to move at the end of the lease term of the existing unit. If the family is not within the first year of the lease, the family will be required to transfer, after giving a thirty- (30) day notice to the Landlord.

Chapter 9

9.0 REQUEST FOR APPROVAL OF TENANCY AND CONTRACT EXECUTION

-

9.1 INTRODUCTION

The Decatur/DeKalb Housing Authority's (DDHA) program operations are designed to utilize available resources in a manner that is efficient and provides eligible families timely assistance based on the number of units that have been budgeted. DDHA's objectives include maximizing HUD funds by providing assistance to as many eligible families and for as many eligible units as the budget will allow.

After families are issued a voucher, they may search for a unit anywhere within the jurisdiction of DDHA, or outside of DDHA's jurisdiction if they qualify for portability. The family must find an eligible unit under the program rules, with an owner/landlord who is willing to enter into a Housing Assistance Payments Contract with DDHA. This chapter defines the types of eligible housing, DDHA's policies which pertain to initial inspections, lease requirements, owner disapproval, and the processing of Requests For Approval of Tenancy (RFAT).

-

9.2 REQUEST FOR APPROVAL OF TENANCY

The Request for Approval of Tenancy (RFAT) and a copy of the proposed lease, including the HUD prescribed tenancy addendum, must be submitted by the family during the term of the voucher. The family must submit the Request for Approval of Tenancy in the form and manner required by DDHA.

Both the owner and the family head of household must sign the Request for Approval of Tenancy. DDHA will not permit the family to submit more than one RFAT at a time.

DDHA will review the proposed lease and the Request for Approval of Tenancy documents to determine whether or not they are approvable. The request will be approved if:

1. The unit is an eligible type of housing
2. The unit meets HUD's Housing Quality Standards (and any additional criteria as identified in this Administrative Plan)
3. The rent is reasonable
4. The security deposit is approvable in accordance with any limitations in this plan.

5. The proposed lease complies with HUD and PHA requirements (See "Lease Review" section below).

The owner is approvable, and there are no conflicts of interest (See "Owner Disapproval" section below). In addition to the above, at the time a family initially receives assistance in a unit (new admissions and moves), if the gross rent for the unit exceeds the applicable payment standard for the family, the family share of rent may not exceed 40 percent of the family monthly adjusted income (See "Owner Rents, Rent Reasonableness and Payment Standards" chapter of this Administrative Plan).

-
-

9.3 Disapproval of RFAT

If DDHA determines that the request cannot be approved for any reason, the landlord and the family will be notified in writing. DDHA will instruct the owner and family of the steps that are necessary to approve the request.

When, for any reason, an RFAT is not approved, DDHA will furnish another RFAT form to the family along with the notice of disapproval so that the family can continue to search for eligible housing.

9.4 ELIGIBLE TYPES OF HOUSING

DDHA will approve any of the following types of housing in the voucher program:

- All structure types can be utilized.
- Manufactured homes where the tenant leases the mobile home and the pad.
- Manufactured homes where the tenant owns the mobile home and lease the pad for vouchers.
- Group homes
- Congregate facilities (only the shelter rent is assisted)
- Single room occupancy
- Units owned (but not subsidized) by the PHA (following HUD-prescribed requirements)

A family can own a rental unit but cannot reside in it while being assisted, except in the case when the tenant owns the mobile home and leases the pad. A family may lease in and have an interest in a cooperative housing development.

DDHA may not permit a voucher holder to lease a unit, which is receiving project-based Section 8 assistance or any duplicative rental subsidies.

-
-

9.5 LEASE REVIEW

DDHA may review the lease to determine if the lease complies with HUD regulations and state and local law. The tenant also must have legal capacity to enter a lease under state and local law. Responsibility for utilities, appliances and optional services must correspond to those provided on the on the Request For Approval of Tenancy.

The family and owner must submit a standard form of lease used in the locality by the owner and that is generally used for other unassisted tenants in the premises. The tenant and the owner must enter into a written lease for the assisted unit. The owner and the tenant must execute the lease. The terms and conditions of the lease must be consistent with state and local law.

The lease must specify:

- A. The names of the owner and tenant, and
- B. The address of the unit rented (including apartment number, if any), and
- C. The amount of the monthly rent to owner, and
- D. The utilities and appliances to be supplied by the owner, and
- E. The utilities and appliances to be supplied by the family.

The HUD prescribed tenancy addendum must be included in the lease word-for-word before the lease is executed.

Effective September 15, 2000, the owner's lease must include the Lead Warning Statement and disclosure information required by 24 CFR 35.92(b).

House Rules of the owner may be attached to the lease as an addendum, provided they are approved by DDHA to ensure they do not violate any fair housing provisions and do not conflict with the tenancy addendum.

9.6 Actions Before Lease Term

All of the following must always be completed before the beginning of the initial term of the lease for a unit:

1. DDHA has inspected the unit and has determined that the unit satisfies the HQS;
2. DDHA has determined that the rent charged by the owner is reasonable;
3. The landlord and the tenant have executed the lease, including the HUD-prescribed tenancy addendum;
4. DDHA has approved leasing of the unit in accordance with program requirements;
5. When the gross rent exceeds the applicable payment standard for the family, DDHA must determine that the family share (total family contribution) will not be more than 40% of the family's monthly adjusted income.

-
-

9.7 SEPARATE AGREEMENTS

Separate agreements are not necessarily illegal side agreements. Families and owners will be advised of the prohibition of illegal side payments for additional rent, or for items normally included in the rent of unassisted families, or for items not shown on the approved lease.

The family is not liable under the lease for unpaid charges for items covered by separate agreements and nonpayment of these agreements cannot be cause for eviction.

Owners and families may execute separate agreements for services, appliances (other than range and refrigerator) and other items that are not included in the lease if the agreement is in writing and approved by DDHA.

Any appliances, services or other items, which are routinely provided to unassisted families as part of the lease (such as air conditioning, dishwasher or garage) or are permanently installed in the unit, cannot be put under separate agreement and must be included in the lease. For there to be a separate agreement, the family must have the option of not utilizing the service, appliance or other item.

If the family and owner have come to a written agreement on the amount of allowable charges for a specific item, so long as those charges are reasonable and not a substitute for higher rent, they will be allowed.

All agreements for special items or services must be attached to the lease approved by DDHA. If agreements are entered into at a later date, they must be approved by DDHA and attached to the lease. DDHA will not approve separate agreements for modifications to the unit for persons with disabilities. The modifications are usually within the dwelling and are critical to the use of the dwelling.

-
-

9.8 INITIAL INSPECTIONS

See "Housing Quality Standards and Inspections" chapter of this Administrative Plan.

9.9 RENT LIMITATIONS

DDHA will make a determination as to the reasonableness of the proposed rent in relation to comparable units available for lease on the private unassisted market, and the rent charged by the owner for a comparable unassisted unit in the building or premises.

By accepting each monthly housing assistance payment from DDHA, the owner certifies that the rent to owner is not more than rent charged by the owner for comparable unassisted units in the premises. The owner is required to provide DDHA with information requested on rents charged by the owner on the premises or elsewhere.

At all times during the tenancy, the rent to owner may not be more than the most current reasonable rent as determined by DDHA.

9.10 DISAPPROVAL OF PROPOSED RENT

In any of the programs, if the proposed gross rent is not reasonable, at the family's request, DDHA will negotiate with the owner to reduce the rent to a reasonable rent. If, in the voucher program, the rent is not affordable because the family share would be more than 40% of the family's monthly-adjusted income, DDHA will negotiate with the owner to reduce the rent to an affordable rent for the family. At the family's request, DDHA will negotiate with the owner to reduce the rent or include some or all of the utilities in the rent to owner.

If the rent can be approved after negotiations with the owner, DDHA will continue processing the Request for Approval of Tenancy and lease. If the revised rent involves a change in the provision of utilities, the owner must submit a new Request for Approval of Tenancy.

If the owner does not agree on the rent to owner after DDHA has tried and failed to negotiate a revised rent, DDHA will inform the family and owner that the lease is disapproved.

-
-

9.11 INFORMATION TO OWNERS

In accordance with HUD requirements, DDHA will furnish prospective owners with the family's current address as shown in DDHA's records and, if known to DDHA, the name and address of the landlord at the family's current and prior address.

The PHA will make an exception to this requirement if the family's whereabouts must be protected due to domestic abuse or witness protection.

DDHA will inform owners that it is the responsibility of the landlord to determine the suitability of prospective tenants. Owners will be encouraged to screen applicants for rent payment history, payment of utility bills, eviction history, respecting the rights of other residents, damage to units, drug-related criminal activity or other criminal activity that is a threat to the health, safety or property of others, and compliance with other essential conditions of tenancy.

A statement of DDHA's policy on release of information to prospective landlords will be included in the briefing packet, which is provided to the family.

DDHA will not provide documented information regarding tenancy history to prospective landlords. DDHA will not furnish prospective owners with information about the family's rental history, or any history of drug trafficking.

DDHA's policy on providing information to owners is included in the briefing packet and will apply uniformly to all families and owners.

-

9.12 OWNER DISAPPROVAL

See chapter on "Owner Disapproval and Restriction."

9.13 CHANGE IN TOTAL TENANT PAYMENT (TTP) PRIOR TO HAP EFFECTIVE

DATE

When the family reports changes in factors that will affect the total family share prior to the effective date of the HAP contract at admission, the information will be verified and the total family share will be recalculated. If the family does not report any change, DDHA need not obtain new verifications before signing the HAP contract, even if verifications are more than 60 days old.

-

9.14 CONTRACT EXECUTION PROCESS

DDHA prepares the Housing Assistance Contract and approves the owners' lease for execution. The family and the owner will execute the lease agreement, and the owner and DDHA will execute the HAP contract. Copies of the documents will be furnished to the parties who signed the respective documents. DDHA will retain a copy of all signed documents.

DDHA makes every effort to execute the HAP contract before the commencement of the lease term. The HAP contract may not be executed more than 60 days after commencement of the lease term and no payments will be made until the contract is executed.

The Housing Assistance Director is authorized to execute a contract on behalf of DDHA.

Owners must provide an employer identification number or social security number and a copy of their driver's license or other photo identification.

Owners must also submit proof of ownership of the property, such as a grant deed or tax bill, and a copy of the management agreement if a management agent manages the property.

The owner must provide a home telephone number and business number if applicable.

Unless their lease was effective prior to June 17, 1998, a family may not lease properties owned by a parent, child, grandparent, grandchild, sister or brother of any family member. DDHA will waive this restriction as a reasonable accommodation for a family member who is a person with a disability.

9.15 CHANGE IN OWNERSHIP

See "Owner Disapproval and Restriction" chapter.

Chapter 10

10.0 HOUSING QUALITY STANDARDS AND INSPECTIONS

10.1 INTRODUCTION

Housing Quality Standards (HQS) are the HUD minimum quality standards that ensure that housing for tenants adheres to HUD health and safety requirements. HQS establishes acceptability criteria based on the HUD regulations published in Volume 60, No. 127 of the Federal Register and is specifically defined in 24 CFR 982. 401.

The Decatur/DeKalb Housing Authorities (DDHA) have adapted the specific HQS standards along with upgraded acceptability requirements based on local codes to ensure that DeKalb Counties Section 8 housing is above the minimal standards set by HUD. The dwellings interior, exterior and grounds must comply with HQS requirements.

Moreover, all housing in the Section 8 program must comply with HQS standards during the initial occupancy and throughout the term of the lease on an annual basis. DDHA will also perform quality control inspections on the number of files required for file sampling by SEMAP annually to maintain DDHA's required standards and ensure consistency in DDHA's program. The procedures of the Inspection Division in performing HQS inspections and the standards for repairs are described in this chapter. The landlord and tenant responsibilities during the inspection process and the consequences of noncompliance with HQS requirements are also explained.

10.2 GUIDELINES/TYPES OF INSPECTIONS

A. The following installation, replacement, and modification (excluding small general repairs) to heating and air conditioning, plumbing, and electrical systems in Section 8 properties must be done to code by a state licensed contractor with a receipt copy of work provided.

ELECTRICAL

1. Any new item added (outlet, switch fixture, baseboard heaters, service upgrade, etc.)
2. Repairs to fire damage
3. Existing electrical hazards such as exposed wire splices that present a hazard to the landlord or tenant in making the repair.

HVAC

1. Installation or replacement of a furnace
2. Installation or replacement of central air conditioning
3. Repair to fire damage
4. Exposed shock hazards such as wire splices

PLUMBING

1. Installation or replacement of water heater.
2. Conditions involving severe sewage backup.

B. All maintenance and repairs must be done in a workmanlike manner, which means a “reasonably skillful manner”, and in accordance with the requirements of all applicable codes

C. Any rodent, flea or roach infestation is an HQS violation and requires extermination by the landlord. Severe infestation requires extermination by a licensed pest control service with proof of same provided to the Authority Inspector.

D. Infestation that the inspector determines to be less severe, or minor may be exterminated by the landlord. When the landlord has met the Authorities extermination requirements, but infestation persists due to unsanitary conditions caused by the tenant, the responsibility for the correction of the conditions is assigned to the tenant.

E. All utilities must be in service and connected before an inspection can be done.

F. If the stove or microwave and refrigerator are being supplied by the owner, they must be in place when the initial inspection is conducted.

- G. The Authority will allow the stove or microwave and refrigerator to be placed in the unit after the initial inspection if the family is supplying the appliance. A special inspection notice due in ten (10) days will be mailed to the family and owner after all other repairs have been completed and passed by the inspector. A reinspection will be conducted to ensure safe operation of these family supplied appliances.
- H. The unit must be vacated by any previous tenant of the owner, prior to an initial inspection being performed.
- I. Repairs, cleaning, and minor, or miscellaneous work should be completed prior to the initial inspection.
- J. No inspection will be performed, or the inspection will be terminated if the unit is heavily infested with rats, fleas, or roaches.
- K. No inspection will be conducted, or the inspection will be terminated if the unit is extremely filthy, or has foul and extremely offensive odors. This determination is left to the discretion of the inspector.
- L. Each dwelling unit must be supplied with its own dedicated heating system capable of providing adequate heat to the unit and safely installed in accordance with HQS, as well as the local code having jurisdiction.
- M. The responsibility for notification of the inspector when repairs have been made depends on whether the tenant or landlord has been assigned responsibility for the repairs from the HQS Inspection Notice. The responsible party, as indicated on the HQS Notice, must contact the inspector when the repairs are complete so that an appointment for a follow-up can be made. The inspector does not automatically return for a follow-up inspection.
- N. Unheated rooms in finished garage, carport, and basement areas do not require the installation of a permanent heat source. These areas are considered extraneous to the dwelling and are not counted as living space when properties are rated in determining Fair Market Rent. Therefore, the installation of heat in the finished garage, carport, and basement areas should not be required since the unheated areas are not included in the rental payments received by the landlord. However, there should not be hazards that could endanger the health and safety of tenants in these areas. Any electrical hazards in these areas, such as missing electrical switches, outlet covers, or exposed romex wiring must be corrected.
- O. Roof leaks that cause stained ceilings require the repair of the leak and the elimination of the stain so that an inspector can ascertain that the leak has been corrected.
- P. Dwellings having finished upper and lower levels where one of the levels is occupied by a Section 8 tenant, such as a finished basement must comply with the following requirements:
- 1) The unit occupied by the Section 8 tenant must have a separate permanent heat source and a thermostat to regulate the temperature for the unit. The requirement for a permanent

heat source is satisfied by the installation of a central furnace system, or an electrical baseboard heater with a separate circuit breaker provided in the electrical service panel. A receipt for installation of electrical baseboard heater must be provided by a certified electrician.

2) Separate meters are required for each unit when tenants are responsible for paying utilities. Separate meters are not required when landlords are responsible for paying utilities.

3) Tenants must have access to the electrical service panels. If the Section 8 tenant lives in the finished upper level, but the service panel is located in a finished lower level occupied by another tenant, the service panel must be located in a common area of the lower level that is readily accessible to the Section 8 tenant.

4) Tenant access to furnaces, or hot water heaters is not necessary, but a statement of assurance from the landlord that any needed repairs to the furnace, or hot water heater will be made within a twenty four hour period is required.

Q. Commode tank lids must properly fit the tank. Tank lids too small or large constitute HQS deficiencies.

10.3 Types of hqs inspections

The Authority performs the following five (5) types of inspection:

1. Initial/Move-in: Landlord is contacted to set an appointment for inspection when copies of the Security Deposit and Request For Tenant Approval forms have been forwarded to the Inspection Division.

2. Annual: Must be conducted within 12 months of the previous annual HQS inspection. Ensures that Section 8 units are maintained in accordance with HUD HQS requirements.

3. Special/Complaint: Conducted at the request of owner, tenants, an agency or third party with appropriate justification due to presence of apparent HQS deficiencies.

4. Move-Out/Vacate: For Per 10/2/95 contracts where there could be damage claims filed. Damage Claim: For Section 8 units with contracts effective before 10-2-96, landlords may request a Damage Claim inspection to ascertain the extent of the damage to the unit caused by the tenant. The claims are submitted to the Housing Authority for reimbursement of damages. Move out inspections will be performed only at the landlord's request if the claim is to be submitted for contracts effective before 10/2/95

5. Quality Control: Quality control inspections will be conducted each month by a member of the Rehabilitation Construction staff on a sampling of (20) units or 5%, which ever is greater, of all units which have passed among all the inspections conducted in the prior month.

Quality Control inspections will also be performed on the number of files required by SEMAP. The purpose of Quality Control inspections is to ascertain that each inspector is conducting accurate and

complete inspections, and to ensure that there is consistency among inspectors in application of the HQS.

The sampling of files will include recently completed inspections (within the prior 3 months), a cross-section of neighborhoods, and a cross-section of inspectors.

10.4 INITIAL HQS INSPECTION

Timely Initial HQS Inspection

DDHA will inspect the unit, determine whether the unit satisfies the HQS and notify the owner of the determination within fifteen (15) days after the family and the owner submit a request for approval of the tenancy. The 15 days clock is suspended during any period when the unit is not available for inspection. If DDHA determines that it is unable to do so in the stated timeframe, in which case the file will be appropriately documented.

DDHA will make every reasonable effort to conduct initial HQS inspections for the family and owner in a manner that is time efficient and indicative of good customer service.

The Initial Inspection will be conducted to:

Determine if the unit and property meet the HQS defined in this Plan.

Document the current condition of the unit as to assist in future evaluations whether the condition of the unit exceeds normal wear and tear.

Document the information to be used for determination of rent-reasonableness.

If the unit fails the initial Housing Quality Standards inspection, the owner will be advised to notify DDHA once repairs are completed.

On an initial inspection, the owner will be given up to 30 days to correct the items noted as Fail, at the inspector's discretion, depending on the amount and complexity of work to be done.

If the time period given by the inspector to correct the repairs has elapsed, the family must select another unit.

The Initial Inspection will be conducted to:

Determine if the unit and property meet the HQS defined in this Plan.

Document the current condition of the unit as to assist in future evaluations whether the condition of the unit exceeds normal wear and tear.

Document the information to be used for determination of rent-reasonableness.

If the unit fails the initial Housing Quality Standards inspection, the owner will be advised to notify DDHA once repairs are completed.

On an initial inspection, the owner will be given up to 30 days to correct the items noted as Fail, at the inspector's discretion, depending on the amount and complexity of work to be done.

If the time period given by the inspector to correct the repairs has elapsed, or the maximum number of failed reinspections has occurred, the family must select another unit.

10.5 INSPECTION OF UNIT

1. The Authority conducts Annual inspections on all units in accordance with HUD Housing Quality Standards at least annually during assisted occupancy and at other times as needed, to determine if the unit meets HQS.
2. The responsibility for the repair of HQS deficiencies depends on whether the landlord or tenant has been assigned responsibility for the repairs from the HQS Inspection Notice. The tenant can only be assigned responsibility for the following HQS deficiencies:
 - A. Non-payment of utilities for which the tenant is responsible for paying.
 - B. Damages to the unit caused by the tenant, which constitute HQS deficiencies and are beyond what is considered normal wear and tear.
 - C. The tenant fails to provide appliances, or fails to adequately maintain appliances in proper working condition, which are specified in the lease as tenant responsibility.
 - D. Damages to the unit caused by a member, visitor, or guest of the tenant, which constitute HQS deficiencies and are considered beyond normal wear and tear.
 - E. The tenant must allow the Authority to inspect the unit at reasonable times with reasonable notice.
 - F. Inspections will be conducted Monday through Friday during normal business hours only.
 - G. Reasonable hours to conduct an inspection are between 8:00 a.m. and 6:00 p.m.
 - H. Tenants will be given a notice in writing at least (5) days prior to a scheduled Annual inspection indicating the date and time range of the inspection.

10.6 Inspections Notices

Tenants and landlords are notified of dates and times of Annual inspection appointments by mail. Tenants may appoint an adult (18 or older) to be present for the inspection, if the tenant is unavailable for providing the inspector with access to the unit. Tenants, who are unable to meet the inspector for the scheduled appointment, must call at least (48) hours in advance to cancel the appointment and reschedule an inspection.

If the landlords wish to be present for inspections, they may call the inspector to set a specific time for an appointment within the time range provided the tenant for inspection. Otherwise, they will need to meet the inspector during the time range that is provided in the notice.

◆ Tenants, who miss an inspection appointment and fail to contact the inspector within five workdays to reschedule the inspection, or tenants who miss one (1) scheduled inspection appointments will be in violation of the Section 8 family obligation requirements, and will be terminated from the program in accordance with the Housing Authority's termination procedures.

A. Follow-up Inspection:

The responsibility for notification of the inspector when repairs have been made depends on whether the tenant, or landlord has been assigned responsibility for the repairs from the HQS inspection Notice. The responsible party, as indicated on the HQS Notice, must contact the inspector when the repairs are complete. The deadline date indicated on the HQS Inspection Notice is the date all repairs are to be completed and reported to the inspector. It will be assumed that the repairs to the unit have not been made if the inspector has not received any notification prior to the deadline date. The inspector does not automatically return for a follow-up inspection to check for completion of repairs.

B. Adding Deficiencies to Follow-Up Inspection:

The inspector will inspect for completion of the original list of deficiencies indicated on the HQS Inspection Notice during a follow-up inspection. However, additional HQS deficiencies observed by the inspector during the follow-up inspection must be recorded on the HQS Inspection Notice and reported to the responsible parties in the following manner:

1. When all original deficiencies are complete during follow-up inspections, but new deficiencies are observed by the inspector, the original inspection is Passed, and a Special inspection is written up for the additional deficiencies indicated by the inspector.
2. If there are any outstanding deficiencies from the original inspection that were not repaired, and new deficiencies were discovered during the follow-up inspection, the new deficiency items are added to the original inspection list. The landlord is notified by telephone, or by mail that the additional items were added, and that the original deficiency items did not pass. In this case, once the original items have been corrected, an extension may be granted for the additional deficiencies if there was not enough time remaining from the original deadline date for repairs to complete the deficiencies added during the follow-up inspection. The approval for the extension of additional deficiencies must be approved by the Inspection Supervisor.

10.7 Deadline Dates FOR REPAIRS

1. Initial inspections:

A standard fifteen (15) day deadline date for repairs will be indicated on HQS Inspection Notices for completing HQS deficiency items. However, the Security Deposit and Request for Tenancy Approval forms will not be voided for thirty days following an Initial inspection. A fifteen day due date is indicated on Initial HQS Inspection Notices to provide an impetus to landlord in completing repairs as quickly as possible.

However, a standard thirty-day deadline is provided for Initial inspections, and the inspection will not be voided until this time expiration. Initial inspections must be voided after this period expires to allow tenants time for locating and renting another unit before the time limit on their vouchers expire.

DDHA will make every reasonable effort to conduct initial HQS inspections for the family and owner in a manner that is time efficient and indicative of good customer service.

2. Emergency:

HQS deficiencies, which may cause an immediate threat to the health and safety of tenants, must be corrected within a twenty-four (24) hour period of when the landlord is notified of the emergency situation by the inspector. The inspector will immediately notify the landlord by telephone, and mail after determining the nature and extent of the HQS deficiency. (See page 9-13)

3. Non-emergency HQS deficiencies:

Non-emergency HQS deficiencies that are urgent, but not causing an immediate threat to the health and safety of the tenants, are required to be repaired within a ten (10) day deadline date. Examples of these deficiencies are when tenant paid utilities are not in service or connected, roof leaks, a portion of the ceiling has collapsed, refrigerators that are only partially cooling, and weak flooring from rotten plywood underlayment.

4. Standard HQS deficiencies

Are required to be repaired within a thirty (30) day deadline date.

-

10.8 Extensions

Extensions are not permitted for any reason on Initial inspections. An extension of an Annual inspection is permitted only after all other original repair items from the inspection have passed. However, an extension is not permitted if the item creates a hazardous or unhealthy condition while the repair is pending. An extension with a standard thirty-day deadline date for repairs shall be permitted to obtain replacement parts for the repair of standard HQS deficiencies. The landlord must contact the inspector prior to the deadline date for an extension to be granted.

Standard extensions are permitted for the following deficiency items:

1. Extensions shall be granted for painting exterior surfaces that have been scraped of peeling paint during the winter month period when painting is not feasible due to incremental weather and cold temperatures. A deadline date of June 1 will be granted as an extension for painting the surfaces that have been scraped of peeling paint during this period.
2. Extensions shall be granted for repairing air conditioning systems, which are not working properly during the winter months (11-1 to 4-1). Air conditioning systems should be inspected during the summer months when the systems are needed and the room temperature of the home allows the thermostat to function in a proper manner.
3. Extensions shall be granted for repairing furnaces which are not working properly during the summer months (4-1 to 11-1) Furnaces should be inspected during the winter months

when the systems are needed and the room temperature of the home is not higher than the thermostat setting, which allows the furnace to operate in the proper manner.

4. Extensions may be granted for repairs required in common areas of condominium developments when the homeowners association states in writing that the repairs will be completed by a certain date.
 5. Extensions are permitted for certain repair items requiring that replacement items or parts be obtained, which do not create a hazardous condition.
 6. Extensions are permitted for repairs delayed by adverse climactic conditions, such as the delayed installation of a new roof caused by continuous rain.
- A. **Non Standard Extensions:** Extension requests for the repair of deficiencies, or items other than those indicated above as standard extensions, require the approval of the Inspection Supervisor.

10.9 EMERGENCY REPAIRS

Emergency repairs are considered to be HQS deficiencies that may potentially threaten the health and safety of tenants if not immediately corrected. Therefore, emergency deficiencies must be corrected within twenty-four (24) hours of notice by the Housing Authority to the landlord, or tenant, depending on who has been assigned responsibility for repairs from the HQS Notice. The following are examples of emergency repairs:

- ◆ **No heat or malfunctioning furnaces when outside temperatures are regularly below 55 degrees F., during the period from November 1 to April 1.**
- ◆ **Major plumbing leaks or flooding**
- ◆ **Waterlogged ceiling in imminent danger of falling**
- ◆ **Gas leaks or fumes**
- ◆ **Sewage backup on the interior or exterior of the home**
- ◆ **Lack of a functioning toilet**
- ◆ **Utilities that are not in service or connected**
- ◆ **No running hot or cold water**
- ◆ **The dwelling structure, or an outbuilding on the premises of the property are in imminent danger of collapsing**
- ◆ **Electrical problems which could result in shock or fire**

DDHA may give a short extension (not more than 24 additional hours) whenever the responsible party cannot be notified or it is impossible to correct the repair within the 24-hour period.

If the emergency repair item(s) are not corrected in the time period required by DDHA, and the owner is responsible, the housing assistance payment will be abated and the HAP contract will be terminated.

If the emergency repair item(s) are not corrected in the time period required by DDHA, and it is an HQS breach, which is a family obligation, DDHA will terminate the assistance to the family. Inoperable smoke detectors are a serious health threat and will be treated by DDHA as an emergency (24-hour) fail item.

A. Landlord Responsibility:

When emergency repair items assigned as landlord responsibility are not corrected within the twenty-four hour time period, the inspection is failed, and the rental payments made to the landlord are abated.

B. Tenant Responsibility:

When emergency repair items assigned as tenant responsibility are not corrected within the twenty-four hour time period, the inspection is failed, and the process for terminating the tenant from the Section 8 is initiated. The rental payments made to landlords will not be abated during the termination process of the tenant.

10.10 Landlord Responsibility for the repair of Standard HQS Deficiencies

Abatement

When it has been determined that a unit on the program fails to meet Housing Quality Standards, and the owner is responsible for completing the necessary repair(s) in the time period specified by DDHA, the assistance payment to the owner will be abated.

Rental payments to landlords will be abated when standard HQS deficiencies assigned as landlord responsibility for repair are not corrected by the thirty day deadline date as specified on the HQS Inspection Notice.

The abatement of the rental payments to the landlord will be effective the day following the deadline date for repairs and a "Notice of Termination of HAP Contract" will be forwarded to the owner.

The Inspection Division will attempt to inspect abated units within five (5) days of notification by owners that the required repairs have been completed and that the unit is ready for a follow-up inspection.

When all repairs have been completed for the follow-up inspection, the pass date for the inspection will be the date of the landlord's notification of the inspector that the unit was ready, if no more than two follow-up inspections have been done. When there have been two follow-up inspections done at the unit, and all repairs have been completed for the next follow-up, the pass date for the unit will be the date that the follow-up inspection indicated that all repairs had been completed.

No retroactive payments will be made to the owner for the period of time the rent was abated and the unit did not comply with HQS. The notice of abatement states that the tenant is not responsible for DDHA's portion of rent that is abated.

10.11 Termination of Contract

If the landlord does not complete the repairs by the end of the abatement period, the Assisted Lease Agreement will be terminated by the Housing Authority and the tenant will be allowed to move. The abatement of the rental payments to the landlord will remain in effect through the effective date of the termination.

If the landlord completes the repairs before the effective termination date and the unit passes inspection, the termination of the Assisted Lease Agreement with the landlord will be rescinded. Once a termination notice has been issued, no more than two (2) HQS follow up inspections will be conducted on the unit.

10.12 ASSIGNING HQS RESPONSIBILITY

The following deficiencies are considered the responsibility of the tenant:

1. Utilities not in service, or connected that are tenant responsibility for payment.
2. HQS deficiencies caused by the tenant that are beyond what is considered normal wear and tear.
3. When the lease stipulates tenant responsibility for providing appliances, but tenant fails to provide or adequately maintain appliances.
4. HQS deficiencies caused by tenant household member, or visitor beyond what is considered normal wear and tear.

The owner is responsible for all other HQS violations.

◆ The inspector will make a determination of owner or family responsibility for HQS deficiencies during inspections. The owner or tenant may appeal this determination within ten (10) days of the inspection.

10.13 TENANT RESPONSIBILITY FOR DEFICIENCIES

HQS deficiencies assigned as tenant responsibility require that repairs be completed within (30) days (for standard, non-emergency violations). If corrections, or repairs are not made within the allotted time frame, the Authority will forward a "Notice to Terminate Assistance to the Family". The owner's rent will not be abated for the non-repair of deficiencies that are considered tenant responsibility.

10.14 INITIAL HQS INSPECTION

An Initial inspection will be conducted on all units entering the Section 8 program to ensure compliance with HUD Housing Quality Standards, which protect the health and safety of tenants.

Also, the initial HQS inspection report provides the following documentation:

- ◆ The condition of the unit for the Initial inspection is documented and used in determining responsibility for repair of HQS deficiencies during future inspections. For example, future inspections indicating deficiency items beyond normal wear and tear would be assigned as tenant responsibility for damage since the unit was in good condition at the time of the Initial inspections with no damage indicated.
- ◆ A Property Rating will be prepared for the unit during Initial inspections to facilitate the determination of rent reasonableness by Leasing and Occupancy Division. The Property Rating done by the inspector during the Initial inspection will document the following factors:
 1. Number of bedrooms, bathrooms, age, location, neighborhood, and the zone in which the unit is located.
 2. Quality of construction, amenities, physical characteristics, condition, updates and type of utilities for each unit.

HQS deficiencies indicated on an Initial inspection notice must be corrected within thirty days of the date of inspection. If the deficiencies are not repaired by the deadline date, the inspection is voided, and the tenant must find another unit to rent under the Section 8 program.

10.15 ANNUAL HQS INSPECTION

DDHA conducts an annual HQS inspection in accordance with Housing Quality Standards at least annually, and prior to all annual recertification effective dates. This enables the Hap Advisor to utilize the passed inspection in verifying utility payment information with the tenant during recertification and assists in accurately documenting tenant file.

10.16 SPECIAL/COMPLAINT INSPECTIONS

Tenants renting Section 8 units, who report HQS deficiencies to the landlord, but receive no response, should report the deficiencies in writing to the Housing Authority, or submit a copy of the letter that was sent to the landlord. A Special inspection will then be scheduled to inspect for the deficiencies specified by the tenant, and if found to be legitimate HQS deficiencies, will be reported on an HQS Inspection Notice with deficiencies assigned to the appropriate party.

Moreover, if the inspector while conducting the inspection observes additional deficiencies, the items will be included on the inspection report with the tenant specified deficiency items and assigned to the

appropriate party. Special inspections will not be done at units, which have repairs pending from Annual, or other Special inspections.

If the request for the Special inspection is within three months of a tenant's recertification date, and the inspector is aware of this, the special inspection will be categorized as an Annual and a thorough inspection of the unit will be conducted in accordance with Inspection Division procedures.

10.17 RENT INCREASES

Rent to owner increases may not be approved if the unit is in a failed HQS status.

10.18 ACCEPTABILITY/EXCEPTIONS

The Decatur/DeKalb Housing Authorities adheres to the acceptability criteria in the program regulations as specified in 24 CFR 401 (a) and HUD Inspection Booklet and locally adopted codes regulating the installation, or major alternation of plumbing, electrical, and heating and air conditioning systems, along with the interpretations, definitions, and additions for HQS requirements.

Authorities' Interpretations, Definitions and Additions to HQS

A. Walls:

-
- ◆ Large holes in wall, or ceiling are defined as 4 inches or larger.
- ◆ In areas where plaster or drywall is sagging, severely cracked, or heavily water damaged, it must be repaired or replaced and properly finished.
- ◆ Allowances can be made for the lack of paint on small portions of interior drywall, paneling, or wood trim in habitable areas when repairs have been made to that portion of a damaged wall. All other exposed surfaced must be painted or sealed with a finish.
- ◆ Interior peeling paint over, in the vicinity or the kitchen sink/food preparation area, or associated appliances must be thoroughly scraped and painted regardless of the age of the property.
- ◆ All walls in a tub with a shower area must be covered with ceramic tile or other material or finish that is impervious to water to prevent damage and eventual deterioration.

B. Windows:

- ◆ All windows must be at least standard construction grade windows, and "storm windows" may not be used as the sole window in an opening of any habitable room.
- ◆ Double hung windows must stay open without being propped up. Windows that fall down after being lifted to an open position constitute a HQS deficiency. .
- ◆ All windows that open must have properly fitting screens in good condition if the unit is without air conditioning of adequate capacity to properly cool the entire dwelling.
- ◆ Windows less than 6 feet from the finished grade require a sound locking mechanism.

- ◆ All bedrooms must have at least one operable window that opens and closes properly so that proper ventilation and means of egress are provided.
- ◆ Living rooms require at least one window but the window does not have to open.
- ◆ Windows are not required in kitchens or dining rooms.
- ◆ A window in a bathroom must be operable. If no window is present, an exhaust vent system is required.
- ◆ All window sashes must be in good condition, solid and intact, and fit properly in the frame, and be reasonably weather tight.
- ◆ Certain windows may be allowed to be nailed or screwed shut when located in rooms that have other windows providing adequate ventilation and egress.

C. Doors:

-
- ◆ All exterior doors must be reasonably weather tight and have a permanent type of weather stripping and threshold that seals. The weather stripping must provide an adequate seal between the door and the door frame so that gaps and spaces are eliminated.
- ◆ For fire escape purpose, all existing exterior doors, especially those that lead directly outside the unit must be fully operable as a means of escape in case of fire. This clause has the full support of the local Fire Marshall.
- ◆ Bathrooms are required to have doors for privacy, and a lock mechanism for security. Exceptions are for units designed for single occupancy, and having one bedroom and one bathroom.
- ◆ Interior doors must be properly hung on hinges or tracks so that they do not stick or bind in the door frame and must open and close properly. Any associated knob sets or locksets must not be jammed or pose an entrapment hazard. Closet doors that are off the tracks are considered HQS deficiencies and require repair, replacement, or removal. The deficiency should be assigned as an owner responsibility for repair since the decision to remove the closet door should be determined by the landlord.
- ◆ Landlord or tenant responsibility for damaged exterior doors or broken windowpanes is determined by whether or not a police report is provided. A police report indicating that an unknown intruder caused the damaged door assigns responsibility for repair to the landlord while the lack of a report may indicate domestic violence on tenant damage, which causes responsibility for repairs to the tenant.

D. Floors:

-
- ◆ Large cracks or holes that are 1/2" or larger, or smaller holes that allow for drafts to enter the dwelling through a crawl space located underneath the dwelling must be repaired.
- ◆ Missing portions of tile, carpet, or vinyl larger than 9" must be patched or replaced. Missing portions that are smaller do not fail. However, the edges or perimeter of the missing section must be securely glued or tacked down or it may constitute a trip hazard, which fails inspection.
- ◆ All floors must be covered with a standard finish flooring material such as carpet, vinyl, or wood parquet. Bare or painted plywood, underlayment, carpet pad, or concrete base materials are not acceptable.

- ◆ Extension cords running across open floors constitute trip hazards and are considered deficiency items with responsibility for correction assigned, to the tenant. This does not usually cause abatement of landlords rent. They must be rerouted along the base of a wall or over doors.

E. Commodes/Tubs/Sinks:

- ◆ Badly cracked ceramic toilet tank lids must be repaired or replaced and fit properly and securely. Universal plastic after market lids are acceptable.
- ◆ Chipped or missing sections of ceramic plumbing fixtures with sharp edges must be filed smooth or replaced so as not to present a cut hazard.
- ◆ Badly worn wood composite, or torn padded commode seats, unless the padded seat is the property of the tenant and installed by the tenant must be replaced to ensure that proper sanitation can be maintained.
- ◆ Commodes/tubs/sinks/countertops, kitchen and bath fixtures, including kitchen countertops, cannot be painted or covered with vinyl, contact paper, or other soft or absorbent materials not designed for these surfaces. Two-part epoxy and other professional finishes designed for these surfaces (except countertops in kitchens) are acceptable if properly applied by a properly trained and competent applicator. Minor damage or burns on kitchen countertops are acceptable and do not constitute an HQS deficiency. Repairs to kitchen countertops should be made with an epoxy application that provides a resilient surface. The repairs of damaged countertop surfaces with paint are unacceptable.

F. Bathrooms:

- ◆ Bathrooms without a window must have a fan powered exhaust vent that vents to the exterior of the home.
- ◆ A screen is required on a bathroom window if there is no exhaust vent fan in the bathroom.

G. Security:

- ◆ The Authority will no longer require double cylinder dead bolt locks on any door, as DeKalb County recently adopted codes, SBCCI, CABO, deems them a fire hazard. Existing DCDB locks can be grand fathered. This clause has the full support of the local Fire Marshall.
- ◆ A security bar device is an acceptable means of providing security for sliding glass doors. The bar must drop from the doorframe to a socket on the edge of the sliding panel to ensure that the door is secured.

H. Smoke Detectors:

- ◆ Smoke detectors are required on each level of living area in a dwelling and in unfinished basement areas. Smoke detectors are required on each story of the unit that is considered a living area, and in finished or unfinished basements, excluding crawl spaces, and finished attics. Smoke detectors must be installed outside of each separate sleeping area in the

immediate vicinity of the bedrooms. Bedrooms are considered to be in separate sleeping areas when a distance of 15' or more separates the bedrooms. Units entering the Section 8 program after April 24, 1993 require the installation of smoke detectors on ceilings at least four inches from the wall, or on walls not less than four inches, or more than twelve inches below the ceiling. Units that entered the Section 8 program prior to April 24, 1993 will not be required to comply with smoke detector wall and ceiling spacing requirements and the location of these smoke detectors will not be required to change.

I. Bedrooms:

- ◆ Minimum ceiling height in this or any room must be a minimum of 6'6". Any part of the floor area in which the ceiling is less than 6'6", shall not be counted as part of the usable floor area.
- ◆ No overhead projection, beam, or sloping ceiling may project to lower than (5) feet in the usable area of the bedrooms.
- ◆ Inspectors must ascertain the number of bedrooms in a dwelling for purposes of the Fair Market Rent and owners may add a bedroom by adding or constructing a bedroom in an unfurnished extra area such as an attic or basement provided the additional bedroom meets the HUD HQS bedroom criteria. Per HQS, a bedroom should have a closet, a standard size exterior window that can be opened, a minimum of 70 square feet of living area, and a permanent heat source.
- ◆ The installation of an electrical baseboard heater in a bedroom to satisfy HUD's requirement for a permanent heat source requires that there be a circuit breaker located in the service panel for the heater. The installation of an additional breaker for the heater requires the services of a state licensed contractor.
- ◆ Carports or garages cannot be converted to bedrooms unless the areas are furnished in a quality comparable to the existing bedrooms and meet the criteria for bedrooms required by HUD. General family living areas such as dens, living rooms or dining rooms cannot be converted to bedrooms unless there are other rooms in the house suitable as a family gathering area and the room meets all HUD bedroom criteria. Rooms that do not meet bedroom standards should be treated as bonus rooms. Also, it is important that the inspector consider the floor plan and traffic pattern inside the house when determining whether a room should be considered a bedroom.

J. Location of Gas Water Heaters:

- ◆ No fuel burning appliance can be installed in a bathroom, bedroom or a closet of one of these rooms unless the appliance is sealed off by a partition that includes a weather stripped solid door or access cover with combination air vents installed so that combustion air is provided from a source other than the bedroom or bath area. The air vents must provide openings in the sealed off area of the appliance with one opening within one foot of the ceiling and another opening within one foot of the floor. If the floor plan of the house does not allow for the air vents in the walls of the enclosed space then the opening must be provided in the ceiling or floor of the home.

K. Lead Paint Requirements:

- ◆ Units that were built prior to 1978 and have a child under 6 as a tenant must meet certain requirements regarding peeling paint.
- ◆ The following areas of the home must be inspected during Initial and Annual inspections:
 1. All painted interior surfaces within the unit (including ceiling, but excluding furniture).
 2. The entrance and hallway providing ingress, or egress to a unit in a multi-unit building.
 3. Exterior surface up to 5 feet from the floor or ground that are readily accessible to children under 6 years of age (including walls, stairs, decks, porches, railings, windows and doors, but excluding outbuildings such as garages and sheds.)
- ◆ The peeling paint must be tested by an EPA, or State approved licensed, or certified risk assessor, paint inspector, or clearance technician if the total area of the peeling paint on a component is:
 1. More than 20 square feet on an interior or exterior wall.
 2. More than 2 square feet on an interior or exterior component with a large surface area, excluding exterior walls and including ceilings, floors, doors and interior walls.
 3. More than 10 percent of the total surface area of an interior surface area including windowsills, baseboard and trim.
- ◆ If testing for lead based paint proves positive, properly trained workers must stabilize the paint per HUD's safe work practices.
- ◆ Upon completion of the work, a determination must be made by an EPA, or state licensed technician that the lead based paint has been properly eliminated. Certification from a licensed technician that the work has been properly completed must be provided.
- ◆ Areas of peeling paint constituting less than the HUD de minimus levels should be scraped and painted by the owner. No testing and stabilization by approved workers is required.

L. Plumbing:

- A. S traps are unacceptable for use in drain traps. J or P trap drains are required to prevent the escape of noxious gases from the drain.
 - B. Slow drains from sinks; tubs and commodes are not deficiencies. However, clogged drains constitute HQS deficiencies.
 - C. Low water pressure from sink or a tub faucet is acceptable if there is an adequate amount of water being supplied.
 - D. Plumbing leaks should be repaired by replacing seals, gaskets and pipes as necessary without the use of tape caulk or putty.
- ◆ Leaking faucets are not HQS deficiencies if the flow is onto a waterproof surface and drains into the sink or tub basin.
 - ◆ Slightly loose faucets are acceptable.

M. Appliances:

- ◆ Per HUD minimum Housing Quality Standards, all electric eyes or burners on a stove must operate properly. It is an HQS failure if only one eye or burner does not work. Also, all gas burners must light by pilot.
- ◆ Microwaves are considered acceptable substitutes for ovens by the Decatur/DeKalb Housing Authorities.
- ◆ All electric eyes or gas burners on a stove must operate properly.
- ◆ The oven and stove knob on/off settings should be visible.
- ◆ Stoves, or ovens that are dirty or have grease buildup constitute an unsanitary condition and should be failed as an HQS deficiency.
- ◆ All electric eyes or gas burners for stoves must be provided with splash pans or grates that are in good condition.
- ◆ Dishwashers that do not operate properly must be repaired, replaced, removed or left in place with the door screwed shut so that they are sealed and cannot be opened. The removal of a dishwasher requires the termination of the electrical wiring and plumbing fixtures with the dishwasher cabinet space sealed off from use.
- ◆ Refrigeration gaskets with tears of 3" or more require replacement while torn gaskets of less than 3" can be repaired. A standard 30-day deadline of correction of deficiency is provided.

All Section 8 units must have refrigerators that cool properly by maintaining a low enough temperature to prevent food from spoilage over a reasonable period of time and provide the capacity for storing frozen food. A deadline date of seven days will be provided to repair or replace a refrigerator that is not cooling properly.

Refrigerator must be of an appropriate size for the number of family members living in the unit. For example, a tabletop compact refrigerator would be clearly inappropriate for a family of four.

N. Exterior:

- ◆ Porches, patios, balconies or steps with a 30" or more drop to the finish grade or floor require guardrails or handrails that are 36" in height and have reasonable spacing between spindles to protect the safety of tenants. Also, exterior steps with more than four risers or steps require the use of handrails.
- ◆ Gutters and downspouts are not required on homes. Loose or damaged gutters are only a deficiency item if located over a door or sidewalk and present a danger of falling on someone below or are causing water damage to the interior of the dwelling. Gutters that are clogged with leaves are not a deficiency unless this causes water to overflow and seep through the cornice resulting in water damage to the interior of the house.
- ◆ Minimum allowable gaps or holes in a foundation are 1/2". This includes foundation, vents or gaps around crawl space doors and prevents rodent entry. The minimum allowable size for gaps or holes in exterior siding, cornice and roofs is 2", which prevents entry by birds, squirrels and the elements.

O. Unfinished Basements:

- ◆ The landlord is not required to provide tenant access to unfinished basement areas. However, the basement must be locked and the landlord must present a signed statement stating that any required repairs to furnaces, or gas water heaters located in locked basements will be made within a twenty-four hour period. Furthermore, the landlord cannot deny basement access to the tenant if the service panel is located in an unfinished basement area.
- ◆ Dampness in an unfinished basement area is not a deficiency.
- ◆ Standing water in unfinished basement areas constitutes an HQS deficiency when due to leaks or seepage through foundation walls.

P. Personal Belongings Stored on Property:

- ◆ Landlords, or relatives of landlords cannot store personal items or belongings on the premises of the property that they are renting to tenants. However, personal items may be stored in a basement area if the basement is locked so that the area cannot be accessed by the tenant. Moreover, the electrical service panel for the unit occupied by the tenant cannot be located in a locked basement area.
- ◆ Also, landlords may store personal belongings in storage buildings that are detached from the dwelling as long as the buildings are locked so that tenants have no access.

Q. Modifications:

- ◆ All modifications to unit must meet applicable HQS and building codes.

Chapter 11

11.0 OWNER RENTS, RENT REASONABLENESS, AND PAYMENT STANDARDS

11.1 INTRODUCTION

The policies in this chapter reflect the amendments to the HUD regulations, which were implemented by the Quality Housing and Work Responsibility Act of 1998 for the Section 8 Tenant-Based Assistance Program. These amendments became effective on October 1, 1999, which is referred to as the "merger date". These amendments complete the merging of the Section 8 Certificate and Voucher Programs into one program, called the Housing Choice Voucher Program.

All new leases, moves and new admissions taking effect on or after October 1, 1999 will be subject to the regulations of the new Housing Choice Voucher Program.

DDHA will determine rent reasonableness in accordance with 24 CFR 982.507(a). It is DDHA's responsibility to ensure that the rents charged by owners are reasonable based upon unassisted comparables in the rental market, using the criteria specified in 24 CFR 982.507(b).

When DDHA have determined that the unit meets the minimum HQS, that the lease is in an approved form, and that the rent is reasonable based on the rent reasonableness certificate, DDHA will make timely payments to the owner and notify the owner of the procedures for rent adjustments in the Section 8 housing program.

This chapter explains DDHA's procedures for determination of rent-reasonableness, payments to owners, adjustments to the payment standards, and rent adjustments.

11.2 RENT TO OWNER IN THE HOUSING CHOICE VOUCHER PROGRAM

The rent to owner is limited only by rent reasonableness. DDHA must demonstrate that the rent to owner is reasonable in comparison to rent for other comparable unassisted units.

The only other limitation on rent to owner is the maximum rent standard at initial occupancy. Which is, at the time a family initially receives tenant-based assistance for occupancy of a dwelling unit, whether it is a new admission or a move to a different unit, if the gross rent for the unit exceeds the applicable payment standard for the family, the family share may not exceed 40 percent of the family's monthly adjusted income.

The payment to the Landlord, called the Housing Assistance Payment (HAP), is the contract rent approved by DDHA less the Tenant Rent/TTP determined by DDHA.

The maximum subsidy for each family is determined by the Payment Standard for the Voucher size issued to the family, less 30% of the family's Monthly Adjusted Income. The actual subsidy level could be less if the family is required to pay the Minimum Total Tenant Payment (10% of the family's Monthly Income).

11.3 MAKING PAYMENTS TO OWNERS

After execution of the HAP Contract, each month DDHA will pay a Housing Assistance Payment to the Landlord on behalf of the tenant family in accordance with the contract. A rent roll will be maintained by the Section 8 Division that will provide payment information relative to all units assisted by DDHA under the Section 8 Program and that will comply with all HUD and financial control audit requirements.

Payments will be made in the following manner:

All processing necessary for issuance of payments to Section 8 Landlords will be completed by the cut off date established by the HAP Coordinator (in conjunction with the Finance Department). Checks will be processed for payment by the 26th of the month by the computer and disbursed on the first of the following month.

Checks that are not received will not be replaced until a written request has been received from the payee and a stop payment has been put on the check.

A. Excess Payments

The total of rent paid by the tenant plus DDHA housing assistance payment to the owner may not be more than the rent to owner. The owner must immediately return any excess payment to DDHA. Owners who do not return excess payments will be subject to penalties as outlined in the "Owner or Family Debts to DDHA" chapter of this Administrative Plan.

B. Late Payments to Owners

DDHA must pay the housing assistance payment promptly when due to the owner in accordance with the HAP contract. The HAP contract shall provide for penalties against DDHA for late payment of housing assistance payments due to the owner if all the following circumstances apply and the owner request late payment from DDHA:

- Such penalties are in accordance with generally accepted practices and law, as applicable in the local housing market, governing penalties for late payment of rent by a tenant;
- It is the owner's practice to charge such penalties for assisted and unassisted tenants; and
- The owner also charges such penalties against the tenant for late payment of family rent to owner.

DDHA will not be obligated to pay any late payment penalty if HUD or DDHA determines that late payment is due to factors beyond DDHA's control, such as a delay in the receipt of program funds from HUD. DDHA will use administrative fee income or the administrative fee reserve as its only source for late payment penalty.

DDHA will not use any program funds for the payment of late fee penalties to the owner.

11.4 INTERIM CHECK RUN

DDHA will process mid-month payments for those items not paid on the first of the month. Checks will be processed on or around the 15th of the month for any payments not processed in time for issuance by the first of each monthly payment cycle (written documentation).

11.5 RENT REASONABLENESS DETERMINATIONS

DDHA will determine and document on a case-by-case basis that the approved rent is reasonable in comparison to rent for other comparable unassisted units in the market. This applies to all programs.

1. DDHA will not approve a lease until DDHA determine that the initial rent to owner is a reasonable rent. DDHA predetermines the reasonable rent before any increase in the rent to the owner, and if there is a five percent decrease in the published FMR in effect 60 days before the contract anniversary (for unit size rented by the family) as compared with the FMR in effect one year before the contract anniversary.

2. DDHA must redetermine rent reasonableness if directed by HUD and based on a need identified by DDHA' auditing system. DDHA may elect to redetermine rent reasonableness at any other time. At all times during the assisted tenancy, the rent to owner may not exceed the reasonable rent as most recently determined or redetermined by DDHA.

3. The owner will be advised that by accepting each monthly housing assistance payment she/he will be certifying that the rent to the owner is not more than rent charged by the owner for comparable unassisted units in the premises.

4. If requested, the owner must give DDHA information on rents charged by the owner for other units in the premises or elsewhere. DDHA will only request information on the owner's units elsewhere if DDHA has cause to demonstrate that the owner has a tendency to charge higher rents to program participants or if needed for rent reasonableness comparables.

5. Data collected on unassisted units will be gathered from newspapers, realtors, professional associations, inquiries of owners, market surveys and other available sources. The market areas for rent reasonableness are DeKalb County, Georgia. Subject units within a defined housing market area will be compared to similar units within the same area when and where possible.

The market areas for rent reasonableness are census tracts within DDHA's jurisdiction. Subject units within a defined housing market area will be compared to similar units within the same area.

11.6 Census Tracts Codes by Zones

DDHA utilizes a rent reasonableness system which includes and defines the HUD factors. The following items will be used for rent reasonableness documentation:

- Size (number of bedrooms/square footage)
- Location (Census Tract Zones)
- Quality
- Amenities (bathrooms, dishwasher, air, garage, etc.)
- Age of unit
- Unit type
- Utilities

6. DDHA maintains a notebook which includes data on unassisted units for use by staff in making rent reasonableness determinations. The data is updated on an ongoing basis.

11.7 PAYMENT STANDARDS FOR THE VOUCHER PROGRAM

The Payment Standard is used to calculate the housing assistance payment for a family. In accordance with HUD regulation, and at DDHA's discretion, the Voucher Payment Standard amount is set by DDHA between 90 percent and 110 percent of the HUD published FMR. This is considered the basic range. DDHA reviews the appropriateness of the Payment Standard annually when the FMR is published. In determining whether a change is needed, DDHA will ensure that the Payment Standard is always within the range of 90 percent to 110 percent of the new FMR, unless an exception payment standard has been approved by HUD.

DDHA will establish a single voucher payment standard amount for each FMR area in DDHA jurisdiction. For each FMR area, DDHA will establish payment standard amounts for each "unit size". DDHA may have a higher payment standard within DDHA's jurisdiction if needed to expand housing opportunities outside areas of minority or poverty concentration, as long as the payment standard is within the 90-110% of FMR range.

DDHA may approve a higher payment standard within the basic range, if required as a reasonable accommodation for a family that includes a person with disabilities.

11.8 ADJUSTMENTS TO PAYMENT STANDARDS

Payment standards will be reviewed annually for each bedroom size in order to ensure that families can continue to afford units under the Section 8 Voucher Program. In considering an affordability adjustment to the payment standard schedule, DDHA will determine whether participant families have a sufficient level of subsidy to allow freedom of choice in the selection of rental housing in DDHA' jurisdiction. DDHA' review process will include an analysis of the number of suitable vacant units available at rents below the appropriate payment standard by bedroom size, the rent burdens of assisted families, and the financial impact on the Housing Voucher Program if an increase in the payment standard schedule is approved.

DDHA will review all or some of the following factors in determining an affordability adjustment in the payment standard:

1. Participant rent burdens (percent of tenant rent to adjusted household income)

of participants);

2. Participant rent burden relative to the quality of units selected by Participant families;
3. Participant rent burden relative to availability of units by bedroom size;
4. Actual Rent to Owners for specific bedroom sizes;
5. Actual rent increases for participating households;
6. The applicable annual adjustment factor for DDHA jurisdiction which is an indication of the prospective average percent of rent increases;
7. The average time period for finding eligible housing;
8. Rent reasonableness data used for the Section 8 Certificate Program; and
9. The local vacancy rate.

The Assisted Housing Director will conduct the analysis and will make a determination whether an affordability adjustment should be implemented. If DDHA proposes an increase in the payment standard schedule, then a copy of the proposed schedule will be forwarded to Finance Director, who will review the proposed schedule, in order to determine the financial impact on the Housing Voucher Program. The Deputy Executive Director will conduct the final review of the proposed schedule and; if satisfactory, will submit it to DDHA' Board of Commissioners for approval.

The documentation in support of the affordability adjustments to the payment standard schedule will be placed on file at DDHA for HUD review.

Adjustments may not cause the payment standard amounts to exceed the published FMR's of the HUD-approved community-wide exception rent in effect at the time of the adjustment.

If DDHA determine that some or all of the available annual contributions under its ACC are not needed for participating families, including adjustments of housing voucher payments, it may assist more families.

Payment Standards may be adjusted to increase Housing Assistance Payments in order to keep families' rents affordable. DDHA will not raise the Payment Standards so high that the number of families that can be assisted under available funding is substantially reduced. Nor will DDHA raise Standards if the need is solely to make "high end" units available to Voucher holders.

DDHA will review the Payment Standard annually to determine whether an adjustment should be made for some or all unit sizes. The Payment Standard will be reviewed according to HUD''

requirements and this policy and if an increase is warranted, the payment standard will be adjusted within 90 to 110% of the current Fair Market Rent.

DDHA may use some or all of the measures below in making its determination whether an adjustment should be made to the Payment Standards.

A. Assisted Families' Rent Burden

DDHA will review reports showing the percent of income used for rent by Voucher families to determine the extent to which the rent burden is more than **(30%)** of income.

B. Availability of Suitable Vacant Units Below the Payment Standard

DDHA will review its rent reasonableness database and vacancy rate data to determine whether there is an ample supply of vacant units below the Payment Standard.

C. Quality of Units Selected

DDHA will review the quality of units selected by participant families before determining any change to the Payment Standard to ensure Payment Standard increases are only made when needed to reach the mid-range of the market.

D. Authorities Decision Point

DDHA will review the quality and size of units where the Rents to Owner are above the Payment Standard by more than (25%). If more than (50%) of families have selected above-average units or have selected larger units than the Voucher size, DDHA may elect not to increase the Payment Standard nor continue the analysis.

If the analysis continues, DDHA will divide those rents between contracts within the first year and after the first year. If the Rents to Owner are more than (25%) above the average, in any bedroom size, DDHA continue the analysis. If not, DDHA may elect not to increase the Payment Standard for certain bedroom sizes.

E. Rent to Owner Increases

- DDHA may review a sample of the units to determine how often owners are increasing rents after the first year of the lease and the average percent of increase by bedroom size. The sample will be divided into units with and without the highest cost utility included.

A comparison will then be made to the applicable annual adjustment factor to determine whether owner increases are excessive in relation to the published annual adjustment factor.

F. Time to Locate Housing

- DDHA may consider the average time period for families to lease up under the Voucher program as compared to the Certificate program. If the average for Voucher holders exceeds that for Certificate holders by (50%), the Payment Standard may be adjusted.

G. Lowering of the Payment Standard

- Lowering of the FMR may require an adjustment of the Payment Standard. Additionally, statistical analysis may reveal that the Payment Standard should be lowered. In any case, the Payment Standard will not be set below 80 percent of the FMR without authorization from HUD.

H. Financial Feasibility

Before increasing the Payment Standard, DDHA may review the budget and the project reserve, to determine the impact projected subsidy increases would have on the funding available for the program and number of families served.

I. File Documentation

-

A file will be retained by DDHA for at least three years to document the analysis and findings to justify whether or not the Payment Standard was changed.

11.9 PAYMENT STANDARDS FOR A FAMILY

A. Regular Reexamination

If the payment standard decreases during the HAP Contract term, the Payment Standard for the family is the higher of (1) the Payment Standard at the beginning of the lease minus any amount by which the initial rent to the owner has decreased, or (2) the Payment Standard at the current or most recent annual exam. If a change in family size or composition occurs affecting the certificate or voucher size, the ability to use the initial Payment Standard is lost.

B. Interim Examination

If after the beginning of the term of the lease the family has a change in income, family size or composition that would require or allow for an interim adjustment based on DDHA interim policy, DDHA will not apply any new or change in PAYMENT STANDARD until the date of the next regular reexamination.

C. Moves

If the family moves into a different unit prior to their next recertification and DDHA have had a change in the payment standard, the new payment standard will be used. The applicable payment standard will be that which is the lower of either the certificate or voucher size issued or the unit size selected at the time of the move.

11.10 OWNER PAYMENT IN THE HOUSING CHOICE VOUCHER PROGRAM

The owner is required to notify DDHA, in writing, at least sixty days before any change in the amount of rent to owner is scheduled to go into effect. Any requested change in rent to owner will be subject to rent reasonableness requirements.

Chapter 12

12.0 RECERTIFICATIONS

12.1 INTRODUCTION

In accordance with HUD requirements, Decatur/DeKalb Housing Authority (DDHA) will reexamine the income and household composition of all families at least annually. Families will be provided accurate annual and interim rent adjustments. Annual recertifications and interim examinations will be processed in a manner that ensures families are given reasonable notice of rent increases.

All annual activities will be coordinated in accordance with HUD regulations. It is a HUD requirement that families report all changes in household composition. This Chapter defines the DDHA's policy for conducting annual recertifications and coordinating annual activities. It also explains the interim reporting requirements for families, and the standards for timely reporting.

12.2 ANNUAL ACTIVITIES

There are three activities DDHA must conduct on an annual basis:

1. Annual recertification of income and family composition
2. HQS inspection
3. Rent to owner adjustment (following HUD requirements)

DDHA produces a monthly listing of units under contract to ensure that timely reviews of rent to owner, housing quality, and factors related to total tenant payment/family share can be made. Requests for rent adjustments and other monetary changes will be transmitted to the Housing Assistance Coordinator.

1. Reexamination of the family's income and composition must be conducted at least annually.
2. Annual inspections: See "Housing Quality Standards and Inspections" chapter.
3. Rent adjustments: See "Owner Rents, Rent Reasonableness and Payment Standards" chapter.

12.3 ANNUAL RECERTIFICATION/REEXAMINATION

Reexamination of income, assets, family composition, and deductions shall be made by DDHA annually. Appropriate redeterminations will be made by the Authorities of the amount(s) of Total Tenant Payment/family share, unit size and the amount of Housing Assistance Payment.

Should a participant family transfer to another assisted unit, and a recertification has not been processed within the last one hundred twenty (**120**) days, a reexamination of the family's circumstances will be conducted at that time.

12.4 MOVES BETWEEN REEXAMINATIONS

When families move to another dwelling unit, an annual recertification will be conducted, unless a recertification has occurred in the last 120 days. The anniversary date will change to coincide with the

move-in date of the new unit. Income limits are not used as a test for continued eligibility at annual recertification.

12.5 REEXAMINATION NOTICE TO THE FAMILY

DDHA will maintain a reexamination tracking system and the household will be notified by mail of the date and time for their interview at least 90-120 days in advance of the anniversary date. If requested as reason accommodation by a person with a disability, DDHA will provide the notice in an accessible format.

DDHA will also mail the notice to a third party, if requested as reasonable accommodation for a person with disabilities. These accommodations will be granted upon verification that they meet the need presented by the disability.

12.6 PROCEDURE FOR ANNUAL RECERTIFICATION

The procedure for conducting annual recertifications will be:

- Mail appointment letter to families with the date and time of appointment.
- The letter will include forms for the family to complete in preparation for their interview.

12.7 COMPLETION OF ANNUAL RECERTIFICATION

DDHA will have all recertifications for families completed before the anniversary date. This includes notifying the family of any changes in rent at least 30 days before the scheduled date of the change in family rent.

Persons with Disabilities

Persons with disabilities who are unable to come to DDHA's office will be granted an accommodation by conducting the interview at their home or by mail, upon verification that the accommodation requested meets the need presented by the disability.

12.8 Collection of Information

DDHA has established appropriate recertification procedures necessary to ensure that the income data provided by families is complete and accurate.

DDHA representative will interview the family and enter the information provided by the family on the recertification form, review the information with the family and have them sign the form.

DDHA will require the family to complete a Personal Declaration Form prior to all recertification interviews.

12.9 REQUIREMENTS TO ATTEND

The Head of Household and all adult household family members must be present at their annual recertification interview. If these members are unable to attend the recertification interview it will be rescheduled.

12.10 Failure to Respond to Notification to Recertify

The written notification must state which family members are required to attend the interview. The family may call to request another appointment date up to ten (10) days prior to the interview. If the family does not appear for the annual recertification interview, and has not rescheduled or made prior arrangements with DDHA, DDHA **will not** reschedule a second appointment. DDHA will send the family notice of termination and offer them an informal hearing. Exceptions to these policies may be made by DDHA if the family is able to document an emergency situation that prevented them from canceling or attending the appointment or if requested as a reasonable accommodation for a person with a disability.

12.11 DOCUMENTS REQUIRED AT RECERTIFICATION

- A. Proof of citizenship; birth certificates; Social Security cards; and Immigration and Naturalization (INS) documents
- B. Proof of income from all sources (this applies to all adult members)
- C. Regular pay, special allowances & allotments received by a member of the Armed Services, Reserves National Guard
- D. Medical and pharmacy information
- E. **Personal Declaration Form.**
- F. Proof of Full-time student status of household members 18 years of age or older, if applicable

G. Valid State of Georgia Picture Identification for each family member in the household 18 years of age or older.

12.12 Verification of Information

All reexaminations must follow the verification procedures established by DDHA in this plan. Verification cannot be more than **(120)** days old.

Any family who has not provided adequate information will be given a notice to return the information within ten **(10)** days. If the requested information has not been received within ten (10) days, a Notice of Termination From the Program letter will be mailed to the family with a copy to the landlord.

The family will be given ten (10) days from the date of the letter to request an Informal Hearing. Failure to respond to the Notice of Termination From the Program letter by requesting a hearing will result in termination of the family's assistance.

12.13 TENANT RENT INCREASES

If a tenant's portion of the rent increases, no less than a thirty **(30)** day written notice will be given to the tenant with a copy to the landlord, effective the first **(1st)** day of the anniversary date of the lease.

If less than thirty **(30)** days are remaining before the anniversary date, the increase will be effective on the first **(1st)** day of the following month. A copy will be mailed to the tenant and the landlord.

If there has been a misrepresentation or a material omission by the family, or if the family causes a delay in the reexamination processing, there will be a retroactive increase in rent to the scheduled effective date of the annual recertification.

12.14 TENANT RENT DECREASES

If a tenant's portion of the rent decreases, the decrease will be effective on the anniversary date of the contract. A copy will be mailed to the landlord and the tenant.

DDHA will adjust the rent accordingly for families who lose their TANF benefits as a result of the expiration of the lifetime time limit. Such expiration shall not be considered failure to comply with program regulations.

The Authorities will not lower the Participating Family's rent if the family's TANF benefits are reduced because of fraud.

If the family causes a delay so that the processing of the reexamination is not complete by the anniversary date, rent change will be effective on the first day of the month following completion of the reexamination processing by DDHA.

12.15 REPORTING INTERIM CHANGES

Program participants must report all changes in household composition to DDHA between annual reexaminations. This includes additions due to birth, adoption and court-awarded custody. The family must obtain DDHA approval prior to all other additions to the household.

The U.S. citizenship/eligible immigrant status of additional family members must be declared and verified as required at the first interim or regular recertification after moving into the unit.

Interim reexaminations between annual reexaminations are performed to allow tenants to comply with the lease requirements and to report changes in income and family circumstances. An interim reexamination does not affect the date of the annual recertification.

All changes in income and family composition must be reported in writing within ten **(10)** days of their occurrence.

The following are examples of changes that must be reported in writing within ten (10) days of their occurrences:

1. Change from unearned to earned income (i.e., TANF to work) and/or
2. Change from zero **(0)** income to work or other form of income (earned or unearned); however, all families with zero income will be required to report their status and recertify every 30 days.

Changes in family income resulting from increases in wages on the same job or periodic increase in government benefits not related to other changes in income to family composition do not have to be reported to the Authorities until annual reexamination. This includes cost of living adjustments for Social Security, SSI, and VA Pensions.

A. Decreases in Income

Rent will be made effective the first day of the month following the month in which the change was reported by the resident, in writing, provided, however, that no decrease shall be made until written documentation (proof) of the change(s) has been furnished by the resident and deemed sufficient and verified by DDHA in accordance with its procedures.

B. Increases In Income

If tenant rent increases, a thirty day notice is mailed to the family prior to the scheduled effective date of the annual recertification.

If less than thirty days are remaining before the scheduled effective date of the annual recertification, the tenant rent increase will be effective on the first of the month following the thirty day notice.

If there has been a misrepresentation or a material omission by the family, or if the family causes a delay in the reexamination processing, there will be a retroactive increase in rent to the scheduled effective date of the annual recertification.

12.16 PHA ERRORS

If DDHA makes a calculation error at admissions to the program or at an annual reexamination, an interim reexamination will be conducted, if necessary, to correct the error, but the family will not be charged retroactively. Families will be given decreases, when applicable, retroactive to when the decrease for the change would have been effective if calculated in correctly.

12.17 INCOME CHANGES RESULTING FROM WELFARE PROGRAM REQUIREMENTS

DDHA will not reduce the family share of rent for families whose welfare assistance is reduced by the welfare agency specifically because of:

- I. fraud in connection with the welfare program; or
- II. noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

However, DDHA will reduce the rent if the welfare assistance reduction is a result of:

- A. The expiration of a lifetime time limit on receiving benefits; or
- B. A situation where the family has complied with welfare program requirements but cannot or has not obtained employment, or
- C. A family member has not complied with other welfare agency requirements.

The family's annual income will include the imputed welfare income, as determined at the family's annual or interim reexamination, during the term of welfare benefits reduction (as specified by the welfare agency).

❖ The amount of imputed welfare income will be offset by the amount of additional income the family receives that commences after the sanction was imposed. When additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income will be reduced to zero.

If the family claims the amount of imputed welfare income has been calculated incorrectly, a Housing Assistant supervisor will review the calculation for accuracy. If the imputed welfare income amount is correct, DDHA will provide a written notice to the family that includes:

- I. A brief explanation of how the amount of imputed welfare income was determined;
- II. A statement that the family may request an informal hearing if they do not agree with DDHA determination.

(See "Verification Procedures" chapter.)

12.18 Cooperation Agreements

DDHA will rely on the welfare agency's written notice regarding the amount of specified benefit reduction.

12.19 NOTIFICATION OF RESULTS OF RECERTIFICATIONS

The HUD Form 50058 will be completed and transmitted as required by HUD.

The Notice of Rent Change is mailed to the owner and the tenant. Signatures are not required by DDHA. If the family disagrees with the rent adjustment, they may request an informal hearing.

12.20 TIMELY REPORTING OF CHANGES IN INCOME (AND ASSETS)

A. Standard for Timely Reporting of Changes

DDHA requires that families report interim changes to DDHA within ten (10) days of when the change occurs. Any information, document or signature needed from the family which is needed to verify the change must be provided within ten (10) days of the change.

If the change is not reported within the required time period, or if the family fails to provide documentation or signatures, it will be considered untimely reporting.

B. Procedures when the Change is Reported in a Timely Manner

DDHA will notify the family and the owner of any change in the Housing Assistance Payment to be effective according to the following guidelines:

Increases in the Tenant Rent are effective on the first of the month following at least thirty days' notice.

Decreases in the Tenant Rent are effective the first of the month following that in which the change is reported. However, no rent reductions will be processed until all the facts have been verified, even if a retroactive adjustment results.

The change will not be made until the third party verification is received.

-

C. Procedures when the Change is Not Processed by the PHA in a Timely Manner

"Processed in a timely manner" means that the change goes into effect on the date it should when the family reports the change in a timely manner. If the change cannot be made effective on that date, the change is not processed by DDHA in a timely manner.

In this case, an increase will be effective after the required thirty days' notice prior to the first of the month after completion of processing by DDHA.

If the change resulted in a decrease, the overpayment by the family will be calculated retroactively to the date it should have been effective, and the family will be credited for the amount.

12.21 CHANGES IN VOUCHER SIZE AS A RESULT OF FAMILY COMPOSITION CHANGES

DDHA will not approve the addition of adults to the household unless the adult is an immediate family member who is elderly or a person with a disability. All additions to the household, other than births,

adoptions or court ordered custody, marriage, or approved live-in attendant must be documented by a physician and must be approved in advance by DDHA.

Families requesting to add minor children to the household and for whom court awarded custody has not been granted, must certify that the minor child is residing with the Family and specify the reasons causing the minor child's change in residency.

Family must immediately notify DDHA, in writing, if the minor child moves from the household. If the minor child's departure from the household results in the family being over housed, the Authorities will give the family notice at the time their annual recertification is scheduled.

This notice will inform the family that they must transfer to a unit of appropriate size based on their family composition. If the family fails, or refuses to move, the Authorities will proceed to terminate the assistance. The family may request an Informal Hearing on the proposed termination in accordance with the procedures as outlined in this Administrative Plan.

12.22 CONTINUANCE OF ASSISTANCE FOR "MIXED" FAMILIES

Under the Noncitizens Rule, "Mixed" families are families that include at least one citizen or eligible immigrant and any number of ineligible members.

"Mixed" families who were participants as of June 19, 1995, shall continue receiving full assistance if they meet all of the following criteria:

1. The Authorities implemented the Non-Citizen Rule prior to November 29, 1996 AND
2. The head of household or spouse is a U. S. citizen or has eligible immigrant status;
AND
3. All members of the family other than the head, the spouse, parents of the head or the spouse, and children of the head or spouse are citizens or eligible immigrants. The family may change the head of household to qualify under this provision.

If DDHA implemented the Non-Citizen Rule on or after November 29, 1996, mixed families may receive prorated assistance only.

12.23 MISREPRESENTATION OF FAMILY CIRCUMSTANCES

If any participant deliberately misrepresents the information on which eligibility or tenant rent is established, DDHA may terminate assistance and may refer the family file/record to the proper authorities for appropriate disposition. (See Program Integrity Addendum.)

Chapter 13

13.0 MOVES WITH CONTINUED ASSISTANCE/PORTABILITY

13.1 INTRODUCTION

HUD regulations permit families to move with continued assistance to another unit within Decatur/DeKalb Housing Authority's (DDHA) jurisdiction, or to a unit outside of DDHA's jurisdiction under portability procedures. The regulations also allow DDHA the discretion to develop policies which define any limitations or restrictions on moves. This chapter defines the procedures for moves, both within and outside of, DDHA's jurisdiction, and the policies for restriction and limitations on moves.

13.2 ALLOWABLE MOVES

A family may move to a new unit if:

- A. The assisted lease for the old unit has terminated because DDHA has terminated the HAP contract for owner breach.
- B. The Landlord and family mutually agree to terminate the lease.
- C. The owner has given the family a notice to vacate, or has commenced an action to evict the tenant, or has obtained a court judgment or other process allowing the owner to evict the family (unless assistance to the family will be terminated).
- D. The family has given the Landlord proper notice of intent to terminate the lease.

13.3 RESTRICTIONS ON MOVES

Families will not be permitted to move within DDHA's jurisdiction during the initial year of the assisted lease. Families will not be permitted to move more than once in a 12-month period. DDHA will deny permission to move if:

- I. The family has violated a family obligation under the program.
- II. The family owes DDHA money.
- III. The family has moved or been issued a voucher within the last twelve months.
- IV. There is insufficient funding for continued assistance.

DDHA may make exceptions to these restrictions if there is an emergency reason for the move in which the family has no control.

13.4 PROCEDURE FOR MOVES

A. Issuance of Voucher

Subject to the restrictions on moves, if the family has not been recertified within the last 120 days, DDHA will issue the voucher to move after conducting the recertification and briefing the family. If the family does not locate a new unit, they may remain in the current unit so long as the owner permits and a new lease is entered into by the owner and family. The annual recertification date will be changed to coincide with the new lease-up date.

B. Notice Requirements

The family must give the owner the required number of days written notice of intent to vacate specified in the lease and must give a copy to DDHA simultaneously. For units under a Certificate HAP contract effective before October 2, 1995, if the family vacates the unit without proper notice in writing to the owner, the family will be responsible for any vacancy loss paid by DDHA.

C. Time of Contract Change

A move within the same building or project, or between buildings owned by the same owner, will be processed like any other move except that there will be no overlapping assistance. In a move, assistance stops at the old unit at the end of the month in which the tenant ceased to occupy, unless proper notice was given to end a lease midmonth. Assistance will start on the new unit on the effective date of the lease and contract. Assistance payments may overlap for the month in which the family moves.

13.5 PORTABILITY

Portability applies to families moving out of or into DDHA's jurisdiction within the United States and its territories.

13.6 OUTGOING PORTABILITY

Within the limitations of the regulations and this policy, a participant family has the right to receive tenant-based voucher assistance to lease a unit outside DDHA's jurisdiction, anywhere in the United States, in the jurisdiction of a DDHA with a tenant-based program. When a family requests to move outside of DDHA's jurisdiction, the request must specify the area to which the family wants to move. If there is more than one PHA in the area in which the family has selected a unit, DDHA will choose the receiving PHA.

-
-

13.7 Restrictions on Portability

-

A. Applicants

If neither the head or spouse had a domicile (legal residence) in DDHA's jurisdiction at the date of their initial application for assistance, the family will not be permitted to exercise portability upon initial issuance of a voucher, unless DDHA approves such move. A family must have legal residence and proof of the same within DeKalb County for twelve **(12)** consecutive months in order to move under portability requirements.

For a portable family that was not already receiving assistance in DDHA's tenant-based rental assistance program, DDHA must determine whether the family is eligible for admission under the receiving PHA's program.

B. Participants

After an applicant has leased-up in the jurisdiction of the initial housing agency, they cannot exercise portability during the first year of assisted occupancy, except in the following circumstances.

- 1) The receiving and initial PHA agree to allow the move
- 2) The family's move relates to an opportunity for education, job training or employment
- 3) A sound medical reason with proper documentation provided by the families' physician
- 4) The family must move at no fault of their own from their current residence

The PHA will not permit families to exercise portability:

- A. If the family is in violation of a family obligation.
- B. If the family owes money to DDHA.
- C. If the family has moved out of its assisted unit in violation of the lease.

Determination of outgoing "ports" is based upon recertification within the last sixty **(60)** days. A participant is not required to attend a briefing prior to moving outside of DDHA jurisdiction.

A thirty **(30)** day notice to vacate must be submitted to the family's landlord. Should the family decide to remain in the unit, approval must be submitted by both parties (Landlord and Tenant). Overlapping of Housing Assistance may occur for the month during Transition for portable moves.

Receiving DDHA's will be required to submit hearing determinations to DDHA within 10 days of a written decision of the hearing results.

Portability does not apply to families that are assisted through the project based and moderate rehabilitation programs.

13.8 INCOMING PORTABILITY

When the family has a right to lease a unit in the receiving PHA jurisdiction under portability procedures in accordance with 982.353(b), the receiving PHA must provide assistance for the family. Receiving PHA procedures and preferences for selection among eligible applicants do not apply and the receiving PHA waiting list is not used.

However, DDHA may deny or terminate assistance for family action or inaction in accordance with 982.552 and 982.553.

13.9 ABSorption or Administration

DDHA will accept a family with a valid voucher from another jurisdiction and administer or absorb the voucher. If administering, the family will be issued a "portable" voucher by DDHA.

The term of the voucher will not expire before the expiration date of any initial PHA voucher. The family must submit a request for approval of tenancy for an eligible unit to DDHA before the expiration term of DDHA issued voucher.

DDHA may grant extensions in accordance with this Administrative Plan. However, if the family decides not to lease-up in DDHA's jurisdiction, they must contact the initial PHA to request an extension or if the family is unable to find a unit and requests that their paperwork be sent to another Housing Authority, DDHA will comply in a timely manner.

In the event that the paperwork is not forwarded in timely manner, resulting in the loss of time or the expiration of the family's voucher, DDHA will restore the number of days lost due to its failure to forward portability paperwork in a timely manner.

It is the practice of DDHA that incoming portable families whose vouchers are being administered will not be absorbed as long as there are eligible applicants on the Waiting List and/or DDHA is at or above a 98% lease-up rate. DDHA may absorb portables in addition to those provided for above based upon its determination of the programs best interest and efficient administrative operation.

If DDHA absorb or bill the initial PHA for the incoming voucher, it will administer the program in accordance with its policies within the administrative plan.

For admission to the program a family must be income eligible in the area where the family initially leases a unit with assistance under the program.

DDHA does not redetermine eligibility for a portable family that was already receiving assistance in the initial PHA Section 8 tenant-based program.

DDHA will issue a "portability voucher" according to its own Subsidy Standards. If the family has a change in family composition which would change the voucher size, DDHA will change to the proper size based on its own Subsidy Standards.

13.10 Income and Total Tenant Payment of Incoming Portables

Prior to scheduling the portability family for a briefing, DDHA will conduct an interview to verify the family's information. DDHA will issue a voucher the family to search for housing within it's jurisdiction, provided the initial PHA has verified the family's eligibility for its program, and has submitted all of the HUD required portability information for the family.

As receiving PHA, DDHA will conduct a recertification interview only to verify the information provided if the documents are missing or are over 120 days old, whichever is applicable, or there has been a change in the family's circumstances.

If DDHA conducts a recertification of the family it will not cause a delay in the issuance of a voucher. If the family's income is such that a \$0 subsidy amount is determined prior to lease-up in DDHA's jurisdiction, DDHA will refuse to enter into a contract on behalf of the family at \$0 assistance.

-
-

13.11 requests for Approval of Tenancy

A briefing will be mandatory for all incoming portability families.

When the family submits a Request for Tenancy Approval, it will be processed using DDHA's policies. DDHA will promptly notify the initial PHA if the family does not submit a request for tenancy approval or does not execute lease for an eligible unit by the voucher expiration date. DDHA does not afford families an opportunity for a hearing for expired vouchers.

If the family leases up successfully, DDHA will notify the initial PHA within 10 working days, and the billing process will commence.

If DDHA denies assistance to the family, except for expired voucher, DDHA will notify the initial PHA within 10 days and the family will be offered a review or hearing.

DDHA will notify the family of its responsibility to contact the initial PHA if the family wishes to move outside DDHA's jurisdiction under continued portability.

-
-

13.12 regular Program Functions

DDHA will perform all program functions applicable the tenant-based assistance program, such as:

- I. Annual reexaminations of family income and composition;
- II. Annual inspection of the unit; and
- III. Interim examinations when requested or deemed necessary by DDHA

13.13 terminations

DDHA will notify the initial PHA in writing of any termination of assistance. If an informal hearing is required and requested by the family, the hearing will be conducted by DDHA, using the regular hearing procedures included in this Plan. A copy of the hearing decision will be furnished to the initial PHA.

The initial PHA will be responsible for collecting amounts owed by the family for claims paid and for monitoring repayment. If the initial PHA notifies DDHA that the family is in arrears or the family has refused to sign a payment agreement, DDHA will terminate assistance to the family.

At any time, either the initial PHA or the receiving PHA (DDHA), may make a determination to deny or terminate assistance to the portability family, if said family is in violation of 24 CFR 982.552 and 982.553.

-

13.14 Required Documents

As receiving PHA, DDHA will require the initial PHA to submit the following required HUD information:

- A. HUD Form 52665 – Portability information form which contains the family’s name, Social Security number, expiration dates of the voucher, initial PHA administrative fee, contact person’s name and the PHA’s name and address.
- B. The most recent HUD Form 50058 (family report)
- C. Related verification information

13.15 billing Procedures

As receiving PHA, DDHA will bill the initial PHA monthly for housing assistance payments. The billing cycle for other amounts, including administrative fees and special claims will be also be done monthly unless requested otherwise by the initial PHA.

DDHA will bill 100% of the housing assistance payment, 100% of special claims and 80% of the administrative fee (at the initial PHA's rate) for each "portability" voucher leased as of the first day of the month.

DDHA will notify the initial PHA of changes in subsidy amounts and will expect the initial PHA to notify DDHA of changes in the administrative fee amount to be billed.

Chapter 14

14.0 CONTRACT TERMINATIONS

-
-

14.1 INTRODUCTION

The Housing Assistance Payments (HAP) Contract is the contract between the owner and Decatur/DeKalb Housing Authority (DDHA). It defines the responsibilities of both parties. The following Chapter describes the situations under which the Contract can be terminated by DDHA and the owner, and those policies and procedures for such terminations.

-
-

14.2 CONTRACT TERMINATION

The term of the HAP Contract is the same as the term of the lease. This Contract between the owner and DDHA may be terminated by DDHA or by the owner or tenant terminating the lease.

No future subsidy payments on behalf of the family will be made by DDHA to the owner after the month in which the contract is terminated. The owner must reimburse DDHA for any subsidies paid by DDHA for any period after the contract termination date.

If the unit is still occupied after the Section 8 Contract is terminated, with or without the consent of the owner, the family occupying the unit will be held responsible for the total amount of rent due to the owner. The owner will have no right to claim compensation from DDHA for vacancy loss under the provisions of Certificate Contracts effective on or after October 2, 1995.

After a contract termination, if the family meets the criteria for a move with continued assistance, the family may lease-up another unit. The contract for the new unit may begin during the month in which the family moved from the old unit. However, DDHA will not pay on two units at the same time.

14.3 TERMINATION OF THE CONTRACT BY DDHA

The term of the HAP Contract terminates when the lease terminates, when DDHA terminates program assistance for the family, and when the owner has breached the HAP Contract.

Any of the following actions will be considered a breach of contract by the owner:

A. The owner has violated any obligation under the HAP Contract for the dwelling unit, including the owner's obligation to maintain the unit to HQS standards, including any standards DDHA have adopted in this policy.

B. The owner has violated any obligation under any other Housing Assistance Payments Contract under Section 8 of the 1937 Act (42 U.S.C. 1437f).

C. The owner has committed fraud, bribery or any other corrupt or criminal act in connection with this or any Federal housing program.

D. The owner has failed to comply with regulations, the mortgage or note, or the regulatory agreement for projects with mortgages insured by HUD or loans made by HUD.

E. The owner has engaged in drug trafficking.

DDHA may also terminate the contract if:

I. DDHA terminate assistance to the family.

II. The family is required to move from a unit that is under-occupied (Certificate Program) or overcrowded (Certificate and Voucher Programs).

III. Funding is no longer available under the ACC.

The contract will terminate automatically if one hundred eighty (**180**) days have passed since the last housing assistance payment to the owner.

-

14.4 Notice of Termination

DDHA will provide the owner and family with at least thirty (**30**) days written notice of termination of the contract.

14.5 TERMINATION BY THE FAMILY/MOVES

Under the lease agreement the family cannot move from the unit until after the first twelve (**12**) months of the lease. The notice period to the Landlord is determined by the Lease, but may not exceed sixty (**60**) days.

14.6 TERMINATION OF TENANCY BY THE OWNER: EVICTIONS

If the owner wishes to terminate the lease, the owner must provide proper notice as stated in the lease. The owner may terminate the lease if the owner follows all eviction procedures, using the notice procedures in the HUD regulations and State/local law.

The owner must provide DDHA with a copy of the eviction notice.

During the term of the lease, the owner may not terminate the tenancy except for the grounds stated in the HUD regulations.

The owner must provide the tenant a written notice detailing why the landlord wishes to terminate tenancy, at or before the commencement of the eviction action. This notice may be included in, or may be combined with, any owner eviction notice to the tenant.

The owner eviction notice means a notice to vacate, or a complaint, or other initial pleading used under State or local law to commence an eviction action.

The Contract and Lease require that the owner may only evict for the following reasons:

1. Serious or repeated violation(s) of the lease, including but not limited to failure to pay rent or other amounts due under the lease, or repeated violation of the terms and conditions of the lease.
2. Violation of Federal, State or local law that imposes obligations on the tenant in connection with the occupancy or use of the premises,
3. For other good cause, including:
 - a) Documented criminal activity by the tenant, any member of the household, a guest or another person under the tenant's control that threatens the health, safety or right to peaceful enjoyment of the premises by the other residents, or persons residing in the immediate vicinity of the premises.
 - b) Documented drug-related criminal activity on or near the premises,
 - c) Documented tenant history of disturbance of neighbors, destruction of property, or behavior resulting in damage to the premises.

During the initial term of the lease, the owner may not terminate the tenancy for "other good cause" unless the owner is terminating the tenancy because of something the family did or failed to do.

4. Other good cause, after the first twelve (**12**) months of the Lease, includes:
 - I. Business or economic reason for regaining possession of the unit;
 - II. Owner's desire to repossess the unit for personal use;
 - III. Tenant's refusal to accept the offer of a new lease.

The eviction notice must specify the cause for the eviction.

DDHA require that the owner identifies in their notice to evict the section(s) of the Lease that has been violated and cite some or all of the ways in which the tenant has violated the section(s) as documentation for DDHA' termination of assistance.

Under the terms of the HAP Contract, housing assistance payments are made to the owner. If the owner has begun eviction procedures and the family continues to reside in the unit, DDHA will be

obligated to continue to make Housing Assistance Payments to the owner until the owner has obtained a court judgment or other process allowing the owner to evict the tenant.

DDHA must continue paying housing assistance and utility assistance until such time as the family moves or is evicted from the unit.

If the action is finalized in court, the owner must provide DDHA with the documentation, including notice of the lockout date. This documentation must be clearly legible.

If the owner chooses to break the lease for business or economic reasons, the owner must provide the tenant with **sixty (60) days written notice**. A copy of this notice must be forwarded to DDHA.

If the owner does not wish to renew the lease at the end of the lease term, the owner must provide the tenant with sixty (60) days written notice. A copy of this notice must be forwarded to DDHA. The owner is not required to state a reason or cause for not renewing the lease at the end of the lease period.

DDHA will be obligated to continue making Housing Assistance Payments to the owner in accordance with the Contract as long as the tenant continues to occupy the unit and the Contract has not been violated. By endorsing the monthly check from DDHA, the owner certifies that the tenant is still in the unit, the rent is reasonable and the owner is in compliance with the HAP contract.

If an eviction is not due to a serious or repeated violation of the lease, and if DDHA has no other grounds for termination of assistance, DDHA will issue a new Voucher so that the family can move with continued assistance.

Chapter 15

15.0 DENIAL OR TERMINATION OF ASSISTANCE

15.1 INTRODUCTION

Decatur/DeKalb Housing Authority (DDHA) may deny or terminate assistance for an applicant family or a Participating Family due to their failure to provide information necessary to determine their eligibility and continued participation in the Section 8 Program. In either case, DDHA will provide each family with a list of Family Obligations, which enumerates their responsibilities as a participant under the Section 8 Program, the basis by which DDHA may deny or terminate their assistance, and the rules governing DDHA Informal Hearing Procedures. This Chapter will discuss DDHA application of the rules governing the denial of an applicant family and the grounds for the termination of assistance of a participating family.

15.2 GROUNDS FOR DENIAL OR TERMINATION OF ASSISTANCE

The following rules constitute the basis for denial of assistance or termination of assistance. **For persons with a disability whose denial or termination of assistance is based upon their behavior, the Authorities will delay action on the denial or termination until such time as a determination can be made on whether there is an accommodation which could have been met that would negate the behavior resulting from the disability.**

15.3 Form of Denial/Termination

Denial of assistance for an applicant may include any or all of the following:

1. Denial for placement on DDHA waiting list
2. Denying or withdrawing a voucher
3. Refusing to enter into a HAP contract or approve a tenancy

4. Refusing to process or provide assistance under portability procedures
5. Termination of assistance for a participant may include any or all of the following:
6. Refusing to enter into a HAP contract or approve a tenancy
7. Terminating housing assistance payments under an outstanding HAP contract
8. Refusing to process or provide assistance under portability procedures

15.4 Mandatory Denial and Termination

DDHA must deny assistance to applicants, and terminate assistance for participants:

- A. If any member of the family fails to sign and submit HUD or DDHA required consent forms for obtaining information.
- B. If no member of the family is a U.S. citizen or eligible immigrant.
- C. If the family is under contract and 180 days have elapsed since DDHA's last housing assistance payment was made.
- D. DDHA must permanently deny assistance to applicants, and terminate the assistance of persons convicted of manufacturing or producing methamphetamine on the premises of federally assisted housing (Denied for life).
- E. DDHA must deny admission for five (5) years if any member of the family has been evicted from federally assisted housing for serious violation of the lease.

15.5 Grounds for Denial or Termination of Assistance

DDHA will deny program assistance for an applicant, or terminate program assistance for a participant, for any of the following reasons:

1. The family violates any family obligation under the program as listed in 24 CFR 982.551.
2. Any member of the family has been evicted or terminated from any federally assisted housing program in the last five (5) years.
3. If any member of the family commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program.
4. The family currently owes rent or other amounts to DDHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.
5. The family has not reimbursed any PHA for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.
6. The family breaches an agreement with a PHA to pay amounts owed to a PHA, or amounts paid to an owner by a PHA. DDHA at its discretion may offer the family the opportunity to enter into a repayment agreement. DDHA will prescribe the terms of the agreement.
7. The family participating in an FSS program fails to comply, without good cause, with the family's FSS contract of participation.
8. The family or any member in the family household or guest has engaged in or threatened abusive or violent behavior toward DDHA personnel.
 - "Abusive or violent behavior towards DDHA personnel" includes verbal as well as physical abuse or violence. Use of expletives that are generally considered insulting, racial epithets, or other language, written or oral, that is customarily used to insult or intimidate, may be cause for termination or denial.

➤ "Threatening" refers to oral or written threats or physical gestures that communicate an intent to abuse or commit violence.

➤ Actual physical abuse or violence by the family toward DDHA staff will always be cause for termination.

9. Any member of the family whose drug or alcohol abuse interferes with the health, safety or peaceful enjoyment of other residents. Crime by Family Member.

10. If any member of the family commits drug-related criminal activity, or violent criminal activity.

Refer to "Eligibility for Admission" chapter, "Other Criteria for Admission" section for further information.

15.6 "ONE-STRIKE" POLICY

A. Purpose

All federally assisted housing is intended to provide a place to live and raise families, not a place to commit crime, to use or sell drugs or terrorize neighbors. It is the intention of DDHA to fully endorse and implement a policy designed to:

I. Help create and maintain a safe and drug-free community

II. Keep our program participants free from threats to their personal and family safety

B. Administration

All screening and termination of assistance procedures shall be administered fairly and in such a way as not to violate rights to privacy or discriminate on the basis of race, color, nationality, religion, familial status, disability, sex or other legally protected groups.

C. Screening of Applicants

DDHA does not screen applicants for suitability. However, if information is provided to DDHA from a reliable governmental entity and that information on the family is in violation of DDHA admission policy, that information will be verified and used to determine the family program eligibility.

In evaluating evidence of negative past behavior, DDHA will give fair consideration to the seriousness of the activity with respect to how it would affect other residents, and/or likelihood of favorable conduct in the future which could be supported by evidence of rehabilitation.

15.7 HUD Definitions

Drug-related criminal activity

Is the illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute or use a controlled substance. Drug-related criminal activity means on or near the premises.

Violent criminal activity

Includes any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against a person or property, and the activity is being engaged in by any family member.

15.8 Standard for Violation

DDHA will deny participation in the program to applicants and terminate assistance to participants in cases where DDHA determines there is reasonable cause to believe that the person is illegally using a controlled substance or if the person abuses alcohol in a way that may interfere with the health, safety or right to peaceful enjoyment of the premises by other residents, including cases where DDHA determines that there is a pattern of illegal use of a controlled substance or pattern of alcohol abuse.

"Engaged in or engaging in" violent criminal activity means any act within the past (5) years by applicants or participants, household members, or guests which involved criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against the person of another, which resulted in the arrest and/or conviction of the applicant or participant, household members, or guests.

15.9 Drug Related and Violent Criminal Activity

Ineligibility if Evicted for Drug-Related Activity:

Persons evicted from federally assisted housing because of drug-related criminal activity are ineligible for admission to the Section 8 program for a three (5) year period beginning on the date of such eviction.

* Applicants will be denied assistance if they have been:

arrested, convicted or evicted from a unit assisted under the Housing Act of 1937 for violent criminal activity within the last three (5) years prior to the date of the certification interview.

* Participants will be terminated who have been:

arrested, convicted or evicted from a unit assisted under the Housing Act of 1937 for drug-related or violent criminal activity within the last (5) years prior to the date of the notice to terminate assistance, and whose activities have created a disturbance in the building or neighborhood.

If the family violates the lease by engaging in drug-related or violent criminal activity, DDHA will terminate assistance.

In appropriate cases, DDHA may permit the family to continue receiving assistance provided that family members determined to have engaged in the proscribed activities will not reside in the unit. If the violating member is a minor, DDHA may consider individual circumstances with the advice of Juvenile Court officials.

DDHA will waive the requirement regarding drug-related criminal activity if:

- I. The person demonstrates successful completion of a credible rehabilitation program approved by DDHA, or
- II. The circumstances leading to the eviction no longer exist.

15.10 Denial of Assistance for Sex Offenders

DDHA will deny admission if any member of the household is subject to a lifetime registration requirement under a State sex offender registration program.

15.11 Termination of Assistance for Participants

If DDHA determines that any household member is engaging in or has engaged in drug-related criminal activity while participating in the Section 8 program, within the past three (5) years, DDHA will terminate assistance.

If the family violates the lease by engaging in drug-related or violent criminal activity, DDHA will terminate assistance.

DDHA will terminate assistance for a family if DDHA determines that a member of the household is fleeing to avoid prosecution, or custody or confinement after conviction, that is a felony under the laws of the place from which the individual flees (or in the State of New Jersey, a high misdemeanor).

DDHA will terminate assistance for a family if DDHA determines that a member of the household is violating a condition of probation or parole imposed under Federal or State law.

In appropriate cases, DDHA may permit the family to continue receiving assistance provided that family members determined to have engaged in the proscribed activities will not reside in the unit. If the violating member is a minor, DDHA may consider individual circumstances with the advice of Juvenile Court officials.

15.12 Notice of Termination of Assistance

In any case where DDHA decides to terminate assistance to the family, DDHA must give the family written notice which states:

The reason(s) for the proposed termination,

The effective date of the proposed termination,

The family's right, if they disagree, to request an Informal Hearing to be held before termination of assistance.

The date by which a request for an informal hearing must be received by DDHA.

DDHA will simultaneously provide written notice of the contract termination to the owner so that it will coincide with the Termination of Assistance. The Notice to the owner will not include any details regarding the reason for termination of assistance.

15.13 Required Evidence

Preponderance of evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. The intent is not to prove criminal liability, but to establish that the act(s) occurred. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

Credible evidence may be obtained from police and/or court records. Testimony from neighbors, when combined with other factual evidence can be considered credible evidence. Other credible evidence includes documentation of drug raids or arrest warrants.

DDHA will pursue fact-finding efforts as needed to obtain credible evidence.

DDHA may terminate assistance for criminal activity by a household member under this section if DDHA has determined that the household member has engaged in the criminal activity, regardless of whether the household member has been arrested or convicted for such activity.

15.14 Confidentiality of Criminal Records

DDHA will ensure that any criminal record received is maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose for which it was requested is accomplished.

15.15 FAMILY OBLIGATIONS

A Participating Family receiving Housing Assistance Payments under the Section 8 Program will be responsible for fulfilling all of their responsibilities under the Certificate or Voucher issued by the Authorities and under the Lease with the Owner. The Participating Family's Responsibilities include, but are not limited to, the following:

1. The Participating Family must supply any information that the Authorities or HUD determines to be necessary in the administration of the Section 8 Program, including the submission of the required evidence of citizenship or eligible immigration status (as provided by 24 CFR 982.551). The request for information includes any requested certification, release or other documentation.
2. The Participating Family must supply all of the information requested by the Authorities, or HUD, which will be used in the Annual or Interim Recertifications of the Participating Family to determine the income and family composition of the Participating Family in accordance with HUD's requirements.
3. The Participating Family must disclose and the Authorities must verify Social Security Numbers (as provided by 24 CFR 5.216) for all members of the Applicant/Participating Family's household. In addition, the Applicant/Participating Family, and the adult members of their household, must sign any Release of Information Form and/or Consent Form needed to obtain information on the Applicant/Participating Family, or an adult member of their household, in accordance with 24 CFR 5.230.

4. All information given by the Applicant/Participating Family, or from an adult member of their household, must be true and accurate. Information received that is not true may result in the termination of the assistance for fraud.
5. The Participating Family is responsible for all HQS deficiencies that are caused by the Participating Family, a member of their household, or guest.
6. The Participating Family agrees to permit the Authorities to inspect the unit at reasonable times and after reasonable notice.
7. The Participating Family is bound by the terms and conditions of the Assisted Lease Agreement. Any serious or repeated violation(s) may result in termination of assistance.
8. The Participating Family is required to notify the Owner and the Authorities at the same time prior to the Participating Family moving out of the unit or terminating the lease on notice to the Owner.
9. The Participating Family must promptly give the Authorities a copy of any owner eviction notice.
10. The Participating Family and their household members are the exclusive occupants of the assisted unit. This must be the principal place of residence for the Participating Family.
11. The Authorities must approve all additions to the household that are not the result of a birth, adoption or court-awarded custody of a child. All such requests must be made to the Authorities in writing. Approval of an addition to the household will be given to the Participating Family in writing. Otherwise, Participating Families who house persons prior to approval will be considered in violation of the Terms and Conditions of the Section 8 Program and subject to termination of their assistance.
12. All changes, that are not the result of an increase in income to the household, are to be reported at the time of Annual Recertification. If the change results in a decrease in the composition of the Participating Family, the Participating Family's assistance will be decreased to the appropriate bedroom size.
13. Foster children and Live-in Aides may be added to the household **only** upon **written approval from the Authorities**. If the Participating Family does not request, or the Authorities deny the request, the Participating Family may not move foster children or a Live-in Aide into the assisted unit. Proper documentation must accompany all such requests.
14. The Participating Family and members of their household may engage in a legal profit making business in the unit so long as the business does not change the configuration of the unit as a residence and is consistent with applicable zoning regulations. Such businesses must be detailed and accurate records kept and submitted to the Authorities for review at all Annual and/or Interim Recertifications. Prior approval to conduct such business must be received from the Authorities.

15. The Participating Family agrees not to sublease, nor give accommodations to boarders or lodgers in the assisted unit.
16. The Participating Family agrees not to assign the lease or transfer the unit to any person not named on the lease and who is not of legal age.
17. It is the Participating Family's responsibility to furnish the Authorities any and all information needed to verify that the Participating Family is living in the unit, or related to the Participating Family's, or member of the household's absence from the unit, along with the reason(s) for the absences upon request and/or Interim or Annual Recertification. Failure on the part of the Participating Family to cooperate may result in a termination of the Participating Family's assistance from the Section 8 Program.
18. The unit leased by the Participating Family must not be owned by the Family, nor should the Participating Family have any interest, financial or otherwise, in the unit.
19. The members of the Participating Family must not commit fraud, bribery or any other corrupt or criminal act in connection with the Section 8 Programs.
20. The Participating Family and household members of the Participating Family may not engage in drug-related criminal activity or violent criminal activity. In addition, the Participating Family is responsible for the actions of their guests as it relates to the engagement of drug-related criminal activity or violent criminal activity. In all cases, the Participating Family's assistance will be terminated. The Housing Authorities will follow a "One Strike You're Out" policy.
21. A Participating Family, or members of the Participating Family, may not receive Section 8 assistance while receiving another housing subsidy, for the same unit or for a different unit, under any other (as determined by HUD or in accordance with HUD requirements) Federal, State or local housing assistance program.

15.16 AUTHORITIES' DISCRETION

DDHA may, at their discretion, consider all of the circumstances in each case including the seriousness of each case when deciding whether to deny or terminate assistance because of action or failure to act by members of the family. The extent of participation or culpability of individual family members, the length of time since the violation occurred and more recent record of compliance, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure to act, represent, but are not exclusive of, the matters that may be taken under consideration in determining whether to deny or terminate the Participating Family's assistance.

In addition, DDHA may require the aggrieved party to vacate the assisted unit and permit the remaining Family members to continue receiving the assistance. Should the aggrieved party fail to vacate, then DDHA must proceed to terminate the assistance for the entire Family. Cases that involve fraud, where monies are involved, may be referred to the Inspector General's Office for prosecution, restitution, or both.

DDHA may offer the Participating Family an opportunity to enter into an Agreement to repay any amount(s) DDHA allege is due as a result of any fraudulent act by the Participating Family or a member of their household. In such cases, DDHA will prescribe the terms of the Repayment Agreement. Any breach of the terms may result in an immediate termination of the Participating Family's assistance, in accordance with these Policies.

15.17 ENFORCEMENT OF THE PARTICIPATING FAMILY'S OBLIGATIONS

A. Explanations and Terms

The term "Promptly" when used with the Family Obligations always means "within five (5) business days from the date of occurrence." Denial or termination of assistance is always optional except where this Plan or the regulations state otherwise.

B. HQS Breach

The inspector will determine if an HQS breach as identified in 24 CFR 982.404 (b) is the responsibility of the family. Families may be given extensions to cure HQS breaches by the inspector or inspection supervisor.

C. Lease Violations

The following criteria will be used to decide if a serious or repeated violation of the lease will cause a termination of assistance:

1. Termination of the tenancy by the Owner/Landlord, through court action, for serious or repeated violation of the lease.
2. The Owner/Landlord has notified the Participating Family of the termination of assistance for serious or repeated lease violations, and the Participating Family moves on the basis of said notice prior to the completion of the court action taken by the Owner/Landlord, and the Authority determines that the cause is a serious or repeated violation of the lease based on the evidence that is available.
3. Upon notification by the Owner/Landlord of the Participating Family's termination of assistance for serious or repeated lease violations, and the Participating Family moves from the unit prior to the completion of court action, the assistance will be terminated; and
4. The Authorities have verified through police reports, neighborhood complaints or other third party, information as to the Participating Family's serious or repeated violations of the lease.

D. Notification of Eviction

-

If the Participating Family requests to move due to a pending eviction due to tenant caused damages or other violations and they have not notified the Authorities of the eviction within three (3) days upon receipt of the Notice of Lease Termination, the move will be denied.

E. Proposed Additions to the Family

DDHA will deny a family's request to add additional family members who are:

1. Persons who have been evicted from public housing.
2. Persons who have previously violated a family obligation listed in 24 CFR 982.51 of the HUD regulations.
3. Persons who have been part of a family whose assistance has been terminated under the Voucher program.
4. Persons who commit drug-related criminal activity or violent criminal activity.
5. Persons who do not meet DDHA's definition of family.
6. Persons who commit fraud, bribery or any other corrupt or criminal act in connection with any federal housing program.
7. Persons who currently owe rent or other amounts to DDHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.
8. Persons who have engaged in or threatened abusive or violent behavior toward DDHA personnel.

F. Family Member Moves Out

Participating Families are required to notify the Authorities if any family member leaves the assisted household during any Interim and/or Annual Recertification. The Participating Family, upon notification to the Authorities, must furnish the following information:

- I. The date the family member moved out.
- II. The new address, if known, of the family member.
- III. A statement as to whether the family member is temporarily or permanently absent.

G. Limitation on Profit-making Business in Unit

If the business activity area results in the inability of the family to use any of the critical living areas, such as a bedroom utilized for a business which is not available for sleeping, it will be considered a violation.

If DDHA determines that the use of the unit as a business is not incidental to its use as a dwelling unit, it will be considered a program violation.

If DDHA determines the business is not legal, it will be considered a program violation.

H. Interest in Unit

The owner may not reside in the assisted unit regardless of whether (s)he is a member of the assisted family, unless the family owns the mobile home and rents the pad.

I. Fraud

All fraud cases will be determined on a case-by-case basis. In each case, DDHA will consider which family members were involved, the circumstances, and any hardship that might be caused to innocent members.

In cases involving false citizenship claims, DDHA will give the Participating Family member the opportunity to elect not to contend their status in lieu of termination of the entire Family's assistance.

15.18 PROCEDURES FOR NON-CITIZENS

A. Denial or Termination due to Ineligible Immigrant Status

Applicant or participant families in which all members are neither U.S. citizens nor eligible immigrants are not eligible for assistance and must have their assistance terminated. DDHA must offer the family an opportunity for a hearing

Assistance may not be terminated while verification of the participant family's eligible immigration status is pending.

B. False or Incomplete Information

When DDHA has clear, concrete, or substantial documentation (such as a permanent resident card or information from another agency) that contradicts the declaration of citizenship made by an applicant or participant, an investigation will be conducted and the individual will be given an opportunity to present relevant information.

If the individual is unable to verify their citizenship, DDHA will give the family member an opportunity to provide a new declaration as an eligible immigrant or an opportunity to elect not to contend their status.

DDHA will then verify eligible status, deny, terminate, or prorate as applicable.

DDHA will deny or terminate assistance based on the submission of false information or misrepresentation.

C. Procedure for Denial or Termination

If the family (or any member) claimed eligible immigrant status and the INS primary and secondary verifications failed to document the status, the family may make an appeal to the INS and request a hearing with DDHA either after the INS appeal or in lieu of the INS appeal.

After DDHA has made a determination of ineligibility, the family will be notified of the determination and the reasons and informed of the option for prorated assistance (if applicable).

Credible evidence may be obtained from police and/or court records. Testimony from neighbors, when combined with other factual evidence, may be considered as credible evidence. Other credible evidence includes documentation of drug raids or arrest warrants.

A copy of the termination by the Authorities will be simultaneously provided to the Owner/Landlord so that it will coincide with the Termination of Assistance. The Notice to the Owner/Landlord will not include any details regarding the reason for the termination of assistance.

15.19 ZERO (\$0) DOLLAR ASSISTANCE TENANCIES

A. HAP Contracts Prior to 10/2/95 (Old Contracts)

For contracts **effective prior to October 2, 1995**, DDHA are liable for unpaid rent and damages if the Family vacates during the allowable 12 months after the last HAP payment. DDHA must perform all of the functions normally required, such as Interim and Annual Recertifications and Annual Inspections. The Family will be notified of the right to remain on the Section 8 Program at \$0 assistance for 12 months. If the Family is still in the unit after 12 months, the assistance will be terminated.

In order for a family to move to another unit during the 12-month period, the rent for the new unit would have to be high enough to necessitate a housing assistance payment.

B. HAP Contracts on or After 10/2/95 (New Contracts)

For contracts effective after October 2, 1995, DDHA have no liability for unpaid rent or damages, and the Family may remain in the unit at \$0 assistance for up to 180 days after the last HAP payment. If the Family is still in the unit after 180 days, the assistance will be terminated. If within the 180-day time frame an Owner/Landlord's rent increase or a decrease in the Total Tenant Payment causes the Family to be eligible for a Housing Assistance Payment, DDHA will resume assistance payments for the Family.

In order for a Family to move to another unit during the 180 days, the rent for the new unit would have to be high enough to necessitate a Housing Assistance Payment.

15.20 OPTION NOT TO TERMINATE FOR MISREPRESENTATION

Misrepresentation on the part of the Family that results in an overpayment of assistance by the Authorities may cause DDHA to either terminate their assistance or not terminate their assistance provided the Family agrees to enter into a Repayment Agreement, whose terms are specified by DDHA, to reimburse DDHA, in full, for any overpayments made upon their behalf. Repeated misrepresentation will result in the termination of the Family's assistance. The decision to terminate or not terminate is solely DDHAs'.

15.21 MISREPRESENTATION IN COLLUSION WITH OWNER

The willful and knowledgeable commission of fraud by the Family with the Owner/Landlord, or the involvement in any other illegal scheme by the Family with the Owner/Landlord will result in the termination and/or denial of assistance by DDHA.

In making this determination, DDHA will carefully consider the possibility of overt or implied intimidation of the Family by the Owner/Landlord and the Family's understanding of the events.

15.22 MISSED APPOINTMENTS AND DEADLINES

The Family is required to provide documentation and certification of any and all information requested by DDHA to make a determination as to the Family's continued assistance under the Section 8 Program. To accomplish this task, DDHA's staff will schedule appointments and set deadlines for the Family to obtain this information. Inclusive in the Family's Obligations, is the requirement that the Family will allow DDHA's Inspectors to inspect their unit, upon notification, to ensure that the unit complies with Housing Quality Standards.

Failure on the part of an Applicant Family or a Participating Family to keep a scheduled appointment, or to supply the information required by the deadline specified in the notification without notifying DDHA, will result in the forwarding of a Notice of Denial or Termination of Assistance based on this failure to comply. The same procedure will be followed for failure to allow DDHA's Inspectors to inspect the unit.

Missed appointments without prior notice and approval by DDHA for families already receiving assistance from the program, will not be rescheduled. Missed appointments for applicant families, including incoming portables, will not be automatically rescheduled for a second appointment.

Families who missed their first appointment and failed to make prior arrangements will be withdrawn from the wait list and application will be dead filed. For a participating family if the appointment is missed on the second notification, the family will be terminated from the program. If applicant family, the application for assistance will be withdrawn and dead filed.

Failure of a Participating Family to keep their scheduled appointment will result in a Termination of Assistance letter being sent to the Participating Family. The family may request an Informal Hearing in writing which must be received by DDHA within ten (10) business days from the date on the Termination letter.

The following is a list of appointments that will be scheduled, and where time requirements will be imposed

1. Eligibility for Admissions
2. Verification Procedures
3. Voucher Issuance and Briefings
4. Housing Quality Standards and Inspections

6. Recertifications

7. Appeals

The following are acceptable reasons for missing appointments or failing to provide information by the specified deadlines:

1. Medical Emergency
2. Incarceration (only if the incarceration is non-drug or violent crime related)
3. Family Emergency

In these cases, the family should notify DDHA immediately when the emergency has been resolved. In addition, proof that said emergency occurred would be required as documentation. Failure to provide documentation will result in the denial and/or termination of assistance.

15.23 MISSED APPOINTMENTS DUE TO CHANGE IN ADDRESS/MAIL

It is the family's responsibility to ensure that there is no obstacle to the family's receipt of any written correspondence from the Housing Authorities.

Failure of the family to respond to any mailed correspondence from the DDHA due to a problem associated with the family's home mail box, rented mail box or other mailing address supplied to DDHA for the purpose of receiving written correspondence will not be an acceptable reason for missing scheduled appointments or failing to provide information by the specified deadlines, unless the family has:

I. Notified DDHA of this fact by mail before DDHA forwarded additional correspondence to the address in question. Proof of notification will be the responsibility of the family.

II. The family can provide written proof from the U.S. Postal Service (in particular the Post Office that services the family's zip code) that there is a problem with the family's home, rented, or other mailing address supplied to DDHA before or within 5 business days after DDHA forwarding of a Notice of Denial or Termination of Assistance based on this failure to respond.

15.24 FAMILY EMERGENCY

In these cases, the applicant/participating family should notify DDHA immediately when the emergency has been resolved. In addition, proof that said emergency occurred would be required as

documentation. Failure to provide documentation will result in the denial and/or termination of assistance.

15.25 PROCEDURES FOR MISSED APPOINTMENTS OR MISSING INFORMATION

The Applicant/Participating Family will be given one opportunity prior to the issuance of a Notice of Termination or Denial for breaching their obligation under this Plan.

If the Applicant/Participating Family offers to correct the breach within the time frame prescribed by DDHA to request an Informal Review/Hearing, one of the following will occur:

- A. The termination will be rescinded after the family cures the breach.
- B. The notice will not be rescinded even if the family offers to cure the breach.
- C. The notice will be rescinded if the family offers to cure and the family does not have a history of non compliance.

Chapter 16

16.0 OWNER DISAPPROVAL AND RESTRICTION

16.1 INTRODUCTION

It is the goal of DDHA to recruit owners to participate in the program and to provide owners with prompt and professional service in order to maintain an adequate supply of available housing throughout the jurisdiction of DDHA. HUD regulations define when DDHA must disallow an owner participation in the program, and they provide DDHA discretion to disapprove or otherwise restrict the participation of owners in certain categories. This Chapter describes the criteria for owner disapproval, and the various penalties for owner violations.

16.2 DISAPPROVAL OF OWNER

The owner does not have a right to participate in the program. For purposes of this section, “owner” includes a principal or other interested party.

DDHA will disapprove the owner for the following reasons:

1. HUD or other agency directly related has informed DDHA that the owner has been disbarred, suspended, or subject to limited denial of participation.
2. The Federal Government has instituted an Administrative or Judicial action against the owner for violation of the Fair Housing Act or other Federal Equal Opportunity requirements, and such action is pending.
3. HUD has informed DDHA a court or administrative agency has determined that the owner violated the Fair Housing Act or other Federal Equal Opportunity requirement.

4. Unless their lease was effective prior to June 17, 1998, the owner may not be a parent, child, grandparent, grandchild, sister or brother of any family member. DDHA will waive this restriction as a reasonable accommodation for a family member who is a person with a disability.
5. In cases where the owner and tenant bear the same last name, DDHA may, at its discretion, require the family and or the owner to certify whether they are related to each other in any way.
6. The owner has violated obligations under a Housing Assistance Payment Contract under Section 8 of the 1937 Act.
7. The owner has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program
8. The owner has engaged in drug-related criminal activity or any violent criminal activity.
9. The owner has a history or practice of non-compliance with the HQS for units leased under the Tenant-Based programs, or with applicable housing standards for units leased with Project-Based Section 8 assistance or leased under any other Federal housing program.
10. The owner has a history or practice of renting units that fail to meet State or local housing codes.
11. The owner has a history or practice of failing to terminate tenancy of tenants of units assisted under Section 8 or any other federally assisted housing program for activity by the tenant, any member of the household, a guest or another person under the control of any member of the household that:
 - Threatens the right to peaceful enjoyment of the premises by other residents;
 - Threatens the health or safety of other residents, of employees of the PHA, or of owner employees or other persons engaged in management of the housing.
 - Threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises; or
 - Is drug-related criminal activity or violent criminal activity;
12. The owner has not paid State or local real estate taxes, fines or assessments.
13. The owner has failed to comply with regulations, the mortgage or note, or the regulatory agreement for projects with mortgages insured by HUD or loans made by HUD.

16.3 OWNER RESTRICTIONS AND PENALTIES

If an owner has committed fraud or abuse or is guilty of frequent or serious contract violations, DDHA will restrict the owner from future participation in the program for a period of time commensurate with the seriousness of the offense. DDHA may also terminate some or all contracts with the owner. Before imposing any penalty against an owner DDHA will review all relevant factors pertaining to the case, and will consider such factors as the owner's record of compliance and the number of violations. See Program Integrity Addendum for guidance as to how owner fraud will be handled.

16.4 CHANGE IN OWNERSHIP

A change in ownership does not require execution of a new contract and lease.

DDHA may approve the assignment of the HAP contract at the old owner's request. DDHA may approve the assignment, since they are a party to the contract. DDHA may deny approval of assignment of the contract, for any of the reasons listed in Section A. of this chapter.

DDHA will process a change of ownership only upon the written request of the new owner and only if accompanied by a copy of the escrow statement or other document showing the transfer of title, recorded deed and the Employee Identification Number or Social Security number of the new owner. DDHA must receive a written request by the old owner in order to change the HAP payee and/or the address to which payment is to be sent.

If the new owner does not want an assignment of the contract, DDHA will terminate the HAP contract with the old owner, since they are no longer the owner. The new owner may offer the family a new assisted lease. The family may elect to enter into the new lease or move to another unit.

16.5 REMEDIES FOR OWNER OVERPAYMENTS

If DDHA determine that a landlord has been overpaid as a result of fraud, misrepresentation or violation of the Contract, DDHA may terminate the Contract and arrange for restitution to DDHA and/or family as appropriate.

DDHA will recover any overpayments made as a result of landlord fraud or abuse. Payments otherwise due to the owner may be debited in order to repay DDHA or the tenant, as applicable.

See Chapter 18, Section 18.7 "Owner Debts to DDHA" for additional remedies for owner overpayments.

Chapter 17

17.0 CLAIMS, MOVE-OUT AND CLOSE-OUT INSPECTIONS (For HAP Contracts Effective Before October 2, 1995)

-
-

17.1 INTRODUCTION

This chapter describes the Decatur/DeKalb Housing Authority's (DDHA) policies, procedures and standards for servicing HAP contracts, which were effective before October 2, 1995. Pre-merger certificate and voucher contracts in this category have provisions for DDHA's liability to owners when families move out. Vouchers and pre-merger certificates have a provision for damages, and pre-merger certificates, in addition, have a provision for vacancy loss.

-

17.2 OWNER CLAIMS

Under HAP contracts effective prior to October 2, 1995, owners may make "special claims" for damages, unpaid rent, and vacancy loss (vacancy loss cannot be claimed in the voucher program) after the tenant has vacated the unit.

Owner claims for payment for unpaid rent, damages, or vacancy loss will be reviewed for accuracy and completeness and compared with records in the file. DDHA establishes standards by which to evaluate claims, but the burden of proof rests with the owner.

If vacancy loss is claimed, DDHA will ascertain whether or not the family gave proper notice of its intent to move. The file will also be reviewed to verify owner compliance at the time the contract was terminated.

DDHA will pay properly filed claims to the owner as a function of the contract, but the tenant is ultimately responsible to reimburse DDHA for claims paid to the owner.

17.3 UNPAID RENT

Unpaid rent only applies to the tenant's portion of rent while the tenant is in residence under the assisted lease. It does not include the tenant's obligation for rent beyond the termination date of the HAP contract.

Separate agreements are not considered a tenant obligation under the lease and the PHA will not reimburse the owner for any claims under these agreements.

17.4 DAMAGES

The owner must be present during the move-out inspection and only damages claimed by the owner are reimbursable

All claims for damages must be supported by the actual bills or estimates for materials and labor and any copies of cancelled checks and/or other receipts documenting payment.

Invoices or bills from individuals providing labor must include their name, address and telephone number.

17.5 VACANCY LOSS IN THE PRE-MERGER CERTIFICATE PROGRAM

Vacancy loss is applicable to the pre-merger certificate program only. Vacancy loss is paid if the move was in violation of the notice requirements in the lease, or the result of an eviction.

In order to claim vacancy loss, the unit must be available for lease and the landlord must:

Notify DDHA within (48) hours or 2 business days upon learning of the vacancy, or prospective vacancy, and

Pursue all possible activities to fill the vacancy, including, but not limited to:

1. Contacting applicants on the owner's waiting list, if any;
2. Seeking eligible applicants by listing the unit with DDHA,
3. Advertising the availability of the unit, and
4. Not rejecting potentially eligible applicants except for good cause.

In the event that a unit becomes vacant because of the death of the tenant, DDHA will permit the owner to keep the HAP for the month in which the tenant died.

If the tenant moves after the date given on their notice of intent to vacate, the landlord may claim vacancy loss by providing acceptable documentation that there was a bona fide prospective tenant to whom the unit could have been rented.

DDHA will not assess the tenant/family for any monies paid to the owner for vacancy loss if DDHA was responsible for the late move-out.

To ensure valid claim processing, DDHA will conduct a thorough move-in inspection noting "conditions" as well as HQS deficiencies, take pictures of questionable items, and send a report of all items to the owner and tenant.

DDHA require the owner to be present during the move-out inspection and only those damages actually claimed by the owner may be considered for reimbursement.

A filed damage claim must be supported by copies of the actual bills for materials and labor, a copy of the canceled checks and other receipts documenting payment. Estimates for materials and labor are acceptable.

Invoices or bills from individuals providing labor must include their name, address and telephone number.

Persons making repairs or replacements must be licensed to do business in DDHA's jurisdiction.

Reasonableness of costs will be based on type of work being done. Reimbursement for replacement of items such as carpets, drapes, or appliances, are based on depreciation schedules in general use by DDHA.

DDHA may require verification of purchase date, quality, and price of replaced items in order to calculate depreciation.

Damages, which were caused during tenancy, were repaired and billed, but remain unpaid at move-out, can be considered "other items due under the lease" and included in the claim.

Eligible items to be included on the damage claim must have been a tenant responsibility under the lease or State law.

Claims for unpaid utility bills cannot be approved as part of a claim.

Claims for normal wear and tear, previously existing conditions, routine turnover preparation, cleaning and cyclical interior painting are not paid.

DDHA will inspect the unit to verify that repairs were made.

17.6 MOVE-OUT AND CLOSE-OUT INSPECTIONS

Move-out inspections are performed after the tenant has vacated the unit. These inspections are performed to assess the condition of the unit, not to evaluate the HQS. Vacate inspections will be conducted by DDHA's HQS Inspection Department.

There will be no move-out inspections of units with contracts effective on or after October 2, 1995.

DDHA's initial inspection of the unit will include a "conditions" report, which will be compared to the conditions found during the move-out inspection.

The owner must notify DDHA of the move-out and request an inspection within (48) hours of learning of the move-out in order to submit a claim for damages.

If the contract was terminated due to owner breach, or the owner was in violation of the contract at the time that it was terminated, there will be no entitlement to claims and therefore no inspection.

The owner and tenant will be notified of the date and time of the inspection. If the owner is not present, the move-out inspection will not be rescheduled.

DDHA will not conduct a move-out inspection on tenant's request if the owner does not also request an inspection.

A damage claim will not be approved unless the move-out inspection is requested and completed prior to any work being done.

17.7 PROCESSING CLAIMS

-
Any amount owed by the tenant to the owner for unpaid rent or damages will first be deducted from the maximum security deposit, which the owner could have collected under the program rules. If the maximum allowable security deposit is insufficient to reimburse the owner for the unpaid tenant rent or other amounts, which the family owes under the lease, the owner may request reimbursement from DDHA up to the limits for each program.

If the owner claims vacancy loss, the security deposit that s/he collected or could have collected will be deducted from the vacancy loss claim.

DDHA reviews claims for unpaid rent, damages, or vacancy loss and makes a preliminary determination of amount payable. The family is informed that a claim is pending (notice sent to last known address). The notification will state the preliminarily determined amount, the type of claim, and describe the procedure for contesting the claim.

DDHA will offer the family ten (10) business days to contest the claim in written form. If the family disputes the claim, DDHA will schedule an informal damage claim review meeting with the owner and tenant in order to resolve the differences.

If both the owner and tenant fail to attend the meeting, DDHA will not schedule another meeting unless there is good cause or extenuating circumstances.

If the owner fails to attend the meeting, DDHA will consider the tenant's claim to be valid and no claim will be processed.

If the tenant fails to attend the meeting, DDHA will proceed with its original determination.

If the family demonstrates that the claim, or parts of it, is invalid, DDHA will adjust the amount.

DDHA may offer the tenant an opportunity for an Informal Hearing regarding the claim if disputes cannot be resolved.

After a determination has been made, DDHA will notify the family in writing of the decision. If it has been determined that the family owes money, DDHA will pursue collection to repay either in a lump sum or through a payment agreement. The notice will warn the family that their assistance may be terminated and they may be denied future participation in the program if they do not reimburse DDHA as required.

17.8 Other Requirements for Claims Processing

DDHA will require proof that the owner has complied with State and local laws applicable to security deposits before making payment on any claim.

Costs of filing eviction to remove the tenant or any other legal fees will not be reimbursed.

No claims will be paid for a unit, which is vacant as the result of the landlord voluntarily moving a family to another unit owned by the same landlord.

All unpaid rent, damage, and vacancy loss claim forms must be fully complete when they are submitted, and they must be submitted within 30 days of the date the owner learned of the move-out.

Chapter 18

18.0 OWNER OR FAMILY DEBTS TO DDHA

18.1 INTRODUCTION

The Decatur/DeKalb Housing Authority's (DDHA) policies for the recovery of monies that have been overpaid either to families or to owners are outlined in this chapter. It describes the methods that will be utilized for collection of monies and the guidelines for different types of debts. It is the policy of DDHA to meet the informational needs of owners and families, and to communicate the program rules in order to avoid owner and family debts.

Before a debt is assessed against a family or owner, the file must contain documentation to support DDHA's claim that the debt is owed. The file must further contain written documentation of the method of calculation, in a clear format for review by the owner, the family or other interested parties.

When monies are owed to DDHA by families or owners, DDHA will make every effort to collect it. DDHA will use a variety of collection tools to recover debts including, but not limited to:

1. Requests for lump sum payments
2. Civil suits
3. Payment Agreements
4. Abatements
5. Reductions
6. Collection agencies
7. Credit bureaus

18.2 PAYMENT AGREEMENT FOR FAMILIES

A Payment Agreement as used in DDHA Administrative Plan is a document entered into between the Housing Authority of the City of Decatur or County of DeKalb, Georgia and a person who owes a debt to either of DDHA. It is similar to a promissory note, but contains more details regarding the nature of the debt, the terms of repayment, any special provisions of the agreement, and the remedies available to DDHA upon default of the agreement.

- DDHA will evaluate each case separately to determine the monthly payment.

18.3 Late Payments

A payment will be considered to be in arrears if:

I. The payment has not been received by the close of the business day on the second Friday of each month.

II. The payment has not been received for a period of sixty (60) consecutive days past the due date without written notification from the family acceptable to DDHA.

If the family's Payment Agreement is in arrears, DDHA will:

1. Require the family to pay the balance in full
2. Pursue civil collection of the balance due
3. Terminate the housing assistance
4. Grant an extension based on each case or circumstance
5. Deny any future housing assistance and notify any agencies who inquire that there is an unpaid balance due.

If the family requests a move to another unit and has a Payment Agreement in place for the payment of an owner claim, and the Payment Agreement is not in arrears:

The family will be permitted to move, if DDHA determine that the family has made a good faith effort to repay current amounts owed DDHA

If the family requests a move to another unit and is in arrears on a Payment Agreement for the payment of an owner claim:

I. The family will be required to pay the balance in full, or be terminated from the program.

II. If the family repays the past due amount, they will be permitted to move.

18.4 PAYMENT SCHEDULE FOR MONIES OWED TO DDHA

DDHA will demand payment of between 15% and 25% of total amount owed upon agreement to repay monies owed. DDHA will normally require payment of all money owed within twelve (12) to eighteen (18) months of date of signed agreement, but will extend time beyond the normal twelve (12) to eighteen (18) months if family has proven, to the satisfaction of DDHA, that it does not have income to support the repayment within the specified time frame.

I. DDHA will not accept a Payment Agreement under the following circumstances:

II. If the family already has a Payment Agreement in place.

III. If DDHA determine that the family committed program fraud.

18.5 GUIDELINE FOR PAYMENT AGREEMENTS

I. Payment Agreements will be executed between DDHA, the Head of Household and Spouse only.

II. Monthly payments may be decreased by DDHA in cases of hardship with a written request from the family and verification of the hardship.

III. A family may move with a Payment Agreement in place if:

a) Family size exceeds the HQS maximum occupancy standards

b) The HAP contract is terminated due to owner non-compliance or opt-out

c) A natural disaster

d) Unit is condemned by local, State or Federal Agencies.

If the family has a Payment Agreement in place and incurs an additional debt to DDHA:

1. Additional amounts owed by the family will be added to the existing Payment Agreement
2. If a Payment Agreement is in arrears more than sixty (60) days, new debt must be paid in full.

18.6 DEBTS DUE TO FRAUD/NON-REPORTING OF INFORMATION
HUD's definition of program fraud and abuse is a single act or pattern of actions that:

“Constitutes false statement, omission, or concealment of a substantive fact, made with intent to deceive or mislead, and that results in payment of Section 8 program funds in violation of Section 8 program requirements”.

A. Family Error/Late Reporting

Families who owe money to DDHA due to the family's failure to report increases in income will be required to repay amounts owed in full, or make repayments within twelve to eighteen months.

B. Program Fraud

Families who owe money to DDHA due to program fraud will be required to repay the amount in full within twelve to eighteen months. If the full amount is paid within this time period, and the family is still eligible, DDHA will continue assistance to the family.

If a family owes an amount that DDHA determines to be excessive as a result of program fraud the case will be referred to the U.S. Inspector General.

C. Payment Procedures for Program Fraud

Families who commit program fraud will be subject to the following procedures:

1. The duration of the agreement will not exceed eighteen months.

2. The family will be required to pre-pay 25% of the amount owed prior to or upon execution of the Payment Agreement.

18.7 OWNER DEBTS TO DDHA

If DDHA have found that the owner has retained Housing Assistance or Claim Payments which the owner was not entitled to, DDHA will reclaim the amounts from future Housing Assistance or Claim Payments owed the owner for any units under contract.

If future Housing Assistance or Claim Payments are determined to be insufficient to reclaim the amounts owed, DDHA will:

1. Require the owner to pay the amount in full within (30) days
2. Pursue collections through the local court system
3. Report debt to Credit Bureaus
4. Restrict the owner from future participation

18.8 REMOVING DEBTS

Debts will be removed if:

1. The debtor is deceased.
2. The debtor is confined to an institution indefinitely.

Chapter 19

19.0 COMPLAINTS AND APPEALS

19.1 INTRODUCTION

An Informal Hearing will be afforded to families who disagree with an action, decision, or inaction of Decatur/DeKalb Housing Authority (DDHA). This Chapter describes the policies, procedures and standards that will be used when families disagree with (DDHA) decision.

The procedures and requirements are explained for Preference Denials, if applicable at the time of denial; Informal Reviews and Hearings. It is the Policy of DDHA to ensure that all families have the benefit of all protections due to them under the law.

19.2 COMPLAINTS TO THE HOUSING AUTHORITY

DDHA will respond promptly to complaints from families, Owners/Landlords, Employees, and members of the General Public. All complaints will be documented and responded to in writing within ten **(10)** working days. DDHA **may** require that complaints, other than HQS violations, be put in writing.

DDHA hearing procedures will be provided to families in the briefing packet.

19.3 Types of Complaints and Referring Staff

DDHA will respond promptly to complaints from families, owners, employees, and members of the public. All complaints will be documented. DDHA may require that complaints other than HQS

violations be put in writing. HQS complaints may be reported by telephone. DDHA hearing procedures will be provided to families in the briefing packet.

-

19.4 Categories of Complaints

A. Complaints from families

Complaints received from Participating Families due to a disagreement with an action or inaction of DDHA or Owner/Landlord will be referred to the HAP Coordinator first. If the Participating Family is dissatisfied with the response from the HAP Coordinator, then he/she must request, in writing, an Informal Hearing.

Upon the timely receipt of such request, DDHA assigned staff will contact the Participating Family notifying them of the date, time and place of the Informal Conference and of their right to request information from DDHA' file, at a cost, in order to adequately prepare for their defense on the allegations.

B. Complaints from owners

Complaints received from Owners/Landlords due to a disagreement with an action or inaction of DDHA or a Participating Family will be referred to the HAP Coordinator to be resolved. If the complaint is in reference to a Lease or non-receipt of payment, the complaint will be referred to the appropriate HAP Advisor assigned to cover these duties. If the complaint is regarding HQS or other related inspection items, the complaint will be referred to the Chief Inspector.

C. Complaints from staff

Complaints received from Staff regarding Program violations or non-compliance with Program Rules and Regulations will be referred to the HAP Coordinator. If the Program violation or non-compliance with Program Rules and Regulations requires legal action, then the complaint is referred to the Staff assigned to coordinate legal matters for the Division.

D. Complaints from the general public

Complaints received from the General Public regarding DDHA' general administration of the Section 8 Program are to be referred to the Housing Assistance Director. Complaints received from the General Public regarding a Participating Family, an Owner/Landlord or Authority staff are to be referred to the HAP Coordinator and/or the appropriate department supervisor.

In all of the above situations, if further questions still remain, or if no response is provided concerning a complaint, those complaints should be referred to the Housing Assistance Director, first, then the

Deputy Executive Director. The Executive Director is to be the last and final authority governing any situation that may arise.

19.5 INFORMAL REVIEW PROCEDURES FOR APPLICANTS

An Informal Review will be provided to applicant families who are denied assistance before the effective date of the HAP Contract. The exception is when an applicant family is denied assistance due to their citizenship or eligible immigrant status. At that time, the applicant family is entitled to an Informal Hearing.

When DDHA determine that an applicant family is ineligible for the Section 8 Program, the applicant family must be notified of their ineligibility in writing. The Notice must contain the following:

1. The reason(s) why they are ineligible;
2. The procedure for requesting an Informal Review, if the applicant family does not agree with the decision; and
3. The time limit for requesting an Informal Review.

When denying admission for criminal activity by a household member, DDHA will include in the notice a statement that the applicant may request a copy of the criminal record upon which the decision to deny was based.

DDHA must provide an applicant family with the opportunity for an Informal Review if their decisions for the denial are based on the following:

1. Listing on DDHA' Waiting List
2. Issuance of a Voucher

3. Participation in the Section 8 Program

4. Assistance under portability procedures

Informal Reviews are **not** required and are not provided for established Policies and Procedures and DDHA determinations such as:

1. Discretionary administrative determinations by DDHA.
2. General policy issues or class grievances
3. A determination of the family unit size under DDHA' Subsidy Standards.
4. Refusal to extend or suspend a Voucher.

5. A DDHA determination not to grant approval of the tenancy or Disapproval of the Lease.
6. Determination that a unit is not in compliance with HQS.
7. Determination that a unit is not in accordance with HQS due to the Applicant Family's size or composition.

19.6 PROCEDURES TO FOLLOW IN CONDUCTING AN INFORMAL REVIEW

A written request for an Informal Review must be received by DDHA no later than ten (10) business days from the date DDHA notifies the Applicant Family of their denial of assistance. Failure by the applicant to respond to the written notice within the ten (10) days period will make DDHA decision final. The Informal Review will be scheduled within a reasonable period of time, but not to exceed fifteen (15) business days from the date the request is received.

I. The person who made or approved the decision under review, nor a subordinate of such person may not conduct the Informal Review.

II. An individual designated by DDHA to be the Hearing Officer will conduct the Review.

III. The Applicant Family will be given the opportunity to present any oral or written objections to the decision. At the Informal Review, both DDHA and the Applicant Family may present evidence and/or witnesses to prove their case. The Applicant Family may use an Attorney, or other representative, to assist them at their own expense.

For those Persons with Disabilities, appropriate accommodations will be made by DDHA, provided that such request is made at the time that the request for an Informal Review is made.

A Notice of the Review decision will be provided **in writing** to the applicant family within ten business (10) days after the date the Informal Review was concluded unless the applicant family and DDHA agree to an extension. It shall include the decision of the Review Officer, and an explanation of the reasons for the decision.

All requests for an Informal Review, supporting documentation, and a copy of the final decision will be retained in the applicant family's file.

19.7 INFORMAL HEARING PROCEDURES

DDHA will provide an Informal Hearing to participating families. A copy of the Informal Hearing Procedures is provided to each participating family in the Family Briefing Packet.

Each participating family will be notified in writing of DDHA's decision regarding their eligibility, the amount of their assistance, and the bedroom size assigned. Such Notice will include the following:

- A. The proposed action or decision of DDHA;

- B. The date the proposed action or decision will take place;
- C. The Participating Family's right to an explanation of the basis for the Housing Authority's decision;
- D. The procedures for requesting an Informal Hearing if the Participating Family disputes the action or decision;
- E. The time limit for requesting the hearing.

The following list constitutes the basis by which DDHA must provide Participating Families with the opportunity for an Informal Hearing:

1. Determination of the Participating Family's Annual or Adjusted Income and the computation of the Housing Assistance Payment or the Total Tenant Payment.
2. Appropriate utility allowance used from the approved schedule.
3. Family unit size determination under DDHA' Subsidy Standards.
4. Determination that the Program Participating Family is under housed in their current unit and a request for an exception is denied.
5. Determination to terminate assistance.
6. Determination to terminate a Participating Family's FSS Contract, withhold supportive services, or propose forfeiture of the Participating Family's escrow account.
7. Determination to pay an owner's claim for damages, unpaid rent or vacancy loss on those contracts that were under lease **prior to October 2, 1995**.

DDHA must **always** provide the Participating Family the opportunity to request an Informal Hearing before termination of assistance.

Informal Hearings are not required for established Policies and Procedures and Authorities determinations such as:

1. Discretionary administrative determinations by DDHA.
2. General policy issues or class grievances.
3. Establishment of DDHA' Schedule of Utility Allowances for Participating Families on the Program.
4. DDHA's determination not to approve an extension or suspension of a Voucher term.
5. DDHA's determination not to approve a unit or lease.
6. DDHA's determination that an assisted unit is not in compliance with HQS that is not due to a breach by the Participating Family. In those cases, an Informal Hearing must be given.

7. DDHA's determination that the unit is not in accordance with HQS because of the Participating Family's size.

8. DDHA's determination to exercise or not exercise any right or remedy against the owner under a HAP contract

19.8 NOTIFICATION OF HEARING

DDHA are committed to resolving disputes at the lowest level possible. However, in cases where this is not possible, every effort will be made to ensure that the Participating Family is afforded all of the protections and right under the laws and regulations governing the Section 8 Program.

Upon receipt of a written request by DDHA for an Informal Hearing, said hearing shall be scheduled within a reasonable period of time, but not to exceed fifteen (15) business days. The Notification of an Informal Hearing will contain the following:

1. The date and time of the Informal Hearing;
2. The location where the Informal Hearing will be held;
3. The Participating Family's right to bring evidence, witnesses, legal or other Representation at the Participating Family's expense;
4. The right to view any documents or evidence in the possession of DDHA upon which DDHA based the proposed action and, at the Participating family's expense, to obtain a copy of such documents prior to the Informal Hearing. Requests for such documents or evidence must be received no later than 5 days before the hearing date.
5. If necessary, a request for the appropriate accommodations for Persons With Disabilities.

19.9 THE HOUSING AUTHORITIES' HEARING PROCEDURES

If the Participant fails to request an Informal Hearing within the ten (10) day period, then the decision of DDHA will be final. Housing assistance will not be terminated on behalf of a Participant who has requested an Informal Hearing until a decision has been made, if Participant is entitled to an Informal Hearing.

If a Participating Family does not appear at the scheduled Informal Hearing, and has not rescheduled the Informal Hearing in advance, the Participating Family must contact DDHA within 48 hours, excluding weekends and holidays for another Hearing date. DDHA will reschedule the Informal Hearing only if the Participating Family can show good cause, in writing, for their failure to appear. The showing of good cause is left to the discretion of the Hearing Officer.

The Participating Families have the right to:

- A. Present written or oral objections to DDHA's determination;
- B. Examine the documents in their file, which forms the basis for DDHA's action, and all documents submitted to the Hearing Officer;
- C. Copy any relevant documents at their expense;
- D. Present any information or witnesses pertinent to the issue of the Informal Hearing;
- E. Request that Authorities Staff be available or present at the Informal Hearing to answer questions pertinent to the case; and
- F. Be represented by legal counsel, advocate, or other designated representative at his or her own expense.

Request for copies of documents will be made available to the Participating Family at a cost of \$.25 per copy. In no case will the Participating Family be allowed to remove the file from DDHA's Office.

In addition to other rights contained in this Chapter, DDHA have the right to:

- A. Present evidence and any information pertinent to the issue of the Informal Hearing;
- B. Be notified of the Participating Family's intent to be represented by legal counsel, advocate, or another party;
- C. Examine and copy any documents to be used by the Participating Family prior to the Informal Hearing;
- D. Have its Attorney present; and
- E. Have Staff Persons and other witnesses familiar with the case present.

The Informal Hearing shall be conducted by the Hearing Officer appointed by DDHA who is neither the person who made or approved the decision, nor a subordinate of that person.

The Informal Hearing shall be limited only to the issues for which the Participating Family has received the opportunity for the Hearing. Evidence presented at the Informal Hearing may be considered without regard to their admissibility under the Rules of Evidence applicable to judicial proceedings.

No documents may be presented which have not been available to the other party before the Informal Hearing if requested by the other party. "Documents" includes records and regulations.

If the Participating Family wishes the Informal Hearing to be recorded, such request must be made at the time that the Request for an Informal Hearing is submitted. If such request is made in the manner

prescribed above, the cost for such recording will be at the Participating Family's expense and must be paid prior to the beginning of the Informal Hearing.

The Hearing Officer may ask the Participating Family for additional information and/or might adjourn the Informal Hearing in order to reconvene at a later date, before reaching a decision.

If the family misses an appointment, the action of DDHA shall take effect and another hearing will not be granted. If the family misses a deadline ordered by the Hearing Officer, then the Hearing Officer will make a decision without the requested documentation/information.

The Hearing Officer will determine whether the action, inaction or decision of DDHA is legal in accordance with HUD regulations and this Administrative Plan based upon the evidence and testimony provided at the hearing. Factual determinations relating to the individual circumstances of the family will be based on a preponderance of the evidence presented at the hearing.

A Notice of the Hearing Decision will be provided in writing to DDHA and the Participating Family within ten (10) working/business days and shall include:

1. A clear summary of the decision and reasons for the decision;
2. If the decision involves money owed
3. The date the decision goes into effect.
4. The decision of the Hearing Officer is final. However, DDHA can determine that it is not bound by the Hearing Officer's decision.
5. Concerns matters in which DDHA is not required to provide an opportunity for an Informal Hearing;
6. Conflicts with or contradicts HUD's regulations or requirements;
7. Conflicts with or contradict Federal, State or local laws; or
8. Exceeds the authority of the person conducting the Informal Hearing.

DDHA shall notify the Participating Family, in writing, if it determines that DDHA are not bound by the Hearing Officer's determination within ten (10) working days from receipt of the Hearing Officer's decision. The letter shall include DDHA's reasons for the decision.

All requests for a hearing, supporting documentation, and a copy of the final decision will be retained in the Participating Family's file.

19.10 HEARING AND APPEAL PROVISIONS FOR ASSISTANCE TO NON-CITIZENS

Assistance to the Participating Family may not be delayed, denied or terminated on the basis of immigration status at any time prior to the receipt of the decision on the INS appeal.

Assistance to a Participating Family may not be terminated or denied while DDHA's hearing is pending, but assistance to an Applicant Family may be delayed pending DDHA's Hearing.

19.11 INS Determination of Ineligibility

If an Applicant/Participating Family member claims to be an eligible immigrant and the INS SAVE system and manual search do not verify the claim, DDHA will notify the Applicant/Participating Family within ten (10) days of their right to appeal to the INS within thirty (30) days or to request an Informal Hearing with DDHA either in lieu of, or subsequent to the INS appeal.

If the Applicant/Participating Family appeals to the INS, they must give DDHA a copy of the appeal and proof of mailing or DDHA may proceed to deny or terminate their assistance. The time period to request an appeal may be extended by DDHA for good cause.

The request for an DDHA's Informal Hearing must be made within ten (10) working days of receipt of the Notice offering the Informal Hearing or, if an appeal was made to the INS, within ten (10) working days of receipt of that Notice.

After receipt of a request for an Informal Hearing, the Hearing is conducted as described in Section D of this Chapter for both Applicants and Participants. If the Hearing Officer decides that the individual is not eligible, and there are no other eligible family members, DDHA will do one of the following:

1. Deny the Applicant Family;
2. Defer termination if the family is a Participating Family and qualifies for deferral; or
3. Terminate the Participating Family if they do not qualify for deferral

If there are eligible members in the Participating Family, DDHA will offer to prorate the assistance or give the Participating Family the option to remove the ineligible members.

All other complaints related to eligible Citizen/Immigrant status:

1. If any Participating Family member fails to provide documentation or certification as required by the regulation, that member is treated as ineligible. If all Participating Family members fail to provide documentation or certification as required by the regulation, the entire Participating Family will be denied assistance or terminated for failure to provide.
2. Participating Families whose termination is carried out after temporary deferral **may not** request an Informal Hearing since they had an opportunity for an Informal Hearing prior to the termination.
3. Participating Families whose assistance is pro-rated (either based on their statement that some Family members are ineligible or due to a failure to verify eligible immigration status for some Family members after exercising their appeal and hearing rights described above) are entitled to an Informal Hearing based on the right to a Hearing regarding determinations of Tenant Rent and Total Tenant Payment.

4. Participating Families denied or terminated for fraud in connection with the Non-Citizens Rule are entitled to an Informal Review or Informal Hearing in the same way as terminations for any other type of fraud.

19.12 MITIGATING CIRCUMSTANCES FOR APPLICANTS/PARTICIPANTS WITH DISABILITIES

When applicants are denied placement on the waiting list, or DDHA is terminating assistance, the family will be informed that presence of a disability may be considered as a mitigating circumstance during the informal review process.

Chapter 20

20.0 SPECIAL HOUSING TYPES

20.1 INTRODUCTION

Decatur/DeKalb Housing Authority (DDHA) will permit the use of any special housing types in its program and/or;

(DDHA) will permit the use of any special housing types in its program if the applicant/participant can demonstrate that it is needed as a reasonable accommodation for a person with a disability. Acceptable demonstration will include documentation from one or more knowledgeable professionals who are familiar with the applicant/participant and or the type of special housing requested as accommodation. DDHA will not set aside any program funding for special housing types, or for a special housing type. A family may choose whether to rent housing that qualifies as a special housing type or to rent other eligible housing in accordance with requirements of the program.

20.2 Verification of Need for Reasonable Accommodation

Acceptable documentation as verification of the need for reasonable accommodation would be a letter to DDHA describing how the special housing type requested provides the accommodation that the person is requesting. The request and documentation will be reviewed by the HAP Coordinator and a written response stating approval or disapproval will be sent to the applicant/participant within 30 days of receipt of the request.

A copy of DDHA's response with supporting documentation will be maintained in the applicant/participant's file. The requested housing type must be approvable by all other HUD standards and HQS requirements in accordance with 24 CFR 982 Section M - Special Housing Types.

20.3 SINGLE ROOM OCCUPANCY

DDHA and the general local government approve providing assistance for SRO housing under the program. DDHA and the general local government will certify to HUD that the property meets applicable local health and safety standards for SRO housing before approving any SRO unit. The Housing Authority will use a separate lease and housing assistance payment contract for each assisted person residing in a SRO [24 CFR 982.603]. SRO Rent and Housing Assistance Payment [24 CFR 982.604] .

A. Voucher Program

DDHA SRO payment standard is 75 percent of the zero bedroom payment standard schedule. For a person residing in an exception area the payment standard is 75 percent of the HUD-approved zero bedroom exception payment standard amount. While an assisted person resides in SRO housing, the SRO payment standard must be used to calculate the housing assistance payment.

B. Utility Allowance

The utility allowance for an assisted person residing in SRO housing is 75 percent of the zero bedroom utility allowance.

C. Housing Quality Standards

DDHA will ensure that all SRO units approved for the program are in compliance with all of the Housing Quality Standards for SROs as regulated in 24 CFR 982.605.

20.4 CONGREGATE HOUSING

An elderly person or a person with disabilities may reside in a congregate housing unit. DDHA may approve a family member or live-in aide to reside with the elderly person or person with disabilities.

DDHA will approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

A. Congregate Housing Lease and HAP Contract

For congregate housing there will be a separate lease and HAP contract for each assisted family. Unless there is a live-in aide, the payment standard for a family that resides in a congregate housing unit is the zero-bedroom payment standard on DDHA payment standard schedule.

However, if there are two or more rooms in the unit (not including kitchen or sanitary facilities), the payment standard for a family that resides in a congregate housing unit is the one bedroom payment standard amount.

If there is a live-in aide, the live-in aide will be counted in determining the family unit size.

B. Housing Quality Standards

DDHA will ensure that all congregate housing units approved for the program are in compliance with all of the Housing Quality Standards for congregate housing as regulated in 24 CFR 982.609.

20.5 GROUP HOMES

A group home must be licensed, certified, or otherwise approved in writing by the State, or the State's licensing department.

An elderly person or a person with disabilities may reside in a State-approved group home. If approved by DDHA, a live-in aide may reside with a person with disabilities.

DDHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities. Except for a live-in aide, all residents of a group home must be elderly persons or persons with disabilities.

DDHA will not approve assistance for a person to live in a group home if file documentation indicates that the person is in need of continual medical or nursing care.

No more than twelve persons may reside in a group home. This limit covers all persons who reside in the unit, including assisted and unassisted residents and any live-in aide.

A. Group Home Lease and HAP Contract

There will be a separate HAP contract and lease for each assisted person living in a group home. For a group home the term "pro-rata portion" means that which is derived by dividing the number of persons in the assisted household by the total number of residents (assisted and unassisted) residing in the group home. The number of persons in the assisted household equals one assisted person plus any PHA approved live-in Aide.

B. Group Home Rent and HAP Contract

The rent to owner for an assisted person may not exceed the pro-rata portion of the reasonable rent for the group home.

The reasonable rent for a group home is determined in accordance with 982.503. In determining reasonable rent DDHA will consider whether sanitary facilities, and facilities for food preparation and service, are common facilities or private.

C. Maximum Subsidy

Unless there is a live-in aide, the family unit size is zero/one bedroom. If there is a live-in aide, the live-in aide will be counted in determining the family unit size.

The payment standard for a person who resides in a group home is the lower of the payment standard for the family unit size; or the pro-rata portion of the payment standard amount on DDHA payment standard schedule for the group home size.

D. Utility Allowance

The utility allowance for each assisted person residing in a group home is the pro-rata portion of the utility allowance for the group home unit size.

E. Housing Quality Standards

DDHA will ensure that all group home units approved for the program are in compliance with all of the Housing Quality Standards for group homes as regulated in 24 CFR 982.614.

20.6 SHARED HOUSING

A. Occupancy

An assisted family may reside in shared housing. In shared housing, an assisted family may share a unit with another resident or residents of a unit. The unit may be a house or an apartment. DDHA may approve a live-in aide to reside with a family in order to care for a person with a disability. DDHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

Other persons who are assisted or not assisted under the tenant-based program may reside in a shared housing unit. The owner of a shared housing unit may reside in the unit.

A resident owner may enter into a HAP contract with DDHA. However, housing assistance may not be paid on behalf of an owner. DDHA will not approve assistance for a person or family that is related by blood or marriage to a resident owner.

There will be a separate housing assistance payment contract and lease for each assisted family residing in a shared housing unit.

B. Rent and HAP Contract

For shared housing, the term "pro-rata portion" means the ratio derived by dividing the number of bedrooms in the private space available for occupancy by a family by the total number of bedrooms in the unit. For example, for a family entitled to occupy three bedrooms in a five bedroom unit, the ratio would be 3/5.

The rent to owner to owner for the family may not exceed the pro-rata portion of the reasonable rent for the shared housing dwelling unit. The reasonable rent must be in accordance with the guidelines set in the "Owner Rents, Rent Reasonableness, and Payment Standards" chapter.

C. Maximum Subsidy

For a family that resides in a shared housing unit the payment standard is the lower of the payment standard amount on DDHA payment standard schedule for the family unit size or the pro-rata portion of the payment standard amount on DDHA payment standard for the shared housing unit size. If DDHA approves a live-in aide, the live-in aide will be counted in determining the family unit size.

D. Utility Allowance

The utility allowance for an assisted family living in shared housing is the pro-rata portion of the utility allowance for the shared housing unit.

E. Housing Quality Standards

DDHA will ensure that all shared housing units approved for the program are in compliance with all of the Housing Quality Standards for shared housing as regulated in 24 CFR 982.618.

20.7 COOPERATIVE HOUSING

DDHA will approve a family living in cooperative housing if it is determined that assistance under the program will help maintain affordability of the cooperative unit for low-income families DDHA will not approve assistance for a family in cooperative housing until DDHA has also determined that the cooperative has adopted requirements to maintain continued affordability for low-income families after transfer of a cooperative member's interest in a cooperative unit (such as a sale of the resident's share in a cooperative corporation).

The reasonable rent in cooperative housing is determined in accordance with "Owner Rents, Rent Reasonableness, and Payment Standards" chapter. For cooperative housing, the rent to owner is the monthly carrying charge under the occupancy agreement/lease between the member and the cooperative.

The carrying charge consists of the amount assessed to the member by the cooperative for occupancy of the housing. It includes the member's share of the cooperatives debt service, operating expenses, and necessary payments to cooperative reserve funds. However, the carrying charge does not include down-payments or other payments to purchase the cooperative unit, or to amortize a loan to the family for this purpose. Gross rent is the carrying charge plus any utility.

For a cooperative, rent adjustments are applied to the carrying charge as determined in "Owner Rents, Rent Reasonableness, and Payment Standards" chapter.

The lease and other appropriate documents will stipulate that the monthly carrying charge is subject to Section 8 limitations on rent to owner. The housing assistance payment will be determined in accordance with the guidelines in "Owner Rents, Rent Reasonableness, and Payment Standards" chapter.

DDHA may approve a live-in aide to reside with the family to care for a person with disabilities. DDHA will approve a live-in aid if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities. If DDHA approves a live-in aide, the live-in aide will be counted when determining the family unit size.

A. Housing Quality Standards

DDHA will ensure that all cooperative housing units approved for the program are in compliance with all of the Housing Quality Standards outlined in the "Housing Quality Standards and Inspections" chapter, and regulated by 24 CFR 982.401.

20.8 MANUFACTURED HOMES

DDHA will permit a family to lease a manufactured home and space with assistance under the program. DDHA **will** provide assistance for a family that owns the manufactured home and leases only the space.

DDHA may approve a live-in aide to reside with a family to care for a person with disabilities. DDHA will approve a live-in aide if needed as a reasonable accommodation so that the program is accessible to and usable by persons with disabilities. If DDHA approves a live-in aide, the live-in aide must be counted when determining the family unit size.

A. Housing Quality Standards

A manufactured home must meet all the HQS requirements outlined in the "Housing Quality Standards and Inspections" chapter and regulated by 24 CFR 982.401. In addition the manufactured home also must meet the following requirements:

A manufactured home must be placed on the site in a stable manner, and must be free from hazards such as sliding or wind damage.

A manufactured home must be securely anchored by a tie-down device that distributes and transfers the loads imposed by the unit to appropriate ground anchors to resist wind overturning and sliding.

B. Manufactured Home Space Rental

Rent to owner for a manufactured home space will include payment for maintenance services that the owner must provide to the tenant under the lease for the space.

Rent to owner does not include the cost of utilities and trash collection for the manufactured home. However, the owner may charge the family a separate fee for the cost of utilities or trash collection provided by the owner.

C. Reasonable Rent

During the assisted tenancy, the rent to owner for the manufactured home space may not exceed a reasonable rent as determined by DDHA.

DDHA will not approve a lease for a manufactured home space until DDHA has determined that the initial rent to owner for the space is a reasonable rent. At least annually during the assisted tenancy, DDHA will redetermine that the rent is reasonable.

DDHA will determine whether the rent to owner for a manufactured home space is a reasonable rent in comparison to rents for other comparable manufactured home spaces. DDHA will consider the size and location of the space and any services and maintenance provided by the owner in accordance with the lease.

By accepting each monthly housing assistance payment from DDHA, the owner of the manufactured home space certifies that the rent to owner for the space is not more than rent charged by the owner for unassisted rental of comparable spaces in the same manufactured home park or elsewhere. If requested by DDHA, the owner must provide DDHA information on rents for other manufactured home space.

D. Housing Assistance Payments for Manufactured Home Space

The FMR for a manufactured home space will be determined by HUD. Exception rents do not apply.

E. HAP for the Regular Tenancy Program

For the Regular Tenancy Program the initial rent to owner for leasing a manufactured home space may not exceed the published FMR for a manufactured home space.

During the term of a certificate tenancy, entered prior to the merger date, the amount of the monthly housing assistance payment equals the lesser of:

The manufactured home space cost minus the:

- The Total Tenant Payment; OR
- The rent to owner for the manufactured home space.

"Manufactured home space cost" means the sum of: the amortization cost, the utility allowance, and the rent to owner for the manufactured home space.

The amortization cost may include debt service to amortize costs (other than furniture costs) included in the purchase price of the manufactured home. The debt service includes the payment for principal and interest on the loan. The debt service amount will be reduced by 15 percent to exclude debt service to amortize the cost of furniture, unless DDHA determines that furniture was not included in the purchase price.

Any debt service due to refinancing the manufactured home after purchase of the home is not included in the amortization costs.

DDHA will not approve as part of the monthly amortization payment, set-up charges to be included in the debt service incurred by a family that relocates its home.

DDHA will not include as part of the monthly amortization payment, set-up charges incurred before the family became an assisted family, if monthly payments are still being made to amortize such charges.

F. HAP for the Voucher Tenancy

There is a separate FMR for a family renting a manufactured home space. The payment standard is used to calculate the monthly housing assistance payment for a family. The FMR for rental of a manufactured home space is generally 40 percent of the published FMR for a two-bedroom unit.

G. Subsidy Calculation for the Voucher Program

During the term of a voucher tenancy, the amount of the monthly housing assistance payment for a family will equal the lesser of:

The payment standard minus the total tenant payment; or

The rent paid for rental of the real property on which the manufactured home owned by the family is located (the space rent) minus the total tenant payment.

The space rent is the sum of the following as determined by DDHA:

- I. Rent to owner for the manufactured home space;
- II. Owner maintenance and management charges for the space;
- III. The utility allowance for tenant paid utilities.

H. Utility Allowance Schedule for Manufactured Home Space Rental

DDHA will establish utility allowances for manufactured home space rental. For the first twelve months of the initial lease term only, the allowances will include a reasonable amount for utility hook-up charges payable by the family, if the family actually incurs the expenses because of a move. Allowances for utility hook-up charges do not apply to a family that leases a manufactured home space in place.

Utility allowances for manufactured home space will not be applied to cover the costs of digging a well or installation of a septic system.

20.9 HOMEOWNERSHIP

The homeownership option is used to assist a family residing in a home purchased and owned by one or more members of the family.

DDHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

DDHA will offer the homeownership program option to only participating families who meet the program requirements as set forth in this administrative plan. DDHA will limit the number of families assisted with homeownership to no more than 10% of its Section 8 allocation. This limitation is subject to later adjustments by the Executive Director. Implementation of the homeownership component will be authorized by the Executive Director when such implementation is determined appropriate by Executive Director.

1. GENERAL PROVISIONS

Eligible families for the Section 8 home ownership program must have completed at least an initial Section 8 lease term, be a member of the FSS program, for at least one year, may not owe DDHA or any other Housing Authority an understanding debt, and must meet the eligibility criteria set forth herein.

Section 8 home ownership assistance may be used to purchase the following type of homes within DDHA's jurisdiction: new or existing single-family, condominium, planned use developments, cooperatives, lofts, or manufactured homes. DDHA also will permit portability of Section 8 home ownership assistance to another jurisdiction, provided the receiving jurisdiction operates a Section 8 home ownership program for which the Section 8 home ownership applicant qualifies or authorizes DDHA to administer the home ownership assistance in their jurisdiction.

2. FAMILY ELIGIBILITY REQUIREMENTS

Participation in the Section 8 home ownership program is voluntary. Each Section 8 home ownership participant must meet the general requirements for admission to the Section 8 housing choice voucher

program as set forth in DDHA's Administrative Plan. Such Section 8 family also must be "eligible" to participate in the home ownership program. The additional eligibility requirements for participation in DDHA's Section 8 home ownership program include that the family must:

- (A) be a first-time homeowner or have a member who is a person with disabilities;
- (B) with the exception of elderly and disabled households, meet a minimum income requirement without counting income from "welfare assistance" sources;
- (C) with the exception of elderly and disabled households, meet the requisite employment criteria;
- (D) have completed an initial lease term in the Section 8 housing choice voucher program;
- (E) have fully repaid any outstanding debt owed to DDHA or any other Housing Authority;
- (F) not defaulted on a mortgage securing debt to purchase a home under the home ownership option;
- (G) not have any member who has a present ownership interest in a residence at the commencement of home ownership assistance;
- (H) an FSS member for at one year and have a positive escrow account.

3. Explanation of Eligibility Requirements

A. First-Time Homeowner

Each Section 8 family, except families with a disabled member, must be a first-time homeowner. A "first-time homeowner" means that no member of the household has had an ownership interest in any residence during the three years preceding commencement of home ownership assistance. However, a single parent or displaced homemaker who, while married, owned a home with a spouse (or resided in a home owned by a spouse) is considered a "first-time homeowner" for purposes of the Section 8 homeownership option; and the right to purchase title to a residence under a lease-purchase agreement is not considered an "ownership interest." A member of a cooperative also qualifies as a "first time homeowner".

B. Minimum Income Requirement

Amount of Income at the time the family begins receiving homeownership assistance, the head of household, spouse, and/or other adult household members who will own the home, must have a gross annual income at least equal to the Federal minimum hourly wage multiplied by 2000 hours. Exclusion of Welfare Assistance Income.

With the exception of elderly and disabled families, DDHA will disregard any "welfare assistance" income in determining whether the family meets the minimum income requirement. Welfare assistance includes assistance from Temporary Assistance for Needy Families ("TANF"); Supplemental Security Income ("SSI") that is subject to an income eligibility test; food stamps; general assistance; or other welfare assistance specified by HUD.

The disregard of welfare assistance income under this section affects the determination of minimum monthly income in determining initial qualification for the home ownership program. It does not affect the determination of income-eligibility for admission to the Section 8 housing choice voucher program, calculation of the family's total tenant payment, or calculation of the amount of home ownership assistance payments.

C. Employment History

With the exception of disabled and elderly households, each family must demonstrate that one or more adult members of the family who will own the home at commencement of home ownership assistance is employed full-time (an average of 30 hours per week) and has been so continuously employed for one year prior to execution of the sales agreement.

In order to reasonably accommodate a family's participation in the program, DDHA will exempt families that include a person with disabilities from this requirement. DDHA's Housing Assistance Director may also consider whether and to what extent an employment interruption is considered permissible in satisfying the employment requirement. The Housing Assistance Director may also consider successive employment during the one-year period and self-employment in a business.

D. Completion of Initial Lease Term

Current Section 8 participants who are not enrolled in the FSS program, applicants for and new participants in the Section 8 housing choice voucher program shall be ineligible for participation in the Section 8 home ownership program until completion of an initial Section 8 lease term and the participant's first annual recertification in the Section 8 housing choice voucher program. Nothing in this provision will preclude Section 8 participants that have completed an initial lease term in another jurisdiction from participating in the Section 8 home ownership program.

E. Repayment of Any Housing Authority Debts

Participants in the Section 8 housing choice voucher program shall be ineligible for participation in the Section 8 home ownership program in the event any debt or portion of a debt remains owed to DDHA or any other Housing Authority. Nothing in this provision will preclude Section 8 participants that have fully repaid such debt(s) from participating in the Section 8 home ownership program.

F. Additional Eligibility Factors

(1) Elderly and Disabled Households

Elderly and disabled families are exempt from the employment requirements set forth in Section 2. C above. In the case of an elderly or disabled family, DDHA will consider income from all sources, including welfare assistance in evaluating whether the household meets the minimum income required to purchase a home through the Section 8 home ownership program.

(2) Preference for Participation in FSS Program

Families for the home ownership program are required to participate in DDHA's Family Self Sufficiency ("FSS") program in order to participate in the home ownership program.

(3) Prior Mortgage Defaults

If a head of household, spouse, or other adult household member who will execute the contract of sale, mortgage and loan documents has previously defaulted on a mortgage obtained through the Section 8 home ownership program, the family will be ineligible to participate in the home ownership program.

- (4) The family has not been in the “termination of assistance” process more than once in the last three years.
- (5) The family has a statement not more than 60 days old of certification from DDHA pre-counseling program.
- (6) The family must demonstrate a stable family composition of at least two years for any family members that are not children, spouse, foster children or any person of whom an adult family member has legal custody or guardianship.

4. FAMILY PARTICIPATION REQUIREMENTS

Once a family is determined to be eligible to participate in the program, it must comply with the following additional requirements:

- (A) complete a home ownership counseling program approved by DDHA prior to commencement of home ownership assistance;
- (B) within a specified time, locate the home it proposes to purchase;
- (C) submit a sales agreement containing specific components to DDHA for approval;
- (D) allow DDHA to inspect the proposed home ownership dwelling to assure that the dwelling meets appropriate housing quality standards;
- (E) obtain an independent inspection covering major building systems;
- (F) obtain DDHA approval of the proposed mortgage (which must comply with generally accepted mortgage underwriting requirements); and
- (G) enter into a written agreement with DDHA to comply with all of its obligations under the Section 8 program.

5. Locating and Purchasing a Home

(A) Locating A Home

Upon approval for the Section 8 home ownership program, a family shall have one hundred eighty (180) days to locate a home to purchase. A home shall be considered located if the family submits a proposed sales agreement with the requisite components to DDHA. For good cause, DDHA may extend a Section 8 family’s time to locate the home for additional thirty (30) day increments. During a Section 8 participant’s search for a home to purchase, their Section 8 rental assistance shall continue pursuant to the Administrative Plan. If a Section 8 participant family is unable to locate a home within the time approved by DDHA, their Section 8 rental assistance through the Section 8 housing choice voucher program shall continue.

(B) Type of Home

A family approved for Section 8 home ownership assistance may purchase the following type of homes within DDHA's jurisdiction: a new or existing home, a single-family home, a condominium, a home in a planned use development, a cooperative, a loft or a manufactured home to be situated on a privately owned lot or on a leased pad in a mobile home park.

The home must be already existing or under construction at the time DDHA determines the family eligible for home ownership assistance. The family also may purchase a home in a jurisdiction other than the DDHA's, provided the Housing Authority in the receiving jurisdiction operates a Section 8 home ownership program for which the Section 8 home ownership family qualifies or authorizes DDHA to administer the home ownership assistance in their jurisdiction. In the former case, a family's participation in the Section 8 home ownership program will be subject to the Section 8 home ownership program and policies of the receiving jurisdiction.

(C) Purchasing a Home

Once a home is located and a sales agreement approved by DDHA is signed by the family, the family shall have up to three (3) months, or such other time as is approved by DDHA's Housing Assistance Director or set forth in the DDHA-approved sales agreement, to purchase the home.

(D) Failure to Complete Purchase

If a Section 8 participant is unable to purchase the home within the maximum time period permitted by DDHA, DDHA shall continue the family's participation in the Section 8 housing choice voucher program. The family may not re-apply for the Section 8 home ownership program until they have completed an additional year of participation in the Section 8 housing choice voucher program following the initial determination of their eligibility for the home ownership option.

(E) Lease-Purchase

Families may enter into lease-purchase agreements while receiving Section 8 rental assistance. All requirements of the housing choice voucher program apply to lease-purchase agreements, except that families are permitted to pay an extra amount out-of-pocket to the owner for purchase related expenses a "home ownership premium." Any "home ownership premium," defined as an increment of value attributable to the value of the lease-purchase right or agreement, is excluded from DDHA's rent reasonableness determination and subsidy calculation, and must be absorbed by the family. When a lease-purchase participant family is ready to exercise their option, they must notify their HAP advisor at DDHA and apply for the home ownership option. If determined eligible for home ownership assistance, the family may be admitted to the home ownership program and must meet all the requirements of these policies.

(F) Financing Requirements

The proposed financing terms must be submitted to and approved by DDHA prior to close of escrow. DDHA shall determine the affordability of the family's proposed financing. In making such determination, DDHA may take into account other family expenses, including but not limited to child care, unreimbursed medical expenses, education and training expenses and the like.

Certain types of financing, including but not limited to, balloon payment mortgages, unless convertible to a variable rate mortgage, are prohibited and will not be approved by DDHA. Seller-financing mortgages shall be considered by DDHA on a case by case basis. If a mortgage is not FHA-insured, DDHA will require the lender to comply with generally accepted mortgage underwriting standards consistent with those of HUD/ FHA, Ginnie Mae, Fannie Mae, Freddie Mac, USDA Rural Housing Services, the Federal Home Loan Bank, or other private lending institution.

(G) Compliance With Family Obligations

A family must agree, in writing, to comply with all family obligations under the Section 8 program and DDHA's home ownership policies. These obligations include:

- (1) attending ongoing home ownership counseling, if required by DDHA;
- (2) complying with the mortgage terms;
- (3) not selling or transferring the home to anyone other than a member of the assisted family who resides in the home while receiving home ownership assistance;
- (4) not refinancing or adding debt secured by the home without prior approval by DDHA;
- (5) not obtaining a present ownership interest in another residence while receiving home ownership assistance; and
- (6) supplying all required information to DDHA, including but not limited to annual verification of household income, notice of change in home ownership expenses, notice of move-out, and notice of mortgage default. DDHA's Home Ownership Family Obligation policies are set forth in Appendix A hereto.

(H) Compliance Lien

Upon purchase of a home, the family must execute documentation as required by HUD and DDHA, consistent with State and local law, securing DDHA's right to recapture the home ownership assistance in accordance with Section 5. C below. The lien securing the recapture of home ownership subsidy may be subordinated to a refinanced mortgage.

Note: Moving to another home in the same PHA jurisdiction, as well as buying another home in another PHA jurisdiction, is permitted with continued use of homeownership assistance.

6. AMOUNT OF ASSISTANCE

The amount of the monthly assistance payment will be based on three factors: the voucher payment standard for which the family is eligible; the monthly home ownership expense; and the family's household income. DDHA will pay the lower of either the payment standard minus the total family contribution ("TFC") or the family's monthly home ownership expenses minus the TFC. The Section 8 family will pay the difference.

Determining the Payment Standard

The voucher payment standard is the fixed amount the DDHA annually establishes as the "fair market" rent for a unit of a particular size located within the DDHA jurisdiction. In the home ownership program, the initial payment standard will be the lower of either

- (1) the payment standard for which the family is eligible based on family size; or
- (2) the payment standard which is applicable to the size of the home the family decides to purchase.

The payment standard for subsequent years will be based on the higher of:

- (1) the payment standard in effect at commencement of the home ownership assistance; or
- (2) the payment standard in effect at the most recent regular reexamination of the family's income and size. The initial payment standard, for purposes of this comparison, shall not be adjusted even if there is a subsequent decrease in family size. DDHA will request HUD approval of a higher payment standard, up to 120% of the published Fair Market Rent limit, where warranted as a reasonable accommodation for a family that includes a person with disabilities.

Determining the Total Family Contribution

The TFC is that portion of the home ownership expense that the family must pay. It is generally 30% percent of the family's adjusted income, plus any gap between the payment standard and the actual housing cost. All family income (including public assistance), will be counted to determine the family's adjusted monthly income for purposes of determining the amount of assistance.

Payment to Family or Lender

DDHA will provide the lender with notice of the amount of the housing assistance payment prior to close of escrow and will pay DDHA's contribution towards the family's homeowner expense directly to the lender, unless otherwise required by the lender. The family will be responsible to submit their share of the mortgage payment to the lender unless the lender requires direct payment of DDHA's contribution.

Occupancy of Home

Home ownership assistance will only be provided while the family resides in the home. If the family moves out of the home, DDHA will not continue home ownership assistance commencing with the month after the family moves out. Neither the family nor the lender is obligated to reimburse the DDHA for home ownership assistance paid for the month the family moves out.

Changes in Income Eligibility

A family's home ownership assistance may be changed in the month following annual recertification of the household income, but participation in the Section 8 Home Ownership program shall continue until such time as the assistance payment amounts to \$0 for a period of six (6) consecutive months.

7. Default on FHA-Insured Mortgage

If the family defaults on an FHA-insured mortgage, DDHA may permit the family to move with continued Section 8 housing choice rental assistance if the family demonstrates that it has (a) conveyed title to the home to HUD or its designee, as required by HUD; and (b) moved from the home within the period established or approved by HUD.

8. Default on non-FHA-Insured Mortgage

If the family defaults on a mortgage that is not FHA-insured, DDHA may permit the family to move with continued Section 8 housing choice voucher rental assistance if the family demonstrates that it has (a) conveyed title to the home to the lender, to DDHA or to its designee, as may be permitted or required by the lender; and (b) moved from the home within the period established or approved by the lender and/or DDHA.

9. DDHA ADMINISTRATIVE FEE

For each month that home ownership assistance is paid by DDHA on behalf of the family, DDHA shall be paid the ongoing administrative fee described in 24 C.F.R. §982.152(b).

10. WAIVER OR MODIFICATION OF HOME OWNERSHIP POLICIES

The Executive Director of DDHA shall have the discretion to waive or modify any provision of the Section 8 home ownership program or policies not governed by statute or regulation for good cause or to comply with changes in HUD regulations or directives.

20.10 HOMEOWNERSHIP COUNSELING

Before the commencement of homeownership assistance for a family, the family must attend and satisfactorily complete a pre-assistance homeownership and housing counseling program required by DDHA (pre-assistance counseling). If possible, the counseling will be conducted by a HUD-approved counseling agency. If this is not available, the housing authority shall make other arrangements for the pre-assistance counseling.

Among the topics to be covered in the PHA-required pre-assistance counseling program are:

- A. Home maintenance (including care of the grounds);
- B. Budgeting and money management;

- C. Credit counseling;
- D. How to negotiate the purchase price of a home;
- E. How to obtain homeownership financing and loan pre-approvals, including a description of types of financing that may be available, and the pros and cons of different types of financing;
- F. How to find a home, including information about homeownership opportunities, schools, and transportation in DDHA jurisdiction;
- G. Advantages of purchasing a home in an area that does not have a high concentration of low-income families and how to locate homes in such areas;

H. Information on fair housing, including fair housing lending and local fair housing

enforcement agencies; and

- I. Information about the Real Estate Settlement Procedures Act (RESPA), state and Federal truth-in-lending laws, and how to identify and avoid loans with oppressive terms and conditions.

DDHA will also offer additional counseling after commencement "of homeownership assistance (ongoing counseling). This counseling will be voluntary for all homeownership assistance recipients except those requesting their second, fourteenth and fifteenth years of assistance. The reason for this mandatory counseling is to make sure the families are either off to a good start or preparing for the termination of their assistance.

The counseling agency providing the counseling program shall either be approved by HUD or the program shall be consistent with the home ownership counseling provided under HUD's Housing Counseling program. DDHA will require families to participate in a DDHA-approved home ownership counseling program on a continuing basis.

20.11 HOME INSPECTIONS

DDHA will not commence homeownership assistance for a family until it has inspected the unit and has determined that the unit passes HQS.

An independent professional inspector selected by and paid by the family must also inspect the unit. The independent inspection must cover major building systems and components, including foundation and structure, housing interior and exterior, and the roofing, plumbing, electrical, and heating systems. The independent inspector must be qualified to report on property conditions, including major building systems and components.

DDHA may not require the family to use an independent inspector selected by the housing authority. The independent inspector may not be a housing authority employee or contractor, or other person under control of the housing authority. An active members of The American Society of Home Inspectors, a State of Georgia certified Inspector or one whose inspections are accepted by four local lenders are considered eligible to conduct the independent home inspection. It shall be the responsibility of the inspection division to verify that the inspector meets this certification qualification.

The independent inspector must provide a copy of the inspection report both to the family and to DDHA. The housing authority will not commence homeownership assistance for the family until it has reviewed the inspection report of the independent inspector. Even if the unit otherwise complies with the HQS (and may qualify for assistance under DDHA's tenant-based rental voucher program), the housing authority shall have discretion to disapprove the unit for assistance under the homeownership option because of information in the inspection report.

20.12 CONTRACT OF SALE

Before commencement of homeownership assistance, a member or members of the family must enter into a contract of sale with the seller of the unit to be acquired by the family. The family must give DDHA a copy of the contract of sale.

The contract of sale must:

- A. Specify the price and other terms of sale by the seller to the purchaser.

- B. Provide that the purchaser will arrange for a pre-purchase inspection of the dwelling unit by an independent Inspector selected by the purchaser.**

- C. Provide that the purchaser is not obligated to purchase the unit unless the inspection is satisfactory to the purchaser.
- D. Provide that the purchaser is not obligated to pay for any necessary repairs.

E. Contain a certification from the seller that the seller has not been debarred, suspended, or subject to a limited denial.

20.13 FINANCING THE PURCHASE OF THE HOME

A. A purchasing family must invest at least three percent of the purchase price of the home they are buying in the property. This can take the form of either a down payment, closing costs, or a combination of the two. Of this sum, at least one percent of the purchase price must come from the family's personal resources.

B. The family must qualify for the mortgage loan under a lender's normal lending criteria taking into account the fact that this is by definition a low-income family.

C. If the home is purchased using FHA mortgage insurance, it is subject to FHA mortgage insurance requirements.

D. If the loan is financed either by the seller or a non traditional mortgage lending institution or individual, the loan shall be subject to the review of DDHA .The housing authority may verify that there are no unusual or onerous requirements in the loan documents and that the mortgage is affordable to the purchasing family. Also, the lender must require that an appraisal of the property is conducted and the appraiser must determine that the property is worth at least as much as the purchaser is paying.

E. Unless the purchaser can convince DDHA of unusual circumstances, no balloon payment mortgages or variable rate mortgages shall be allowed in the program.

F. All mortgage loans must close within the period of time established by DDHA at the time the purchaser and seller enter into their sale contract.

20.14 REQUIREMENTS FOR CONTINUING ASSISTANCE

Homeownership assistance will only be paid while the family is residing in the home. If the family moves out of the home, DDHA may not continue homeownership assistance after the month when the family moves out. The family or lender is not required to refund to DDHA the homeownership assistance for the month when the family moves out.

The family must comply with the following obligations:

- A. The family must attend and complete ongoing homeownership and housing counseling before the end of the first, thirteenth and fourteenth years of assistance in order for assistance to continue.
- B. The family must comply with the terms of any mortgage securing debt incurred to purchase the home (or any refinancing of such debt).
- C. As long as the family is receiving homeownership assistance, use and occupancy of the home is subject to the following requirements:

- 1. The family must use the assisted unit for residence by the family. The unit must be the family's only residence.
- 2. The composition of the assisted family residing in the unit must be approved by DDHA. The family must promptly inform the housing authority of the birth, adoption or court-awarded custody of a child. The family must request housing authority approval to add any other family member as an occupant of the unit. No other person (i.e., nobody but members of the assisted family) may reside in the unit (except for a foster child or live-in aide).
- 3. The family must promptly notify DDHA if any family member no longer resides in the unit.
- 4. If DDHA has given approval, a foster child or a live- in-aide may reside in the unit.
- 5. Members of the household may engage in legal profit-making activities in the unit, but only if such activities are incidental to primary use of the unit for residence by members of the family.
- 6. The family must not sublease or let the unit.
- 7. The family must not assign the lease or transfer the unit.
- 8. The family must supply any information or certification requested by DDHA to verify that the family is living in the unit, or relating to family absence from the unit, including any housing authority requested information or certification on the purposes of family absences. The family must cooperate with the housing authority for these purposes. The family must promptly notify DDHA of their absence from the unit.

D. The family may grant a mortgage on the home for debt incurred to finance purchase of the home or any refinancing of such debt.

E. Upon death of a family member who holds, in whole or in part, title to the home or ownership of cooperative membership shares for the home, homeownership assistance may continue pending settlement of the decedent's estate, notwithstanding transfer of title by operation of law to the decedent's executor or legal representative, so long as the home is solely occupied by remaining family members in accordance with Paragraph C above. In the case of a divorce or family separation, the assistance shall be based on the court decree settlements.

F. The family shall supply DDHA with any required information requested by the housing authority. In particular this shall include information relating to the following:

- 1. Citizenship or related immigration matters;
- 2. Family income and composition;
- 3. Social security numbers;
- 4. Any mortgage or other debt placed on the property;

5. Any sale or other transfer of any interest in the home; and
6. The family's homeownership expenses.
- G. The family must notify the housing authority before the family moves out of the home.
- H. The family must notify DDHA if the family defaults on a mortgage securing any debt incurred to purchase the home.
- I. During the time the family receives homeownership assistance under this program, no family member may have any ownership interest in any other residential property.

J. Before commencement of homeownership assistance, the family must execute a

statement of family obligations in the form prescribed by HUD. In the statement, the family agrees to comply with all family obligations under the homeownership option.

- K. The family must secure the written permission of DDHA before it refinances any debt secured by the home or places any additional secured debt on the property.
- L. The family must assure DDHA that all real estate taxes were paid on a timely basis. If they are not paid, assistance shall be terminated.

20.15 MAXIMUM TERM OF HOMEOWNERSHIP ASSISTANCE

- A. Except in the case of a family that qualifies as an elderly or disabled family, family members shall not receive homeownership assistance for more than fifteen years if the initial mortgage incurred to finance purchase of the home has a term of 20 years or longer; or ten years, in all other cases.
- B. The maximum term described in the preceding paragraph applies to any member of the family who has an ownership interest in the unit during the time the homeownership payments are made or is the spouse of any member of the household who has an ownership interest during the time the homeownership payments are made.
- C. As noted in Paragraph A of this Section, the maximum homeownership assistance term does not apply to elderly and disabled families. In the case of an elderly family, the exception only applies if the family qualifies as an elderly family at the start of homeownership assistance. In the case of a disabled family, the exception applies if at any time during receipt of homeownership assistance the family qualifies as a disabled family.
If, during the course of homeownership assistance, the family ceases to qualify as a disabled or elderly family, the maximum term becomes applicable from the date homeownership assistance commenced. However, such a family must be provided at least 6 months of homeownership assistance after the maximum term becomes applicable (provided the family is otherwise eligible to receive homeownership assistance in accordance with this program).

D. If the family has received such assistance for different homes, or from different housing authorities, the total of such assistance terms is subject to the maximum term described in Paragraph A of this section.

20.16 AMOUNT AND DISTRIBUTION OF HOMEOWNERSHIP ASSISTANCE

A. While the family is residing in the home, DDHA shall pay a monthly homeownership assistance payment on behalf of the family that is equal to the lower of:

1. The payment standard minus the total tenant payment; or
2. The family's monthly homeownership expenses minus the total tenant payment.

B. The payment standard for a family is the lower of:

1. The payment standard for the family unit size; or
2. The payment standard for the size of the home.

If the home is located in an exception payment standard area, DDHA will use the appropriate payment standard for the exception payment standard area.

The payment standard for a family is the greater of:

1. The payment standard (as determined in accordance with Paragraph A of this section) at the commencement of homeownership assistance for occupancy of the home; or
2. The payment standard (as determined in accordance with Paragraph A of this section) at the most recent regular reexamination of family income and composition since the commencement of homeownership assistance for occupancy of the home.

DDHA will use the same payment standard schedule, payment standard amounts, and subsidy standards for the homeownership option as for the rental voucher program.

C. A family's monthly homeownership expenses shall include the following items:

1. Principal and interest on initial mortgage debt, any refinancing of such debt, and any mortgage insurance premium incurred to finance purchase of the home;
2. Real estate taxes and public assessments on the home;
3. Homeowner's insurance;
4. Homeowner association dues, fees or regular charges assessed, if any.
5. Maintenance expenses and allowance for costs of major repairs and replacement per month will be determined by using the VA standards which is as follows:

0-1199 sq. ft \$42.00

1199 -1599 sq. ft \$48.00

1600-1999 sq. ft \$53.00

2000-2499 sq. ft \$58.00

2500-up sq. ft \$64.00

6. DDHA's utility allowance for the home; and
7. Principal and interest on mortgage debt incurred to finance costs for major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the housing authority determined that allowance of such costs as homeownership

expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person.

D. Homeownership expenses for a cooperative member may only include amounts to cover:

1. The cooperative charge under the cooperative occupancy agreement including payment for real estate taxes and public assessments on the home;
2. Principal and interest on initial debt incurred to finance purchase of cooperative membership shares and any refinancing of such debt;
3. Home insurance;
4. DDHA allowance for maintenance expenses;
5. DDHA allowance for costs of major repairs and replacements;
6. DDHA utility allowance for the home; and
7. Principal and interest on debt incurred to finance major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the housing authority determines that allowance of such costs as homeownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person.

E. If the home is a cooperative or condominium unit, homeownership expenses may also include cooperative or condominium operating charges or maintenance fees assessed by the condominium or cooperative homeowner association.

F. DDHA will pay homeownership assistance payments directly to the lender on behalf of the family unless the lender does not want the payment to be made directly to them. If there is any excess assistance, it will be paid to the family.

G. Homeownership assistance for a family terminates automatically 180 calendar days after the last housing assistance payment on behalf of the family. However, DDHA retains the discretion to grant relief from this requirement in those cases where automatic termination would result in extreme hardship for the family.

20.17 HOMEOWNERSHIP PORTABILITY

A. A family may qualify to move outside the initial DDHA's jurisdiction with continued homeownership assistance under the voucher program. Families determined eligible for homeownership assistance by DDHA may purchase a unit outside our jurisdiction, if:

1. They meet our normal requirements for portability under the rental program;
2. The receiving housing authority is administering a voucher homeownership program and the family meets the receiving housing authority's eligibility requirements; and
3. The receiving housing authority is accepting new homeownership families.

B. Conversely, if DDHA has slots open in its homeownership program it will accept homeowners exercising portability from another program and absorb such families if possible.

C. In general, the portability procedures described previously in this Administrative Plan apply to the homeownership option. The administrative responsibilities of the initial and receiving housing

authorities are not altered except that some administrative functions (e.g., issuance of a voucher or execution of a tenancy addendum) do not apply to the homeownership option.

D. The family must attend the briefing and counseling sessions required by the receiving housing authority. The receiving housing authority will determine whether the financing for, and the physical condition of the unit, are acceptable.

The receiving housing authority must promptly notify the initial housing authority if the family has purchased an eligible unit under the program, or if the family is unable to purchase a home within the maximum time established by the housing authority.

E. Continued assistance under portability procedures is the next Section of this Administrative Plan.

20.18 MOVING WITH CONTIUNUED TENANT-BASED ASSISTANCE

A. A family receiving homeownership assistance may move to a new unit with continued tenant-based assistance. The family may move either with voucher rental assistance (in accordance with rental assistance program requirements) or with voucher homeownership assistance (in accordance with homeownership option program requirements).

DDHA will not commence continued tenant-based assistance for occupancy of the new unit so long as any family member owns any title or other interest in the prior home. No more than one move per year may occur in the program.

B. DDHA must be able to determine that all initial requirements have been satisfied if a family that has received homeownership assistance wants to move to a new unit with continued homeownership assistance. However, the following requirements do not apply:

1. The requirement for pre-assistance counseling is not applicable.

2. The requirement that a family must be a first-time homeowner is not applicable.

C. DDHA may deny permission to move with continued assistance in the following circumstances:

1. DDHA may deny permission to move with continued rental or homeownership assistance if the housing authority determines that it does not have sufficient funding to provide continued assistance.

2. At any time, DDHA may deny permission to move with continued rental or homeownership assistance in accordance with the next Section.

20.19 DENIAL OR TERMINATION OF ASSISTANCE FOR FAMILIES

A. At any time, DDHA may deny or terminate homeownership assistance in accordance with the same rules as it utilizes for the rental program.

B. The same restrictions on admission or continued assistance in regards to criminal activities shall apply to the homeownership program as the rental program.

C. DDHA may deny or terminate assistance for violation of participant obligations as previously described for the rental program.

DDHA shall terminate voucher homeownership assistance for any member of family receiving homeownership assistance that is dispossessed from the home pursuant to a judgment or order of

foreclosure on any mortgage (whether FHA- insured or non-FHA) securing debt incurred to purchase the home, or any refinancing of such debt.

DDHA, in its discretion, may permit the family to move to a new unit with continued voucher rental assistance if the family can show that the default was for reasons beyond its control. However, the housing authority will deny such permission, if:

- II. The family defaulted on an FHA-insured mortgage; and
- III. The family fails to demonstrate that:
 - a. The family has conveyed title to the home, as required by HUD, to

HUD or HUD's designee; and

- b. The family has moved from the home within the period established or approved by HUD.

20.20 RECAPTURE OF HOMEOWNERSHIP ASSISTANCE

A. DDHA shall recapture a percentage of the homeownership assistance provided to the family upon the family's sale or refinancing of the home.

B. Upon purchase of the home, a family receiving homeownership assistance shall execute documentation as required by HUD, and consistent with State and local law, that secures DDHA's right to recapture the homeownership assistance in accordance with this section. The lien securing the recapture of homeownership subsidy may be subordinated to a refinanced mortgage at the discretion of the housing authority.

C. In the case of the sale of the home, the recapture shall be in an amount equaling the lesser of:

- I. The amount of homeownership assistance provided to the family, adjusted as described in Paragraph F of this section; or

- II. The difference between the sale price and purchase price of the home, minus:

- a. The costs of any capital expenditures;
- b. The costs incurred by the family in the sale of the home (such as sales commission and closing costs);
- c. The amount of the difference between the sale price and purchase price that is being used, upon sale, towards the purchase of a new home under the Section 8 homeownership option; and
- d. Any amounts that have been previously recaptured, in accordance with this section.

D. In the case of a refinancing of the home, the recapture shall be in an amount equaling the lesser of:

- 1. The amount of homeownership assistance provided to the family, adjusted as described in Paragraph F of this section; or
- 2. The difference between the current mortgage debt and the new mortgage debt; minus:
 - a. The costs of any capital expenditures;
 - b. The costs incurred by the family in the refinancing of the home (such as closing costs); and
 - c. Any amounts that have been previously recaptured as a result of

refinancing.

E. The recapture amount shall be determined using the actual sales price of the home, unless the sale is to an identity-of-interest entity. In the case of identity-of-interest transactions, the housing authority shall establish a sale price based on fair market value.

F. The amount of homeownership assistance subject to recapture will automatically be reduced over a 10 year period, beginning one year from the purchase date, in annual increments of 10 percent. At the end of the 10 year period, the amount of homeownership assistance subject to recapture will be zero.

CHAPTER 21

21.0 PROGRAM INTEGRITY ADDENDUM AND FRAUD AND PROGRAM ABUSE

21.1 INTRODUCTION

The Decatur/DeKalb Housing Authority (DDHA) is committed to all necessary steps to prevent fraud, waste, and mismanagement so that program resources are utilized effectively.

This Chapter focuses on DDHA's policies for the prevention, detection and investigation of program abuse and fraud.

DDHA is committed to assuring that the proper level of benefits is paid to all participating families, and that housing resources reach only income-eligible families so that program integrity can be maintained.

-

21.2 CRITERIA FOR INVESTIGATION OF SUSPECTED ABUSE AND FRAUD

Under no circumstances will DDHA undertake an inquiry or an audit of a participating family arbitrarily. DDHA's expectation is that participating families will comply with HUD requirements, provisions of the voucher, and other program rules. DDHA staff will make every effort (formally and informally) to orient and educate all families in order to avoid unintentional violations. However, DDHA has a responsibility to HUD, to the Community, and to eligible families in need of housing assistance, to monitor participants and owners for compliance and, when indicators of possible abuse come to DDHA's attention, to investigate such claims.

DDHA will initiate an investigation of a participating family only in the event of one or more of the following circumstances:

Referrals, Complaints, or Tips

DDHA will follow up on referrals from other agencies, companies or persons which are received by mail, by telephone or in person, which allege that a family is in non-compliance with, or otherwise violating the family obligations or any other program rules. Such follow-up will be made providing that the referral contains at least one item of information that is independently verifiable. A copy of the allegation will be retained in the family's file.

Internal File Review

A follow-up will be made if PHA staff discovers (as a function of a certification or recertification, an interim redetermination, or a quality control review), information or facts, which conflict with previous file data, DDHA's knowledge of the family, or is discrepant with statements made by the family.

Verification of Documentation

A follow-up will be made if DDHA receives independent verification or documentation, which conflicts with representations in the family's file (such as public record information or credit bureau reports, reports from other agencies).

21.3 STEPS DDHA WILL TAKE TO PREVENT PROGRAM ABUSE AND FRAUD

DDHA management and staff will utilize various methods and practices (listed below) to prevent program abuse, non-compliance, and willful violations of program rules by applicants and participating families. This policy objective is to establish confidence and trust in the management by emphasizing education as the primary means to obtain compliance by families.

Things You Should Know

This program integrity bulletin (created by HUD's Inspector General) will be furnished and explained to all applicants to promote understanding of program rules, and to clarify DDHA's expectations for cooperation and compliance.

Program Orientation Session

DDHA staff will conduct mandatory orientation sessions for all prospective program participants, either prior to or upon issuance of a voucher. At the conclusion of all Program Orientation Sessions, the family representative will be required to sign a "Program Briefing Certificate" to confirm that all rules and pertinent regulations were explained to them.

Resident Counseling

DDHA will routinely provide participant counseling as a part of every recertification interview in order to clarify any confusion pertaining to program rules and requirements.

Review and explanation of Forms

Staff will explain all required forms and review the contents of all (re)certification documents prior to signature.

Use of Instructive Signs and Warnings

Instructive signs will be conspicuously posted in common areas and interview areas to reinforce compliance with program rules and to warn about penalties for fraud and abuse

Participant Certification

All family representatives will be required to sign a "Participant Certification" form, as contained in HUD's Participant Integrity Program Manual.

21.4 STEPS DDHA WILL TAKE TO DETECT PROGRAM ABUSE AND FRAUD

DDHA Staff will maintain a high level of awareness to indicators of possible abuse and fraud by assisted families.

1. Quality Control File Reviews

Prior to initial certification, and at the completion of all subsequent recertifications, each participant file will be reviewed. Such reviews shall include, but are not limited to:

- A. Assurance that verification of all income and deductions is present.
- B. Changes in reported Social Security Numbers or dates of birth.
- C. Authenticity of file documents.
- D. Review of signatures for consistency with previously signed file documents.
- E. All forms are correctly dated and signed.

2. Observation

DDHA Management and Occupancy Staff (to include inspection personnel) will maintain high awareness of circumstances, which may indicate program abuse or fraud, such as unauthorized persons residing in the household and unreported income. Observations will be documented in the family's file.

3. Public Record Bulletins

may be reviewed by Management and Staff.

4. State Wage Data Record Keepers

Inquiries to State Wage and Employment record keeping agencies as authorized under Public Law 100-628, the Stewart B. McKinley Homeless Assistance Amendments Act of 1988, may be made annually in order to detect unreported wages or unemployment compensation benefits

5. Credit Bureau Inquiries

Credit Bureau inquiries may be made (with proper authorization by the participant) in the following circumstances:

- I. When an allegation is received by DDHA wherein unreported income sources are disclosed.
- II. When a participant's expenditures exceed his/her reported income, and no plausible explanation is given.

21.5 DDHA'S HANDLING OF ALLEGATIONS OF POSSIBLE ABUSE AND FRAUD

DDHA staff will encourage all participating families to report suspected abuse or fraud to DDHA. All such referrals, as well as referrals from community members and other agencies, will be thoroughly documented and placed in the participant's file. All allegations, complaints and tips will be carefully evaluated in order to determine if they warrant follow-up. DDHA will not follow up on allegations, which are vague or otherwise non-specific. They will only review allegations, which contain one or more independently verifiable facts.

I. File Review

An internal file review will be conducted to determine:

- a) If the subject of the allegation is a client of DDHA and, if so, to determine the family has previously disclosed whether or not the information reported.
- b) It will then be determined if DDHA is the most appropriate authority to do a follow-up (more so than police or social services). Any file documentation of past behavior as well as corroborating complaints will be evaluated.

II. Conclusion of Preliminary Review

If at the conclusion of the preliminary file review there is/are fact(s) contained in the allegation which conflict with file data, and the fact(s) are independently verifiable, DDHA will initiate an investigation to determine if the allegation is true or false.

21.6 OVERPAYMENTS TO OWNERS

If the landlord has been overpaid as a result of fraud, misrepresentation or violation of the Contract, DDHA may terminate the Contract and arrange for restitution to DDHA and/or family as appropriate.

DDHA will make every effort to recover any overpayments made as a result of landlord fraud or abuse. Payments otherwise due to the owner may be debited in order to repay DDHA or the tenant, as applicable.

21.7 HOW DDHA WILL INVESTIGATE ALLEGATIONS OF ABUSE AND FRAUD

If DDHA determines that an allegation or referral warrants follow-up, either the staff person who is responsible for the file, or a person assigned by the Housing Assistance Director to monitor the program compliance will conduct the investigation. The steps taken will depend upon the nature of the allegation and may include, but are not limited to, the items listed below. In all cases, DDHA will secure the written authorization from the program participant for the release of information:

1) Credit Bureau Inquiries

In cases involving previously unreported income sources, a CBI inquiry may be made to determine if there is financial activity that conflicts with the reported income of the family.

2) Verification of Credit

In cases where the financial activity conflicts with file data, a Verification of Credit form may be mailed to the creditor in order to determine the unreported income source.

3) Employers and Ex-Employers

Employers or ex-employers may be contacted to verify wages, which may have been previously undisclosed or misreported.

4) Neighbors/Witnesses

Neighbors and/or other witnesses may be interviewed who are believed to have direct or indirect knowledge of facts pertaining to DDHA's review.

5) Other Agencies

Investigators, caseworkers or representatives of other benefit agencies may be contacted.

6) Public Records

If relevant, DDHA will review public records kept in any jurisdictional courthouse. Examples of public records which may be checked are: real estate, marriage, divorce, uniform commercial code financing statements, voter registration, judgments, court or police records, state wage records, utility records and postal records.

7) **Interviews with Head of Household or Family Members**

DDHA will discuss the allegation (or details thereof) with the Head of Household or family member by scheduling an appointment with the appropriate staff person. The DDHA staff person that will conduct the interview will maintain a high standard of courtesy and professionalism. Under no circumstances will management tolerate inflammatory language, accusation, or any unprofessional act, conduct or language by DDHA staff.

21.8 PLACEMENT OF DOCUMENTS, EVIDENCE AND STATEMENTS OBTAINED BY DDHA

Documents and other evidence obtained by DDHA during the course of an investigation will be considered "work product" and will either be kept in the participant's file, or in a separate

"work file." In either case, the participant's file or work file shall be kept in a secure area. Such cases under review will not be discussed among DDHA Staff unless they are involved in the process, or have information, which may assist in the investigation.

21.9 CONCLUSION OF DDHA'S INVESTIGATIVE REVIEW

At the conclusion of the investigative review, the reviewer will report the findings to the Housing Assistance Director or staff designee. It will then be determined whether a violation has occurred, a violation has not occurred, or if the facts are inconclusive or unsubstantiated.

21.10 EVALUATION OF THE FINDINGS

If it is determined that a program violation has occurred, DDHA will review the facts to determine:

- I. The type of violation (procedural, non-compliance, fraud).
- II. Whether the violation was intentional or unintentional.
- III. What amount of money (if any) is owed by the family to DDHA.
- IV. If the family is eligible for continued occupancy.

21.11 ACTION PROCEDURES FOR VIOLATIONS WHICH HAVE BEEN DOCUMENTED

Once a program violation has been documented, DDHA will propose the most appropriate remedy based upon the type and severity of the violation.

1. Procedural Non-compliance.

This category applies when the family "fails to" observe a procedure or requirement of DDHA, but does not misrepresent a material fact, and there is no retroactive assistance payments owed by the family.

I. Examples of Non compliance Violations Are:

- a) Failure to appear at a pre-scheduled appointment.
- b) Failure to return verification in time period specified by DDHA.

II. Warning Notice to the Family

In such cases a notice will be sent to the family, which contains the following:

- a) A description of the non-compliance and the procedure, policy or obligation, which was violated.
- b) The date by which the violation must be corrected, or the procedure complied with.
- c) The action, which will be taken by DDHA if the procedure or obligation is not complied with by the date specified by DDHA.
- d) The consequences of repeated (similar) violations.

2. Procedural Non-compliance - Overpaid Assistance

When the family owes money to DDHA for failure to report changes in income or assets, DDHA will issue a Notification of Overpayment of Assistance. This Notice will contain the following:

- A. A description of the violation and the date(s).

B. Any amounts owed to DDHA.

C. A time period in which to respond.

D. The right to disagree and to request an informal hearing with instructions for the request of such hearing.

I. Participant Fails to Comply with PHA's Notice

If the Participant fails to comply with DDHA's notice, and a family obligation has been violated, DDHA will initiate termination of assistance.

II. Participant Complies with PHA's Notice

When a family complies DDHA's notice, the staff person responsible will meet with him/her to discuss and explain the Family Obligation or program rule, which was violated. The staff person will complete a Participant Counseling Report, give one copy to the family and retain a copy in the family's file.

3. Intentional Misrepresentations

When a participant falsifies, misstates, omits or otherwise misrepresents a material fact which results (or would have resulted) in an overpayment of housing assistance by DDHA, DDHA will evaluate whether or not:

I. The participant had knowledge that his/her actions were wrong, and

II. The participant willfully violated the family obligations or the law.

Knowledge that the action or inaction was wrong

This will be evaluated by determining if the participant was made aware of program requirements and prohibitions. The participant's signature on various certification, briefing certificate, Personal Declaration and Things You Should Know are adequate to establish knowledge of wrongdoing.

The participant willfully violated the law

Any of the following circumstances will be considered adequate to demonstrate willful intent:

- (a) An admission by the participant of the misrepresentation.
- (b) That the act was done repeatedly.
- (c) If a false name or Social Security Number was used.
- (d) If there were admissions to others of the illegal action or omission.
- (e) That the participant omitted material facts, which were known to him/her (e.g., employment of self or other household member).
- (f) That the participant falsified, forged or altered documents.
- (g) That the participant uttered and certified to statements at a interim (re)determination which were later independently verified to be false.

4. Dispositions of Cases Involving Misrepresentations

In all cases of misrepresentations involving efforts to recover monies owed, DDHA may pursue, depending upon its evaluation of the criteria stated above, one or more of the following actions:

A. Criminal Prosecution

If DDHA has established criminal intent, and the case meets the criteria for prosecution, DDHA will:

I. Refer the case to the local State or District Attorney, notify HUD's RIGI, and terminate rental assistance.

II. Refer the case to HUD's RIGI, and terminate rental assistance.

B. Administrative Remedies: DDHA will:

I. Terminate assistance and demand payment of restitution in full or;

II. Terminate assistance and execute an administrative repayment agreement in accordance with DDHA's Repayment Policy or;

III. Permit continued assistance at the correct level and execute an administrative repayment agreement in accordance with DDHA's repayment policy.

5. Notification of Proposed Actions

DDHA will notify the family of the proposed action in writing.

VOUCHER PROGRAM. The Housing Choice Voucher program.

WAITING LIST. A list of families organized according to HUD regulations and PHA policy who are waiting for subsidy to become available.

WELFARE ASSISTANCE. Income assistance from Federal or State welfare programs, including assistance provided under TANF and general assistance. Does not include assistance directed solely to meeting housing expenses, nor programs that provide health care, child care or other services for working families. FOR THE FSS PROGRAM (984.103(b)), "welfare assistance" includes only cash maintenance payments from Federal or State programs designed to meet a family's ongoing basic needs, but does not include food stamps, emergency rental and utilities assistance, SSI, SSDI, or Social Security.

WELFARE RENT. This concept is used ONLY for pre-merger Certificate tenants who receive welfare assistance on an "AS-PAID" basis. It is not used for the Housing Voucher Program. If the agency does NOT apply a ratable reduction, this is the maximum a public assistance agency COULD give a family for shelter and utilities, NOT the amount the family is receiving at the time the certification or recertification is being processed. If the agency applies a ratable reduction, welfare rent is a percentage of the maximum the agency could allow.

WELFARE-TO-WORK (WTW) FAMILIES. Families assisted by a PHA with voucher funding awarded to the PHA under the HUD welfare-to-work voucher program (including any renewal of such WTW funding for the same purpose).

DECATUR/DEKALB HOUSING AUTHORITIES **PROJECT-BASED VOUCHER PROGRAM**

STATEMENT:

To enable PHAs to implement the new statute of project-based program. HUD notes that it made revisions of the statute and aimed it at easing the barriers that PHAs faced with using project-based option. The objective of the new rule is to make the project-based voucher program more flexible and more workable, and to help PHAs, owners, and eligible families in need of housing take immediate advantage of the new statutory features in the law.

The maximum percentage of funds that a PHA may project-base was increased to 20 percent of its total tenant-based Section 8 funds. Existing contracts for project-based certificates under the previous statutory authority count toward this limit.

DDHA can project-base voucher assistance without any requirement(s) that the owner invest other funds in the property for improvements. Previously, investment by the owner of at least \$1,000 per unit was required before a unit could receive a project-based voucher. This will allow DDHA to decide whether to project-base vouchers as a way to encourage new construction or rehabilitation or simply to use project-basing as a tool to promote voucher utilization and expand housing opportunities within already existing communities. In addition, it permits funds from programs authorized under the U.S. Housing Act (public housing and Section 8) to be used for construction or rehabilitation of properties, if such use is otherwise authorized.

If newly constructed or rehabilitated units require less than \$1,000 of work to meet inspection standards at the time DDHA selects the units to receive project-based voucher assistance, the units are considered "existing" housing. Other units that require no additional work or only minor rehabilitation, i.e., less than \$1,000 per unit, also are included in the definition of existing housing. The distinction between "existing" and newly constructed or rehabilitated housing is important. The project-basing of vouchers in "existing" housing relieves DDHA's of a number of obligations, including the requirement to select units competitively and the need to obtain HUD approval of the criteria for competition and the location of selected developments.

DDHA may project-base vouchers only if the contract is consistent with the goal of deconcentrating poverty and expanding housing and economic opportunities within its jurisdiction. HUD's Initial Guidance implements this statutory requirement by requiring that all new contracts to project-base voucher assistance must be for units in census tracts with a poverty rate of less than 20 percent. HUD may approve an exception to this requirement. HUD's current site and neighborhood standards (24 C.F.R. 983.6) continue to apply to contracts to project-base voucher assistance in return for rehabilitation or new construction of more than \$1,000 per unit. The Initial Guidance states that these rules do not apply to the project-basing of vouchers in "existing" housing.

To project-base vouchers in 25 percent or less of the units in "existing" housing, DDHA is required to advertise its intention in a general circulation newspaper weekly for three consecutive weeks. Interested owners must have at least 30 days to apply from the date of the last publication. It appears that no HUD approval is required, and DDHA need not develop formal selection criteria. If DDHA wishes, however, to project-base vouchers in return for new construction or rehabilitation expenditures of more than \$1,000 per unit, or to project-base vouchers in more than 25 percent of the units in existing housing that will serve the elderly or disabled, DDHA must establish policies for public advertisement and competitive selection of units. Such policies must be approved in advance by the HUD field office.

I do not fully understand HUD's rules or position on the pre-existing rules that required specific advance approval by HUD of each PHA decision to project-base vouchers in a particular development, the term of the PHA's contract with an owner, and any decision to renew the contract. All PHAs that wish to use the new option, however, must include a description of their plan to project-base vouchers in their annual PHA Plan.

To project-base vouchers in connection with new construction or rehabilitation of more than \$1,000 per unit, or in more than 25 percent of units in an "existing" building, DDHA must obtain HUD approval of their public advertisement and competitive bidding policies. Except when vouchers are project-based in "existing" housing, HUD approval is required of the location of units to receive project-based vouchers. It appears that PHAs that wish to project-base vouchers in buildings they own continue to need HUD approval. For project-basing of vouchers in all types of developments, PHAs are required to use a new HUD form contract and a new Tenancy Addendum that are to be issued "soon."

PHAs with fiscal years beginning July 1, 2001 or later that wish to use the project-based voucher option must attach a statement to the PHA Plan template. The statement must include the projected number of project-based units and general locations, and the PHA's reasons for choosing to project-base a portion of its vouchers. The range of possible locations must "result in a reasonable choice of buildings or projects to be provided project-based assistance when DDHA solicits applications."

If DDHA wishes to project-base vouchers before the anticipated approval date of its next PHA plan, it may amend its plan to do so. If the amendment is significant under DDHA's established criteria, DDHA must consult with the Resident Advisory Board and obtain public comment. Through its review of the plan, HUD may determine whether the proposed locations of project-based units comply with the goal of deconcentrating poverty and expanding housing and economic opportunities and affirmatively further fair housing.

Based on the above information and the financial incentives for owners to enter into a project-based voucher contract with the housing authority, which will increase rental income, produce vacancy payments, increase occupancy rate, reduce property operational cost and secure a long term Section 8 contracts; I recommend DDHA implement a Section 8 project based voucher program.

Please advise if you have questions or need additional information.
